Dedication

Alice Hedlund,

For all the times you've

- drawn a new picture for us*
- taught us a lesson about music*
- shown us a new perspective*
- expounded upon our faults (and our page's)*
- made us work*
- made us do better*
- made us do over*
- typed until your fingers fell off*
- brought new activities to our school day*
- strived to make life more colorful (especially during lunch)*
- worked over and above what was expected*
- shown respect and compassion for us*
- reassured us when we were down (or kicked us if we deserved it)*
- made us realize our potential*
- made us strive harder for perfection*
- worked to make this school a better place*
- shown us that not only does art imitate life or life imitate art, but that they are intertwined and must work together in harmony for life to exist as colorfully as possible*

... we, the students of STMA and the yearbook staff, do hereby dedicate this yearbook to you.

Administration

Faculty / Staff

All through the halls and classrooms of STMA we've heard a roadrunner-like bird holler, "MEEP, MEEP"! Is it a way to get people moving and out of the way? MEEP stands for Minnesota Educational Effectiveness Program and it is a way to get people moving, but moving together, not out of the way. The staff at STMA High School implemented this program to improve the environment and atmosphere for students, to give them the most effective education possible.

The staff worked hard at this by attending several in-service workshops aimed at improving morale, getting to know each other a little better and setting time aside for brainstorming for new ideas. One of the first events planned was an all-school Christmas party, which included an afternoon set aside to play games, listen to music, participate in sports and watch some movies. Another highlight was a pop and yearbook signing party.

The MEEPers also welcomed two new English teachers, Greg Wilmes and Jim Stovern to the STMA High School staff.

Graduation 1990

Graduation is a big step in beginning one's life in the "real world". This is a very important time where we begin to use the knowledge that has been taught to us these last 10 years. The class of '90 is one of the finest group of students to ever graduate from ST.M.A.

For all of their hard work to improve not only themselves but also the school, the year and everything was dedicated to the class of '90 and only them. This night they would take a trip to the "Land Down Under (Australia)". This party was packed full of prizes, games, pictures, hypnotism, all the food you can eat, and guaranteed fun! All the hours of work and all the money that was put into this party was incredible. This last night together was one they will remember forever. And the name Jon Bon Jovi will never mean the same again.

Top Left: Friends help friends get ready before the final walk.

Top Right: "Well, I'm ready, lets get this show on the road!"

Above: These are not smiles of sorrow, rather of joy!

Middle Right: Chris Carlson gives it the "fist of approval".

Right: Jenny Kortuem and Travis Nagengast share the "Remember Whens" with family and friends.

Top Left: The speaker delivered a message that will linger in the minds of everyone forever.
Top Right: The senior class officers: Larry Twito, Jamie Madson, Paul Schumm
Middle Left: Some of the seniors are taking a nice ride along the countryside--so they think.
Middle Right: "We're happy, but we can't believe it's over."
Bottom Left: Christine Guzzo boogies down to the sounds of "The Chopper".
Bottom Right: Larry Barthel begins his final walk after measuring five feet behind Jenny Barthel.

Class Of 90's Special Memories

More Memories

Our class, the class of '90, has always been known as being leaders, the doers. Throughout the years we would try to outdo the classes before us. Many times we succeeded with such things as homecoming, prom, sports and overall activities. If there was ever anything to be done we were the ones to do it. Certain people stood out more than the others, but everyone did their share, therefore we have many special memories together. These pictures are only a portion of our thirteen years together.

And Even More Memories

From the beginning we got to know each other, breaking into our little groups. Some were popular, some were not. In high school, most honors were gained by popularity and no matter how hard we tried to demolish this, it was still there. While this has hurt some of our feelings, it has boosted others. But as the end neared and we were honored at commencement, we realized that no one person was better than another. We were all equal - one class - and we shouldn't have been separated.

Our school days hold memories for all, some good, some bad, but the only one we have. We are no longer students of STMA, we are alumni, the Class of 1990. Thanks for making it the best.

Juniors: We Could Use A "Nap Time"!

Nap time. It worked in kindergarten, why couldn't it work now? Couldn't a "nap time" (like reading period) be part the daily schedule? Oh, let's say, sometime after lunch? Think about it, a few cots set up in the gym for those students who need a little "snooze" to refresh themselves for afternoon classes and after-school activities. This new proposal could alleviate a lot of embarrassing situations for some juniors. Just aske Scott M. He just couldnt stay awake any longer in fourth hour chemistry class. His fifth hour classmates missed him, so they backtracked to find Scott and sang "Wake up, little Scottie". Or how about the things that go on in Mr. Beck's class when someone is caught sleeping. Mr. Beck "steals" pen, pencils and books from the sleepers and offers them to those awake. (Freshmen and sophomores you are forewarned). It's only fair to assume we need nap time!

Sophomores: Lockers — Home Away From Home

Lockers are a home away from home, a satellite, if you will, of our room at home. It's one of the few things we can call our own. A sophomore locker is our personal pride and joy, decorated from the heart and filled with each student's personality. With that in mind, we set out and asked the sophomore's, "Just what do you keep in there"? There was a variety of answers including the common, "books" and the not-so-common, "dead animals". "Mirrors" was another response to our question, for those quick touch-ups between classes, while "incense" is kept to keep those lockers smelling fresh! Probably the most popular item in a locker is the picture of friends, a pet, favorite film star or entertainer. There was one response that left us wondering about the contents of that locker, "Why, are you going to bust me"?

Freshmen: A Style All Their Own

Freshmen, who are they? Every new school year, the freshmen seem to obtain a style all their own. If you heard a student walk down the hall saying "What's that babe?" or "Do I look like I care?", you know it's a member of the class of 1993. Those aren't the only things that freshmen say, oh no. You may hear "Whoopie", "You're my hero" and "I'm ignoring you" and when a ninth grader isn't listening to what you have said, you may get "What's that you say?"

