- 141,700 ft<sup>2</sup>
- 61 classrooms
- 28 bathrooms
- 1 basketball court
- 2 sets of locker rooms

Since 1953, the high school

has been located in four different buildings. The first building is now the Community Ed building. It opened in 1953 with a student body of under 100 students in grades 9-12. It was an all-Catholic High School. Although students from Albertville still attended, it was called St. Michael High School. Before this building was finished, high school classes were offered in what is now the Catholic Elementary School. The second high school was located in what is now St. Michael Elementary. The transition in 1992 to the third building, where STMA Middle School West is located, was because the previous school could not meet the demands of the growing student body. This school was renamed St. Michael-Albertville High School. When this building first opened, STMA High School had 369 students. In fifty-six years, the student body grew from less than 100 to over 1,288. This led us to the new building located just a few miles west of the previous high school. The newest school was built for the increase in the student body that was predicted to come. The students, staff, and community couldn't be prouder of this new facility.

# REDEFINE STMA

Almost ten years into new millennium, the cities of St. Michael and Albertville went through many changes. The most dramatic of changes was the increase in population. As the population grew, the hallways of the previous high school had become more congested every year, causing the previous high school to not be able to cope with the ever growing student body. Luckily, we all knew we would be receiving a brand new school where we heard the hallways were bigger and we would have a longer passing time. This would make getting to class on time a breeze. The old high school, as we know it, had only 61 classrooms and 246,000 sq. ft. Once we heard the new school would have 80 class rooms and 410,000 sq. ft, we realized we would no longer have to get as cozy with our peers in the halls and classrooms as before. The students and staff were honored to receive such a beautiful new building from the community. It was a perfect way to kick off a new year and end the decade with a bang. The students of STMA high had to leave the building they knew, inside and out, to start fresh. This year, we all knew it was time: time to come together and redefine STMA high. Redefine means to define, or begin again. That is just what we did; redefined our school with a new building, redefined our community with community service, and now redefine who we are as we complete high school with pride, hard work, and excellence; As only a Knight could do.

The Performing Arts Center seats 1,450 compared to the previous auditorium which seated 500. The new facility includes a pit for the orchestra. This is one of the largest high school performing arts centers in the state of Minnesota.

**The Weight Room**

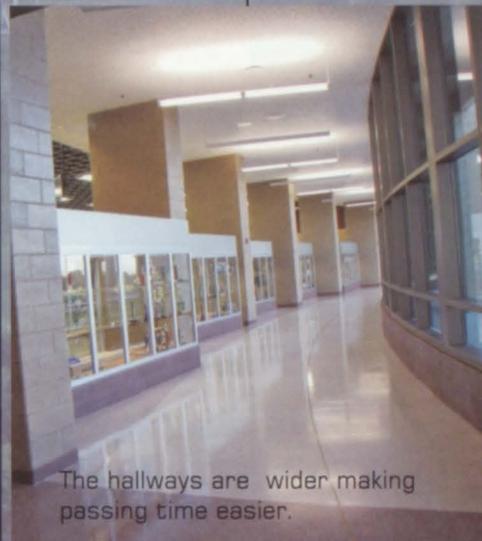

As part of the new activity center, the weight room is almost 5,000 square feet. There are 10 benches, 16 bikes, 8 treadmills, and 10 elliptical machines.

The new high school dedication took place on September 20, 2009. The public was able to see first hand the 2 1/2 year construction project in it's finished stage. The ceremony took place in the performing arts center. The dedication ceremony was as follows:

- Pledge of Allegiance..... Elmer Eichelberg, American Legion
- National Anthem..... STMA Student Vocal Quartet
- Welcome..... Dale Carlson, High School Principal
- Recognition of Guests..... Dr. Marcia Ziegler, Superintendent
- Student Comments..... Kelly McCoy, Student Council
- "America The Beautiful"..... STMA Student Musicians
- Presentation of Building..... Architects Rego & Youngquist
- Acceptance of Building..... Charles Lefebvre, School Board
- Photo Journey..... Donlar Construction
- Closing Comments..... Dale Carlson, High School Principal

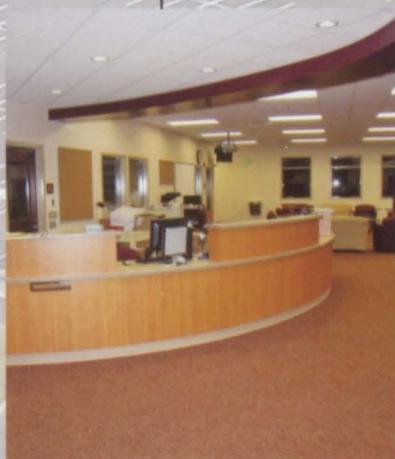

The hallways are wider making passing time easier.

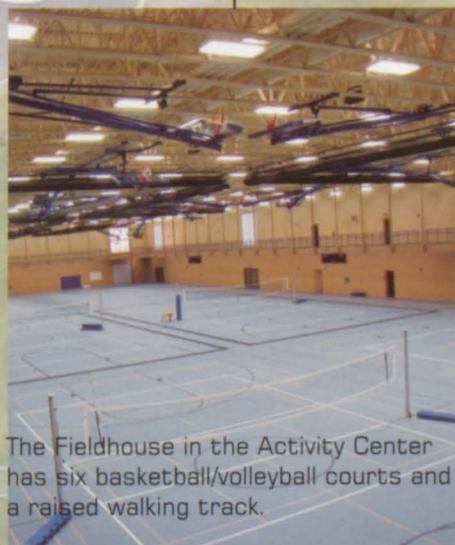

Space is not an issue for the cooks. A new lunch line was added to make the line move faster, giving the students more time to eat.

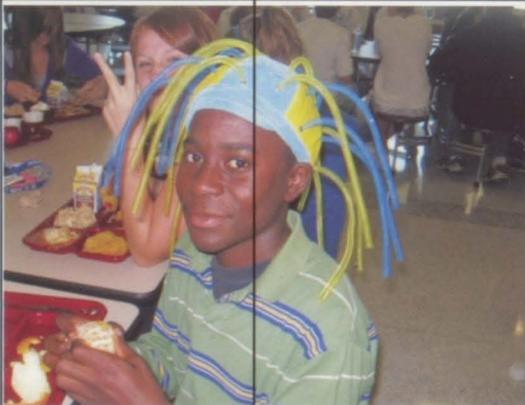

Above: Representatives from Donlar Construction present the school with a framed picture of the new facility.

Left: The new Media Center is an excellent addition for students to relax and read a good book.

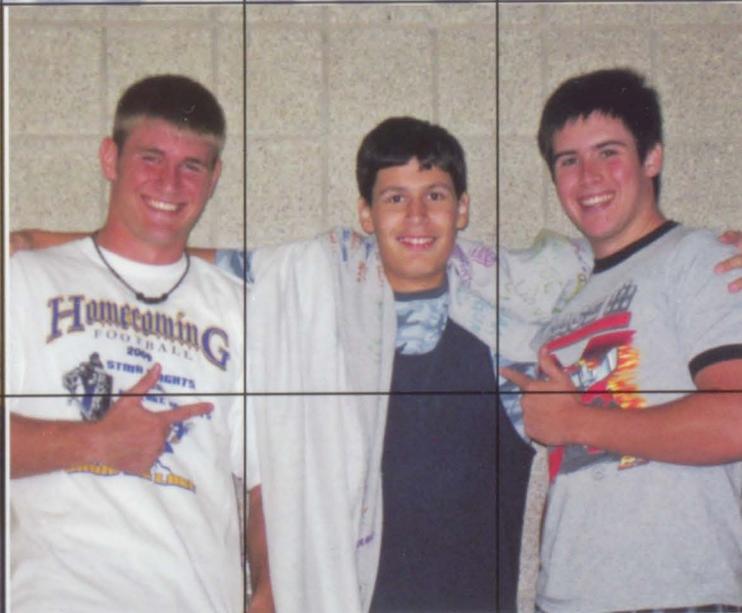

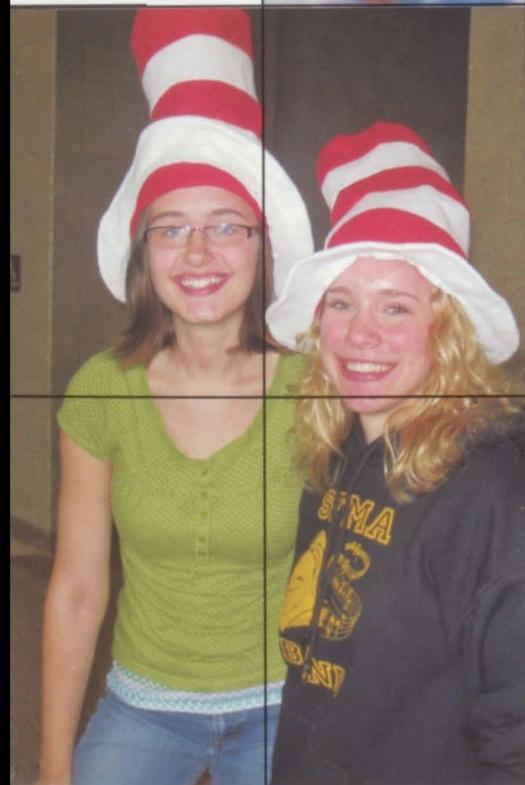

The Fieldhouse in the Activity Center has six basketball/volleyball courts and a raised walking track.

# Remember

We've made it through another year, and suddenly reality sets in and we realize we only have one year of high school left after this. Through the years, we have grown to respect each other in ways we didn't think were possible. We've changed so much and set our goals to new heights. As our journey continues to a new year together, we will keep growing together. When the day comes in June of 2011

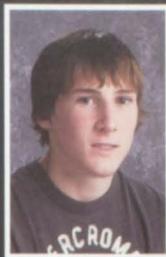

to wave and say good-bye, we will remember who we sat with at lunch, talked with in the halls, and enjoyed a laugh with during class. Until that memorable day comes, we will stick together. We will have shed tears, shared laughter, and worked hard. It will have all brought us closer. As we get closer to that day, we realize how much we mean to each other. We are truly and unchangeably redefined.

# Remember

We're not freshmen anymore! We've conquered the bottom level; we're slowly rising to the top. We had to readjust to another new school and we did it with class. Just a couple more years and we'll be seniors throwing our caps in the Spring of 2012. Until then, we've got to do our best. We have to pass the PLAN test, earn 55 credits, get our license and overcome anything else that comes our way. In these final years of

our high school career, we will remember the great memories, the hardships, and most of all, our friends; old and new. We'll remember the times we shared with the people we care about most. As we continue with two years left, we will make even more friends, have unforgettable moments, and hopefully stay out of trouble. But that is who we are: we are redefined.

