Let's Read A Story!

Parents, please read the following story to your 1st grader.

First- ask your child to look at this picture and make a prediction about what the story will be about!

The **Little Rooster**

An American Folk Tale

Once there was a farmer who had
a little rooster.

At night he put it in the hen yard.

“I am so tired!” he told the
rooster. “Let me sleep late
tomorrow morning.”

The little rooster woke up
with the sun.

He jumped out of the yard
and ran to the house.

He flapped his wings and cried,
“Cock-a-doodle-doo!”

The farmer woke up and
yelled, “Go away!”

The rooster ran back to
the yard.

The farmer said, “Now that I am up, I will plant my garden.”

That night the farmer put the little rooster into a pigpen.

“I am so tired!” he told the rooster. “Let me sleep late tomorrow morning.”

The little rooster woke up with the sun.

He jumped out of the pigpen.
He ran to the house.

He flapped his wings and
cried, "Cock-a-doodle-doo!"

The farmer woke up and
yelled, "Go away!"

The rooster ran back to
the pen.

The farmer said, “Now that I am up, I will weed my garden.”

That night he put the little rooster into the barn.

“I am so tired!” he told the rooster. “Let me sleep late tomorrow morning.”

The little rooster woke up with the sun.

He jumped out of the barn.
He ran to the house.

He flapped his wings and cried,
“Cock-a-doodle-doo!”

The farmer woke up, picked
up the little rooster, and gave
it away.

That night the farmer told
himself, “I will sleep late
tomorrow morning.”

The farmer did sleep late
the next morning,
and the next,
and the next.

A photograph of an astronaut in a white space suit floating in space. The astronaut is wearing a white helmet with a clear visor and has a small American flag patch on the right shoulder. The astronaut is holding onto a metal structure, possibly part of a space station or shuttle. The background is a deep blue and purple gradient, suggesting the vastness of space. The overall image has a purple tint.
