Love

Love is the essence of all human life.
Without love our world would fall apart.

There is love contained

In the depths of every mans heart
Only a true man can let his love show.
He must hold onto that love and never let
go.

If everyone would let their love show
There wouldn't be as much
Loneliness in this world. Never hide your
love

For it will slowly die away.

You may need it

For someone, in some way.

Nothing but depression
Can replace the love in your heart.

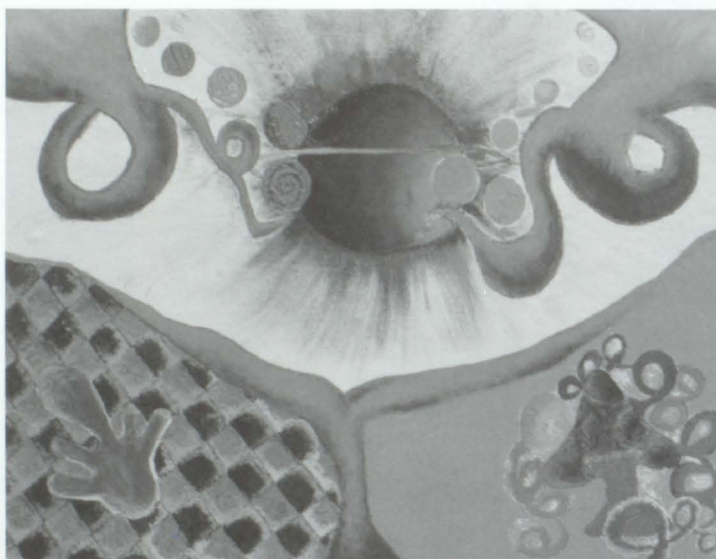

And depression can do nothing
But violently tear it apart.

So go on, show your love in any way you
can.

For you may need it for some woman or
man.

If your have no love to give in your life
You will spend your time in sadness and
in strife.

Life

Regularity always changes
 Change that causes controversy
 That controversy causes conflict
 And conflict begins battles
 Those battle start wars
 Wars, they cause pain
 Pain becomes pleasure
 Pleasure in making that pain
 Pain and pleasure is like love and hate
 Love and Hate
 Such strong words and feelings
 To love what?
 To hate whom?
 Many other questions with such powerful
 words
 Many questions may cause confusion
 Confusion is unsuring

To be unsure is like, not knowing
 To not know is a weakness
 This weakness is many things
 It is found in powerful government and
 minds
 It is also time for those empires to fall,
 those lives to end
 The end is death to both empires and lives
 Death it is cold, so dark
 But after the darkness there Is light and
 warmth
 In light there is life
 Life is beautiful
 But beauty becomes regular
 And regularity always changes.

SPEECH

What is Speech? Is it getting up before 6 o'clock on Saturday mornings and only having a one-day-weekend? Is it memorizing a funny, dramatic or simply weird piece, doing it over and over again and then getting critiqued by some strange judge you don't know? Or is it sitting in rounds with other people that either don't seem to know what they're doing or are so much better than you that you just want to hide in a corner and cry? Well, all this definitely is a part of speech, but there is more to it than just that: Speech actually is fun (and speakers, too, of course...)! ;-) It is fun to meet all kinds of different (sometimes a little strange) people each week and believe it or not, it really can be fun to perform your own speech. The "Speech Team" had a great season this year and brought home a lot of trophies, medals, ribbons and honorable mentions. Thank you Mr. Frickstad and Senora Schott for the great and fun times we had and for being such great coaches throughout the whole season!!

Volleyball

Overall Record: 26-2

he Knights volleyball team had a very successful season. They came into the season having only 4 returning varsity players and a new head coach. But, the girls were ready for the challenge. They proved this with a season opening defeat of

Watertown-Mayer, which began a 22 game winning streak. Included in this streak were 2 championship titles at both the Visitation Tournament early in the season, and the Delano Invitational early in October. Heading into the Eastview Tournament the girls hadn't lost a game, but the tournament had too many tough teams. After a first round victory over St. Paul Central, Woodbury was more than they could handle. The girls rebounded to win their next two games and took 5th place overall in the tournament. After Eastview, the team needed to be prepared for Section playoffs. In the first round, they played St. Louis Park, and won 3-0. The second round, against Benilde-St. Margaret's was a disappointing end to a great season. The match went into five games, with Benilde winning the deciding 5th game. But, even though the season ended earlier than they had hoped, the Knights volleyball players had an amazing season with only two losses. Congratulations on a great season, and good luck next year!