# Remember

We made it through the lowest level of our high school career and we're ready to take on the next three with class. There is still time to glide on our dreams until we have to start thinking about college in a couple years; that can wait for now. Going from middle school to high school wasn't easy but with the new building it wasn't as difficult. We weren't the only ones lost the first week of school. All of us have taken on more responsibilities that came with moving up to high school, but we've conquered them with style. We have passed our tests, gotten our permits, and learned the do's and don't of high school. Our

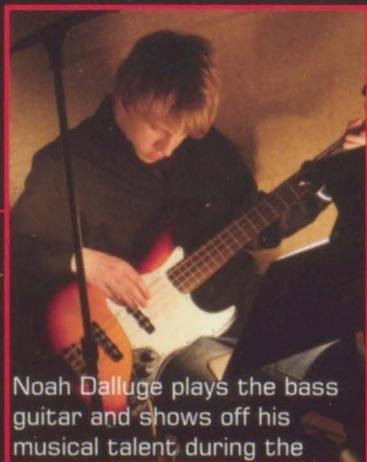

freshmen year is one we will never forget. Our cliques dispersed to reveal new friends, and we will never forget the friends that are made in these golden years. They will stick with us for the rest of our high school career and many will stick with us even longer than that. Our friends will bring happy days to us in the future. We won't forget a single minute with our friends. Whether it's the good times, the sad times, or even the bad times, we won't forget it. We're looking forward to another year of fun times and great people. We're here to make a difference because we are redefined.

The play "Joseph and the Amazing Technicolor Dream Coat" featured many freshmen which was a huge part to this musical's success.

It is always a huge honor for a freshman to be on a varsity team, and Maddie Barr did it with the greatest of poise.

Noah Dalluge plays the bass guitar and shows off his musical talent during the musical performance in the pit orchestra.

high during homecoming week. Every year, each class competes for the winning title of the pie-eating contest, tug-of-war, and battle cry competition. The seniors dominate each. Why? It is because the graduating class has the most motivation for their last year. They spend hours making homecoming t-shirts, digging through their closets to find all of their Knights gear, and getting all dolled-up for the big game on Friday night. The build up to the big game has always been a week of dress up. Monday is the day that everyone is usually tired from the weekend. Students roll out of bed and show up at school in their pajamas for 'get up and go' day. Tuesday was inside-out day. Wednesday was wacky hair and/or hat day. Thursday has always been a big hit amongst the students because its the day where the ladies put on dresses and strap on some high heels and the guys wear their suits so the student body looks sharp for the coronation ceremony. When the day of the big game rolls around, it has always been an STMA tradition to dress up in blue and gold for school spirit day. One of our star football players, Kwaku Amhoa '10, shared "My favorite day has always been Friday's spirit day because the school shows their support for everyone. The pep fest is the best part of it all." Senior Kallie Adams stated, "One of my favorite days during homecoming week is spirit day." Homecoming week has always been a tradition here at STMA. Students get together to show their creativity, demonstrate great sportsmanship, and allow their school spirit to radiate.

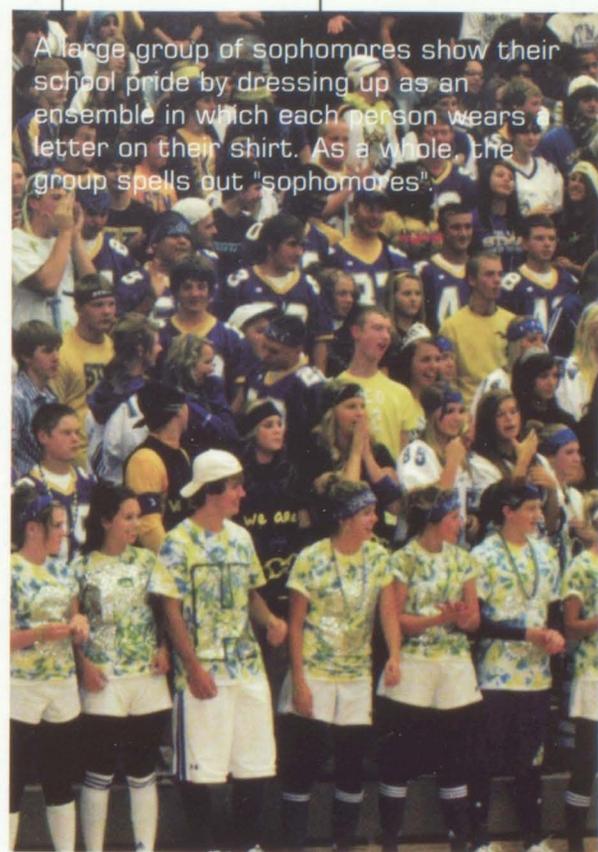

At the end of the pep fest, each class waited anxiously to belt out their graduation year. The classes waited for the cheerleaders to lead them in the cry to show off their class pride. One after the other, the cries got louder and louder. The freshmen kick-started the competition by giving it their all, but got shown up by the upperclassmen. When it was the seniors turn, they all went down to the gym floor and shouted their year as loud as they could to show their pride one last time.

The pressure was high for those called down to the front of the entire student body to represent their class in a tug-of-war. Tensions rose between the classes as the selected students took their places on the rope.

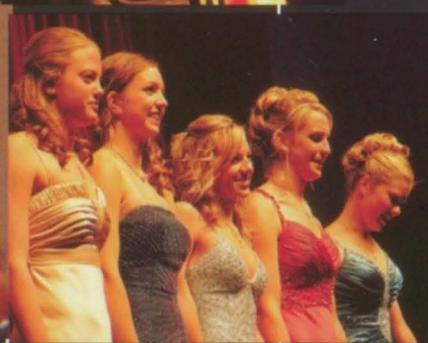

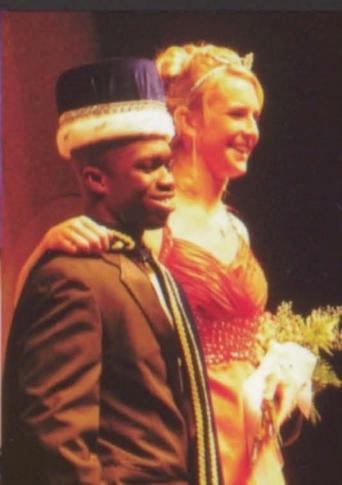

Each team used all their strength to try and win the game. Then the intensity in the gym rose as senior Jake Brown used all his strength to win it for the Senior class of 2010.

# Your Crown, Your Glory

2009  
2010

The homecoming candidates posed for a picture after this year's king, Carly Rothstein and Kwaku Amoah were crowned.

Homecoming week is everybody's favorite time of the year! It is filled with fun activities and memorable days. But the most beautiful day of all is the coronation of the king and queen. Student council students go to the houses of the candidates and gives them a wakeup call a five in the morning. Then on Friday, the staff and students head down to the performing arts center to witness the crowning of the king and queen. The whole school gets to see what the candidates look like when they first wake up and also get to hear a little about their personal lives. Then, once all the fun stories are done, we're held in a paralyzing moment of anticipation while watching the crown move from head to head until it finally rests upon its victorious winner.

# Tis The Season

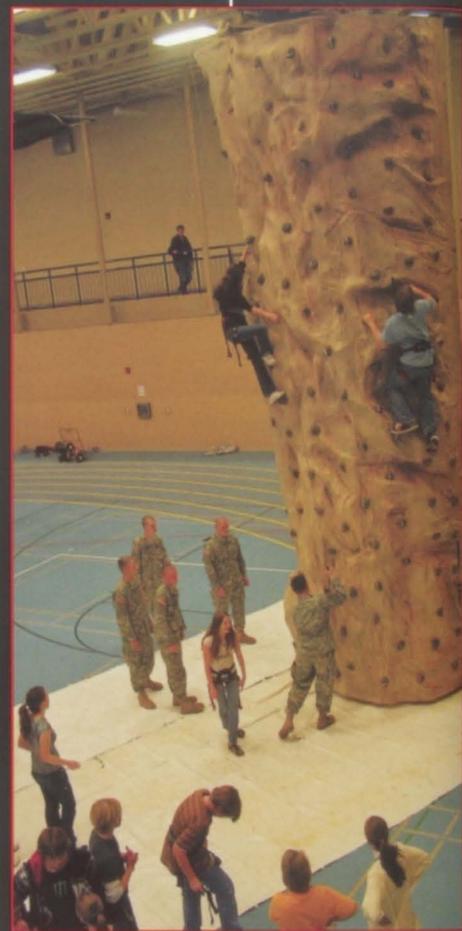

Along with a new school, STMA decided to reward us students on the last day before winter break. For the last two periods of school, there were many activities and events for students to take part in. Students could watch the movie Elf in the PAC. They also had options to play basketball, badminton, volleyball, or ping pong. A rock climbing wall and obstacle course was brought in for the students enjoyment.

## Holiday Card Making

This year was a first for many new things. This was the first year STMA students could volunteer their time to make holiday cards for the senior citizens. The cards were hand made and were given to the elderly to make their holidays happy.

The Blizzard Bash was wonderful as well. All the ladies were wearing their adorable dresses and the boys put on nice jeans and button-up shirts. Everybody hit the dance floor from nine to midnight, and had a marvelous time with all their friends.

