# DEDICATION

Born and raised in the Iron Range town of Chisholm, Mr. Kealy left his home in 1950, when he accepted a teaching job in Mahtomedi. After four months, he entered the military service, where he spent the next four years. In 1954, it was back to college for a short time before accepting a teaching position in Morton. After two years, he moved on to Dassel (before it consolidated with Cokato). Monticello was the Kealys' next stop. After teaching for five years there, Mr. Kealy decided to take a break from the classroom and worked for a year as a salesman. Missing the school atmosphere, in 1966, he accepted a position in the parochial school in St. Michael. Little did he know that he would remain for the next twenty years.

Along with an extensive teaching career, Mr. Kealy has coached just about every boy's sport (his favorite being football!), acted as athletic director in several school districts, and spent the last six years as activities director for our district.

We here at STMA have known Mr. Kealy as a teacher, activities director and friend. He dedicated more than thirty years of his life to the education of youth. Although small, in comparison to all of the years he gave to us, we would like to dedicate our time and energies to the memories that we have of him. "Thank you, Mr. Kealy, for the years of your life that you have shared with us!"

# A THOUGHT OF MEMORIES

Memories are what one might call  
Rememberances of what has happened.  
Recalling and recollecting  
Those special, unforgettable moments.  
Moments in time that stay in the mind.  
The oddest of things  
That trigger the thoughts  
To things done that cannot be changed,  
Only remembered in a new light.  
Changed to compensate for lost time  
Vividly and more perfectly  
The second time  
Times were great  
Times were bad and sad, too.  
Those things soon forgotten, but . . .  
Occasionally dredged up  
For reexamination and then  
Forgotten again  
Yes, times come and times go  
But moments are remembered  
What's there to show?  
Memories preserved in mind  
A thing of a special kind.  
Memories.

Homecoming week generated new memories for everyone. It got off to a good start with hat and tie day on Monday, ribbon day on Tuesday, inside-out day on Wednesday, camera and hug day on Thursday, and the week concluded with everyone wearing blue and gold. Coronation was on Thursday night, crowning Julie and Tom as this year's Homecoming royalty. . . .

A-Lisa gladly ends her reign to Julie. B-Sing it, choirs!

... After coronation everyone went outside to watch the bonfire, and awaken school spirit for the Homecoming game. We finished Friday afternoon early to watch the traditional Homecoming parade, which was unseasonably hot. We had a very special Grand Marshall, Jim Martinez, who won a bronze medal for wrestling in the Summer Olympics. The winner of this years float competition was the Freshmen class. After the parade, some of the Junior and Senior girls participated in the Powderpuff game, which resulted in a tie. Friday night's game, was thrilling for all. STMA held the Rockford offense pointless while they went on to score in overtime for a 7-0 win. Last, but not least, was the Homecoming dance Saturday night. Julie and Tom danced to the first song played by Crimson. STMA enjoyed seeing the visiting graduates and a good time was had by all!

# School Leaders

Pres.-Lynn Barthel, Vice-Pres./Treasurer-Angie Kilian, Secretary-Danita Dehmer

The National Honor Society was established in 1921, to recognize excellence outside of athletics. It is a national organization which acknowledges and fosters academic achievements, while developing other characteristics essential to citizens in a democracy. It has a reputation for excellence among school administrators, faculty, students, parents and residents of the school community.

High schools desiring a charter in the NHS, must apply and be accepted. Schools in the NHS have a responsibility to uphold the national requirements as well as establishing their own by-laws, including criteria for evaluation and acceptance.

Membership at STMA is open to sophomores, juniors, and seniors, each Spring, who have attended school for the equivalent of one semester and have a cumulative scholastic average of 3.0 (B). All students who meet the scholastic requirement are notified and asked to inform the school of their intentions to be considered a candidate for acceptance. They are then evaluated by the entire faculty on the basis of leadership, service, and character. The final selection is done by a committee of teachers called the Faculty Council.

Once selected, students must maintain these standards. Membership is an honor as well as an obligation. For seniors, the opportunity is available to be nominated and compete in the NHS Scholarship Awards Program, which annually provides numerous scholarships.

Here at STMA, the NHS plans and carries out various school and community activities. Meeting on a regular basis, they not only plan, but also discuss any problems which may arise with student activities, and act as a student government.

While the NHS may not be for everyone, it is a concrete way to promote high academic standards, a means of ensuring the continuation of democracy in our country, and an instrument for the betterment of the individual and school.

# Foreigners Bring New Ideas To STMA

Christine expresses, "I like shopping centers, school, skiing in snow and my foster home." Also, she expresses the desire to return to her casual life with her friends, especially "Banana", who is her best friend.

Returning to Guatemala, Erika leaves us with one last thought, "I want return a me home and

see a my family, my friends when I return. I will go at my last year the school."

"I'm having a great time here and I will thank everybody who made this all possible for me." quotes Annemiek. Adding she will miss, "all the terrific friends."

Erika Castro Juarez (Guatemala)

Michaela as a young child in Germany.

"I really like the people they sure know how to have fun." replies Birgit. With reluctance she adds, "... it will be hard to go home again there are so many things I have to leave behind and that I'm gonna miss."

Michaela's response to her favorite American thing is "... the school spirit." and most usually, "I'm not used to see the school as a real big community."

Robert is looking forward to "my old friends, my family, (and probably most of all) my language."

Chikako acquired an explicit taste for American chocolate, especially in chocolate chip cookies, in her short stay here at STMA.

Front: Christine Moreira Lima (Brazil), Michaela Reiss (W. Germany), Chikako Kitagawa (Japan). Back: Birgit Hauff (W. Germany), Robert Celsing (Sweden), Annemiek Ostermann (Netherlands).