Girl's Swimming and Diving

Overall Record: 5-3

Wow! It was another exciting year for the girls swimmers and divers. Not only did they break all but two school records, they ended for the first time in team history with a winning record of 5-3. They also succeeded at achieving their season goal of placing higher than previous seasons in their conference and sectional meets. Highlights of the season were taking first place at the Big Lake Relay meet where they finished in last place last season, and also having Carissa Reilly become the first ever All Conference swimmer from the team by taking first place in her 100 Back. There were also 13 other swimmers/divers who qualified for All-Conference Honorable Mention. The team was also helped by many new members. The diving team had a record eight divers this year, five of them being new. Many middle school swimmers also added to the team with their strong events. The team worked very hard, and was very dedicated to the sport, and it showed. It won't be long before they will be sending people to the State tournament. Good Luck to all the swimmers and the divers next year and congratulations on an outstanding season.

Above: These swimmers sure know how to party! The team went to Best Buy before Sections to warm up with a little dance party.

I know a girl who believes in herself, Believes that she can run faster, jump higher, throw harder, who knows that she can close her eyes and hold her breath and dive, and the water will be there to catch her. Some people say that she should act like a girl, I say she already is. I believe in that girl, because that girl is me.

Football

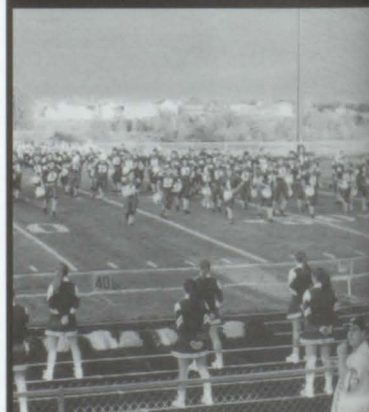

Overall Record: 8-3

ts been a good year for our Knights. The season started out slow with a loss to Mora and 21-20 loss to Princeton, but after that they won 8 games in a row with a big victory over Andover. They then went on to the section championship, but lost against the state champions , Totino Grace. STMA was the highest scoring team in the Rum River Conference, along with total offense and passing. Senior Tyler Krutzig had the best percentage in passing, Senior Chad Arlt had the most reciveing yards and Junior Mickey Kirk led the team in defensive points.

Boys Cross Country

Overall Record: 52-85

he boys team is fairly larger than the girls with about twenty runners on junior varsity and varsity. They had a pretty good season and got along well as a team. The team had a lot of fun with

their captain, Jake Grygelko, and liked to wrestle when they weren't running. Jake finished with a strong senior year, while Martin Berg, a senior foreign exchange student from Germany, also had a great season. The team has some strong young runners, including Sam Greeno and David Christenson, that are expected to do well next year, along with the juniors who will be returning seniors next year. Jeremy Kuhn, a sophomore, also had a great season and recieved an All-Conference award along with Dan Greeno. Dan carried the team again this year with four first place finishes, and taking third at sections to move on to state. Dan, also, did very well in state, placing 40th out of 153 state runners. The team had a good season and looks forward to an even better season next year.

Girl's Cross Country

Overall Record: 64-69

his year the girl's cross country team almost doubled in size, gaining seven new runners. With the three returning runners, they had a junior varsity and varsity team of ten. Considering the number of new teammates the team did fairly well, and continued to improve throughout the season. The team ranged from 7th-12th grade, and despite the age difference the team bonded very well. Carly Eggert was the team's top runner again this year, and she continues to improve. I'm sure she will finish off her senior year very strong next year. the captains, Kristen Stangler, Laura Van Drasek, and Amanda Hackenmueller, were a good contribution to the team, not only as runners but also as team leaders. Ela Wennmacher, a senior foreign exchange student, tried cross country for the first time this year, and she did very well working her way up from junior varsity to varsity. The three sophomores on the team, Bridget Kottke, Sara Gindele, and Robyn Van Drasek, had a good first year, and we're looking forward to having them back next year along with Gina Bongaarts, and 8th grader who did well the whole season on varsity, and a 7th grader with potential, Niki Cote, who moved up to varsity later in the season. The girl's team did pretty well at the conference meet and took third out of ninth. Carly Eggert and Amanda Hackenmueller received All-Conference titles. The girl's ended a great season with eighth place at the section meet in Colquet.

Boy's Soccer

Overall Record: 4-12-1

T

he boys' soccer team had a great second season, improving their record to four wins. The team won their first playoff game and three home games, beating Glencoe-Silver Lake with a score of 2-1, Rockford with a score of 2-0, and Becker with a score of 3-1. There were also a lot of other close games, tying St. Johns' Prep and falling one goal short in close games against Rockford and Glencoe-Silver Lake. The team was lead by seniors Ben Voss and Joey Moran, along with senior captains Adam Valerius and Chris Kinnamon. The team also had a very talented group of younger players who will be returning for many more season. This gives the team reason to look forward to next seasons.