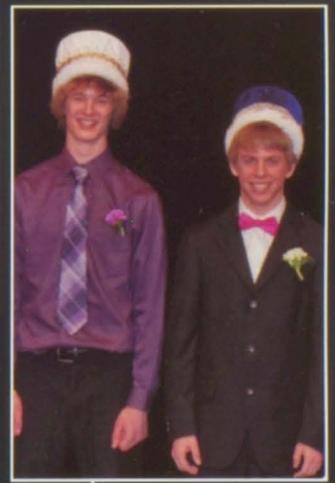

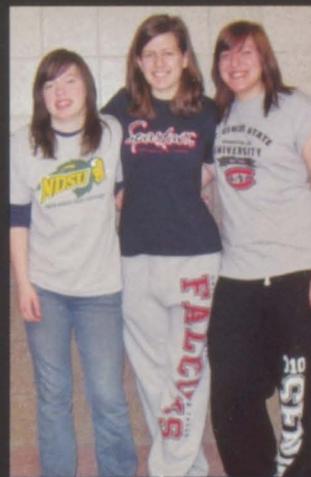

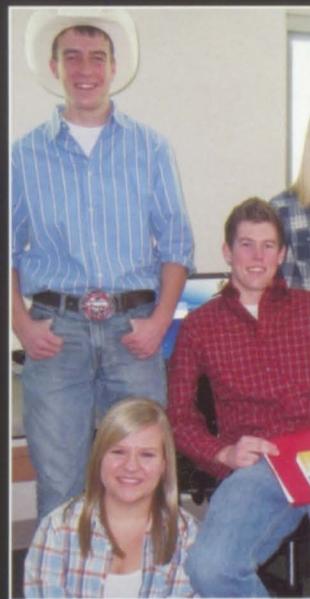

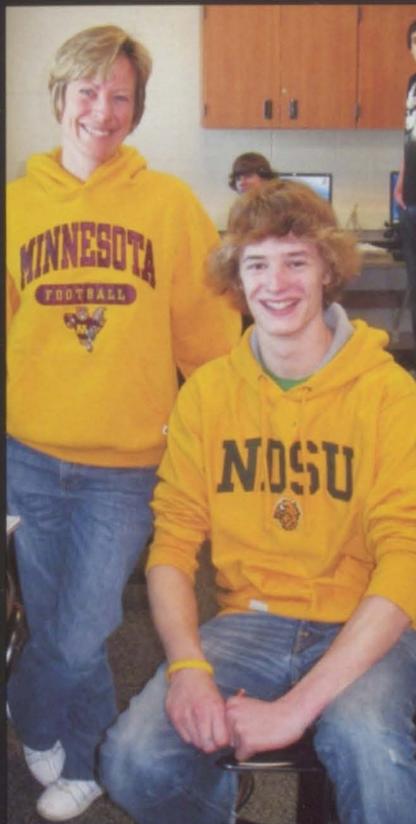

# Let it Snow Let it Snow

The Pep Fest was one full of school pride and great spirit. We all did a fantastic job getting pumped up for the boy's basketball game Thursday night. We had our traditional tug of war contest with the Seniors winning against the Freshmen and the Sophomores. The Juniors weren't so lucky in that event. We also participated in the annual battle cry. Each class, one by one, yelled their year as loud as possible. Everyone gave it their all but got booted by the other grades like usual. This year's pep fest was one of tradition and excitement. Great job to all the participants.

# Snow Daze 2010 Snow Daze

We celebrated a great week of diversity and spirit during this year's Snow Days. Students dressed up in pajamas Monday, cowboy apparel Tuesday, college apparel Wednesday, blue and gold Thursday, and we rounded off the week with formal day, coronation, and a dance on Friday night.

# From a Land Far Far Away...

### Silje Tønning

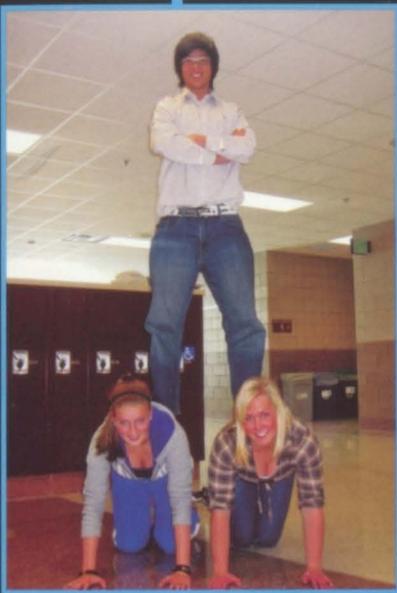

I am from **Norway** and I speak Norwegian. My favorite American food is Chipotle- say you're from Norway and you'll get your meal for two dollars. My favorite classes are chemistry and Spanish. Here in America, I'm involved in volleyball, basketball, and band, along with go cart driving in Norway. The thing I find the most interesting in America is that boys seem so intelligent because they can speak perfect English. The craziest thing here is that it feels a little dangerous to live here. I hear about killings on the news daily. In Norway, we are nice to each other; here they are mean.

### Teerapat Aur-Areevakul

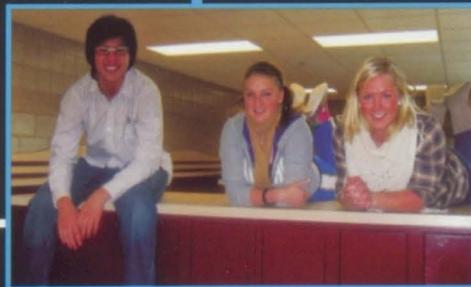

I am from **Thailand** and I like all American foods. My favorite class is choir. In the US, I'm involved in speech and golf. The level of education here is great, you have so many things to teach. Like how in broadcasting class we can touch and use the cameras, where in Thailand, we can only learn about them, we can't use them because we can't pay for them. The craziest things in America are paintball and airsoft guns- I play airsoft every weekend. I also know how to break dance.

### Dorothea Hufeland

I am from **Germany**. My favorite American foods are corndogs and hotdogs. My favorite classes here are any science classes. I am involved in swimming in the fall and gymnastics in the winter. The things I like most about America and this school is that so many are involved in different sports. The craziest thing here is that you don't have breaks during the school day like in Germany.

What you wear defines you. From your piercings all the way down to your shoes. You can choose to follow the crowd or you can make your own style. Styles come and go, some stay for years, while others are gone just as fast as they started. In the 1990's straight pencil skirts, trouser, blazers, baby doll dresses with puffed sleeves, baggy colorful jeans, Doc Martens, and combat boots were in.

## Directors

Mr. Bob Zahler directed the musical in his second year, with the help of senior Janell Chrobak as the stage manager.

## The Pit

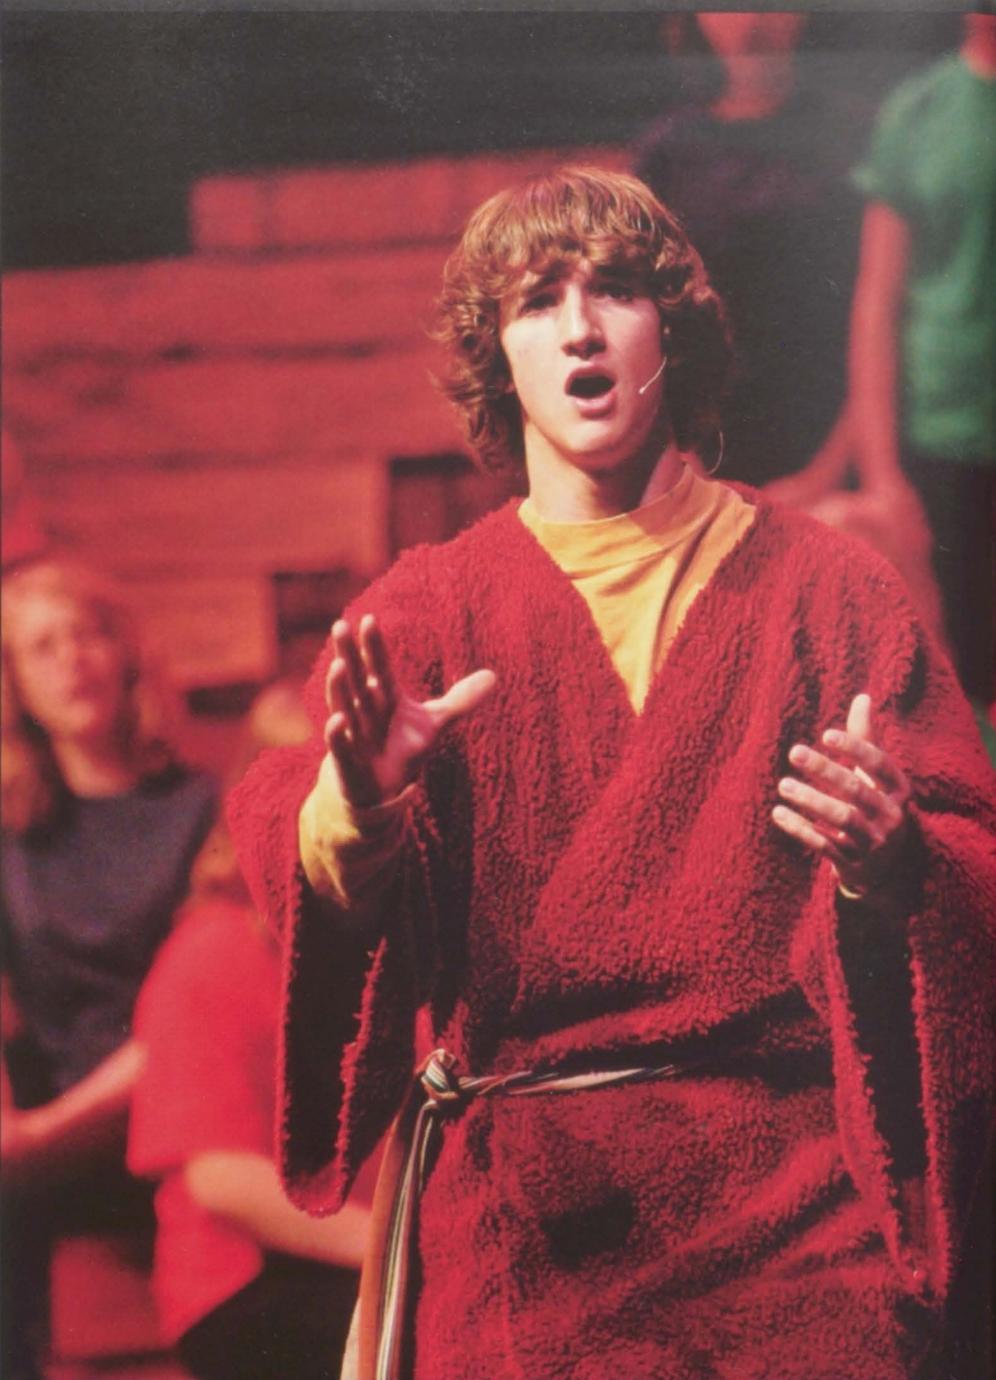

This year, the pit orchestra was comprised of 14 students. They were joined again by Mrs. Susan Ferbuyt, the pianist. New for this year was Mrs. Jackie Jordheim, on the saxophone, and Mr. Sam Bergstrom on the guitar. The orchestra was directed by the band director, Mr. Adam Sroka. This was a very exciting year because this performance was the first to use the new orchestra pit.

## Tech and Set Crew

The crew consisted of: Sarah Lenneman '10, Cassie Jankord '10, Ashley Gordon '11, Janell Chrobak '10, Alex Johnson '10, and Isaac Heieie '12. They put a lot of hard work into production.

Below:  
As one of the brothers, Junior Alex Joos adds a Jamaican flair to a song about how Joseph wrongly accused Benjamin of stealing.

The part of Joseph was performed by Grant McEachern '10. He has performed in the pit orchestra in previous musicals. However, this was his first year acting and singing in the musical.