Then there are phrases which can tell you the present state-of-mind of a freshman: "Huh?" is confusion, "Gnar" is cool. These may not be unique to us, but they do represent the freshmen of this 1990 yearbook. But what kind of student would they be if they didn't say "Hi" to everyone?

Homecoming

*Queen Laura, King Jamie
Reign Over Festivities*

Homecoming '89 began with the coronation of Queen Laura Glatzmaier and King Jamie Madson on Monday night. The ceremony was emceed by Mr. Gary Walter, who brought to mind some forgettable and more unforgettable stories about the individuals of the Royal Court. The biggest bonfire ever capped off the evening's events.

On Wednesday, the students and the staff were able to enjoy a sunny afternoon by having a picnic lunch outside on the front yard of the school. Later that day the senior girls defeated the junior girls at the powderpuff football game. In the evening the guys continued the senior winning tradition by beating the junior guys at volleyball.

The Homecoming parade was held on Friday afternoon and included for the first time our own "Knight in Shining Armor" at its head. Many floats were created just for the day, with the theme of "Floats From Around the World." The Juniors came up winners with their Australian entry.

The football game on Friday night ended the Homecoming festivities. The STMA Knights soundly defeated the Annandale Cardinals, which kept the mood in good spirits for the dance that followed.

Winterfest

This year's Winterfest wasn't quite as successful as in the past, but it was a nice change from the mid-winter blues. There activities and contests scheduled for after school. These included ping pong, Encore and Trivial Pursuit. The annual talent show turned out to be one of the bigger hits, with acts ranging from music to comedy. The winning act was "Last Night's Practice".

International Week

Did you know that in Germany if you get caught driving while intoxicated your license is revoked for life? Or how about if you're late for class in Finland you don't get in trouble because it's your education and it's a privilege to be there?