A wonderful person  
Whose taught me so much.  
One who cares.  
One who shares.  
One who remembers  
If you've been there.  
A reassuring smile  
That makes it all worthwhile.  
Someone who knows  
Just how to have fun  
But still gets the job done.

Experience has taught me  
That nothing lasts forever.  
Slow down and enjoy today,  
For it is the provider for tomorrow.  
Memories help in clearing the air  
of trouble-filled days.  
There were those glamorous nights  
Remember them — in spite of misery and despair,  
It's all part of the game of life.  
Happiness comes  
Sorrow, too.  
It sets a gloom and darkened hue.  
But hold on —  
Problems and frustrations will dissolve.  
Sunshine will come  
To chase the clouds.  
It will appear to be better  
for a while,  
Yet the cruel world awaits  
To challenge and rob you of your individuality.  
Clutch your beliefs  
Don't let them go  
Nothing lasts long.  
We must move forward,  
Don't let go.

- F-Is that really Tim Thole?
- G-"Easy Mark, we have two more after you."

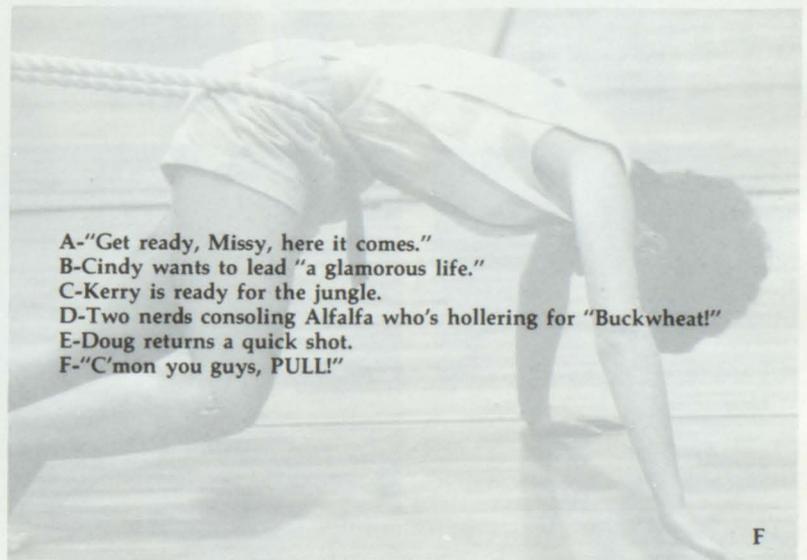

Winterfest week brought out hidden talents and saw costume changes from "Blue & Gold" to "Nerds" to "Military Camouflage" and finally "Summer Holiday." Along with this came unusually warm temperatures and the cancellation of broomball. A tight contest of Trivial Pursuit was finally won by Tad Meyer, Jeff Wood, Julie Robeck and Mark Voderbruggen. The 1985 Ping Pong champions were Robert Celsing (singles) and Tammy Hamann and Dana Pederson (doubles).

# YOU WERE THERE

The assembly of talent featured winners Lynn Barthel singing "Endless Love" accompanied by Sonja Schwenzfeier. The new "Lip Sync" contest brought the Pointer Sisters, Prince, Sheila E., and winner, Lionel Richie (Brenda V.) and crew (Lisa T., Becky K., Kris D., Karen L.). The Juniors out-muscled everyone in Tug-O-War and the Seniors were the epitome of grace in building their pyramid. A few selections by the school band completed the program.

A-"Get ready, Missy, here it comes."  
 B-Cindy wants to lead "a glamorous life."  
 C-Kerry is ready for the jungle.

 F-"Somebody PLEASE turn on the air-conditioning!"

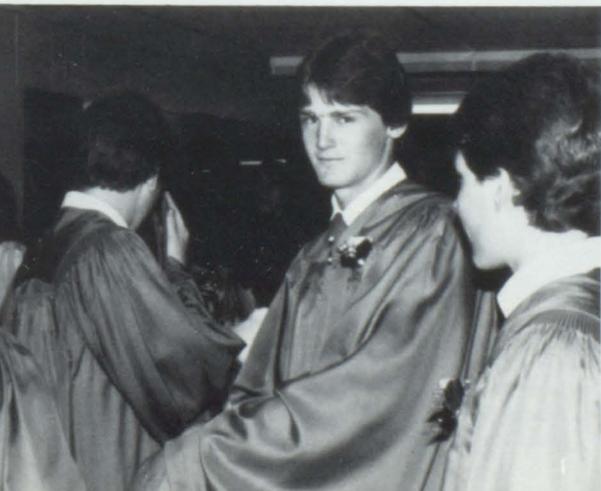

The reality of the evening finally hit as the senior members of the chorus sang "Our Last Song Together." Bob Zahler and Angie Kilian reminisced "Down Memory Lane" while John Menth talked to his classmates of "Success." Several scholarships and awards were presented, including a new one in honor of former activities director, Tom Kealy. Dr. Hagerty and Superintendent De Matteis had the honors of presenting the graduates with their diplomas, after which, they retreated from the gym to the traditional "Pomp and Circumstance," performed by the STMA Band.