Girl's Soccer

Overall Record: 6-9

The Girls Soccer team has improved so much over the past 3 years. This year they improved their record by two wins, setting their overall record to 6-9-1. Sadly this year three seniors will be leaving. They contributed greatly to the team. These three seniors were also captains this year. They were Stephanie Wallerius, Erika Jossart and Michelle Beaudry. Even though they are leaving, there are some young talented players ready to play varsity next year.

"The rules of soccer are simple, basically it is this: if it moves, kick it. If it doesn't move, kick it when it does."

Wrestling

Overall Record: 35-4

he STMA wrestlers continued their "tradition of excellence" as they captured their fourth state title, their second in the past two seasons. Both individually and as a team the Knights had a superb season, qualifying all 14 individuals to the state tournament, setting a new MSHSL record. 8 of these individuals placed at state. Mike Thorn (11) won his second state title, Dan Greeno (11) and Joe Grygelko (10) each placed 3rd, Luke Vetsch (12) and Chad Little (11) each placed 4th, Andy Hackenmueller (11) and Alex Becker (10) each placed 5th, and Jake Grygelko (12) placed 6th. Some other season highlights included taking 2nd place in the Minnesota Christmas Tournament, the teams best place ever, being topped only by Apple Valley. The Knights also participated for the first time in "The Clash" Duals, and wrestled some of the nation's best teams. The wrestlers came out of the tournament with an impressive 6th place finish. After dominating the Section 4AA team tournament, the Knights moved on to the state tournament. They faced Detroit Lakes in the quarterfinals, and handily won the dual 53-12. The next match against Adrian was a rematch from last years state finals. The Knights came out on top again with a 38-16 victory. Moving on to the state finals, STMA had a chance to avenge their loss to Scott West earlier in the season (15-33) with an almost complete reversal on the scoreboard. The winning of some key matches by the wrestlers kept the Panthers at bay, and the Knights won their second consecutive state championship with a final score of 32-15. Congratulations to the wrestlers and coaches on a great season and a well deserved championship!

Girls Basketball

Over-All Record: 24-4

The Knights had a great season this year with only four losses, one conference loss to Foley. They went to section 4AAA Tournament with only three losses and a second seed. They played Spring Lake Park in the first game, it was a battle, but they came out with a victory. The second game they played North Branch, which was expected to be a tough game, but they had already beat them twice earlier in the season. They went into the game excited, but came out disappointed. They lost the game 46-57. It was still a good season for the knights, as they say a fond farewell to the Rum River Conference. The team will be losing three seniors: Kari Valerius, Kristen Stangler, and Mackenzie Flaherty. They will have eight returning players next year, and look forward to a bright season.

Girls Gymnastics

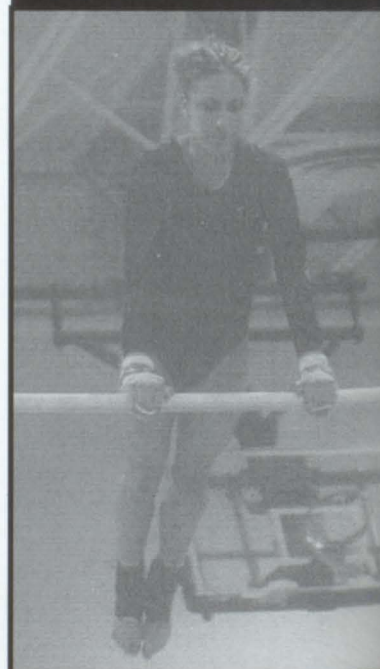

Over-All Record: 7-3

he girl's gymnastics team flipped and twisted through another successful season. The team was kept busy by participating in many weekend invites from Watertown Mayer, to spending an exciting weekend at the Mankato Invitational. For the first time in Knights history the girls also qualified for and attended True Team in Melrose, which is a meet that only the top ten teams in Class A are invited to. Plagued with injuries from everyone on the team, the girls held their heads high, got taped up, and tied the old school varsity team record of 141.225 against St. Cloud Apollo. The team took second in the conference, and a very close fifth in the section. Amy Lindenfelser once again represented the Knights at State, qualifying as an individual on Vault and Floor Exercise. She also qualified in the All Around Competition. At State she placed eighth on vault and tenth in All-Around.

MOCK TRIAL

What is Mock Trial??