# Go, go, go, Joseph

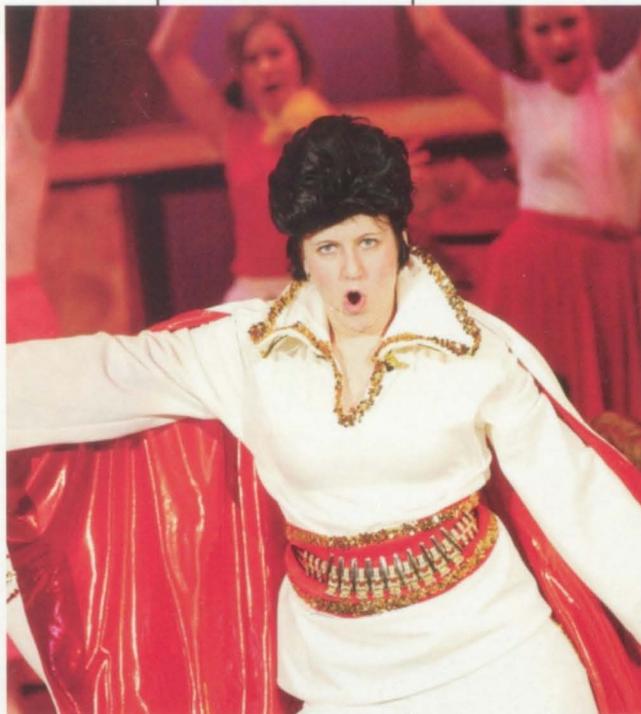

This year's fall musical was Joseph and the "Amazing Technicolor Dreamcoat". It is the first musical to be performed in our new Performing Arts Center. All of the performers worked especially hard to put on a great first show.

It was also the first musical to include the use of an orchestra pit and a hard-working group of elementary and middle school students who performed in the children's choir, a critical part of the show.

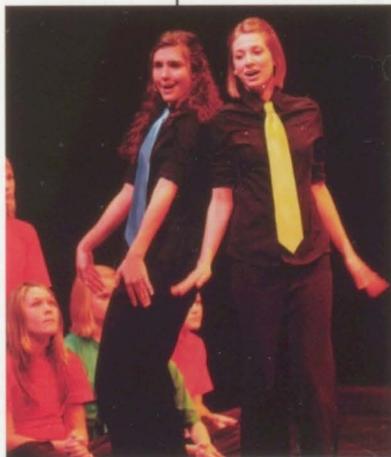

## The Children's Choir

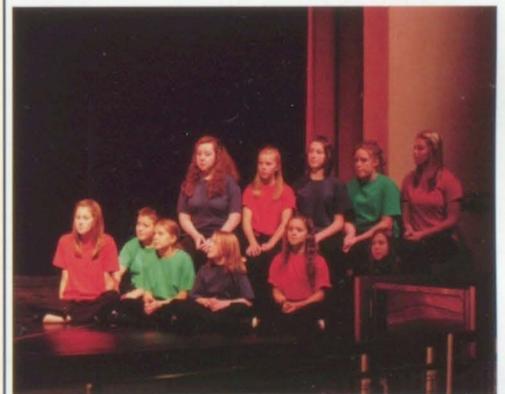

The Children's Chorus was comprised of younger students from STMA's elementary and middle schools. They were a great addition to the show just as in the Broadway play, and they really enjoyed doing it.

Above: Senior Rachel Potter's interpretation of the Elvis pharaoh was a big hit in the performance.

Left: Nicaela Cote '10 and Rachel Selvig '10 were the narrators of the story, therefore they did a lot of singing throughout the musical.

The two groups sat on either side of the stage and sang along with almost every song. They were also lead by four high school students: Katrina Budde '12, Sydney Carlisle '13, Jacob Maas '13, and Maddie Ahner '13.

## Whispers From The Deep

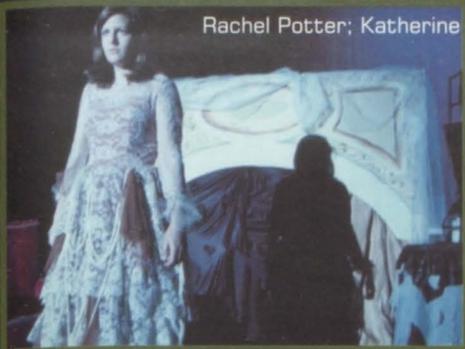

Mariah Bernt; Miss Anna

Whispers From The Deep is a true historical account of survivors, witnesses and surviving family accounts of a great loss of life experienced shortly after midnight on April 14, 1912. Of a total of 2,200 people aboard the Titanic, only 706 survived the disaster and 1,517 perished. This play was written to inform audiences of the stories that are not common knowledge.

## Congratulations One Act

The cast of this year's one act was a stellar group. They put on a stellar show that brought them to regionals where they won second place. This is a marvelous play written by our very own Kristen Gordon and co-written by Seth Briggs, an STMA alumni.

# Play That Funky Music!

Below: Mr. Adam Sroka is in his second year directing the bands here at STMA. He came over from Big Woods Elementary School a year and a half ago, and started directing the marching band a year prior to his move.

The music department is buzzing from the time the doors open every morning until the very end of the school day. STMA has two bands that practice during the school day; they are Concert Band and Wind Ensemble. Members of these bands can also try out for smaller ensembles: Blue Jazz and Gold Jazz. These groups practice at 7:00 sharp in the mornings.

The Band department has gone through many changes this year. Apart from the new practice area, and they now have a beautiful PAC to perform in and they have taken full advantage of this by scheduling more concerts than in past years and by performing larger concerts, with bigger groups. Some of the

highlights included the joined band/choir concert in October. Both the groups performed separately and then performed, "Hallelujah Chorus" together for a beautiful finale. The February concert involved both of the high school bands and the eighth graders from our middle school. The bands all performed separately then jointly performed, "Pictures at an Exhibition" for the last song.

The bands have also performed at the Veteran's Day program and Instrumental Large Group Contest in Anoka.

This redefined band program has left people eager and excited to see what else the STMA bands have to offer in the future.

"Dancing in September"

The STMA marching band has fun times traveling to other towns to perform in, but it's when they play in the Friendly City Days Parade that really gets them to do their best. They put on their greatest in front of friends and family. Even though this parade wasn't a competition, the band marches as if it were. They graciously give out awards to the other competing schools as the host of the parade and congratulate them on making their home town parade look phenomenal.

# 'Get Away' 'September'

### Play That Funky Music

Below: The low brass, with their section leader Nicaela Coté, warm up in their halves before a parade.

The highlight of the marching band's 2009 season was the trip to Colorado, and playing the songs 'Get Away' and 'September' from the 1970's funky-soul band Earth Wind and Fire. The hard work of seven hour practices for a straight week paid off when they traveled across the states for a trip to Colorado. It was an eighteen hour ride on two coach buses but the time flew by with nothing but laughs the whole way there. The band had the honor of playing in the Independents Day Parade in Greenley Colorado. The band marched with their heads held high, proud to represent their Minnesota school.

# Re·play

Sports

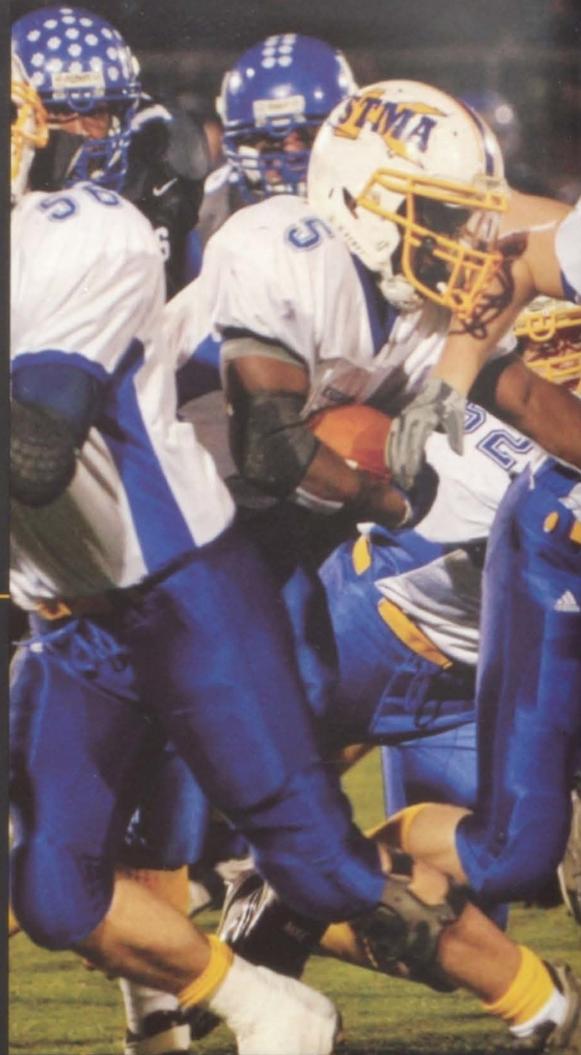

"Anybody can beat an individual,  
but nobody can beat a team."

-Kwaku Amoah

Left: Bryton Carlson and Kraig Schumm prepare themselves to take on Cambridge-Isanti. Although that game was a loss for STMA, Carlson and Schumm were both effective defensive players. Kraig led the team in defensive points, based on tackles, interceptions, and blocked kicks. He is the fifth best defensive point man for his career. Bryton had a total of 74 tackles this season while Kraig had 93 tackles during the season.

## Our Blood. Our Sweat. Your Tears.

Maybe it's the intensity. Maybe it's the players. It could even be the fall weather, or possibly the exciting atmosphere. Then again, the attraction to football just might be held in the game itself. A single pass, interception, tackle, or touchdown can effect the result of the entire game. After STMA took Rogers's homecoming from them, Coach Bauman told the Crow River News, "Everybody played their part. It was a good victory for us." The Knights football fans are seemingly passionate about the game also. Dedicated fans stand in the chilly bleachers as rain drips down their faces. They stay until the very end of the game and scream until they no longer can.

The Knights rush out onto the field at the beginning of every game. They are eager and confident that this year will be another battle won by the Knights. They hope that each play they make will pull them closer to victory. Under the coaching of Earl Bauman and Curt Hahn, the Knights accomplished their goal by making it all the way to the section finals.

The team won the conference champion, in a three way tie with Rogers and Buffalo, and the Knights beat Rogers earlier in the season 11-6 before losing in the game that would have sent the Knights to the state championship. The Knights played hard, featuring great defense early in the season, and explosive offense by the end of the season. Coach Bauman completed his 30th season, and his overall win-loss record is now 188-122. The excellent combination of offensive and defensive players helped re-define Knights Football in 2009.