ORGANIZATIONS

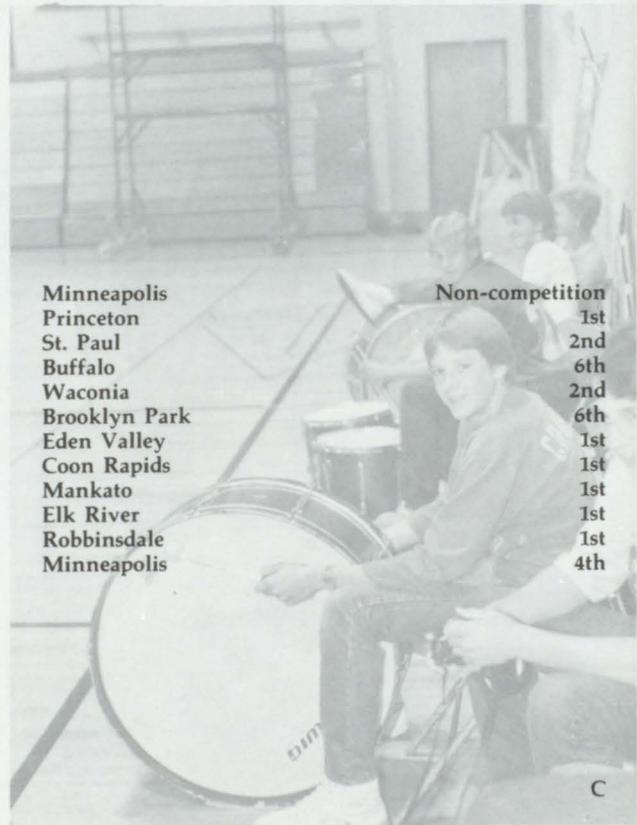

# Marching Knights

Slowly, but surely, the Marching Knights are gaining recognition. Winning 6 first place trophies out of 11 parades was a great accomplishment. They started seven years ago with four parades, and since have worked their way up and are still climbing.

It isn't all fun and games though, as practices involve hard work and long hours. The marchers have to put up with rain, 85-90 degree weather in hot uniforms, and the worst thing of all is being behind the horses . . .

B

... One of the most important parts of a marching group is the drumline. They never get a rest. As they are constantly playing throughout the parade. Sometimes the parades are as long as 3 miles.

The marchers are constantly aware of every move they make, especially when it comes to the judges. They check everything. One judge once took a point off because the tuba wasn't polished. So everything and everyone has to be in top condition.

Energy is of the utmost importance, no matter how hot it is. If there isn't enough, Doug Lenneman lets out one of his famous "Yaa Hoos" and gets everyone going.

So you ask "Why do they do it?" Because of the feeling you get after a parade and the judges announce the winners. When they say the STMA Marching Knights have first place, you know it was all worth it!

# Colorguard And Rifles March On

The 1977-78 school year triggered the beginning of the STMA Colorguard with the intention of protecting the American, Canadian, and State flags. Each year since has brought forth more experience and quality as a result of this experience. From groups larger than forty, the traditional sixteen members are selected.

Our members, though from a small town, have gained recognition across the country. Such instances are their carefully choreographed corners, (created by Mr. Sawdey, which are now popular in Texas), marching in Winnipeg last year in addition to the Aquatennial and numerous other opportunities that they were given but had to refuse for lack of time and funds.

Commander of the Colorguard, Julie Robeck holds many responsibilities, including finalizing auditions in the spring, the distribution and collection of uniforms and flags, along with maintaining the group's superior appearance throughout parades. Commander of the Rifles, Margaret Vansteenburgh, has many of the same responsibilities.

## Our Editor's View On Success

Success . . . what is it? Prosperity? Luck? Victory? No! More of a favorable accomplishment should be brought to mind. Success is failure turned inside out. But, remember, you only achieve what you believe in. Without belief no foundation for success exists. Success also requires a great amount of effort. This may be through an athletic or non-athletic team effort. It may be a "team" of friends or a family team that provides encouragement. Without this encouragement from someone, the road is all uphill. But, is this support ever acknowledged? Do you ever give thanks? A lot of people receiving no credit at all contribute greatly. They are so often taken for granted. Why? Are we so shy that we cannot even say a simple thank you? An example — much of our future success can be attributed to our teachers, now. They teach us the basis of our knowledge to be built upon and added to in time. When was the last time you thanked a teacher for spending their time and sharing their talent? Or consider an older brother or sister. They deserve credit for helping along the way or sometimes just for putting up with us. Remember the simple success of defeating the winter blues because a friend made you laugh? Did you say thank you? In life, the little things must be of importance. There aren't that many biggies! The simple things, such as a thanks, must be said. This gives a person a satisfying sense of being appreciated and feeling worthwhile. Everyone yearns to be needed. Such is the production of a yearbook. Everyone anticipates the final product. Then, it is just hashed over. What about all the thought and effort put forth into its creation? It should be appreciated. If you enjoyed it, thank a staff member. It was created for you as a collection of memories and this year's successes — success in encountering a new friendship, earning an *A* in the class you'd been having trouble in, having perfect attendance, excelling in a sport, graduating, or some other noteworthy accomplishment. Whatever it was, thank those that helped you achieve your success. I'd like to take this opportunity to congratulate each and every one of you for the success you did accomplish. And I also hope for much more success in your future.

Cross-Country is one of those sports which never receives the credit due for the amount of work involved. As a young team, with only one senior, the Knights were respectable in all of their meets and ended with the second place position in Districts. The Region Competition proved a little tougher and they had to settle for seventh place out of 12 schools. Francis, Pat, and Roland finished first, second, and fourth, respectively, and in the Region Meet placed in the top twenty.

It was quality not quantity that helped determine the potential of last seasons girls' cross-country team. With Ann and Margaret being the only two members, they had to put in a lot of extra hard work and devotion. The effort showed when they took sixth in Districts. The varsity football team defeated three teams this year and lost many close games. The seniors played a major role in the Knights' season, but they received the needed support in certain positions from the underclassmen.

