

WHY JOIN THE PARENT-TEACHER ASSOCIATION?

1

Benefit your child. PTA offers kids the opportunity to explore art and develop critical thinking, teamwork and creativity.

2

Get Connected. Partner with school administrators and be in the know about what's happening at Dual Immersion Academy. PTA links families to important school and community information.

3

Have Fun and Meet New People. PTA hosts fun, educational clubs, programs and events for families. These functions are opportunities to meet and connect with other parents and teachers.

4

Speak Up. PTA can be a way for you be informed about what you can do to affect positive change at Dual Immersion Academy.

5

Witness Improvement. By getting involved in PTA, you'll be part of the solution. The PTA plays an important role in fundraising (Bingo) support for school programs, building improvements, and educational events.

6

Watch Yourself Grow. By volunteering with PTA, you put your skills and hobbies to use for a noble cause---- your child and all the children in our DIA Community.

7

Be a Role Model. By becoming a PTA member, you'll be demonstrating to your child the importance you place on education and giving back to their school. Kids do better when parents are involved. Grades are higher. Test scores improve. Attendance increases.

8

Create the Village. Help to raise kids and strengthen schools and communities. PTA believes we can make every child's potential a reality—but we need more believers. We need you. Show you believe today.