Senior Quarterback, Tanner Krutzig, completed 121 of 229 passes for 1608 yards and 13 TDs. His leading receivers were Blake Schirmers and Joe Carpenter in a breakout season, 32 for 660 and 7 TDs, including a 98 yard TD pass reception against Rogers in the playoff game. The season was an overall success because everyone on the team pushed hard and didn't limit themselves.

**"Go Kwaku, Go Kwaku, Go!"**

Above: At the section final game, Senior Kwaku Amoah fights through with the ball. Kwaku was also an effective kicker scoring the Knights a total of 17 points throughout the season. Kwaku ended his career second overall in rushing yardage, with a three year total of 2775 yards, and he scored 27 TDS rushing. In order to assist Kwaku, Junior Ryan Stott (23) and Senior Kraig Schumm (87) held back the Rogers Royals.

**"Draining Big Lake"**

Left: On homecoming night, Blake Schirmers recieves the ball and runs down the field. Blake ran a total of 608 yards throughout the season. Overall, he was able to score 5 touchdowns and help lead the Knights to the section finals.

**Homecoming Highlights**

Above: STMA goes up against the Big Lake Hornets on Homecoming night. The game resulted in a win by STMA.

**Passing The Kick**

Below: Senior Jared Dehmer follows through with a kick. Dehmer has been a varsity kicker for the Knights since he was a sophomore. Jared tore his ACL during the season and was unable to play afterward. Thankfully, the team had a backup because senior running back, Kwaku Amoah, filled Dehmer's place as the kicker. Dehmer scored a total of 11 points kicking before the injury. Jared was present at every game before his surgery to support his team.

At the same height and same vertical jump they set up a solid block and were a huge intimidation to the hitters that faced them on the other side of the net.

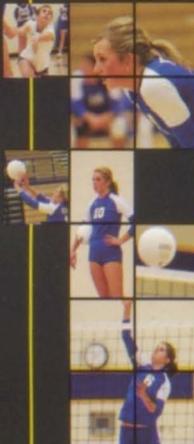

Right: Senior Carly Rothstein was this years only returning varsity starter. She played left side attacker all around and middle blocker. Her contagious energy on the court and her desire to do her best made her a key element to this teams success.

# AHH SPANK!

## You Gotta Believe

As the new season started, all of the girls knew that they would be redefining STMA volleyball; the new gym and school had nothing to do with it. Even though it was a completely new team this year, the girls had the mindset that everyone was going to work their tails off to be the best team they could be. They wanted this team to be remembered because they were something worth remembering. All of their hard work paid off. The girls won conference again and their first round in sections. Unfortunately, they suffered a crushing defeat against the Moorhead Spuds that ended their season. "No matter what the outcome of the game was, we stuck together. We were an "unstoppable" group of friends. Every time we stepped on the court our understanding and love for one another grew. Nothing could hold us down because we had, and always will have, a bond that can never be broken." said Nicole Barthel.

Above: Stephanie Westrum was a left side hitter this year. "She came to practice everyday with the mindset that she was going to do everything in her power to get the most out of practice," said teammate Chelsea Robinson.

Right: Kilian played middle and right side hitter. She was a strong attacker, blocker, and a good communicator on the court, and her skills will only improve for next season.

## How do they do it?

Tessmer had 274 assists, 36 aces, and 92 digs

Yager had 244 digs, and 41 aces

Kilian had 54 kills, 13 digs, and 54 blocks

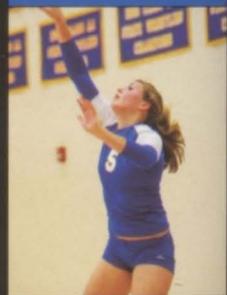

Hackenmueller had 122 kills, 235 assists, 95 digs, and 96 blocks

Caballero had 56 kills, 8 aces, 35 digs, and 24 blocks

Westrum had 158 kills, 33 aces, 103 digs, and 43 blocks

"We came in as just a bunch of girls trying to play volleyball, we came out as a family" -Carly Rothestein

At the last home game of the year senior Alanna Caballero, and juniors Rachel Hackenmueller, and Karley Kilian repeatedly set up a triple block during defense to take out Sauk Rapids' best hitter and to shut down the their offense.

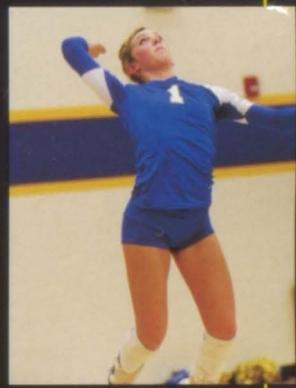

Left: Candice Yager was the only freshman starter. She was the youngest on the court, but that didn't hinder her from taking charge on the court during the serve receive and defense because as our libero she was our best passer.

Above: Rothstein, Caballero, and Hackenmueller talk strategy at the net. The blockers help out our defense by shouting out how many hitters are in the front row on the other side along with yelling out where the setter is.

Above: At the last home game of the season, the six starters huddled in the middle before the game to pump each other up and give a few final words of encouragement before they crushed Sauk Rapids in the first round of sections.

Above: Kristie Tessmer was the varsity setter this year. She had great eyes on the court that helped her see all of her hitting options. She also became a great defensive player. When asked how she did it she simply replied, "I hate when someone gets a kill on me, I just hate it."

The 2009 boys soccer team had an exceptional season. With a record of 7-8-1, and this was the second best win in school history. They were able to beat Rogers and Buffalo for the 1st time ever. The team struggled to score goals in the 1st half of games towards the end of their season losing 4 games in a row. Fortunately, they were able to pull out a huge conference and section win, to end the season, beating Buffalo on their own field.

# Go Get 'Em

Coming off a great season last year the ladies wanted to keep the terrific work going. To stay on track they would always say GO GET 'EM. This would remind them to go hard all the time and never give up. The season for the Knights wasn't as great as everyone wanted it to be. They finished the season with an overall record of 10-8-1 and in the Mississippi 8 conference they finished second with a record of 7-2-1. The ladies had a great win over Monticello winning 3-1. The game was played in constant rain and on a field covered in water. The season came to an end with a loss in their first section game against Moorhead. Alexis Houle and Katie Laudenback did a great job this year as captains and kept the team motivated. A big thanks to Katie Novicky and Becca Kramer for being team managers and helping out.

# My Sport is your Sport's Punishment

This year's Boys Cross Country team was filled with talented guys that worked hard the entire year. However, their training began long before August 17. Many of the runners spent the whole summer running and logging over 100 miles in order to be in the best possible shape when competitions began. This year had many new varsity runners which gave the team a great fresh start with the new school. Captains Jake Autio, Nathan Robeck, and John DeLozier, did a great job leading the team this season and were consistently the top finishers on the team. The year ended on a highlight when they were able to bring two runners, Jake Autio and Nathan Robeck, to state at St. Olaf College in Northfield where they placed 5th and 55th respectively.

Above: Everyone on the boys varsity team meets at camp, warms up, and goes to the starting line together every meet to support and encourage each other.

Jake Autio: 5th in State!

Jake has been a distance runner for only three years, but the coaches could see his natural talent right from the start. "His physical attributes made him a good runner, but his attitude, work ethic, and intelligence has taken him from good to great," said coach Massmann. Jake will take his ability to new heights in college as he continues with his competitive running career.

The girls cross country team had an amazing year. The team lost valuable senior girls from last season but gained new athletes that contributed greatly to the team. Their first meet was the STMA Invitational Scrimmage at our own Rec. Center on August 28 with two girls placing in the top ten. All the girls from varsity and junior varsity pushed their best to run their hardest in every meet and practice they had. Even though it is hard work for them it paid off with a grand 3rd place for varsity and 4th for junior varsity in the Mississippi 8 conference with a score of 98 for varsity and 101 for junior varsity. With only one senior this year, Ashley Saysithi, on the team they still had a fantastic season and with all the fast running freshmen the girls are sure to excel greatly in years ahead for the cross country team.

## Leaders Of The Pack

Christine Thorn and Maddi Sjelin set a great pace at the head of all the runners at the Invitational Scrimmage at the Rec. Center. Maddi placed an outstanding 5th, which was the best for STMA and Christine placed 8th.

**Run Girls Run**  
Maddi Sjelin and Christine Thorn are two of the top runners for the girls varsity team. At the Mississippi 8 Conference 2009 Christine placed 5th with a run time of 15:32.83 and Maddi placing 7th with a run time of 15:45.52. They have contributed a lot to help out the girls cross country with Christine being a sophomore and Maddi a freshman.

They live for the 2 ½ hour practices, team parties, long bus rides, invitationals, countless laps, chlorine, jokes, friendships, laughs, and the trip Chippewa Falls. They live for the workouts, the perfect races, 6 across the board, and the goals they set at the beginning of the season because that is what will define them for the year. They live for the race, the spirit, the distance, the team. It's part of them, it's who they are...They are the St. Michael-Albertville Girls Swim and Dive team, and they made a bigger splash than ever.

## H2O Two Parts Heart One Part Obsession

This year was an exciting year for the girls swimming and diving team. Not only did they defend their first place title at the Chi-Hi invite in Wisconsin, where they had a team bonding event of mini golf, they also walked on the deck as one of the strongest teams in the Mississippi 8 Conference. The team had a 4-2 record in their conference, and an over all record of 6-4. At the beginning of the season the girls got right in the pool to train for the Big Lake Relay meet where they placed second. All the training they did showed off in the pool, where a battle of the records was taking place. There was a record broken at just about every meet, making a total of five records that were broken; some more than once. The team defined themselves at the True Team meet where they took fourth place and at sections where the team placed sixth. From sections the team was able to send senior Maggie Reilly and freshman Krista Erickson to state. It was Maggie's third year going to state where she swam outstanding on her hundred fly and two hundred individual medley. At State Maggie got her fastest times, breaking all her old records. It was Krista's first year going to state, where she dove her best and represented STMA as the first diver to make it to state. The swimmers and divers ended the season stronger than ever leaving the coaches excited to see what next year will bring.

Senior Kayla Buckley, placing tenth, and junior Rachel Gebo placing eleventh, were part of the 2009 all-conference selections. This years honorable mentions included freshman Cierra Eyestad in fourth, and junior Alyssa Riles in eighth. Kayla had the most singles points scoring 42. Jessica Johanson scored 46.5 as well as had the highest season record on the team. ### Taking Advantage

Carly Rothstein takes a three point shot without any pressure coming from the other team.