Randy Kottke (MVP, most valuable back, All Conference) powered STMA as he led the Knights in rushing, interceptions, returns, and scoring. Dennis Berning led in pass receiving and Dan Paulson led in passing (50.7%). The defense was led by seniors Tom Hagerty (most valuable lineman and All-Conference), Don Zahler, Jim Vetsch, Alex White (hardest hitter), and junior Tad Meyer. The hardest worker award went to Tim Pohlkamp.

The STMA 9th grade football team finished a tremendous season outscoring their opponents 176 to 48 in an undefeated seven games. The team was led offensively by Kevin Theis and Charlie Scholl and defensively by Kevin Theis, Scott Lekatz, and Tim Barthel. Coach Greeno states, "We had a good season because we had 23 reliable kids that all contributed."

The Junior Varsity also ended the season with a respectable 5-1 record. They were led by the rushing of Paul "McDonald" O'Donnell and LeRoy Lindenfelser and by the defensive play of linemen Scott Pedersen, Scott Berning, Jeff Gustafson, Dan Leuer, and Eric Dehmer. Responds Coach Lyga, "The forementioned players along with other students will be a part of the future success of STMA football."

How do you follow the State Champions? You give it all you've got! And a pleasant surprise this season brought to all. With a record of 21-5, we saw talent which went unnoticed last year, and a preview of things to come. After an up and down season (mostly up!), the Knights went into the district seeded #2 and hoping to make the final round. With #1 seed-Watertown Mayer falling early, the Knights left no doubt of who was really #1, when they stomped on Delano in the finals. The season finally ended at the region tournament with a loss to Belgrade, who ended up 3rd in the state. Nita led the conference in spiking percentages. Connie, Mary, Nita and Carrie were also in the top ten with ace serves. All-Conference honors went to Nita and Connie, with honorable mention bestowed on Monica and Mary. It was obvious from the performances of the B-squad and ninth grade volleyball teams that STMA is in for some interesting upcoming seasons. The B-squad ended this year with a 17-0 record and only four matches going into a third game. A mid-season tournament gave them three wins over Buffalo, Rockford and Orono. Anita Zachman set the pace with consistent serving and good spiking, while Missy Anderson contributed her share of ace spikes and well-timed blocks. As a team they covered the court well and left no doubt in the eyes of the opponents.

While this was Coach Nord's first season with the young netters, team spirit abounded and they certainly appeared to have their act together. Lisa Tietgen was presented the most valuable player trophy at their banquet. The trophy will list the MVP each year on the back and be kept in the school trophy case.

Trying to decide  
Just what to do  
When we get out of  
This school.  
It's all so confusing  
And genuinely hard.  
We'll be there soon;  
It's not far.

The basketball nights provided some exciting entertainment and team showmans. in the 84-85 season. The team was piloted by six seniors who all played a vital role in the team's success as a unit. States Brian Bourelle, "No *one* individual stood out as far as the team was concerned; Henry scored more points because we gave him the ball." Dennis (Henry) Berning led the Knights in most categories as the 6'4" center grabbed 69 offensive rebounds, 127 defensive rebounds, 51 blocked shots, and total points scored of 368. He also won honors of All-Conference and team MVP. "Henry was an all around player. He dominated the floor; he made things happen." responds Randy (Rambis) Kottke. As for the 7-14 season Randy replies, "We played our hardest and we played as a team. We accomplished more than a lot of other teams."

It was a tough season for the ninth grade cagers. With some of them playing on the B-Squad, at times they were a little short handed. In spite of all, they finished the season with three wins and six losses. Grant Ketel and Tim Barthel led in scoring, while Joe Barbeln and Grant controlled the game as guards. All of the players worked hard at learning skills which they will need in the upcoming years.

A fine season, with an average of 45 points per game and a high of 67 at Breck, ended with an 11-12 record and 7-7 in the conference.

Many of these points can be attributed to Jeanne Dehmer, who averaged an outstanding 22.2 points per game, ended with 510 for the season, was second highest in the Metro Area, co-MVP for the Wright County conference, All-Conference, and MVP for the team. Rachele DeLander, (All-Conference), the other senior, led in rebounds with an average of 7 per game and 140 for the season. Cathy Pipenhagen, MIP, contributed as did the assists by Carolyn Vetsch, who averaged 31 per game.

It was a fulfilling season, as one teammate said, "We were all so close which made all the difference, whether we won or not."

"With a team consisting of only 3 sophomores and the rest freshmen, the B-squad had very little experience. The three sophomores Cindy Luther, Julie Zachman, and Cathy Pipenhagen showed good leadership and by the end of the season everyone was playing like a veteran. During the season Janice Kremer led the team in scoring and Cindy Luther led the team in rebounding," responds Coach Teigen about the season.

# Cheering Where The Action's At

Winter cheerleaders must be tough, durable, and willing to weather the cold. When everyone is down with the winter blahs, they really pick you up and put cheer on your mind. None of them lack in school spirit and that may be the reason why they can bring it out so well in others. All the tedious work of making locker signs does make a difference and it really brightens up the school.

The hockey Knights began a new era this year with the replacement of the head coach. Kevin Gordon led his young team to a 2-16 season behind the scoring of Ron Teirnan (9 goals, 4 assists), Charlie Wilson (8 goals, 4 assists), and Bill Dwinnell (5 goals, 3 assists).

After graduating four seniors, next year's squad boosts a nucleus of underclassmen. They will be led by sophomore captain Ben Eide, this year's MVP and alternates Dan Paulson and Chad DeMatteis.

