

ANTIOCH COMMUNITY CONSOLIDATED SCHOOL DISTRICT 34

INSPIRE TO DREAM - EMPOWER TO ACHIEVE

OFFICE USE ONLY

Check Amount: _____

Check Number: _____

Dear Superintendent Borowiak,

I am under contract to purchase a home within the boundaries of District 34 and wish to enroll my child/children on a tuition-paying basis until such time as I become a legal resident of the school district.

The anticipated closing date on my home is within 61 days, at which time I will be a legal resident of the district and my child/children will be entitled to attend District 34 schools as a resident. Attached is my proof of my intended residency in District 34 at _____ in the form of a real estate contract with the anticipated closing date of _____.

I understand that until I am a legal resident of District 34, I am required to pay non-resident tuition. I have read the non-district residency letter and understand my responsibilities for paying tuition. The annual tuition rate for the 2024-2025 school year is \$12,826.95. The established service fee, payable at enrollment, is \$1,450.17 per child. This will be refunded if I become a legal resident within 31 calendar days or by _____ (to be completed by school office). All tuition charges are calculated on a per diem basis, credit will not be given for school days in which your child does not attend. Tuition will be payable monthly in advance. I also understand that transportation to and from school is my responsibility until I become a legal resident, at which time consideration will be given for busing.

Please admit my child _____ (first and last name) into grade _____ at

- Antioch Upper Grade School
- Oakland Elementary School

- Hillcrest Elementary School
- W.C. Petty Elementary School
