Tim Duerr

Everyone needs a friend,
Someone that takes your hand and
lends you strength,
Someone that gives a shoulder
when tears threaten to spill,
Someone that's there when you
just need a friend!

That's what Tim is to the Senior class, and because of
this, The Senior class dedicates this book to him. We
are all very appreciatetive for his hard work he has
given us in the past years as our adviser. We all say,
"Thanks Tim!"

To Sir — With Love

Music by—Marc London
Lyric by—Don Black

Those school girl days of telling tales
and biting nails are gone,
But in my mind I know they will live
on and on,
But how do you thank someone who has
taken you from crayons to perfume.
It isn't easy but I'll try.
If you wanted the sky I'd write across
the sky in letters—that would soar a
thousand feet high—To Sir, With Love.

The time has come, for closing books and
long last looks must end
And as I leave I know that I am
leaving my best friend—
A friend who taught me right from wrong,
and weak or strong, that's a lot to learn.
What! what can I give you in return,
If you wanted the moon I would try to
make a start—But I would rather, you
let me give my heart To Sir—With Love.

Those awkward years, have hurried by
why did they fly away
Why is it sir children grow up to be
people one day,
What takes the place of climbing trees
and dirty knees in the world outside.
What is there for you I can buy, If you
wanted the world I'd surround it with
a wall I'd scrawl these words with
letters ten feet tall To Sir—With Love.

One Act Play: Save Me A Place At Forest Lawn

SONG

When I am Dead, my dearest,
Sing no sad songs for me;
Plant thou no roses at my head,
Nor shady cypress tree.
Be the green grass above me
With showers and dewdrops wet;
And if thou wilt, remember,
And if thou wilt, forget.
I shall not see the shadows,
I shall not feel the rain;
I shall not hear the nightingale
Sing on as if in pain.
And dreaming through the twilight
That doth not rise nor set,
Haply I may remember,
And happily may forget.

FAITH

Faith is a bridge over which we may walk from the unknown to the known, from sunlight to darkness and onto sunlight again.

And though we cannot see the far end of the bridge, we step confidently, knowing that others have gone before us and the way is sure.

Let us not stand at the chasm's edge and despair of the mist and the dark, for all through life this bridge will hold.

If we but step out on it, we shall find the way across.