"Even if you're a winner, you've got to earn the right to win," and wrestling with eight seniors, and some very strong underclassmen, the team demolished everyone in its path to the state tournament. Finishing the season with an overall dual record of 20-2-0 and five tournament titles, the Knights were champions in the conference, sub-region, region, and placed fourth in the Class A State Tournament.

Special honors included, most improved, G. Schoen; hardest workers, E. Merrill and J. Becker; honorary captain, B. Guzzo; and outstanding wrestler, J. Becker. From the Conference came six champions: G. Schoen, T. Ripplinger, B. Guzzo, J. Becker, T. Hagerty and D. Zahler. The Region Tournament gave STMA two champions: B. Guzzo and J. Becker, and also qualified G. Schoen and T. Hagerty for the state with second place wins.

And so, it was on to the state tournament for the team and four individuals. After defeating Plainview in the first round, the Knights fell to Staples, which ended up as the Class A Champion. Two individuals, Jeff Becker and Brian Guzzo, made it through the first rounds and went on to the finals. Brian lost a tough match in the finals and had to settle for second place, while Jeff won his match and became the 132 lb. State Champion. Jeff later stated, "I know I'll never be able to put back into wrestling what I got out of it." Don Z., Jim V. and Jeff B. all agreed that the best feeling they had at the state tournament was the pride they felt when greeted by all of the fans as they ran into the arena. "STMA had the best support of all."

# Four Wrestlers Go On To State

Jeff obtained the ultimate goal of any high school athlete. He became a State Champion. His five year varsity career ended with a perfect season (38-0-0), and an overall record of 120-19-4. His past shows accomplishments of two 3rds and 2-time champion of the STMA Invt., one 5th and 3-time champion in the WCC, a 3rd, 2nd and 2-time champion in District 17A, a 6th, 2nd, and champion in Region 5A, and a 3rd and champion in the State. Jeff was selected twice to the All State Academic Team and as a senior made the Final Minnesota "All Star" selection. He was Most Valuable Team Member in 1984, and Hardest Worker and Outstanding Wrestler in 1985. The memories will last a lifetime! ♠ ♠

♣ 130-7-0 is a most impressive overall record for any wrestler. After a four year career, Brian has to his credit 4-time champ of the STMA Invt., 4-time champ-WCC, a 2nd and 3-time champ-District 17A, 4-time Region 5A Champion, and a 3rd and 2 2nds in the State. In the history of STMA, he is #1 in takedowns and near falls. With his overall record, he is second only to Gary Dahlheimer. As a senior, Brian received the honor of being selected to the Final Minnesota "All Star" Team. Our hats are off to you, Brian!

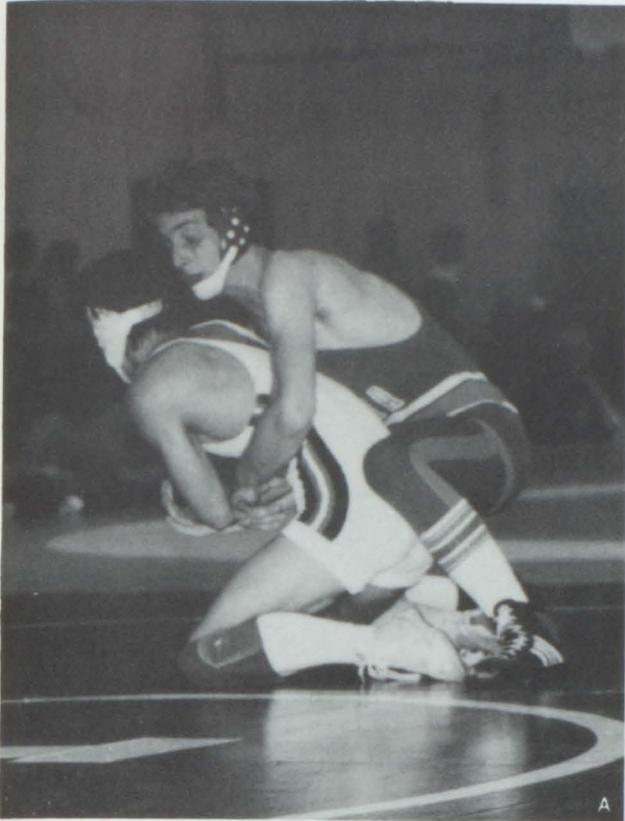

♣ Gary can look forward to the next few years in wrestling. As a freshman, he ranked among the top in dual record, unbeaten string, reversals, near falls, pins, match points and team points. His record this year was 29-8-0.

♣ As a varsity wrestler for three years, Tom ended with a 57-28-2 overall record. In takedowns, he was 96-69 and in pins, 27-5. He was selected Most Improved Wrestler in 1983 and credits to his career a 2nd, 3rd, and champion in the WCC, three district 17A 3rds, and 1984 Region 5A 2nd place, which qualified him for the State Tournament.

# JV Wrestlers Dominate STMA Invt.

With a first place win at the STMA Invitational the JV wrestlers defeated seven schools which included Armstrong, St. Cloud Tech., and Blaine. The team had an overall dual record of 14-3-0. Bob Lefevbre (23) and John Menth (19) led the team in take-downs. The most team points were earned by Bob (99-2), Paul O'Donnell (61-0), and Fritz Voss (45-0).

A-Dan B. has no trouble with this opponent.  
 B-Kevin concentrates on getting a pin.  
 C-"Come on, John, turn him over."  
 D-Dan L. flips his opponent for a takedown.

"What a year!"

That's what the fans of the 1985 STMA baseball team have said. When the season started with six straight wins, the thought on many minds was, "Is this the baseball team STMA has never had?"