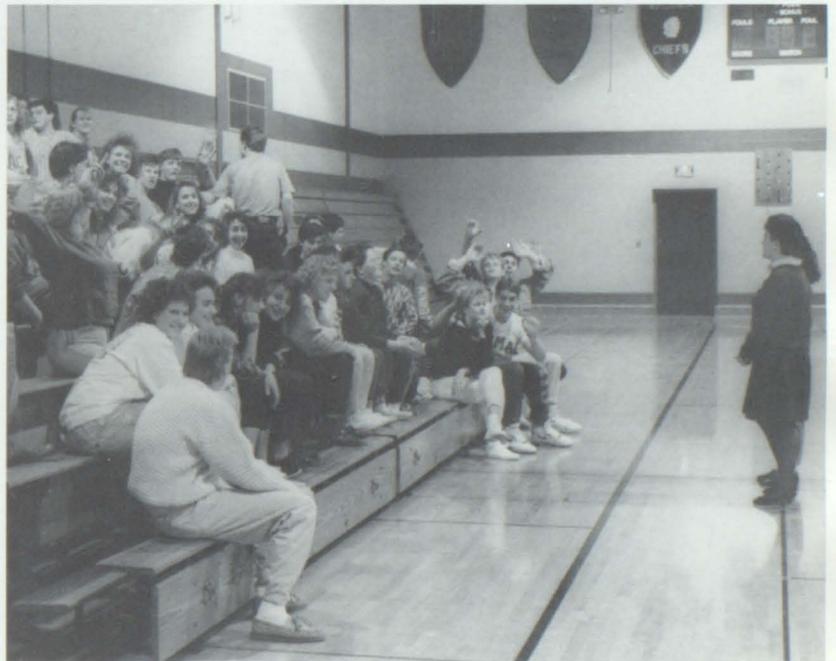

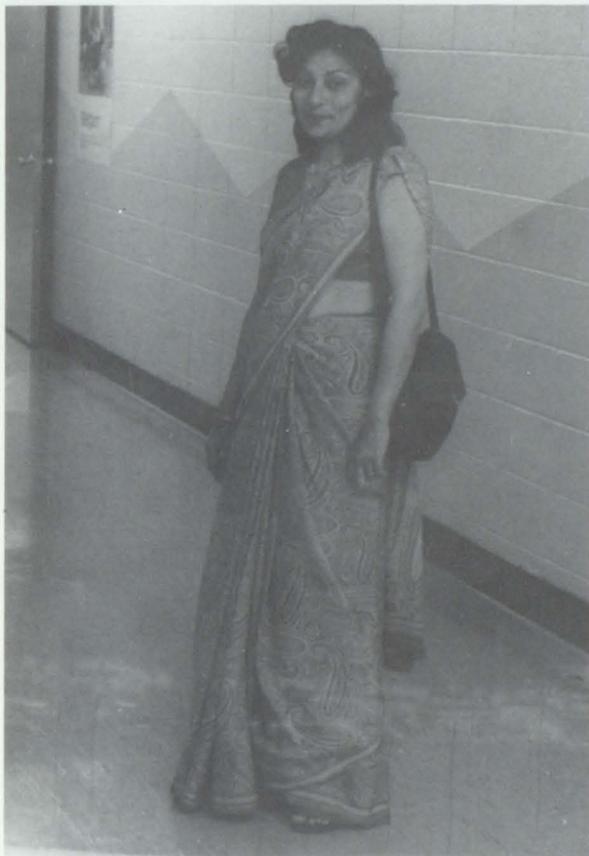

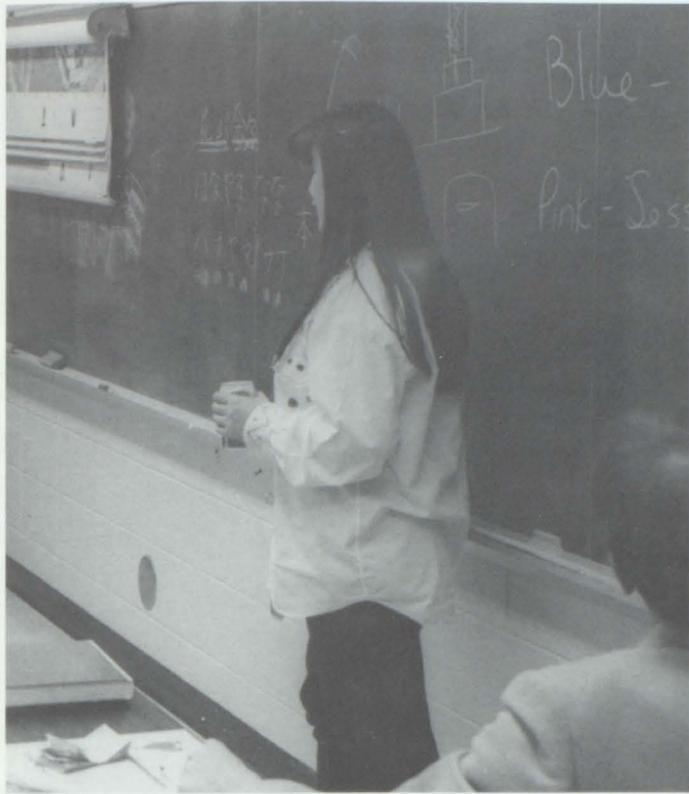

These were just a few things we learned about other countries during our first annual International Week. During the week, we had various speakers from different countries speak in different classes each day and an afternoon of informal discussion with foreign exchange students from around the area. By far a teenager from El Salvador was the favorite guest speaker.

To end the week, a woman from India performed a few traditional East Indian dances. The teachers also played their part by stressing an international point of view in their specific class discipline. Over all, everyone enjoyed the week and we look forward to this annual event.

Bright Lights ...

This year's prom on May 5, 1990 had the theme of "Bright Lights, Big City" and consisted of a plethora of events. To start off the night, there was a Grand March brightly decorated to match the theme. After all the lime lights and camaras, they entered one of the 21 limos, and were chauffeured to the "Big City" (St. Paul). Arriving later at the World Trade Center where an Italian dinner awaited them, they proceeded to dance the night away. Afterward they boarded the coaches to arrive back at the school at about 2:00 a.m.

The junior officers did an outstanding job arranging this special night for the prom participants, and a special thanks goes out to the set up crews for Grand March and the parents who made prom such a wonderful event.

The 89-90 Academic Decathlon team consisted of 3 honor students (A average), 3 scholastic students (B average), 3 varsity students (C average), and one junior alternate. After many months of studying, the team competed in regions at Dassel-Cokato. There the team received a total of 18 medals. Also, Lance Beall received a \$100 cash prize for having the highest point total in the Honors category. Placing 2nd at regions qualified them for the state tournament, which was held at St. Peter High School and Gustavus Adolphus College. After 2 days of testing the team, placing 6th in the state, received only one medal, a silver, which was awarded to Larry Barthel in the Speech category. To sum it up, the team had a very successful year. Their many, many, many hours of studying paid off.

The speech team had a successful season this year. The team consisted of six members and their Coach Jim Stovern.

The meets consisted of three grueling rounds of speaking to earn the least amount of points. The team had three members go on to regions this year. They were Jessica Lindenfelser, Mindy Lenneman, and Dawn Kohler.

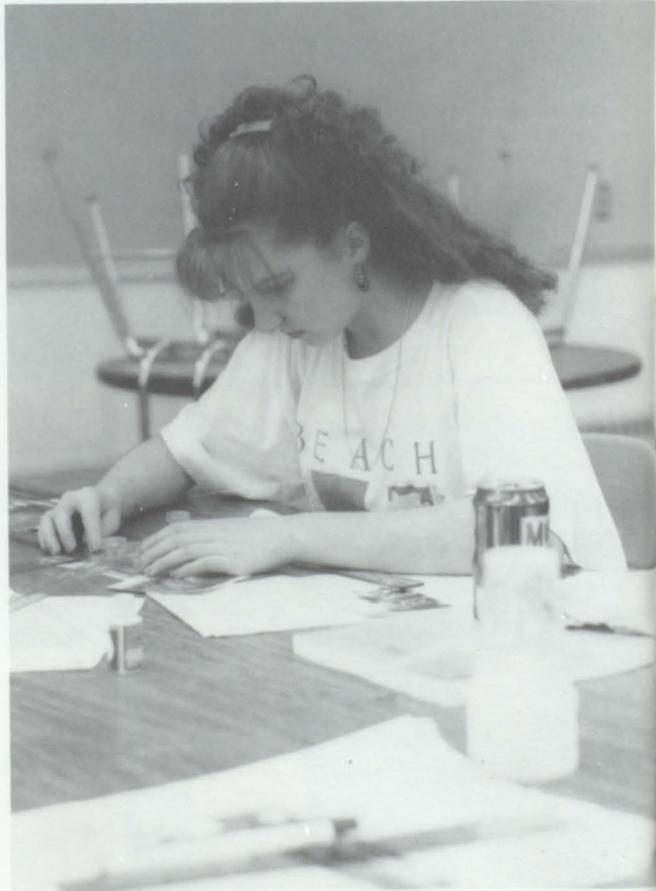

All in all, the season was a lot of fun and expectations are high for next year's team.

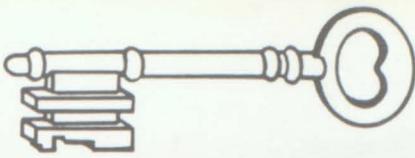

Yearbook

A small, but dedicated, group of high school students made up the '90 Knight Yearbook Staff. Working on the yearbook is a year round job - beginning in September at the first fall event and continuing to graduation. These people have to be commended on their hard work in putting this book of memories together.

National Honor Society

This year's NHS did numerous new things for the school and the community. To start off the year, they held a benefit dance to help three young people of our community. Over \$4,000.00 was raised through their efforts. The group also prepared a Thanksgiving dinner for the residents of the retirement center. Various other things were done including a student D.J. dance, selling valentines and selling donuts every Wednesday morning. The NHS also began a new activity week, "Spring Fling". The group did an outstanding job and showed definite character, leadership, service and scholarship.