Future Homemakers Of America

CREED

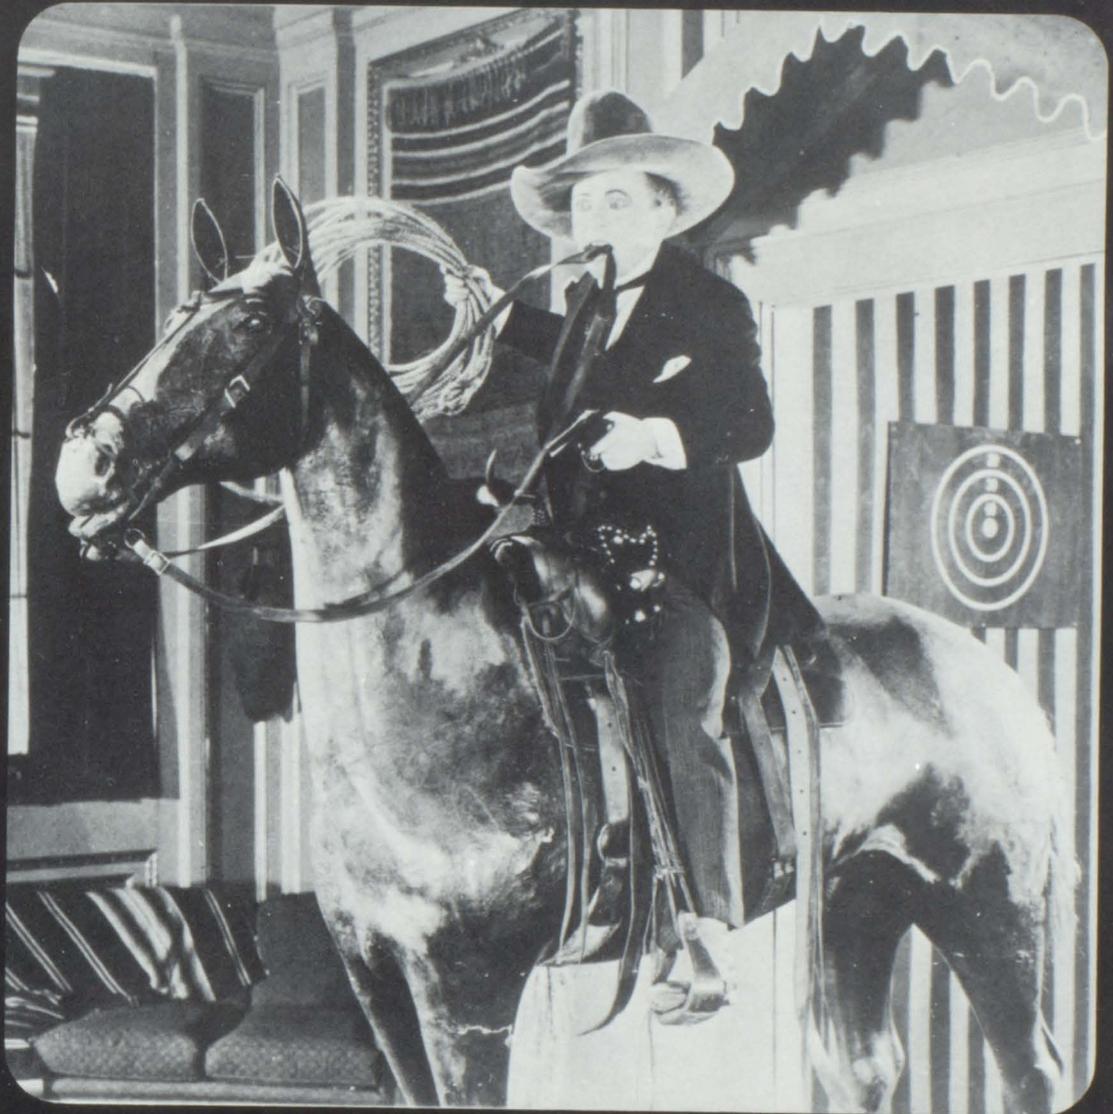

We are the Future Homemakers of America
We face the future with warm courage
And high hope.

For we have the clear consciousness of seeking
Old and precious values.
For we are the builders of homes,
Homes for America's future,
Homes where living will be the expression of
everything
That is good and fair.
Homes where truth and love and security and faith
Will be realities, not dreams.

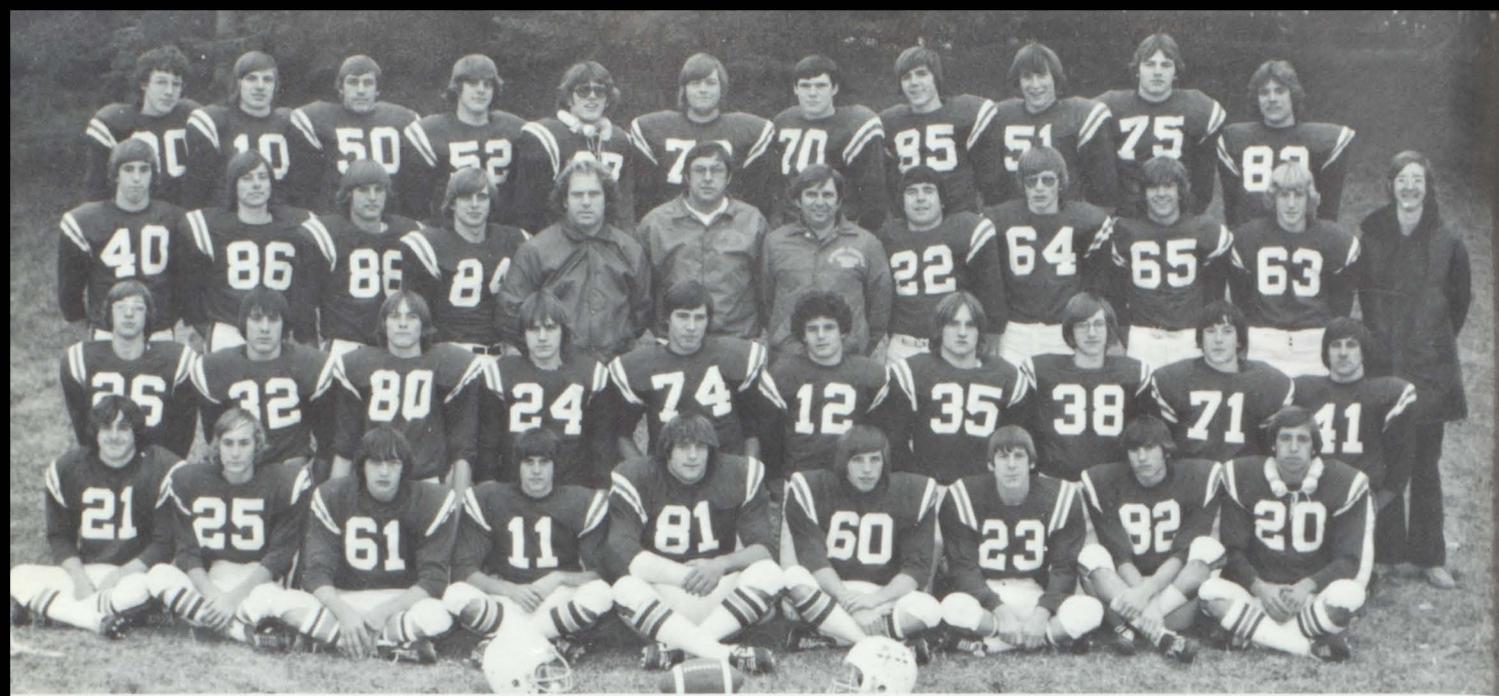

We the Future Homemakers of America
We face the future with warm courage
And high hope.