Then tragedy struck as the Knights lost the last 8 out of 9 games to end the season with a 7-8 record, even though they out hit 12 of 15 teams 125 to 88. The Knights lost the valuable services and leadership of shortstop Randy Kottke midway through the season due to a shoulder injury. States Coach Lyga of the season, "The lack of depth was the key to the demise of the season which started with a blaze and ended with smoke."

The Knights' strength was in their bats as Jim Vetsch (.417) and Randy Kottke (.412) led the team in averages. Kottke also led in hits (21), RBIs (22), and steals (14). Kottke and Vetsch were named co-MVP and Vetsch was also named all-conference. STMA will lose 7 seniors but should return a semi-experienced team next year.

Starting out the season with 4 straight losses, the varsity softballers came back to win the next 5 games. Tammy Hamann earned the most hits (19) and runs (23) for the team. The total hits for the team was 132 and the total runs were 140. Jeanne Dehmer was voted Most Valuable Player and All Conference. STMA was 7th in the Conference standings ahead of Annandale. Their season record was 7 wins and 9 losses. As coach Gordan said, "The girls seemed to show a lot of character, and they pulled together to place 3rd in District 17A. They had a slow start, but a good finish."

 E-"What are these for?"

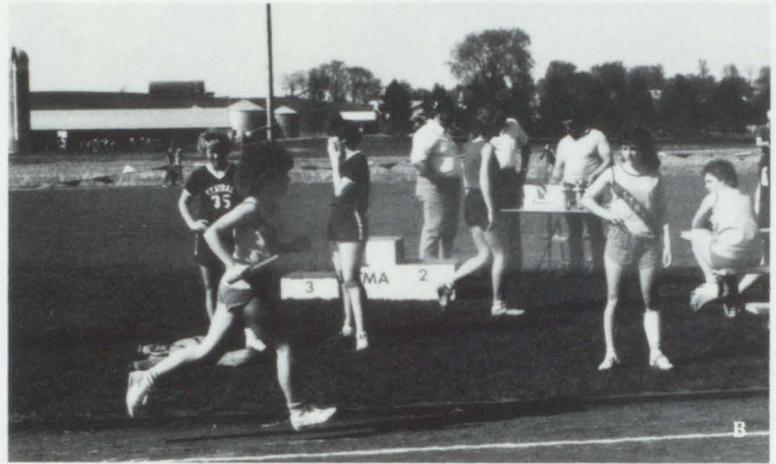

The young track team proved to be tough competition in the conference and district meets. They had 3-1st place finishes in the district: 1600 m. medley relay-Todd Alden, Shawn Kedrowski, Kerry Barthel, Pat Chervenak; 800 m. run-Pat Chervenak; 200 m dash-Shawn Kedrowski. In the Region 5A Meet, the team centered around strong performances by Bob Celsing and Shawn Kedrowski (7th-200 m. dash) and was supported by Tad Meyer, Francis Robeck, Chad De Matteis, Jeff Wood and Pat Chervenak (3rd-800 m. run and a personal best time of 2:10.2). The 1600 m. relay team finished in 2nd place. Next season should show some strong competition from the experienced Knights.

# Girls Relay For

Front-Heather Ketterer, Debbie Yanta, Lisa Tietgen, Birgit Hauff, Doreen Goeb, Michaela Reiss, Mary Ripplinger. Back-Coach Bauman, Carrie Foertsch, Tammy Nagengast, Patty Hennen, Mary Sundquist, Lisa Thompson, Brenda Vetsch, Cathy Pipenhagen, Colleen O'Donnell, Christine Lima, Margaret Vansteenburgh, Amy Luther, Val Kilian, Angie White, Coach Sonju.

A-"Why did I do that?"  
 B-Amy runs with the baton.  
 C-"Jump, Mary!"  
 D-Here comes Margaret!

Putting in a lot of team work and effort, the girls track team placed 5th at the Conference Meet. The long jump championship went to Mary Ripplinger with a jump of 15'1¼", while 2nds went to Colleen O'Donnell in the long jump and Brenda Vetsch in the 200 m. dash. The District Meet resulted in a new school record in the 800 m. relay. Colleen, Mary, Brenda and Val Kilian finished with a time of 1:52.4. Colleen also earned a 2nd in the high jump and a 3rd in the 300 m. low hurdles. Brenda obtained a personal best time of 27.7 in the 200 m. dash. Cathy Pipenhagen threw the discus 102'8" for 3rd place. At the Region Meet, Colleen ran the 300 m. low hurdles for a personal best time of 49.8.

