"Thank You" Laverne

As the phrase goes,
"Behind every successful
man, there's a woman."
In STMA, it's a woman
behind our school. Laverne
has played an important
part in the running of
our school. We would
like to say "thank you"
for everything you have
done for us. We, the
seniors of 1978, do hereby
dedicate our yearbook to
Laverne Beaudry.

The play is a comedy about a small town, family-type hotel run by a widow and her three children. Their guests include: Althea Coldwater, who is so deaf she thinks people are whispering when they are shouting at the top of their lungs; Ivan Petroff, a Russian ballet dancer; Madam X, a phoney fortune teller; and Jimmie Washburn, a wealthy but NERVOUS guest engaged to a girl whose father violently opposes the match.

The 1977 cross country season was characterized by growth, youth, improvement, and fun. With the start of a girls team four girls became involved running for STMA. Cathy Robeck led the girls to the finish line all year with the others not that far behind. The boys team grew in number each week doubling its size from the start of the season.

Both squads were very young with the average grade of all runners being 9.1. The squad also only had three persons who had any cross country experience. Youth and inexperience explain why the team didn't win any meets this season. The boys did beat all but two other teams in our conference at different meets throughout the season.

The success of the 1977 Cross Country season was shown by improvement of times by everyone on the team and the enthusiasm with which everyone ran. The key to the success of the season was the enjoyment everyone received from being together and participating in various activities like the weekly soccer game. The following runners earned letters in Cross Country for 1977: Cathy Robeck, Paul Robeck, Paul Zahler, Mark Lefebvre, and Mike Westberg.