Coming off of last season as State Champs, the Lady Knights looked to continue their great success. This year they moved up to Class 4A, Section 8AAAA. The coaches looked to Carly Rothstein, the only returning starter, to help the ladies and lead the team. The Knights finished their regular season play with a record of 20-6. They finished first in the conference tied with Buffalo. The first place finish earned them their second conference champions title in a row. Their record was 14-2, with their conference losses to Buffalo and Princeton. The ladies won their first section game against St. Cloud Tech, winning 45-44 in a close fight till the finish. The Knights stayed strong and came out with the win. In the championship section game the Knights faced the Warriors from Brainerd. In a close game during the first half, the Knights managed to pull ahead and beat the Warriors 60-44 giving them a state birth for the second year in a row. The end of the season came to end with a loss to White Bear Lake, 51-64, at the State Tournament.

The Knights were looking for some of the guys to step up and take control of the offense. Joe Carpenter, Jack Mooney, and Jake Autio did just that. They were the top scorers on the team with Joe as the leader with 454 points this season. They also looked for Tanner Krutzig and Michael Wiese to take the three point shots to spread the defense of the other team out. With all this great effort the Knights started their season off the right way with a win over Dassel-Cokato, 58-42. As the season went on the Knights had a roller coaster ride with loses followed by wins and wins followed by losses. They finished their season off with an overall record of 16-12. In conference play they finished in third with a record of 11-5. The Knights made it past their first section game beating Moorhead 75-54. Their second game was against the number one seeded St. Cloud Tech in a nail biter until the end the Knights came up a little short losing 58-59.

# Flying Without Wings

The Knights Gymnastics team has had great energy all season long. All the girls should be proud of themselves, and each other. Throughout the season everyone improved and they have left their mark on the program. Their scores increased throughout the season from a 119 at the beginning to a 128.55 by the end of the season.

High individual scores for each event included: 8th grader Becca Engleman's 9.1 on floor, freshman Krista Erickson's 8.75 on vault, Sophomore Elyssa Eull's 8.35 on bars, and freshman Krista Erickson's 8.65 on beam. The team's atmosphere was great on and off the floor.

The girls worked well together, developed relationships, and supported each other throughout the season. The end of this season caused the team to say goodbye to senior Dorthea Hufeland. Although this was sad for all the girls, it gives them a good feeling to know that their family will keep growing in the years to come. Each and every year their team is **redefined**.

# Our Goal Is To Deny Yours

"Everybody works very hard and we have had a ton of fun. I think this is one of the most unique teams I have ever played on, everybody is always trying to get better."  
-Assistant captain Brian LaVallee

The boys hockey team had a spectacular season in 2009-2010. The boys had a rough start against their Buffalo rivals. They lost their first game against them, but made a comeback when the STMA Knights beat the Bison on their own turf for the first time in STMA boys hockey history. The team won their first game in sections which brought them further to the gold, but they lost their second game. The team had a successful 14-13 record for the season. The eleven senior boys that are graduating set the bar high for the upcoming underclassmen for next year.

Jake Adams, the goalie for JV, doesn't let anyone get the puck past him. Jake saved an excellent number of goals in the '09-'10 year.

## In But Not Out

Alex Slagle, Kevin Diers, Coach Foucault, and Nick Ooley keep their eyes on the puck while waiting on the bench.

## Finishing Strong

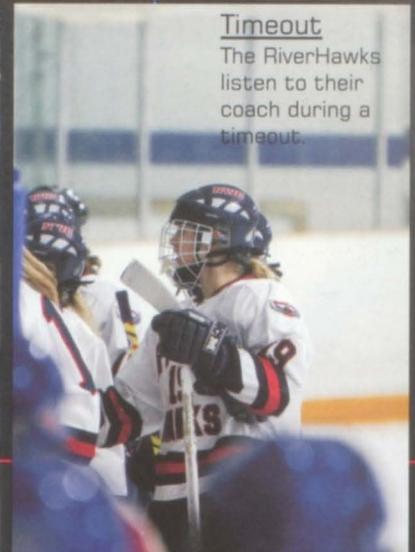

Senior Brandon Smith finished his high school hockey career with multiple points in many games in his senior season.

## Following The Puck

Amanda Keop blocks the other side of the net while the other team swings the puck around the backside.

Below: Noah Dalluge, a freshman, getting a strong start off of the blocks. "He is extremely skilled for someone so young, and has a lot of potential to make the team go far," says captain Taber Tang.

Right: Taber Tang is one of this years captains. He is a junior in his second year of diving and he is a great leader to the younger swimmers.

# Swim Hard. Flip... Fast?

The boys STMA swimming and diving team was continuing to be defined throughout the season. The program was only in its second year and the team was filled with energetic teammates with the readiness to do their best. The boys only won one meet this season but that is a great accomplishment for only being in their second year. They advanced many swimmers and divers to sections and ended the season on a high.

Right: Zach Zastrow, a freshman, swimming the butterfly. He was a great teammate and was a great supporter on the sidelines as well as in the pool.

Above: Matt Donaghue is a junior this year. He was a first year diver, and learned quickly. This took him all the way to sections which is a great accomplishment for a first year diver.

Right: Diving is highly intense and everyday the divers work on their skills in order to be prepared on meet day.

Max Rooney, a sophomore, swimming the butterfly. Rooney made it to sections swimming the 200 IM. He is always the one to make everyone around him think positively and he's always cheering on his teammates.

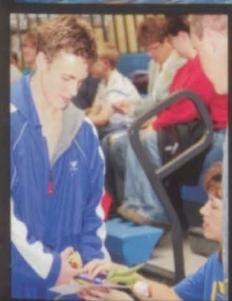

Left: Sophomore Kyle Kackman on parent appreciation night. He gave them their gifts and he thanked his parents for all their support.

Above: Eli Guillou is a freshman this year and he is very dedicated. The team is expecting great things from him in the years to come.

# Re-group

clubs and organizations

# National Honor Society

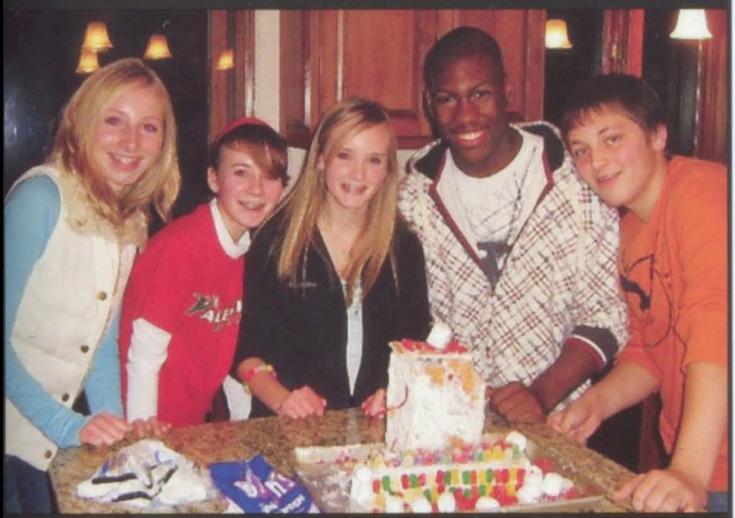

The NHS is made up of forty-four juniors and seniors including four executive council members. Each year the NHS puts together many programs, activities, and fundraisers for our school and community. This year they sponsored a blood drive, the mitten tree, and food and toy drives. Additionally, members provided a complete dinner and played bingo with senior citizens at St. Michael's Ridge Drive Apartments. The NHS also organized fundraising events for St. Jude's Hospital, the American Cancer Society, and the Cystic Fibrosis Foundation. For the school the NHS sponsored both the Homecoming dance and Blizzard Bash. The proceeds from Blizzard Bash went to provide earthquake relief for Haiti. All the members had a great time helping our school and community while honing their leadership skills.

"Management is doing something right; Leadership is doing the right thing."  
Peter F. Drucker

# Student Council

This year 33 members joined Student Council by election. The Student Council does many activities before school starts including Kick Off days, making welcome back posters for each grade, and welcoming back the students and staff. Student Council helps coordinate Homecoming and Winter week along with National Honor Society. This year, Student Council created a new event called STMA Giving Back. Also, some junior student council members were involved in planning for the 2010 prom. Throughout the year, this distinguished group of students planned many little events for the students of STMA to participate in. Towards the end of the year, Student Council organized senior and teacher appreciation days that turned out to be a success. Thank you to all the Student Council members for all your hard work and dedication to make our school better and more enjoyable.

# It's Hammer Time

A 17 year olds death due to steroid use, the suspicion of the track coach promoting the use of steroids, and the high school's failure to stop the use led to the case of Kelly Anderson v. Dale Rockford and John Reilly High School, and this years mock trial team. The season started off with some bumps for the team, but it didn't take long for them to smooth them out, making it an outstanding year. Throughout the season they held scrimmages here at school, and traveled around the state for scrimmages and tournaments. The team placed above their biggest rival Buffalo at the U of M tournament, where Kelly Johnson went home with

her second best attorney award in her three years of doing mock trial. The team kept the season going strong placing fourth in the Mississippi 8 conference, and winning the first and third round of regions, being the first team from STMA to move on to the fourth round. The team ended the season stronger then ever and redefined mock trial for the teams to come. On March the team got together one last time for their end of the year banquet at Space Aliens. Sara Morgan went home with all conference and Tony Gergen with honorable mention.

# Math League

## Re-calculating the numbers

**T**

he STMA Math League team completed its season by competing in the State Tournament in 2010. They finished 16th out of 29 schools competing. The mathletes finished the regular season winning all 5 meets and had a season total of 383 points, their highest point total ever. The team had 5 of the top 10 students in the division and were led by sophomore Marshall Smith with 60 points, which is a record for the Knights.

# Destination Imagination

Destination Imagination is a creative, problem-solving extracurricular activity that involves teams of 5-7 people. Each year teams choose a challenge, work together to find solutions, and present them at tournaments. Each challenge focuses either on improvisation, theater arts, building, or robotics. This year's high school DI team is competing in the building/theater challenge. They are working to build a structure out of only newspaper and glue that holds the largest amount of weight. They are also creating a skit that centers around the great fire of London to present their structure. This is the third year for this team, and is comprised of juniors and seniors. This team love thinking in new and exciting ways, and are excited for the tournament!

The Environmental Club has grown greatly in its third year. The many members of the club have helped make a great impact in the new school building. The club has many different committees such as the recycling committee, and the middle school committee that helps out the middle school with their own club that environmental club that

club's biggest event is Earth Day on April 22nd where they try to have the whole school get involved in Earth friendly activities even if it's just showing support by wearing green. The students have lots of fun and work very hard to make a difference in the school and community.

## Reduce, Reuse, Recycle

The students make posters to hang up around the school to get everyone aware of recycling, pollution and other activities the club participate in.

The club took a big step towards taking action in the school by having new recycling bins put in throughout the school. They brought new paper bins and also new bins for plastic recycling.

