STUDENT PARKING

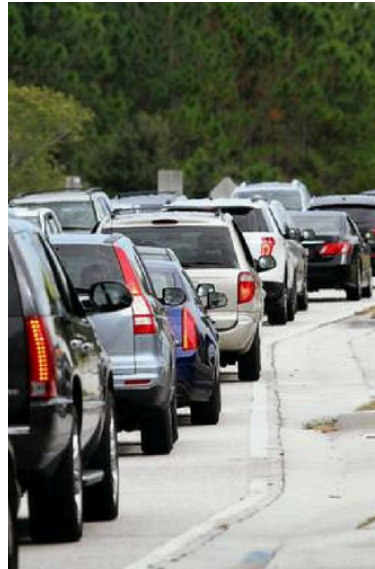

New driver? Congratulations! In order to park on school campus, the student driver must display a parking permit while parked on campus at all times. Go ahead and scan the QR code or [click this link](#) to complete the application.

FOOTBALL MATTERS

And so does parking for the games. Last year, we introduced **entering the East** entrance and **exiting the West**. We are continuing this tradition because it works! Beginning at 5:30 pm on game nights, you will only be able to enter from the East entrance. Please be sure your CDS windshield cling is visible on the driver's side. This enables us to identify and easily park you. We want CDS families to park on campus and visitors on South Beach.

CARLINE NEWS

Not fond of weaving? Neither are we! Hence the reason we let you "cut" to the last lane on the west side when there's less traffic. You're welcome. 😊 Dismissal taking too long? Upper School families, we need your help. Please do not get on the dismissal carline before 3:20pm. Arrive early? Park in a parking space and then join the line when it's time. Being on carline during MS dismissal significantly delays the dismissal process. Have a MS and US student? Wait until it's US dismissal to pick up. Please do not block the path of the rolling gate. Thanks for your help!

No Pick-Up in front of the Gym or in West Lot.

Visiting Cds

The rolling gate is closed between the hours of 9am and 2pm. The cut-through to elementary is open during those hours to allow you to drive to the elementary side.

All visitors are required to call the number posted on the gate from the STOP sign for entry onto campus. We realize this may be an inconvenience, but for the safety of our students and staff, please call and don't immediately follow the vehicle that may be in front of you.

All visitors are required to check in at the front desk if you are visiting the main campus. Those going to elementary must check in at elementary administration office. There is also a check in process when visiting the gym.

All visitors are required to wear the identification badge received during check-in. Please remember to check out when your visit is over.

Please have the CDS windshield cling displayed on the lower portion of the windshield on the driver's side. All CDS families have been issued 2 clings per family. If you have not received yours, please contact the Administrative Assistant for your child's division.