The Band Gives 52 Outstanding Performances

This year was a very productive one for band. They had a total of 52 performances including the Homecoming parade and half-time show, three concerts, and numerous pep bands.

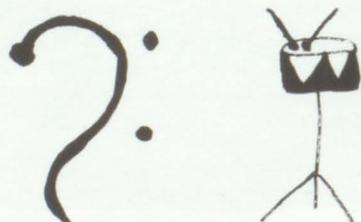

The Jazz Ensemble, Clarinet Choir, Percussion Ensemble, and Brass Quintet went to contest and received superior ratings. In addition, many soloists and one duet received superior ratings.

Each year the band students vote on the most outstanding senior in the band. Then, at the last concert, senior is presented with the Huber Award, in memory of Joseph Huber. For her hard work, and dedication, Lori Ellingson (pictured left) received this prestigious award.

Choir

The choir of 1990 had another successful year with a variety of performances. Under the direction of Mr. Sass, the choir began the school year with a performance at the Homecoming coronation program. The group expressed their Christmas spirit by caroling through the halls and giving a holiday concert with a variety of Christmas carols.

The group participated in the district large group contest at Watertown and received a superior rating for their excellent performance. There were also several choir members who participated in the district vocal solo and ensemble contest held in Delano. A large percentage of the participants earned superior ratings. The vocalists that got the highest ratings went to St. Cloud State for the state vocal contest. The triple trio received a perfect score at the district level and a superior rating at the state.

The year ended with a spring concert with selections from well-known musicals and movies. The solos and ensembles who starred at the state and the newly formed "Pop Singers" entertained with their well done performance. For every spring concert, the choral award is given to the outstanding senior choir member. Molly Killian was this year's recipient. The senior members sang together for the last time at graduation. These thirteen voices will be missed, but Mr. Sass looks forward to working with the returning members and the eighteen new voices next year.

Drama

A Rose For Emily

The STMA Drama Department performed "A Rose for Emily" as the one-act play. It was about a young southern woman, Emily (Roxanne Daluge) who falls in love with a Yankee man, Homer Baron (Brian Gardner), who's in town with a construction company. Emily becomes afraid of losing Homer, like she lost her father when he died. Homer's job is soon complete and he leaves town. The townspeople believed he was preparing for Emily to marry him, but he was never seen or heard from again.

When Emily dies, she has a magnificent, beautiful steel-gray hair color. The play shifts back and forth between the past and the present. In the present Emily's friends are telling her niece (Heidi Middleton) about her past and go through her attic. They become intrigued with a secret room they find. In the room they find a skeleton of human bones on a bed (believed to be Homer's) and on the pillow next to it, a long, steel-gray hair.

Drama

Murder At Coppersmith Inn

"A Murder at Coppersmith Inn", this year's three-act play, was a comedy within a mystery. The story was about a struggling dinner theatre inn, offering a murder mystery weekend to earn money to help keep them in business. The inn's owner, Mr. Scroggs (Larry Twito), who is hiding a counterfeit money-making scam in the basement of the inn, hopes the theatre flops and he can evict them. The weekend guests include three innocent high school girls (Heidi Middleton, Cheryl Gilge, and Christine Guzzo) posing as college age actresses, and two little old ladies who are really under cover police detectives (Mike Barthel and Kevin Fagerness). The play turns out to be a flop, and the counterfeiting scam is revealed. Everything becomes turned upside down. Mr. Scroggs is supposedly dead. The detectives go to the audience for help in finding the murderer. After the killer, Krystal (Janine Godlewski) is cuffed and taken away, everything returns to normal. The actors then go out for pizza and discuss the new play that Mabel (Lisa Barthel) wrote. Meanwhile, Mr. Scroggs, once again, pulls off another scam by wearing a bullet-proof vest during the attempted murder.

Mr. Wilmes directed the play and Jessica Lindenfelser student directed.

One And One, We're Havin' Some Fun

The words friendship and determination describe the season for this year's Fall Cheerleaders. The squad did many things to raise the school spirit to the highest it's ever been by holding more pepfests, dancing to "Hangin' Tough" and making signs for around the school. They even "saved the day" with a last minute pepfest for the middle school students who had to leave their building unexpectedly. The girls also enjoyed following their teams to the Section 2B Football Championship and the State Class A Volleyball Tournament.

With all the extra things involved in cheerleading the girls became more like sisters rather than just squad member.

And remember football players, cheerleaders don't get mad, they get even! (Watch out for flying cream pies.)

Football

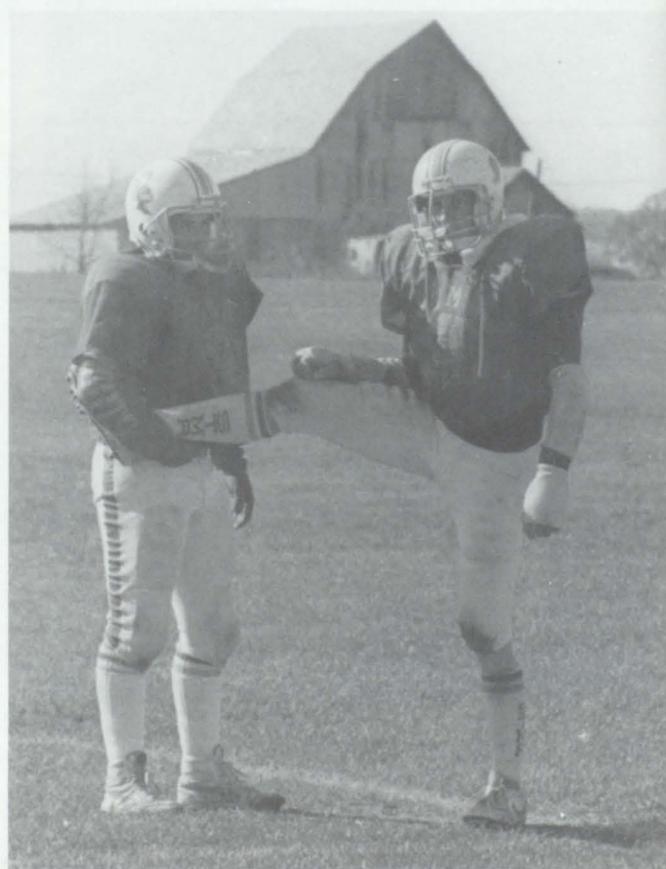

"Good Things Happened"

"A lot of good things happened; second in the conference, runner-up in the section playoffs and broken team records, made it a nice season for the Knight," said Coach Earl Bauman when summarizing the 1989 season. "We were not very big, not even very fast, but we were good-looking, hit hard and played very football," added Coach Bauman.