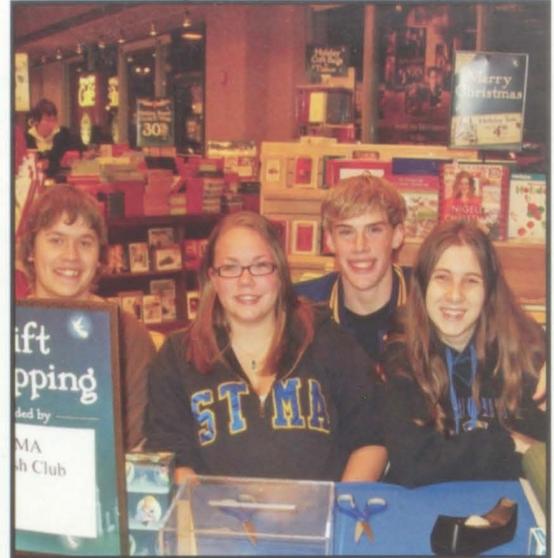

Club Members work hard to think of new ideas and activities for the committees to take on.

Matt Fecho is part of the green house committee and helps water and take care of all the plants that are in the new green house.

# Spanish Club

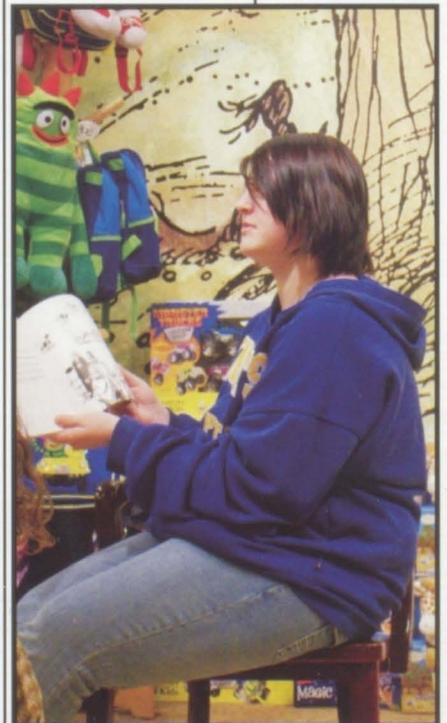

## Reconnecting languages

This year the Spanish Club's main focus has been fundraising for their upcoming trip to Costa Rica in June. The club fundraised by gift wrapping and face painting at Barnes and Noble, washing cars in St. Michael, and multiple meat raffles. The club also sold poinsettias, sold chocolate, and hosted a pancake breakfast at AppleBee's. The club will be visiting Costa Rica for two weeks. One of the weeks will be spent staying with a host family. They will get to see and experience the culture of a Spanish family. They also get to see the beautiful volcano springs, go to a coffee factory, and experience a zipline adventure. Advisers Mrs. Schuster and Señorita Justin are just as excited as the students. They have given the club many opportunities to raise money for the trip. With all of the hard work they put into it, it will pay off greatly and will be a spectacular two weeks for the students.

"FCA ties Christianity to a major part of our lives"

Haley Pratt

The FCA program focuses on teaching students to serve the Lord through one common interest: athletics. Everyone is welcome whether they are an athlete or not. A fellowship of Christian athletes huddle meet is a place where students can get together for a good time while learning the good word.

Integrity, teamwork, serving,  
and **excellence.**

Juniors Emily Kastendick, Chelsea Robinson, and Haley Pratt stop for quick picture during an FCA huddle meet

The Fellowship of Christian Athletes organization touches millions of lives throughout the country; one heart at a time. Since 1954, the Fellowship of Christian Athletes has been challenging coaches and athletes on all levels, from youth to professional, to use the common interest of athletics to impact the world for Jesus Christ. FCA serves local communities by equipping, empowering, and encouraging people to make a difference for Christ. This year's STMA FCA was lead by Coaches Dewey, Greeno, and Bauman. Although the Fellowship of Christian Athletes is a group for athletes, it does not exclude anyone. Anyone and everyone is welcome to a FCA huddle meeting where the focus is on how we can show integrity, teamwork, serving, and excellence towards God and our community as young adults.

# FCA

Fellowship of Christian Athletes

To see the world impacted for Jesus Christ through the influence of athletes and coaches.

At the beginning of each huddle, the group meets in the activity center or gymnasium to play sports or activities. On this cold March night, only three people showed up to the meeting. So the girls and Mr. Greeno played an intense game of frisbee. The nights lesson: Greeno has the game of frisbee down to science. He's got skills.

# Business Professionals of America

BPA aims to develop leadership, academic, and technological skills in the workplace among students and leaders within the community. That is exactly what STMA's student business professionals did this year. This year's BPA students dedicated mornings, snap periods, and hours of after school work to prepare their competition pieces. The result: a successful competition.

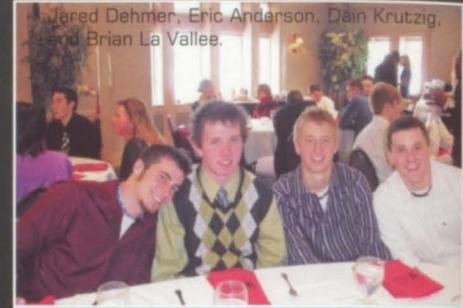

Business Professionals of America teaches students life-long skills that will benefit them in the real world of business. BPA gives students hands-on experiences with deadlines, presentations, and business etiquette training. After participating in this organization, many students have chosen to pursue a career in business with the skills they have acquired to become successful in the career world.

## Not a Slacking Class

Contrary to popular belief amongst many students, yearbook is not a slacker's class. The yearbook committee has been busy working hard to decide on a theme, conducting interviews, writing captions and paragraphs, taking photos, attending after-school events, editing, revising, and reviewing to make this year's edition the best edition yet.

Jaicie Anundson, Savannah Alders, Sarah Lenneman, and Shana Lindenfelser.

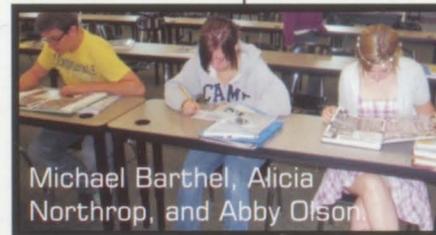

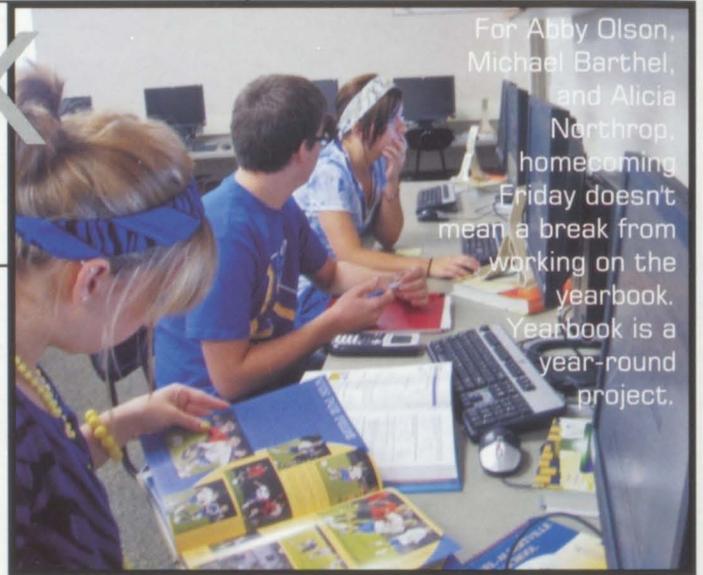

# Yearbook

## Putting it All Together

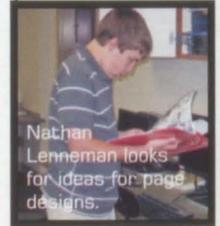

From the first day of school, the 2009-2010 yearbook staff has been working extra hard to make this year's edition spectacular. This year's staff consisted of only two yearbook staff members from last year, making this year's staff mostly new to the program. This was no challenge for this hard-working group of students. New editors; new staff; new ideas; new decade. The 2009-2010 edition is clearly **redefined.**

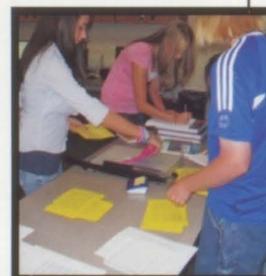

For Abby Olson, Michael Barthel, and Alicia Northrop, homecoming Friday doesn't mean a break from working on the yearbook. Yearbook is a year-round project.

# Take Me Out to the Ball Game

## Baseball

The STMA boys baseball team tore up the field this year with a number of wins and an infinite amount of effort and teamwork. This year's Varsity senior captains, Brian Lavallee and Ben Schmitz, worked hard to keep the team motivated throughout every game. The boys started out their season with some basic training including: throwing, catching, hitting, bunting, and base running. Their preparation for the season has payed off, considering their strengths of the season included pitching and taking extra bases. The goals of the team consist of improving themselves in some aspect of the game every day they take the field. The team is looking for the opportunity to contend for the conference championship, earn a top seat in sections, and compete in state once again.

Upper left: Junior catcher, Steve Kiesner, throws back a pitch after a strike out.

Upper right: Junior infielder, Shawn Morris, swings at the pitch.

Lower left: Junior, Jarrett Peterson, bolts towards home plate to score for the Knights.

Lower right: Junior pitcher, Andrew McCarthy, attempts to strike out the Bison with his variety of pitches.

# Talkin' Softball

Junior Sam Kunde prepares to scoop up a grounder.

Left: Senior Ashley McDonald sets up her hit in preparation for the pitch.

Left: Junior Kelsey Blank sets up her swing to receive the pitch.

Left: Junior Torey Malerich in mid pitch with Junior Kelsey Blank on first base ready to receive the ball while Becker player attempts a steal from first base.

