

Limitless Learning Initiative - Annual Technology Fee
(Grades 9-12 Families Only)

Paying your annual technology fee enrolls you in a self-funded insurance pool that will cover the cost of accidental damage or theft of a district-provided device. Enrollment in Ladue School District's Annual Technology Fee & Insurance Program protects you from the cost of repairing or replacing your Ladue School-issued device and limits your responsibility to a per-occurrence deductible outlined below. The coverage extends to accident or loss, only; the student will be charged for the actual cost of repair or replacement of the device due to willful, deliberate damage, or damage caused through negligence.

Annual Registration Fee: All fees are due by September 6, 2024

High School (Grades 9-12) Fee
Macbook Air, case, and charger

\$25 for students receiving free & reduced lunch
(not to exceed \$100 total for families with 3 or more students enrolled in the district.)

If you find it difficult to cover this amount, please reach out to your child's grade-level administrator to discuss alternative arrangements.