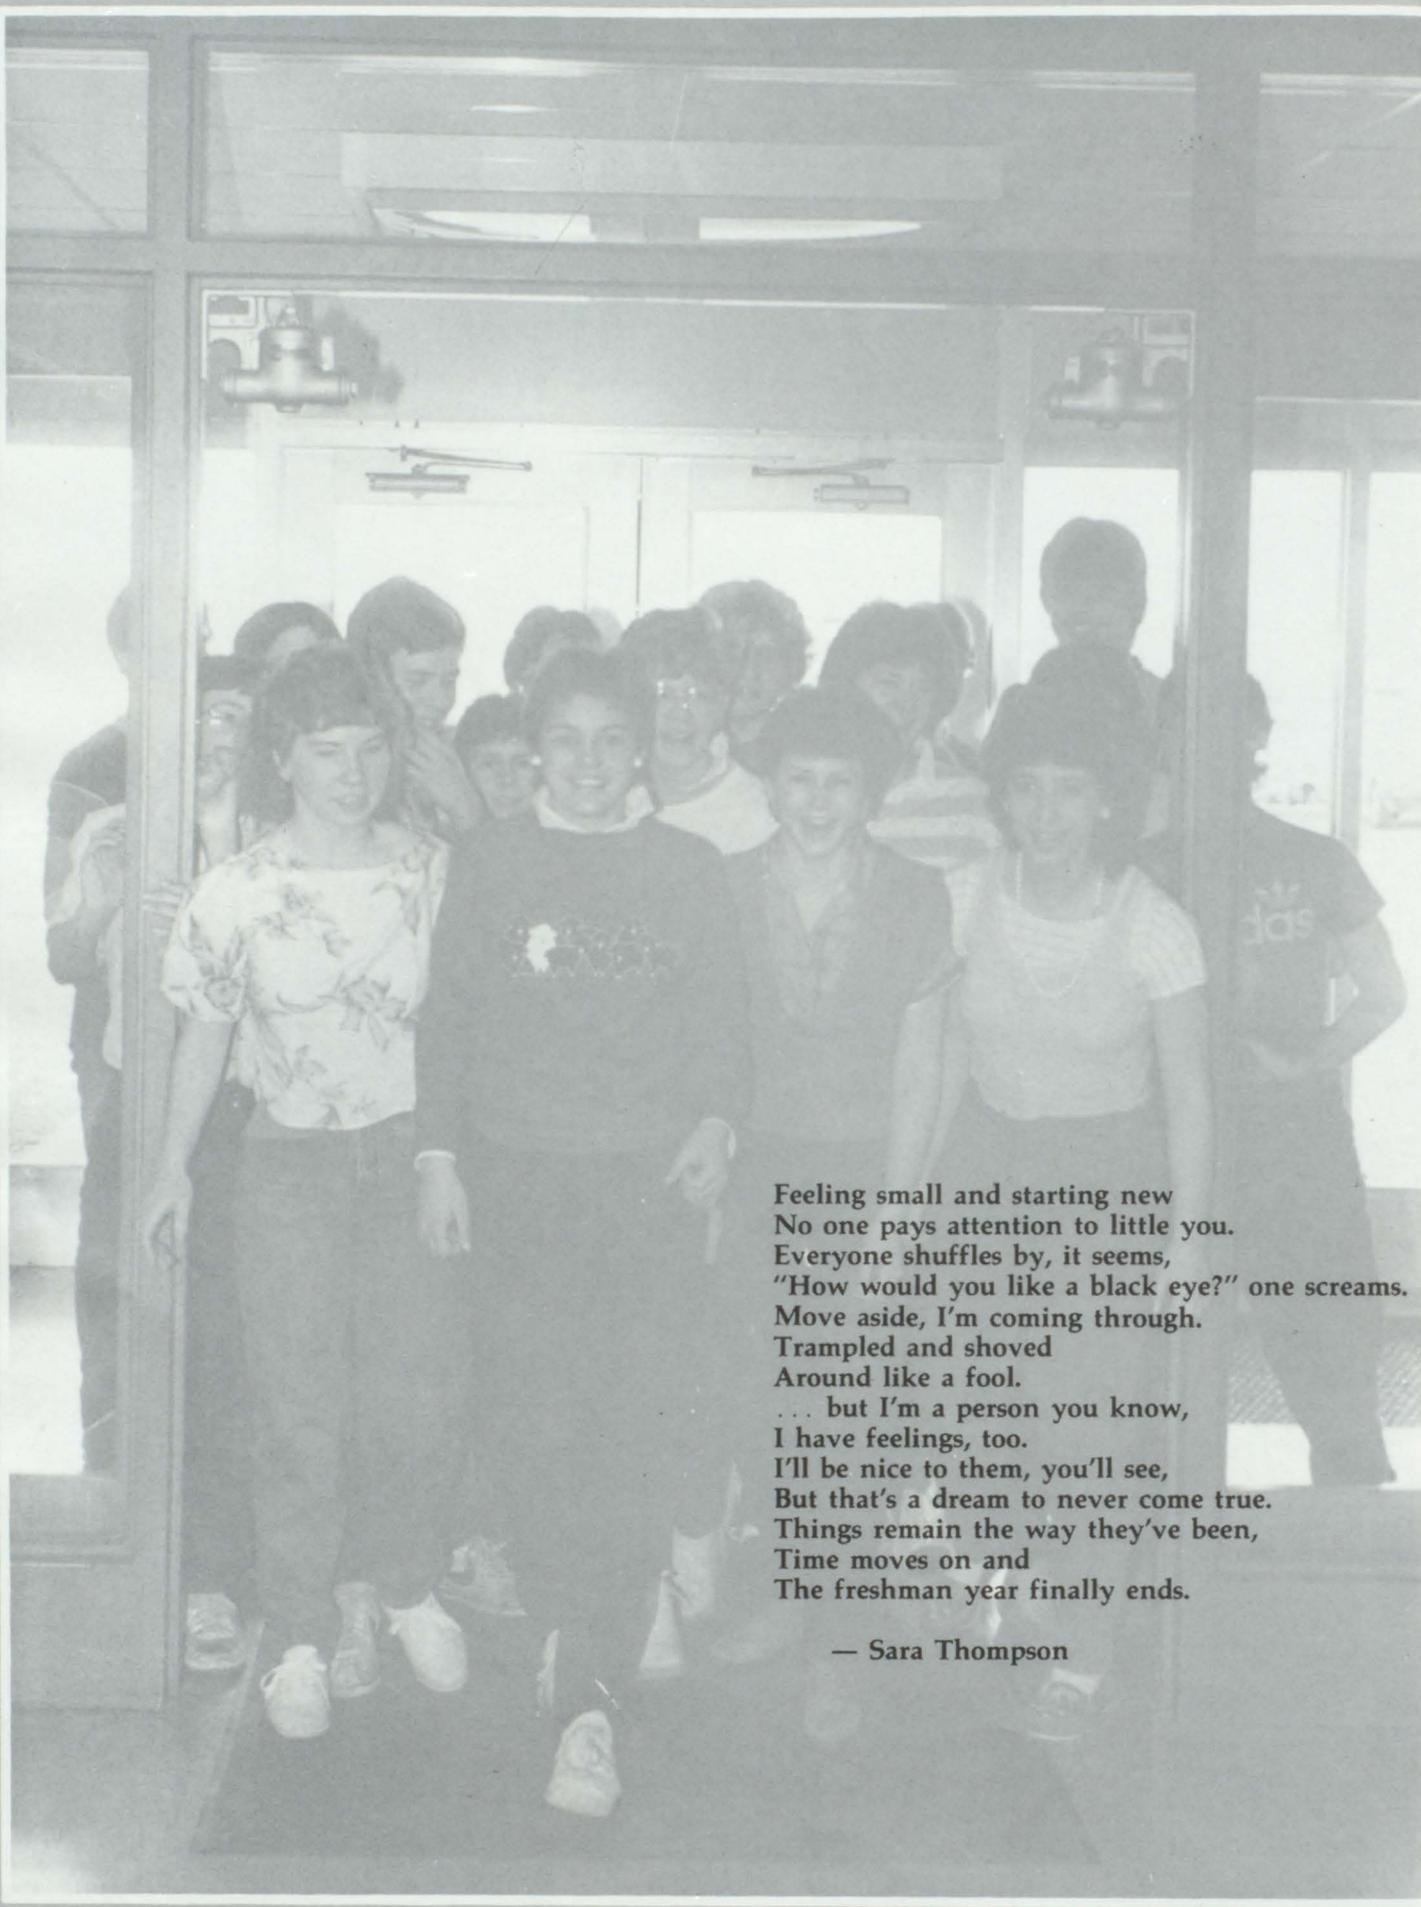

# A Respectable Season

A—"Quick, give it to me!"  
B—Don't they look happy?  
C—Jump!  
D—Birgit watches a teammate.  
E—Just takin' it easy.  
F—Don't knock it down, Colleen.

Feeling small and starting new  
No one pays attention to little you.  
Everyone shuffles by, it seems,  
"How would you like a black eye?" one screams.  
Move aside, I'm coming through.  
Trampled and shoved  
Around like a fool.  
... but I'm a person you know,  
I have feelings, too.  
I'll be nice to them, you'll see,  
But that's a dream to never come true.  
Things remain the way they've been,  
Time moves on and  
The freshman year finally ends.

# A Backward Glance At My Year

WHAT HAPPENED THIS YEAR IN MY LIFE? 1984-85

Hi! My name is \_\_\_\_\_ . My best friend, \_\_\_\_\_ ,  
and I \_\_\_\_\_ this year.  
But, I was never so happy as when \_\_\_\_\_ .  
The time that I \_\_\_\_\_ will  
never escape my memory for embarrassment's sake. The thing that stands out  
in my mind as being really \_\_\_\_\_ was when \_\_\_\_\_ .  
\_\_\_\_\_ . Participating in such activities as \_\_\_\_\_  
\_\_\_\_\_ was really neat. The best time our group had was  
\_\_\_\_\_ . My favorite Christmas present  
was from \_\_\_\_\_ , which was a \_\_\_\_\_ . Prom was  
\_\_\_\_\_ . Graduation came to end off  
the year. I was really proud of \_\_\_\_\_ . Afterwards,  
at the senior graduation party, I \_\_\_\_\_ . That  
was \_\_\_\_\_ . My own graduation party  
was \_\_\_\_\_ .

## ROMANCE ... (OR A ROMANTIC DREAM)

After a long day of work at \_\_\_\_\_ ,  
\_\_\_\_\_ picked me up. As we went for a ride  
