Memories fill these days
our friends and
The extracurriculars,
The sports,
The time we spend
caught in halls
Are the Days Between Summer.

Homework and
so many classes
keep us busy
As the temperature
Goes from blazing
To frigid
And back
To the blissful days of Summer.

When the days of summer cease,
We dread the bustle of school again.
But the memories we make,
we will never forget.
These are the Days Between Summer.

Let Me Be

I am lost
Here in this right-handed world,
Searching for my place.

Sick of answering stupid questions
Sick of being told I do things wrong
Sick of trying to be changed.

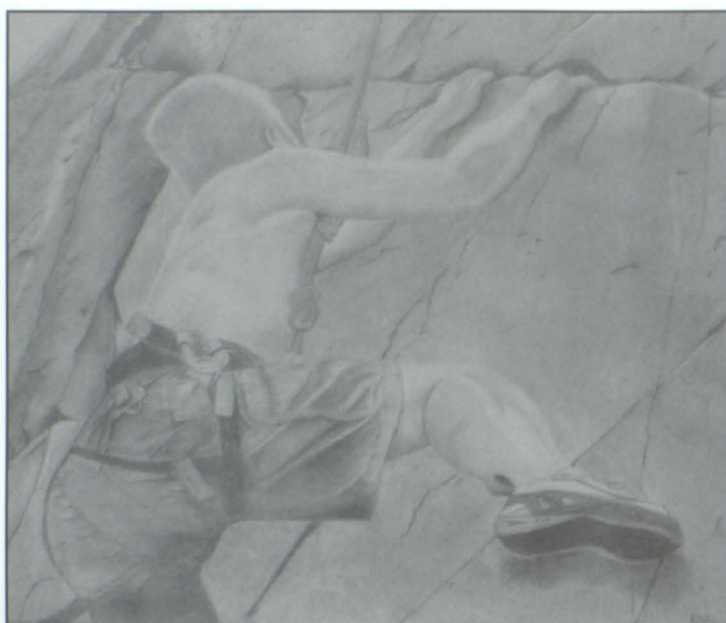

Why won't people just accept me?
Let me be the way I am.

Liz Mc Allister

There once was a man who had two lists: a "possible" list and an "impossible" list. He placed the possible list on the TV and the impossible list on his desk. The impossible list, while on the desk, was buried under his many papers. Time went by and he found the impossible list. He looked knowingly at the list for a few moments, scrolling down each impossible task. Like a bolt of lightning had just struck him he reached for a black pen on his desk and ... crossed off one, two, three, four. He had accomplished the things he could not.

When you have nothing in front of you telling you it's impossible you believe it's possible and it usually is.

Mistakes
 Easily made, done often
 Made us cry, made us laugh.
 Brought us to our knees,
 bring us to church.
 Mistakes raised our head, the skies,
 gave new light,
 Brought family together,
 perfected a song.
 And we've learned.
 The heart beats softly,
 skin smooth as a rose petal.
 Blood flows ever so gently
 like a mother's caress.
 Breath warm and moist
 against my lips.
 Human enough,
 to make many mistakes.

Boys Cross Country

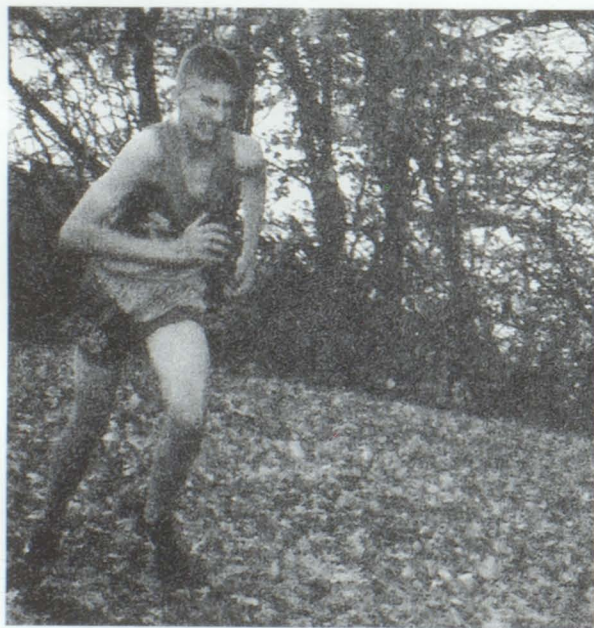

The boys cross country team had a great season. Though they didn't quite come out with a winning record they had two all conference runners and one state qualifier. Dan Greeno and Kevin Knock received Rum River All Conference. Dan Greeno also had a state qualifying place of eighth at Section 2AA in Cambridge. He placed 74th out of 153 in state, which was held at St. Olaf College. The cross country team also got to spend a weekend up in Duluth to run the Swain Invitational, which is a very large and well known race. Though hills aren't always fun to run, the boy's team showed one of their strengths at the meet in St. Peter. St. Peter is known for it's never- ending hills, and the boys varsity and JV came out with 1st place on their last regular season meet. The varsity team also walked away with a metal and a t-shirt. What a great way to end the season!

