

How do I pay my Chromebook fees?

Log into your Efund account by using the following link:

<https://payments.efundsforschools.com/v3/districts/55905>

Select "Optional Fees" from the menu on the left.

Scroll through the payment items to select the appropriate expense (Chromebook Deposit, Chromebook Insurance).

Add the payment item to your cart.

Proceed to Checkout.

****Note** – the service fee for payments made by "direct debit" (online check) is \$1.25 no matter the dollar amount in your cart. This is the most cost effective way to make online payments through Efund. To use this option, you will have to provide the routing and transit number of your financial institution along with your account number. Payments by credit card/debit card are \$2.85 per \$100 increment in your cart. IE – A cart total between \$.01 and \$100 = \$2.85 service fee, \$100.01 to \$200 is \$5.70 (\$2.85 X 2), etc.
