WHY WE DO IT

From the Little Family:

When we were children, our parents sacrificed and relied on generous donors to help us attend Mother Seton School in Emmitsburg, MD.

We believe our elementary education at MSS gave each one of us the foundation in becoming who we are today. Before our parents passed away, we promised them that we would continue to help other students get the same Catholic education that we did.

Mom and Dad continue to be our 'Angels Above'. Through the **Jack and Shirley Little Scholarship Fund**, they continue to be 'Angels Above' for other families wanting their children to receive the same quality Catholic education that we were blessed to receive.

To date, we have provided over \$272,000 in scholarships to MSS students!
