

Hello~

I am Allison Lemaster and I am honored to serve as the Principal of Crestview Elementary School. With a deep-rooted passion for education and a commitment to fostering a nurturing learning environment, I am dedicated to creating a school culture that empowers students to reach their full potential. I believe in the importance of a well-rounded education and strive to create a school community that reflects the diverse interests and backgrounds of its students. I have a strong belief in project based learning & will be working with teacher teams to continue to implement business partnerships & authentic learning experiences for our students!

I hold a Bachelor's Degree in Middle Childhood Education from the University of Mount Union, a Master's Degree in Curriculum & Instruction from Arkansas State University, a Master's Degree in Educational Leadership from American College of Education, and I have a Gifted Endorsement from Ashland University.

I am an active member of WRAGE and OAGC and am committed to ongoing professional development for myself and the staff.

Outside of school, I love spending time with my husband, Jon, son, Charlie, and our two dogs! I enjoy being outside, especially at the lake, doing crafts and reading.
