# DEDICATION . . .

---

We had a bit of trouble deciding whom to dedicate the 1981 Knights to. There were so many changes taking place this year, so many leave-takings, that we finally realized we'd have to have a "multiple" dedication. So, we hereby dedicate our yearbook to:

Mr. Tidmarsh, whom we'll miss. Have fun in Florida!

Mr. DeMatteis, whom we congratulate. Best of luck as superintendent!

Mrs. Worley, whom we hope to see next year. Hope you're feeling better!

Mr. Teigen, Mrs. Loudon, Mr. Gable, Mr. Rahko, Mrs. Rahko, and Mr. Barthel: where will we be without you????

And last, but not least, the Senior Class of 1981 wishes to send a special dedication to Mr. Duerr, of days of yore.

## SHADOWS OF YESTERDAY ....

## MEMORIES FOR TOMORROW

## IN MEMORY OF ELMER EULL

That day the sun didn't shine so bright,  
And the sky just seemed too gray,  
I guess we kept looking for your  
friendly smile,  
to brighten up our day.  
And then, again,  
we were forced to remember,  
How we'd lost a humble friend,  
The way he was always there to help,  
And all the time he'd spend.  
But now all we've got are our memories,  
of a man always good and kind,  
He was very special indeed ...  
of a kind so hard to find.  
But Elmer, we won't forget your smile,  
For it was always on your face,  
We want you to know that even though  
you're gone,  
No one can take your place.

written by Cathy M.

Elmer was a custodian at  
STMA for many years.

Friends are not only  
together when they  
are side-by-side,  
even one who is far away  
is still in our thoughts

## IN MEMORY OF JAN STEFFENS

Even though we are  
far from each other  
I always talk to you  
in my thoughts  
and see you all  
in my dreams  
It doesn't matter  
that we aren't together  
because our love  
is such a strong part  
of our lives.  
And as long as I know that  
you are happy where you are  
I, too, am happy

Janny Steffens was in the graduating class of 1979. She was born March 14, 1960, and died January 3, 1981.

Someday,  
when you're standing in  
the sun,  
turn around,  
you will see your shadow  
And remember me,  
I'll always be there,  
just like your shadow  
Always with you  
but never standing in  
your way.

The tiny grains fall softly,  
To the hour glass's floor,  
We watch each one more closely,  
Than the grain that passed before.

Each new grain just as beautiful,  
Or each grain just as sad,  
Each grain a single memory,  
Written in the sand.

The hour glass is almost empty now,  
The time to leave is near,  
We watch the sand as it slips away,  
And remember all the years.

Seniors will come and seniors will go,  
Only different every year,  
But in little ways they'll remember us still  
The class of '81 was here.

Nafumi Tamura is 18, and she is from Osaka, Japan. Her host family in St. Michael was the David Stoick family. She is an only child, so it has been a new experience for her to see the large families in this area. Her hometown, Osaka, is an industrial city with a population of about 1 million. Nafumi liked St. Michael and she thinks the small school has helped her get to know many people and make close friends. Nafumi said she noticed how many people are proud of their town and life here. In Japan, high school is not compulsory education (grade 9 is the last required grade). Japanese students are required to memorize more in some classes, while here practical elements are considered more important. Many Japanese customs have been Americanized, so there is not a lot of difference in lifestyles. There are, however, many traditions which effect subtle changes in daily life and ways of thinking. Nafumi likes it here very much and is glad she came to the United States.

Antonio Silva, who is 18, came to St. Michael from Rio de Janeiro, Brazil. While here, he stayed with the Ammon Vetsch family. He likes football, surfing, swimming and camping, and is interested in studying engineering in the future.

Aurora Milla is 16, and she is from Guatemala. Her host family in St. Michael has been Mr. and Mrs. Tidmarsh. She had one brother and one sister in Guatemala. Aurora thinks her former school is more strict than STMA, and she thinks our teachers are really friendly. She felt that while food customs and prices are different here, her lifestyle has not generally changed much from the way she lives in Guatemala. Aurora said that she liked living in St. Michael.

# F o r e i g n

Monica Aguilar, from Peru, stayed with the Larry Sundquist family this past year. She is 15 years old, and likes music, swimming and ballet. Her future plans include college study, and her future career goal is to become an executive bilingual secretary.

## FOOTBALL

The football team had a hard year to adjust to the new coaches and new players. It was a tough change with the coaching staff and players. They started out slow, but they finished up the year very strong. One memorable moment was when we defeated Sartell which was rated 5th in State, 21-14. The coaches were quoted as saying that this year the kids were "a bunch of good kids." They will hopefully be more successful in future years.

## The Volleyball Team

## At Work And Play

There was a lack of experience at the beginning of the season of volleyball this year. The second half of the season proved that the team was able to become strong with a little experience. The team finished second in Conference and third in Districts. A very memorable moment came when STMA defeated Delano 18-16. We had a 7 game winning streak at the end of the season. We played Howard Lake-Waverly for Conference Championship, but lost a very good game. Next year we are hoping to be more experienced.

The boys' basketball team had a hard year in terms of wins and losses, but they also had a lot of fun. The team played a "tremendous" defense for most of the season. The coaches were also very excited to see the younger kids develop their skills. Coach Keenan is looking forward to a good season next year.

## BOYS VARSITY BASKETBALL

A few words from Coach Barthel about girls basketball this past year: "We ended up with a record of 8-12. I felt that the girls played with enthusiasm and spirit. I feel the girls next year will have some experience with which to upgrade our season.

"Memorable moments came when we won our first four games, when Jenny tied the score against Rockford with 3 seconds left and we won in overtime, and when the Seniors played at Waconia during the last game.

"We will have two experienced guards in basketball next year (Joyce Vetsch and Bonnie Dehmer.) I expect them to get pushed by some of the Freshmen. The complete line-up next year will consist of the 12 girls who simply show the most hustle, desire and improvement.

"Jenny Hein was selected as all conference player for 1980-81."

They also took 6 place winners in Regions and had 5 District Champs: Dan Lefebrve, Lee Zachman, Mark Dehmer, Steve Voss and Bill Kessler. Although there were only 9 wrestlers qualified for the Regional competition, they still did very well. Only 3 wrestlers went to State, and they were Lee Zachman, Mark Dehmer, and Bill Kessler.

The 8 girls who advanced to region were Susie Robeck, Teresa Dubiel, Pam Hackenmeuller, Kris Bistodeau, Deb Sundquist, Cindy Praught, Amy Theis, Bonnie Lindenfesler.

## Girls:

When asked about the season as a whole, Mr. Beck feels the teams did an excellent job. The girls have a very young team but ended the season with a 12-24 record. The boys were first in conference, District 17A, and Region 5A. They also placed eighth in the state meet. Their astounding season record was III-10!