The 1989 Knights led the Wright County Conference in defense and third in "points allowed" in the metro area A,B and C schools. The team also gained the most yards in offense in the history of the school. Leading the team in defense was Chuck Daleiden who is the all-time defensive point leader, while Dan Eichelberg became the all-time leading rusher.

All-conference honors went to Chuck Daleiden, Larry Twito, Dan Eichelberg, Keith Lekatz, Chad Sutherland and Honorable Mention went to Mark Mischke, Eddy Dehmer, Paul Schumm, Bobby Kasper, Cletis Chenvert and Mitch Duncombe.

Senior Keith Lekatz was selected the team's Most Valuable Player, with Dan Eichelberg being awarded the Most Valuable Back and Paul Schumm, the Most Valuable Lineman. Chad Sutherland was voted Hardest Hitter and Larry Twito as the team's Hardest Worker.

Winning Tradition Continues Under New Head Coach

Under the leadership of new head coach Paul Moore and assistant coach Joyce Catlin, the STMA Knights volleyball team continued the winning tradition of the past. Coach Moore did an outstanding job in making a smooth and successful transition for the team. It shows as we take a look at the excellent overall record of the Knights throughout their regular season.

The girls participated in three invitational tournaments, a district tournament, a region tournament, state tournament, and successfully finished the season with a total of twenty-six wins and only six losses. In the Monticello Invitational Tournament, the Knights blew away their four opponents and captured the first-place trophy. Competing in the Crow River Invitational Tournament, they brought home a runner-up championship. At the Apple Valley October Classic Invitational Tournament, the girls played tough, competitive games to walk away with 4th-place. The Knights winning streak continued as they rolled into two more first-place championships at the District 17A Tournament and the Region 5A Tournament. To end their season, the Knights participated in the State Tournament with much determination, playing tough, defensive games against Stewartville and the eventual state champions, Cook. (state photographs and story on p.116)

At the end of the season, the following three girls were selected into the All-Conference team; senior, Jenny Kortuem, and juniors, Rita Roquette and Jenny Walz. Best Server was awarded to Stephanie Eull, while Jenny Walz was recognized as Best Setter. Jenny Twito received both the Best Blocker and the Most Improved titles. Also, the Best Hitter honor was awarded to Jenny Kortuem. Lastly, the Most Valuable Player title was awarded to the entire Knight's volleyball team, the first time this has ever been done!

We should be expecting the same excellent results in next year's season, as the STMA volleyball team will be losing only two seniors; Angela Johnson and Jenny Kortuem.

STMA Tennis Serves Up A Winner

"Lack of depth and experience was the team's biggest obstacle, but they gave their opponent's a good fight," said Coach Doug Oliphant when summarizing the 1989 tennis season.

The STMA tennis team combined many new faces with their veterans. Seniors Stephanie Jakubiec and Meeghan O'Donnell led the team as co-captains and as Most Valuable Players. Their leadership and talent will be missed, but the experiences of the underclass members will help make them competitive in 1990.

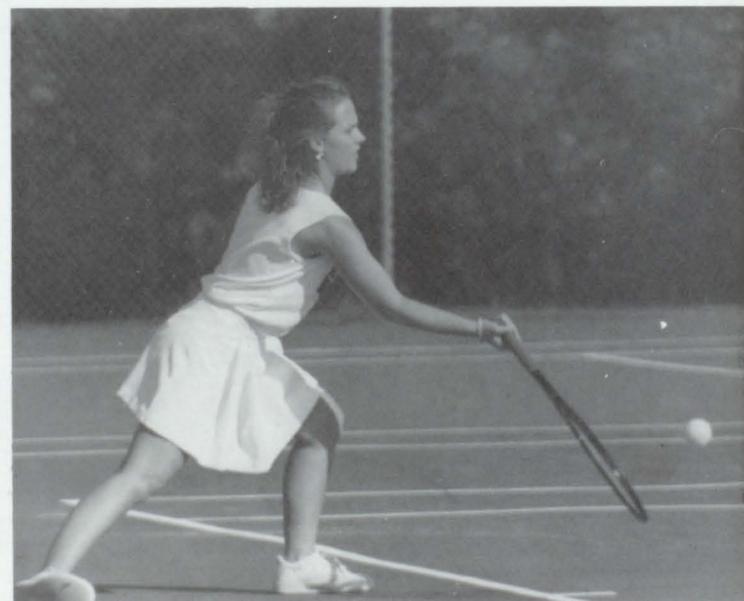

The trio of Rachel Volk, Krista Zachman and Cheryl Gilge provided the team with strong singles and doubles which led the team to a season record of four wins and eleven losses.

Cross Country

Hard Work Pays Off . . .

Determination and hard work paid off for the 1989 cross-country team when they placed 3rd in the District 17A competition and 5th in the Region 5A meets. The highest place finished for the boys team was J.J. Hall who received 11th place. Missy Lidberg, our only member of the girls team, placed 16th. Missy and J.J. were named MVP for their respective teams. Sophomore Dan Vetsch was named the Most Important Runner while senior Josh Hall was credited with being the team's hardest worker. The team will be losing four senior members but the team of next year shows much promise. "The improvement of the team as the season progressed was surprising due to the various injuries unrelated to running. The younger runners developed as the season went along," said Coach Beck. The managers, Anne Borreson and Dawn Kohler, were a great help to the team this year, towards first place.

