Care4Us Pharmacy ...

- is a proactive personalized pharmacy solution exclusive to covered MedBen Health Plan members and their families.
- is THE preferred member-based pharmacy built with our members in mind, focusing on convenience and providing quality medications at the best possible price.
- has a formulary focused on generics and preferred brand medications to keep our member's out-of-pocket costs low.
- is led by our pharmacist who will evaluate your drugs in real-time, providing quick and seamless saving opportunities right at the pharmacy counter.

What other services are available with the Care4Us Pharmacy?

- Experience stress-free personalized service with speedy pick-up in less than 5 minutes.
- The pharmacy team has over 30 years of experience in educating patients on medication usage.
- A "Brown Bag" Medication Review is available (in person or virtual).

A complete review of all current medication and possible interactions including prescriptions, over-the-counter medicines, vitamins, supplements & herbal medicines; topicals, liquids, injectables & inhalants.

When should I use my LIME ACCESS Prescription Card?

- Present your LIME ACCESS Prescription Card to your doctor's office upon check-in to have prescriptions sent to the Care4Us Pharmacy.
- If you are currently using a different pharmacy, ask us how we can transfer your prescriptions to Care4Us Pharmacy to save you money.
- If you have a list of current medications, share that information with us. We will also gather the necessary information from your previous pharmacy.
- If you are not currently on medication, the next time your doctor writes a prescription and asks where to send it, say **"Care4Us Pharmacy in Bartlett!"**

How do I sign up for home delivery?

- Maintenance medications are shipped directly to your home at no additional cost.
- Our pharmacy team will be happy to seamlessly transfer your prescriptions to our home delivery service - just call **901-625-DRUG (3784)** or send us an email transfer@care4uspharmacy.com

Can I use the Care4Us Pharmacy for my family members?

- The MedBen Health Plan allows you to fill prescriptions for your covered dependents.
- Your family members can take the LIME ACCESS Prescription Card to their doctor's office to transfer their prescription(s) to the Care4Us Pharmacy. (Feel free to snap a picture on your phone to present at check-in).