Time To Rest

It's done all gone, and over,
And I hope I've showed my best.
I've put in the work, I've tried so hard,
And now it's time to rest.

Many miles have flown past me,
With many memories too.
This chapter of life has come to close,
And I don't know what to do.
I know somehow I'll miss it.
I can feel it in me now.
Though I thought somehow I'd never say it,
My lies have turned to bow.

I'm going to miss the bus rides,
And the walk around the course,
I'm going to miss the goofy warm ups,
And my strength pushed through to force.
I'm going to miss our puny cool downs,
And the jokes that made it a blast.
I'm going to miss it from now and on,
'cause my last season has come and past.

It's done, all gone, and over,
And I hope I've showed my best.
I've put in the work, I've tried so hard,
And now it's time to rest.
-Joelle Nicole Blais (Oct. 23rd, 2003)

The girls cross country team did well this year. With two new additions to their team, Kristen Stangler and Amanda Hackenmueller, they were able to have a complete team for every race and come out with a winning record, despite two injuries. The girls cross country team also had fun in Duluth competing in the Swain Inv. At the home Rum River Conference they placed 2 honorable mentions and 2 all conference titles. Kelly Lefebvre, who was very close to getting All Conference, received an honorable mention along with Joelle Blais. Carly Eggert and Amanda Hackenmueller received the All Conference titles.

Football

The Knights finished the season with overall 4 and 5 record. The season started off with a 20-12 victory over non-conference rival Monticello. The Rum River Conference games were hard fought, with losses to Chisago Lakes are (3pts), Big Lake (2 pts) and North Branch (1 pt in overtime). The season ended in the final round of the play-offs with a loss to a very good Spring Lake Park team. "Although the season was one of injuries and close losses, it was a season to be remembered for the outstanding leadership of Mark Kasper and the aggressive play of middle linebacker John Grykelko."

Boys Soccer

The boys' soccer team had an exciting inaugural season with several tough defeats resulting from a difficult schedule. Although their record was disappointing, there is reason for optimism, with a talented force of young players returning for several more seasons. The strong group of seniors provided solid leadership and the team enjoyed making progress and creating a base for the program to build on. Good work STMA soccer!

Girls Soccer

This was a tough season for the Varsity girls' soccer team. They faced teams like Rockford, Waconia, and St. Cloud Cathedral, teams that have been around for years. As the season progressed the games became better for them. They gradually improved their game as they got more experience. The experience they gained in the first half of the year helped them improve scores in the second season of the year. Also having goals on their practice fields for the whole year helped. One of the greatest games they played was against Waconia. They brought them into overtime, and even though they lost it was a fight to the end. The Knights girls' soccer team is a team with a lot of potential. The Jr. High has some good girls along with the JV and they will improve with age and experience. The soccer program is also growing in the number of girls that are interested in joining the team. With Coach Heieie helping Varsity and Coach D working with the JV the girls always had fun while working hard.

Some of the greatest times were the bus rides. Crazy attitudes and great music psych the girls up for each game.

"I think that some of our best games were when everyone got to play!"
-Junior Sarah Helfert-

"This was a year of firsts. We had our first win, first loss, and first injury. I know this team will get better as the years go on. It was kind of tough for us because it was our first year as a varsity team and we had tough competition."

Girls Swimming and Diving

It was almost like a brand new team returning to the pool this swim season, there was so much improvement from everyone. Individual and school records were broken at almost every meet. Diver Jaimie Hoeschen rose the old school record several times this year leaving it at 187.75. Swimmer Caitlyn Bandy now holds three school records of her own. One in the 200 free, one in the 500 free, and one in the 100 IM.

While most of last years swimmers returned, we added middle school students. The diving team however welcomed two new coaches and four new divers.

Some of the team highlights were defeating Rocori and Ogilvie and being a competitive team. At the Ogilvie meet the swimmers gave the divers a shot at swimming a relay. The divers finished in second place behind their teammates, the actual STMA relay team!

Girls Tennis

This year was a blast for Girls' Tennis! After losing eight varsity players, the team did remarkably well placing 3rd in conference. The Rum River Conference was a tough one because there were two state ranked teams: Pine City and Foley.

In the future, the team hopes to upset these two powerhouses, and with all the amazing talent moving up, it is very possible. This year we had two enthusiastic co-captains, Bryanna LaVallee and Calista Saville. We also had two seniors on the team this year, Emilie Dalbec and Katie Chalstrom.

At the end of the season, the team lost to Buffalo in the second round of sub-section playoffs. But Kristie Eull and Jodi Reinschmidt continued to individuals as a doubles team.