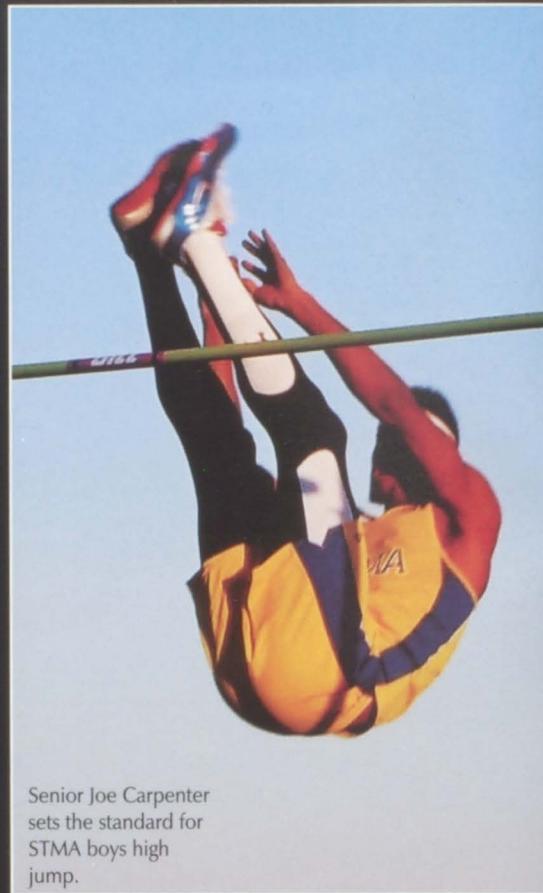

The girls softball team started the season off well with four wins. They had a major accomplishment of beating Becker in their first game of the season; which they have not done in four years. Varsity pitcher, Torey Malerich (Junior), has many memories from softball. Her greatest memory from this year is defeating Becker, one of their rivals. The score was 0-3 in the bottom of the sixth inning, but the Knights came back and scored a whopping four runs and in the end defeated the Bulldogs 5-4. A few games later, the Knights defeated the "unbeatable" Buffalo Bison 4-3 in the ninth inning.

Above: The STMA Knights anxiously waited for their big game against the Becker Bulldogs.

# Born To Run

The Boys Track and Field team started the season out strong by taking first in the Princeton Tri, followed it up with a first place finish at the Delano meet, a third place finish at our own Ed Bourelle Invitational meet, and a 4th place finish at the conference meet. Senior Joe Carpenter lead the way in the high jump in both meets, with a astonishing jump of 6'10" at the Ed Bourelle Meet, breaking the previous school record of 6'9", and repeating this at the conference meet. Junior Ben Bridell also lead the meet by winning the 400 meter dash with a time of 53.63 seconds, and the boys 4x800 meter team taking second with a time of 8:32. Another triumph for the Knights was Sophomore Brendan Sage winning the 3200m with a time of 10:25. The boys have a lot of potential going into the section meet at Hamline University.

The girls' track and field team was full of depth during the 2011 season. As a team, the girls finished first at both the the STMA Indoor Triangular, and at the Princeton Triangular. At the Delano Invite on April 28th, the girls posted an impressive second place finish over some tough competition. The girls had a great showing at the conference meet, taking second in the Mississippi 8 Conference. Notable individual accomplishments came from both the underclassmen and veteran leaders alike. Returning state place winner, Sophomore Maddi Sjelin, set the school record for the indoor 1600m run on May 5th with the blazing time of 5:38. Freshman Courtney Wooters led the way in the 100m dash with a best time of 12.51 seconds at the Delano Invite. Sophomore Treasurlyn Martin took first place in the high jump at True Team Sections in Elk River. Senior Captain Emily Pelant led the way in triple jump with a jump of 34' 1" at the Princeton Triangular and set the school record at the conference meet with a time of 47.62 in the 300m hurdles. Senior Captain Krissy McCoy led the way in discus with a strong throw of 112 ft. at the Last Chance Meet in Buffalo.

This promising STMA girls track and field team hopes to continue their strong individual and team performances in the Class 4AAA Sections at Hamline University in early June.

## Boys Golf

The STMA Boys Golf team had a good season building bonds and advancing their game. The boys had a good time competing as well as hanging out with one another. They showed hard work and positive work ethic at practices and at meets. Top scorers this season were seniors Stephen Kondratuk and Nathan Richards, along with juniors Erik Waldeland and Tanner Martin. Several others have made contributions including senior Spencer Hansen, junior Brock Green, and sophomore Ryan Swenson. The highlight of the year was shooting a 307 at Cambridge and a 317 to win the Princeton Invite. The boys look to continue to advance down the road and maintain the bonds built as a team.

Even though the girl's golf season got off to a slow start with the cold weather, that didn't stop the girls from playing their best. The ladies were out nearly every day practicing on the course. Their hard work and practice paid off as they came in fourth in their conference. The girls won the Annandale Scramble for the first time in STMA history. While the girls were in Annandale, Junior Sam Wortman and Senior Krista Bramhall also took second as a two-person team for the first time. This was one of the team's most successful seasons ever.

## Boys Tennis

The boy's tennis team this year had a late start to their season due to weather. The team also had a very difficult schedule this season matching up against Monticello, Princeton, Cambridge-Isanti, Osseo, and Big Lake. Successes from the season have been from #1 singles player Tyler Shustarich and #1 doubles players Kevin Caron and Matt Odegard. The STMA Knights tennis team's overall record this season was 8-13. Overall, the season has been triumphant due to the love of the sport. This season was not only another learning experience, but a chance for the boys to show off their talent for well deserved wins.

Alfred E. Crawley

After two dead-locked draws to begin the season, the STMA RFC (STMA Rugby Football Club) put together two wins over Moundsview and the Southern Metro in the next three games. Between the two games, there was a hard-fought loss to Edina, one of the state's best teams. STMA has been to state over 75% of the time since their establishment in 2000. The teams' coaches were St. Michael resident, David Dorholt, and STMA Alumni, Eric Cagle.

# Keep Rockin' and Keep Knockin'

New jerseys, new fields, and new teammates. The STMA girls' LAX team had its second season ever, but don't let this discourage you. The ladies defended a second place in state position for a majority of the season. Leading the team were captains Senior Haley Pratt and Sophomore Anna Churchill. The team had an overall good season from placing seventh in the league last year to placing fifth this year. The team has every intention of returning to dominate next year with a place in the championship game. "The team has grown tremendously in the past year. Its been a real "hoot" getting to know these girls and growing as a team," states Captain Haley Pratt. Even though the team has graduated six seniors, the lady LAX family remains.

# Not Afraid To Take a *Stand*

Lead by coach Craig Cusick, the boys went into their premier JV LAX season strong. The boys played through snow, rain, and sunshine. During the fall, the team had a fund raising clinic to teach new players the game. This clinic included a surprise visit with Team USA and Swarm player, goalie Scott Rogers. From picking up their sticks to learning the game the boys developed many skills in their first season.

# We're All In This Together

Students U'Knighthed is a group of students and teachers that meet regularly on Thursdays to discuss what it means to be U'Knighthed. The core focus of the group is to unite the Knights. This is a very unique committee to be apart of because it benefits the student body by encouraging one-another for who they are. The group does service projects that benefit people around the world. One example of this is when they packed meals for "Feed my Starving Children"

Brandon Yang tells the committee about his experiences in the group. He says, "It was a great time packing, all the food for Feed My Starving Children."

Above: Mr. Scherber wearing one of these bracelets to show the unity amongst the school.

Students involved in Students U'Knighthed came up with the idea of making tie-dye bracelets with the saying, "Unite The Knights". Students would get these bracelets only if a teacher sees another student showing an act of kindness or respect.

# The Show Goes On

Once again, this year STMA students show off their talent and directing skills at the Arts of the Knight to pull off another extravagant performance. Arts of the Knight is nothing new for STMA, but it never gets old with the growing talent, memorable pieces, and laughs that lasted long into the next day. The theme this year was a carnival, featuring student organized rock bands, speeches, singing, yo-yo-ing, piano playing, drum line and many more astonishing acts. MC's Kate Middleton (Sara Morgan) and Prince William (Peter Simon) started off the show and kept it rolling as the "royal couple" went on their honey moon, at you guessed it, a carnival. Sara and Peter opened the show and each acts until the end when the Gold Jazz band took it home. The collection of talent made for a show to remember, with excited crowds, laughing and clapping the whole night through.

# This Life is *Amazing*

Prom was an exciting day as students began a full day of events on April 16th 2011. The girls had a long morning of making the final touches for their perfect day. Many spent months finding the perfect dress, the ideal hair style, and the perfect date to dance the night away with. Students arrived at Grand March at 4pm. Couples took turns walking through the moonlit garden to reveal their beautiful

dresses and sharp tuxes. After the grand march couples and groups of friends went out to eat in class. Many parties dined at Hard Rock Café, Sunsets, Champs, Chino Latino, and Granite City. Students rented buses, limos or drove to the big occasion. After dinner students proceeded to make their way to International Market Square located in Minneapolis. The elegant

setting, dim lights and fun music made it the perfect atmosphere for a memorable night. The students danced throughout the night, and enjoyed each others company.

STMA's Class of 2011 gathered to receive their diplomas June 3rd, 2011, in the high school gymnasium. Back in kindergarten, there were only 187 students. That number grew to 309 graduating seniors. The students and their families filled the gym with excitement and anticipation. The Concert Choir sang "Omnia Sol" by Z. Randall Stroope and "Home" by Jay Althouse and the band performed Symphonic Suite from the movie Pirates of the Caribbean. This was the last time the seniors were together within the walls of their high school to share the wonderful memories they had. High school may have ended, but new doors have been opened to a world full of opportunities for the STMA graduating class of 2011.

The class of 2011 spent graduation night celebrating the joys and triumphs of being an STMA Knight. Those attending the All Night Grad Party boarded a bus to travel to River City Extreme in Monticello. The theme for the evening was KNIGHT LIFE. And what a night it was - filled with bowling competitions, moonlight bowling, inflatable games, game show mania, boxer bingo, laser tag, Minute to Win it competitions, photo cube and more! Attendees enjoyed a variety of food, including sub sandwiches, pizza, and ice cream sundae bar to name a few. Saving the best for last, a hypnotist was the highlight of the evening.

## Rolling Knights Bowling

The Rolling Knights completed their 10th year of competition with an outstanding performance at the STATE tournament on May 20th at the Brunswick Zone in Eden Prairie. Five of six Rolling Knights placed in the morning singles matches while one of three doubles teams medaled in the afternoon matches.

Sophomore Alyssia Prebonich placed 5th in the singles match and 10th in her doubles match. Her partner in the doubles match, Emilee Linder had a fine showing in the singles match and placed 10th. Freshman Zach Lehman placed 4th in the singles match and 4th in the doubles match. Alison Koetz, another freshman, also performed well placing 4th in the singles match and 5th in the doubles match. Middle school sensation, Justin Evilsizer impressed the crowd with a 6th place singles finish and a 4th place doubles finish. Junior Captain James Dearing was the motivation force behind all these fine performances with constant encouragement and advice.

In preparation for the STATE tournament, the Rolling Knights traveled to Big Lake to take on perennial powerhouse Monticello and bowled extremely well. The Magic visited the Knights in the 10th annual STMA Invitational in a conference re-match. The Rolling Knights would like to thank all of their wonderful supporters and are looking for another successful season in 2012.