Squads Boost School's Spirit

The winter cheerleading squads put a lot of extra hard work and effort into their cheering due to their teams' success. More signs and cookies had to be made and more fans led in school spirit by the different squads. With thanks to all the players and fans, these girls got the credit they deserved for all the extra things they did. The more enthusiasm and complements they received, the more they gave out.

The cheerleaders will be losing a great bunch of seniors who have been cheering for several years. Their talent and spirit will be missed, but the squads have a lot of young talent to look forward to.

Tough Competition Strengthens Team

The gymnastic team's spectacular season ended with six win and six losses for both the varsity and junior varsity squads. Although their record doesn't spell out an overwhelming success, the goal which they accomplished was to break the school's record for points scored. The varsity broke its record with a score of 127.9 and the junior varsity with 103.9.

Throughout the season they competed against the region champs of Watertown-Mayer and other large schools. This tough competition made them spend more time at practice, work harder and use more determination.

Unfortunately the small team is losing four outstanding seniors. They are captains Laura Glatzmaier and Michelle Barthel, along with Christine Guzzo and Meeghan O'Donnell. Laura competed three times at the state gymnastics meet over her career. The team is proud of what they accomplished this year!

Gymnastics

As a team or as an individual we will stick together as though we were one.

There will always be the pressure, along with the fun.

Throughout all of the hard practices striving to become strong,

we will finally realize that's where our hearts belong.

For the levels of gymnastics we gain - and the frightening stunts are trained,

there will always be that aching pain of nervousness traveling through our veins.

And as it approaches the end although it may not seem

the only last words we can say are: We made it as a team.

Wrestlers Set Three New School Records

Despite losing seven starters to graduation last year, the Knights wrestling team put together an outstanding year. The team finished second in the region to the eventual state champs, Paynesville. The Knights had an especially strong finish qualifying all thirteen individuals for the region tournament, five individuals for state and three state place winners. (All school records.)

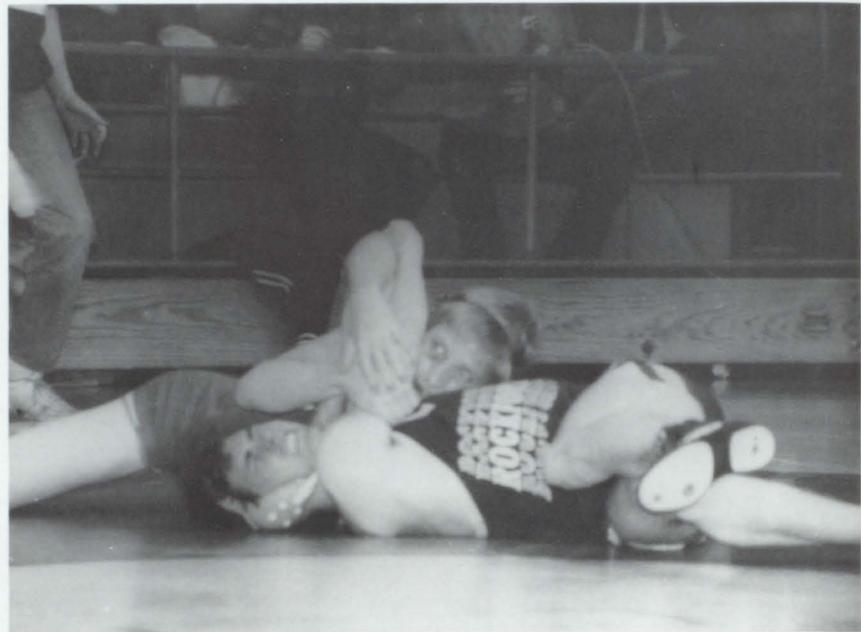

Senior Keith Dehmer finished in third place at the state level, while classmate Mitch Duncombe finished sixth. Junior Eddy Dehmer captured the state championship in his weight division while compiling wins during the regular season to set the all-time school record for career wins of 144. Eddy still has one season left as a wrestler for STMA. Other state tournament qualifiers were senior Tom Hennen and junior Lance Barthel.

During the regular season, Tom was selected as the Star-Tribune's "Metro Athlete of the Week" and WCCO's Prep Parade "Athlete of the Week."

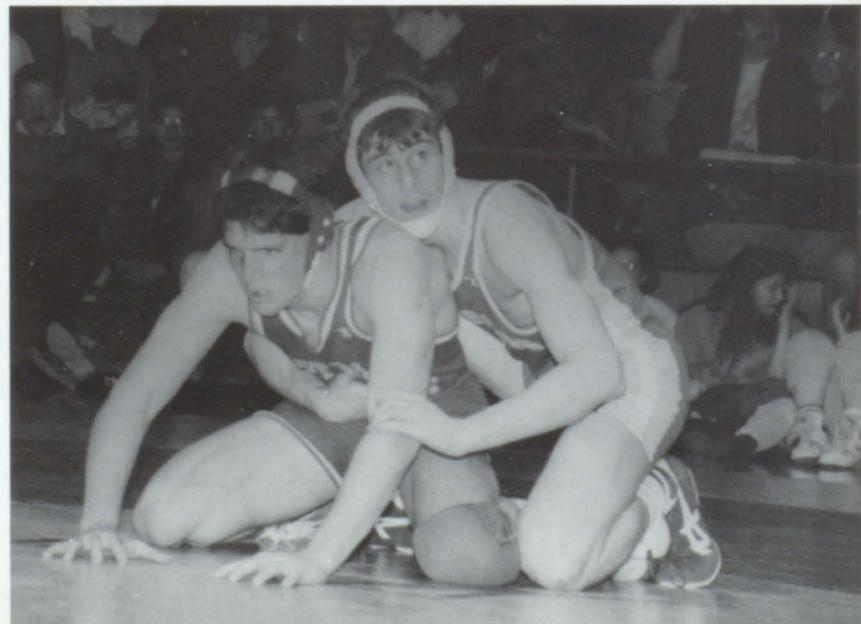

Captains for the 89-90 season were Keith Dehmer and Paul Schumm. Eddy Dehmer was selected as the team's "Outstanding Wrestler". Eddy and Mitch Duncombe were named the "Hardest Workers" of the team, while Luke Barthel and Lance Barthel were named the "Most Improved".