in the new \_\_\_\_\_ , the radio played " \_\_\_\_\_ ."  
We were on our way to the most beautiful place I've ever seen, \_\_\_\_\_  
\_\_\_\_\_ . I really like \_\_\_\_\_ because \_\_\_\_\_  
\_\_\_\_\_ . We have had some \_\_\_\_\_ times together. For example,  
the day we \_\_\_\_\_ . I'll never  
forget the time we \_\_\_\_\_ . But, the time I  
felt the most special was \_\_\_\_\_ .

# "Our Last Song Together"

Arr. by Bergman/Legrand

Days of devils, kings and clowns, angel songs and birthday tunes,  
valentines and wishing wells, magic stairways, moons and Junes.  
Silly rhymes, monkey shines, pictures on a stage;  
round and round the records go, time to turn the page.

This will be our last song together, words will only make us cry;  
this will be our last song together, there's no other way  
we can say good-bye.

Misty faces, far-off places came and danced across the room;  
sha-la-las and doo-by downs, the sounds that chased away the gloom.  
Yesterday is yesterday, the past is dead and gone;  
nostalgia just gets in the way, let's stop hangin' on.

This will be our last song together, words will only make us cry;  
this will be our last song together, there's no other way  
we can say good-bye.

Now we go our separate ways and leave the world we used to know;  
a scratchy worn out forty-five, an echo on the radio.  
The tra-la days are over, those days of me and you;  
now we know that breakin' up is really hard to do.

This will be our last song together, words will only make us cry;  
this will be our last song together, there's no other way  
we can say good-bye.