Congratulations to everybody and good luck to next year's players.

Volleyball

Girls' Volleyball season this year was one of the best seasons in STMA history. The team consisted of eight seniors, two juniors, and two sophomores. High points of the season include beating #5 ranked Eastview in their own tournament and taking home 1- third, and 2- first place trophies. Thanks to the coaches and all the fans who showed incredible support throughout the season. Sadly, the season ended with the team losing to Osseo in the section semifinals. Overall, it was an amazing season. We'll never forget all the fun time, fans, and memories!

Boys Basketball

The Boys' Varsity Basketball team finished with a 20-8 win-loss record. That was good for a second place finish in the Rum River conference. The boys also made a successful run in the playoffs gaining the Section 4AAA semi-finals. The boys were led in scoring by Mike Stangler who averaged 16 points a game. Three players made the All Conference team Mike Stangler, Alex Kessler, and Chad Arlt. The team MVP honors went to Mike Stangler. Most improved went to Dan Trobough. Hardest Worker went to Mike Stangler. Mike Stangler was named to the Academic All State Team! The team set several records including best Free Throw percentage in a game (12-12), least points allowed (18), and most three pointers in a game (13). Alex Kessler set a school record for best shooting percentage in a game going 9-9 vs. Monticello. The season was a great success with many close victories and super kids to work with. It was the fourth STMA team to win 20 basketball games in a single season.

Girls Basketball

The Knights girls' basketball team had their most successful season since the 2001 state championship team by finishing with a 24-4 record and claiming the Rum River Conference championship. The Knights playoff run came to a premature end with a section semifinal loss to eventual champion Andover. Jodi Reinschmidt, Miranda Nelson, and Alyssa Dick earned all-conference honors, while Jaclyn Arns set a school record with 117 three-pointers for her career. The Knights' seven seniors made great contributions to the team's success and will be tough to replace next year.

Gymnastics

The gymnasts had another great season, although they seemed cursed with injuries throughout the year, everyone was back and strong in the end. The team ended the season taking second place in the conference and fourth place at their section meet. Some highlights from the season were when Amy Lindenfelser broke the old school vault record, raising it now to a respectable score of 9.625. Amy also qualified for state individually on all four events. Amy Dalbec also qualified for the state competition on the uneven bars. Awards were handed out at the team's banquet; some of them were the most improved (April Wulff), most dedicated (Jaimie Hoeschen), hardest worker (Jamie Hosechen and Stephani Wallerius), most team spirit (Jaimie Hoeschen), most inspirational (Joelle Blais), MVP (Amy Lindenfelser) and the Coaches Award (Amy Dalbec). The team had a fun year and is really looking forward to next season. Seniors Joelle Blais, Jenna Diers, and Ellen Washatka will be a great loss.

Hockey

The Knights hockey team went through a year of transition as they only had two seniors. Never the less the team was able to have a successful season as the team grew in experience and skill. The season started off slow as the young team adjusted to the fast tempo of high school hockey, but over the winter break the team started to play a more aggressive style that made them much more competitive. The team is expecting to have a break out season next year as they are dedicated to working hard over the summer and building upon the experience they gained this season.

Wrestling

The Knights wrestlers had a very fulfilling season this year. They won both the STMA and Monticello invitionals and placed 3rd at the Minnesota Christmas Tournament in Rochester, topped only by Apple Valley and Simley. Further into the season, they beat No. 2 ranked Scott West at the Farmington Dual Tournament to take yet another championship. At the Section 4AA team tournament, the Knights cruised to the title with victories over Columbia Heights, Fridley, and Mound-Westonka. The individual section tournament took place the next weekend, and the wrestlers were just as successful. 12 out of 14 individuals qualified to the state tournament, the most of any team in the state. At the state tournament, the team was very busy, since many members were participating in both individual and team competition, but that didn't stop them from knocking Perham out of the winners bracket with a 52-8 win in the state quarterfinals. The next day's semifinals were a rematch from earlier in the season. STMA and Scott West had met in the championship match at the Farmington Dual Tournament, and STMA won 36-20. The Knights came out on top again, this time at state, with a final score of 34-23. The championship match the next day was probably the closest match the team had all season. They captured the state title by defeating Adrian 34-23 topping off an undefeated 32-0 season. To make this victory even better, the Knights also had 8 individuals place in state. Chas Betts (12) and Mike Thorn (10) were state champions, Jake Grygelko (11) was state runner-up, Brandon Dick (12) placed 3rd, John (12) and Joe (9) Grygelko both placed 4th, Chad Little (10) placed 5th, and Luke Vetsch (11) placed 6th. This year we get to go to Seattle, WA and experience different business environments. We get to go to Microsoft, Bowling, the fish market, the Music Experience Museum, and a TV studio. In the past BPA has been to New York and Chicago. BPA has also been part of an e-mentoring program and many other important learning experiences.