The Knights ended their season with a dual meet record of 14-3-0, were Wright County Conference Champions for the fourth year in a row and were the sub-region champs for the fourth year.

Coach Greg Greeno attributed the team's success to the leadership of the seniors, the hard work of the whole team and the excellent help from assistant coaches Bernie Novak, Greg Wilmes and Dan Lefebvre.

Knights Hope For A Better Future

The 1989-90 girl's basketball team finished with an overall record of 4-17, (2-12 in conference). Disappointing as the season was, the Knights hope for a better things to happen next season, as five letter winners return.

Senior All Conference selection Jenny Kortuem led the Knights in rebounding, and also had the highest field goal attempts and her total points were 175. Best Hustle Award winner Theresa Barthel, a junior, led the team in assists. Jenny Twito, named Most Valuable Player by the coaching staff, led the team in free throw percentage and was second in field goal percentage and rebounding. Twito, a junior, was third in points (102). Freshman Missy Zupon, led the team in free throws and was second in assists and points (25 and 120). Missy was recognized as the team "Rookie of the Year". Junior Jolene Aydt also received a "Best Hustle Award" while Trudi Larson was named "Most Improved". Other letter winners include Connie Beall and Angela Johnson.

With hardwork and dedication to the game, returning letter winners Twito, Barthel, Zupon, Aydt and Larson look to improve on the 1989-90 record.

Hockey

Success Isn't A Destination, It's A Journey

The 1989-90 hockey team imprinted their name into STMA's history book with a record of 18-4-2. They broke two records for the most wins in a season and the most consecutive wins of thirteen.

The team will be losing eight of their outstanding seniors, two of them were leading scorers, Captain Chad Sutherland (39 pts) and Keith Lekatz (35 pts). The Knights' other top scorer was sophomore Eric Wenger (37 pts). Goalie Brian Jenkins ended his high school career with an impressive record of 38-10-2 and leaves the net empty.

In post-season play, the Knights had a bye in the first round and then defeated St. Cloud Cathedral in the second round. The season closed after a loss to the "big guys" of Duluth East. The team knew they were the "Cinderella" team, but fought until the end. Setting the emotions aside, they made their mark and should feel proud for their hard work.

No one man deserves all the credit for their title of "Independent Champs", they earned it as a team and they deserve the credit for taking the STMA hockey program farther than ever before.

First District Trophy In Twenty Years Comes To STMA

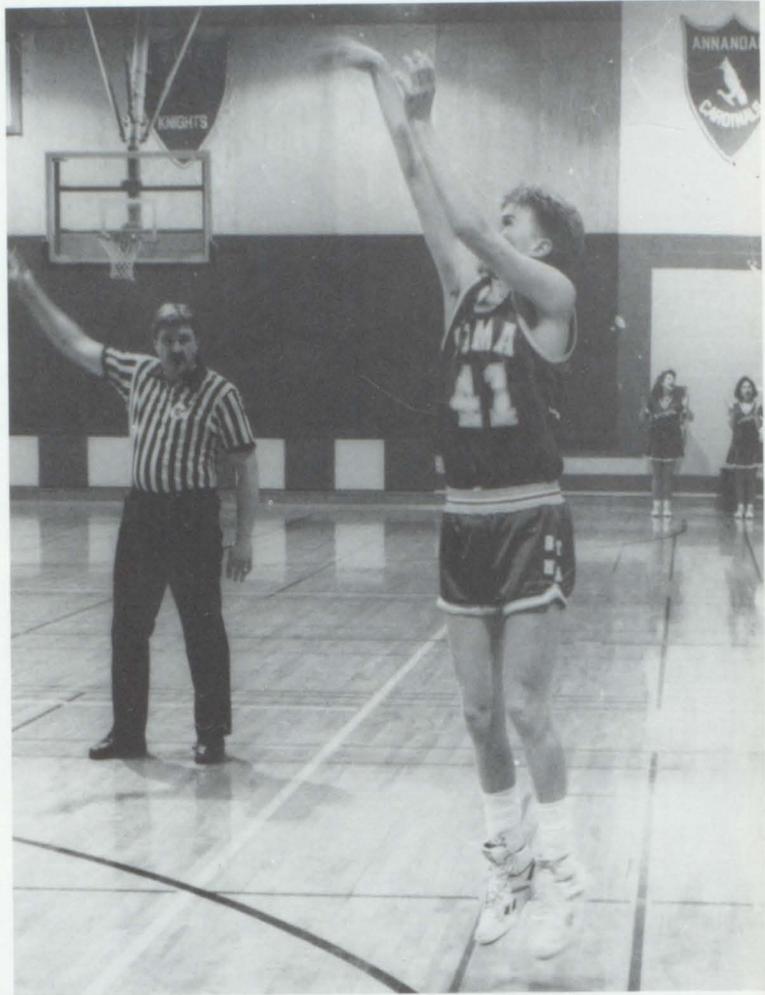

In the past few years, STMA Varsity Boys Basketball has tried, but it seemed, not hard enough. This season all that changed. Despite an overall record of 11 wins and 13 losses, the Knights brought home the District 17A third place trophy. This is the first district trophy won by a STMA basketball team since 1969.

Highlights for the Knights during the regular season were wins over North St. Paul, South St. Paul and two big wins over Delano, the second coming during tournament play putting the Knights in the district semi-finals.