Mock Trial is an exercise where a team consisting of three lawyers, three witnesses and a timekeeper/bailiff act out a complete trial as if it were a true court of law. Every week during the season we scrimmage against another school. One school acts out the prosecution and one school plays the part of the defense. You are scored on how well you do and the averages score is usually a seven or eight.

The Mock Trial team started off the season by winning our first scrimmage. We continued our success by winning half of our scrimmages throughout the rest of the season.

We competed and lost against Eastview in our first tournament at the Hennepin County Courthouse. The next week we participated in round two against Brooklyn Center. They were a challenge and it was close, but we won in points and the case. Disappointingly, the lack of points from the week before stopped us from continuing on in the competition.

Regardless of the tournament outcome, we had lots of fun and a great year, strengthened by the remarkable teamwork displayed by all of our members.

"The Thing That Shouldn't Be"

It shouldn't end this way
It can't have gone this far
I saw you yesterday
Pulling out in your car
But now you're gone for good
Reality sweeps like a chill
In a place you should've stood
Now no one else will

Goodbyes shouldn't have to be said
These people shouldn't have to cry
Screaming sirens from the scene they fled
Legends shouldn't have to die
Cold sweat sends the spine tingling
Memories restored in the mind
There's a purpose for everything
But this one's hard to find

A cross in honor now marks
A reminder of what shouldn't be
The atmosphere is painted dark
In wake of a life's finale
Broken hearts from near and far
Missing the joy their lives now lack
Fair or not it's the way things are
But we'd give anything to have him back

In Loving Memory of David Jay Anderson

*December 4, 1987-
January 20, 2005*

i HOPE YOU REALIZE LIFE ISN'T ALWAYS ON YOUR SIDE.
i HOPE YOUR HAND NEVER GROWS TOO BIG FOR MINE!
i HOPE YOU KNOW i LOVE YOU. ALWAYS HAVE AND
ALWAYS WILL!
i DON'T KNOW HOW TO END THIS BUT I'VE COME TO
UNDERSTAND.
THAT GOD DECIDED HE NEEDED YOU.
SO FROM THIS WORLD YOU'VE GONE AND LEFT.
BUT YOU TOOK A PIECE OF ALL OF US.
OUR HEARTS ARE WHAT YOU'VE KEPT!
ONE THING THAT i AM GLAD ABOUT IS THAT i DIDN'T
JUST LOSE A BEST FRIEND.
i GAINED A GUARDIAN ANGEL!
i KNOW EVERY DAY FOR THE REST OF MY LIFE i WILL
MISS YOU.
BUT i'LL TRY MY BEST TO DRY MY TEARS AND MOVE ON.
FOR i KNOW THAT'S WHAT YOU WOULD WANT!

NOTHING WILL EVER BE THE SAME.
THE HALLS AT SCHOOL ARE EMPTY NOW WITHOUT YOUR
SMILES AND LAUGHTER.
YET i KNOW YOU'RE UP IN HEAVEN WATCHING OVER US.
i DIDN'T SEE THIS COMING.
IT HIT ME BY SURPRISE.
AND WHEN YOU LEFT THIS WORLD A SMALL PART OF
ALL OF US DIED!

YOUR DESK IS EMPTY NOW.
AND IT'S SO HARD NOT TO SEE YOUR FACE!
BUT ALWAYS REMEMBER THIS.
NO ONE CAN EVER TAKE YOUR PLACE!
YOU LEFT THIS WORLD WITHOUT WARNING.
YOU COULDN'T EVEN SAY GOODBYE.
i STILL JUST CAN'T STOP ASKING THE QUESTION WHY!

SO GOODBYE FOR NOW.
i'LL SEE YOU SOON.
UNTIL THAT DAY REMEMBER ME.
i'LL ALWAYS REMEMBER YOU!
PLEASE HAVE FUN!
PLEASE DON'T CHANGE!
i CAN'T WAIT TO SEE YOU AGAIN.
SO i CAN GIVE YOU THAT HUGE HUG THAT i ALWAYS
WANTED TO GIVE!
i LOVE YOU SO MUCH MY GUARDIAN ANGEL!
i WILL BE PRAYING TO YOU EVERY DAY FOR THE REST
OF MY LIFE!

LOVE ALWAYS N' FOREVER.

Davey,

ALL the MEMORIES we shared were the best.

I can't think of one time when we were hanging out up at the skatepark that it got boring. We all loved to see you. It was so much fun at the skatepark when we would skate after school with the rest of our friends. It was a very sad day on January 20, 2005. But we know that you are watching us from heaven. I just have to say "I can't wait to see you again". You are the best.

P.S. Ride in Peace, Davey

Drawn by: Drew Bebus

You guys were him, and he was you --
And when you all were together a light always came through.
You know there was nothing David wouldn't do
But this time he just couldn't pull through.

