JUNIORS:

A Junior is energetic. He has to be to keep up with the new jobs and responsibilities laid upon the Junior class. He's anxious too, anxious to get to the top and take the reins. To a Junior, this year is the best.

But in the meantime he's busy. Whether his task is studying for a chemistry test, selling magazines, or planning the Prom, a Junior is ready to go. A follower today, he looks eagerly to tomorrow when he can lead.

FIRST YEAR IS VICTORIOUS

During their first year of competition the Knight wrestlers did a fine job. They finished the year with a 9-3 record. When Mr. Pullen was asked what he thought the team would be like next year he commented, "The team should be better than ever. We have all of our varsity returning, but two, Francis Hackenmueller our captain and Bill Peloquin, and also they have a year of experience behind them and many more to learn." The last match seemed to be the most exciting of the year. Our duel meet was against Rockford the team knew it would be tough but they proved they could do it by a victory for Wrestling Appreciation Night.

PEP CLUB INCREASES SCHOOL SPIRIT!

Pep Club is an organization, designed to work with the cheerleaders to create school spirit and promote enthusiasm throughout the entire student body. A pep club member faces the important duty of backing their teams at all times. The success of their job depends on unity within the club. This year spirit was spread by selling pompons and sweatshirts throughout the year. Our Pep Club worked hard to support the teams.

MEMBERS KEEP PHYSICALLY FIT

The Girls Athletic and Recreation Association, GARA, participates in many active sports. Among these are bowling, tumbling, and trampoline. The purpose of this organization is to promote physical fitness for girls.

Mrs. Rahko, advisor, suggests many interesting activities, in which the girls may participate.

Since this is our first year, we must write a new constitution, and make new rules for the point system.

TOP ROW: Left to Right: T. Bruner, S. Barthel, M. Rivers, D. Arneson, D. Bechtold, D. Heuring, K. Mattsen, R. Helgeson, P. King, J. Goeb, D. Pohlkamp, M. Zahler, K. Becker. ROW TWO: L. Escobedo, J. CHESS CLUB

Chess Club is a newly formed organization in our school, the advisors are Mr. Lutz and Mr. Doyle. Chess has become one of the most popular features of the school day. The members are allowed to play during their study halls, and they meet after school. The Chess Club plans to end it's year of activity with intramural tournaments.

TOP ROW: Left to Right: Director R. Lovegren, D. Pohlkamp, S. Carland, R. Jaeb, K. Kasper, W. Johnson. ROW TWO: W. Goeb, K. Klaers, M. Auger, G. Marx. ROW THREE: C. Schumm, M. Zahler, G. Lenz, R. BAND ADDS COLOR TO

In Blue and gold, the band displayed it's talent by marching in the Homecoming Parade and by performing at half-time.

A lot of hard work went into preparing for the Christmas Concert, but could not be displayed when snow caused it to be cancelled.

They were kept busy playing at all home basketball games during the season and travelled to the tournament too.

Everyone feels the band has done a terrific job this year, and credit for this can be given to our director, Mr. Lovengren. Of course we can't forget the dedicated members of the band who made it all possible.

TOP ROW: Left to Right: D. Schendel, T. Ayd, D. Pohlkamp, M. Auger, J. Glover, J. Becker. ROW TWO: D. Dehmer, G. Weber, B. Marx, V. Schumacher, M. Becker. ROW THREE: R. Dehmer, S. Glover, D. Becker, N. Becker, J. Eull. BOTTOM ROW: B. Weber, B. Berning, J. Scherber.

STUDENT ACTIVITIES

Endless hours of practice within the confines of this room, both with the group and alone, have been spent. But we are rewarded by the fine performances which result from this hard work.

The choruses under the direction of Mr. Jaeger have been singing all year. Working hard with the Senior High Chorus is not his only job. He also is developing the Jr. High Chorus so one day they will become the Senior Chorus.

After many hours of practice the chorus was disappointed when two snowstorms forced their concert to be cancelled, but they are now busy practicing and looking forward to the spring concert, and also a musical.

KNIGHT RECORDS SCHOOL YEAR

WHAT HOLDS A KNIGHT TOGETHER?

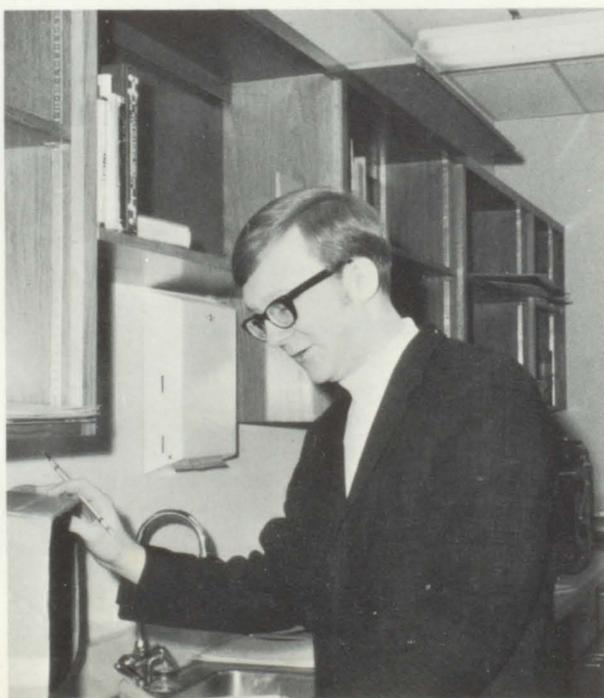

Guts are needed to keep your chin up after you miss the deadline on the first multiple.

Leadership is required to select a goal and to keep the staff advancing toward it at a steady pace.

Unity among the staff is needed to create a yearbook worthy of bearing the name KNIGHT.

Energy is required to spend countless hours of thankless work and still come up smiling.

Advisor, Mr. Henrikson checks over the pages for the last minute deadline.

FRONT ROW: Left to Right: Advisor Mrs. Tidmarsh, M. Dawson, L. Escombado, M. Becker. ROW TWO: J. Becker, D. Sherman, P. Weber, C. Jaeb, T. Aydtt, N. Becker, P. Becker, S. Becker, M. Johnson. ROW THREE: K. Hagel, J. Jordan, B. Johnson, E. Breun, D. Schendel, S. Haller.

The Knights newspaper club has worked hard this year to keep the student-body informed about happenings at STMA.

Included in this paper is the editorials, jokes, advertising, sports, and the everyday happenings of classes.

Putting the "Knight Crier" together has required many nights of hard work on the part of the staff, gathering new, proofreading articles, and typing copies.

It is published once a month under the supervision of Mrs. Tidmarsh.

This year, being their first, we all think the staff has done their best.

A senior is indeed a strange creature. He has waited for three long years to be where he is, and then, when he gets there he's afraid. Sometimes the pressures and tensions of being a senior get him down, but he gets up again, takes the lead once more, and moves on.

He moves eagerly through his last homecoming, classes, meetings and prom. He often complains of the regulations, yet he's ready to fight anyone who puts his school down.

A senior thinks, a senior worries. He is constantly reminded that he must make decisions about his future. He realizes that tomorrow is his day, but it is coming so rapidly. Is he ready? He wonders too.

Then graduation day rolls around and the senior looks back. Those four years were brief and now he's ready to leave. Each one recalls certain highlights of his past four years. To the future chemist it's that one tricky experiment, while to a basketball player that crucial free-throw. For every senior there are some special teachers and friends.

Yes, a senior is a strange creature because after working four years to graduate he wonders if it is really a happy occasion. But he turns his thoughts to the future and accepts the new challenges offered him, as he realizes these were some of the best years of his life.