Leading scorer, Brian Ketel (15.4 ppg) was selected to the All Conference team, while leading rebounder, Todd Klaers, (9.3 rpg) was given Honorable Mention. Senior Travis Nagengast was selected as the team Most Improved Player. Coach Tim Anfenson recalled the season as "Very exciting with many great plays and effort."

The Knights will miss seniors Larry Twito (Captain); Lance Beall, Dan Eichelberg, Travis Nagengast, and Gordy Karst all outstanding team members

With their past efforts, determination, conviction and the promise of the returning players to continue in the same way, the STMA basketball program has turned the corner and headed for continued success.

Team Captures Conference Championship

The boys' track team put together an outstanding effort this season which resulted in the conference championship. It wasn't always that teams enjoyed nice spring weather at the meets — cold, rain, and wind played a part in results in the quest for records, but two individuals did set school records — Lance Beall set a record of 22.7 seconds for the 200 meter and Jim Eicher set a new pole vaulting record of 13'3". Lance was also the outdoor champion at the 200m and 400m race. Josh Hall was the 3200m outdoor champion. His younger brother J.J. Hall captured the indoor titles at the 1600m and 3200m races.

The Knights didn't place high enough at districts to advance to the region, but three individuals did advance. They were Jim Eicher (pole vault), Josh Hall (3200m), and Mark Mischke (long jump). Jim placed second in the pole vault at regions and advanced to the state competition for the third year. Mark placed fifth in the long jump, but it wasn't enough to go to state.

Girls Tracksters Have Great Season

This year's girls track team had a great season. Out of 14 meets, they placed 2nd six times and 1st once. Throughout the season 3 school records were broken — the 3200m relay (10:08) by Missy Lidberg-Sarah Maurer-Tanya Larson-Theresa Barthel, the 1600m run by Missy Lidberg, the 300m low hurdles (48.2) and the 100m high hurdles (16.1 — tie) by Meeghan O'Donnell.

The team also did well as individuals. Eight girls went to regions: Donna Fricke (shot-put and discus), Theresa Barthel (800m run), Missy Lidberg (3200m run), Thresa Barthel-Missy Lidberg-Sarah Maurer-Tanya Larson (3200m relay), and Meeghan O'Donnell (100m high hurdles), who also advanced to state.

Knights Fight Hard For Winning Record

This year's varsity baseball team battled all year long to post a 11-9 record. The team showed true grit coming back to win many games in which they trailed. This determination was no more apparent than in their first district game when they defeated Waconia 9-8 after trailing behind 0-5 mid-game. After a tough loss to Blake, 9-14, in the semi-finals, the Knights bested Minnehaha Academy 8-7, to walk away with third place in districts.

To end the season, junior Trenton O'Leary was selected to the All-Conference team and senior Paul Schumm was selected into the All District team. Senior Bill Illies received an Honorable Mention.

The team would like to give a special "THANK YOU" to Coach John Wilkens who retired after the district tournament to end his 19 years at the helm of Knights baseball. "It's hard to say good-bye, especially to the seniors," said Wilkens. "We had a good group of kids." Junior Varsity Coach Scott Bauer is looking forward to taking over the team next season.

Young Team, New Coach Have A Winning Season

What was thought to be a difficult season for the Knights' young softball team and new coach, proved to be highly successful. Under the leadership of Coach Maryellen Barthel, the team won nine of their fourteen games, finishing fourth in the conference. After winning big in the first two games of the season, the Knight's ran into some bad luck and lost their next four games. In order to get out of their slump and to prove to their new coach that they have what it takes, they made a miraculous comeback. In doing so, they had a seven game winning streak, only to lose their last game of the season to Orono.

Dawn Clayton and Missy Zupon, both freshmen, led the Knights through an excellent season of pitching. They ended the overall season with Dawn being six and four with Missy being three and one, greatly contributing to the Knights' winning record. Dawn Clayton also ended the year with the highest batting average of .462, with juniors, Rita Roquette and Rachel Orsch following closely behind. Heather Christianson, the only other freshmen, ended her outstanding first season of catching by being awarded the Most Improved Player of the season. Sophomore Nicki Kottke was selected into the All-Conference team and also received the Gold Glove Award. Lastly, the Most Valuable Player title was awarded to the only senior, Jenny Lenneman.

The Knights' had an excellent season considering having only one senior, but look forward to having six players return next season as seniors with Coach Barthel for an even more successful season.

Minnesota's Finest State 89-90

As with many years past, STMA made a tremendous showing at various state competitions in the areas of music, academic excellence, and athletic ability. The students of STMA are proud of their skills and the sheer number of state participants show that they are among the most talented in the state.

Top Left and Above: The Wind Ensemble and the Choir gave stunning performances, both receiving triple superiors.

Above Right: The Minnesota Economic Heartland Challengers placed 2nd in the state.

Right: Academic Decathlon tested out on top with a 2nd place medal in the speech category.

Duet
 Lori Ellingson and Larry Barthel — clarinet duet

Top Left: Molly Kilian soloed herself to a superior at state.
Top Right: Triple Trio show off their vocal prowess.
Middle: The Clarinet Choir show how well 'black licorice things' sound.
Left: Larry Barthel and Lori Ellingson rehearse their duet for competition.

Below: Eddie Dehmer goes for the legs in an attempted takedown. Right: Jim Eicher propelled himself through the air to the state tournaments. Middle: Mitch Duncombe pressures his opponent to the mat. Bottom Left: Keith Dehmer — inches away from victory. Bottom Right: Coach Greeno oversees the match in progress.
State Wrestlers: Lance Barthel, Keith Dehmer, Mitch Duncombe, Eddie Dehmer, Tom Hennen (1st).

Top Left: Meeghan O'Donnell uses her arms for extra balance — a technique that got her to the state competitions.

Top Right: Stephanie Eull prepares to send the ball flying over the net.

Left: Donna Fricke eagerly awaits the ball's arrival.

Above: Coach Paul Moore and Asst. Coach Joyce Catlin silently direct their players.