Here one moment; gone the next --
As much as it hurts, you guys know it was best.
You could not have given David very much
Only all the love in your hearts; that only he could touch.

Now you all have to hold on to another's hand --
And talk through this, and to help each other stand.
His life will live on inside each of you
And nothing can change that -- it will always remain true.

I hope you all will be careful, or at least try --
I know to still think of it makes us all want to cry.
You guys know he'll be with you sharing his love
And you'll meet him again someday, somewhere up above.

Written for the guys:

Chris, Dustin, Jon, Kyle, Nick, Sean, Steve, Taylor and Tony
May he live on inside each one of you...

Written by: Katie Herring

I love you, nerd. I'll never forget the good times with the air horn and all the other memories! Miss you! Ride in Peace!

Love,
Missy

It is so hard to believe that this happened to you
But we all knew God needed an angel like you
You know how much you meant to me
You brightened so many lives each and every day
We all wish we could be given one more chance
To chill and snowboard with you
I know you're in such an amazing place
You've given us signs that we'll never erase
It is so hard to wake up each day without you here
So please continue shining down to earth each day
We all have special memories we will carry with us
And hold in our hearts until we meet again
Remember we love you
I know I'm no longer afraid to die
Because I know you'll be waiting for us at the gates
So, till then, peace out David

THERE IS ALWAYS ONE MOMENT IN
CHILDHOOD WHEN THE DOOR OPENS AND
LETS THE FUTURE IN.
-DEEPAK CHOPRA

No one can look back on his
schooldays and say with truth
that they were altogether
unhappy.
-George Orwell

Flatter me, and I may not
believe you. Criticize me,
and I may not like you.
Ignore me, and I may not
forgive you. Encourage
me, and I may not forget
you.
-William Arthur

How many
hopes and fears, how
many ardent wishes and
anxious apprehensions are
twisted together in the
threads that connect the
parent with the child!
-Samuel G.
Goodrich

The joys of PARENTS are secret, and so
are their grieves and fears.
-Francis Bacon

We grow because we struggle, we
learn and overcome.
-R.C. Allen

WHERE CAN A
PERSON BE BETTER

BOSOM OF THEIR
FAMILY.
-MARMONTEL
GRETRY

Parents can learn a lot from their
children about coping with life.
-Muriel Spark

UNLESS YOU TRY TO DO
SOMETHING BEYOND
WHAT YOU HAVE
MASTERED, YOU WILL
NEVER GROW.
-C.R. LAWTON

The family is one of nature's
masterpieces.
-George Santayana

The most important
thing that parents can
teach their children is
how to get along
without them.
-Frank A. Clark

Enough shovels of earth -- a mountain.
Enough pails of water -- a river.
-Chinese Proverb

I will grow. I
will become
something new and
grand, but no grander
than I now am. Just as the
sky will be different in a few
hours, its present perfection
and completeness is not
deficient, so am I presently
perfect and not deficient
because I will be different
tomorrow. I will grow and I
am not deficient.
-Wayne Dyer

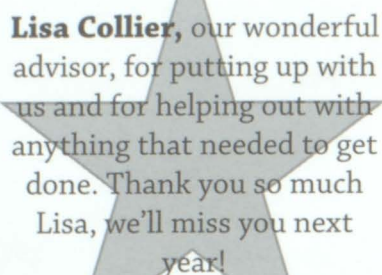

OTHER THINGS MAY CHANGE US, BUT WE START AND END WITH FAMILY.
-ANTHONY BRANDT

THE FAMILY IS THE
NUCLEUS OF
CIVILIZATION.
-WILLIAM J. DURANT

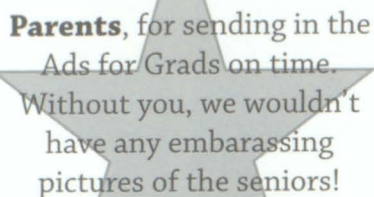

There are high spots in all of
our lives and most of them have
come about through encourage-
ment from someone else. I don't
care how great, how famous or
successful a man or woman may
be, each hungers for applause.
-George M. Adams

The strength of a nation derives from the integrity of the home.
-Confucious

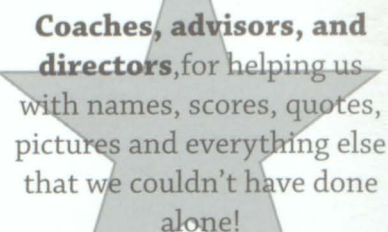

A family is a place where principles
are hammered and honed on the
anvil of everyday living.
