2024-25 Open Enrollment

OEBB's Open Enrollment is Aug. 15–Sept. 15, 2024, for most employers. Confirm **your** deadline with your employer.

Open Enrollment is the one time each year you can make changes to your plans or dependents without a Qualified Status Change (QSC).

Do you need to complete open enrollment?

This year's open enrollment is “passive” (or non-mandatory). This means:

- **If you're satisfied with your current benefit plan selections**, you don't need to do anything. Your current enrollments will roll over to the next plan year. Your benefits will stay the same.
- **If you want to make benefit changes**, you need to login to OEBBenroll.com and make your selections during open enrollment. This includes:
 - Enrolling as a new hire
 - Replacing a plan that is no longer offered by your employer
 - Changing your plan selections
 - Adding or dropping a dependent
 - Updating your personal information or beneficiaries
- **If your employer requires you to enroll**, you must login to OEBBenroll.com. Follow your employer's instructions.

Need help enrolling? Find detailed instructions at oregon.gov/oha/OEBB/Guides/MyOEBB-Enrollment-Guide.pdf.

Enrollment Checklist

Use this checklist to make sure you've completed your enrollment.

- ☒ **Know your monthly cost for coverage.** The MyOEBB system shows the full premium cost. However, most employers share the premium cost. The actual amount you pay may be different than what is shown. Get your specific plan option costs from your employer.
- ☒ **Decide early, enroll early.** OEBB and insurance vendor offices are closed on weekends and holidays.
- ☒ **Review your current coverage.** Make sure the plans you're enrolled in still meet your needs.
- ☒ **Verify your dependent coverages.** You need to add each dependent to each plan (medical, dental, vision, etc.) you want them covered under.
- ☒ **Review the definitions of eligible dependents.** All dependents you want to cover must meet at least one of the definitions of an eligible dependent. Find definitions of eligible dependents including child, spouse, and eligible domestic partner at oregon.gov/oha/OEBB/Pages/Eligibility.aspx.
- ☒ **Make sure your plan providers are in-network.** Some plans have limited networks or don't have out-of-network coverage. Be sure your plan covers services where you want to receive them.

Important reminder: Some plans require using network providers

If you enroll in a Kaiser Permanente or Willamette Dental plan, network providers must be used for all care. In some counties, fewer network providers may be available than with other vendor partners.

Additionally, you may need to travel to reach a network provider. There isn't any out-of-network or out-of-area coverage, except in an emergency. Check with network providers in your area **before you enroll** to make sure they're taking new patients.

What's New for 2024–25

The following benefit plan changes and enhancements become effective October 1, 2024.

Out-of-Area Dependents

Below is plan information about covering dependents who do not live with you.

Kaiser Permanente

Medical plans

Kaiser Permanente provides access to urgent and emergency care outside of their service area. When you're in another Kaiser Permanente area, you can usually get the same routine and specialty care you'd get at home. This includes in-person care from Kaiser Permanente in all or parts of California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington, D.C.

Additionally, Kaiser Permanente covers routine, continuing, and follow-up care for dependent children residing outside of the Kaiser Permanente NW service area. You will pay 20% of the actual fee charged for the service the provider, facility, or vendor provided. (Your cost share is subject to the deductible on Medical Plan 3.) Services for dependents are limited to 10 office visits, 10 lab and X-ray (excluding specialty scans), and 10 prescription drug fills per year. You can find more information about this benefit by calling Membership Services at **800-813-2000**.

Dental plan

Kaiser Permanente provides dependents living or traveling outside the service area with access to emergency dental care from non-participating providers. The plan will pay up to \$100 per incident.

Non-emergency services will only be covered when provided by a Kaiser Permanente provider.

Vision plan

Emergency vision services are covered under your Kaiser Permanente medical plan as described above.

Non-emergency vision services will only be covered when provided by a Kaiser Permanente provider.

Moda Health/Delta Dental

Medical plans

If your dependent lives outside the Connexus network area, you must update their address in the myOEBB system. This must be entered prior to the dependent seeking services. Once your dependent's address is updated, they will be assigned a different network:

- **Most locations:** Moda's national network, Aetna PPO® through Aetna Signature Administrators®
- **Idaho:** Connexus and First Health networks
- **Alaska:** First Health network

To locate an in-network provider, use FindCare and search by the applicable network (Aetna PPO® through Aetna Signature Administrators®, Connexus, or First Health). You can also call the Moda 360 Health Navigator team at **866-923-0409**.

Vision plans

Dependents can see any licensed provider nationwide.

To locate an in-network provider, use FindCare. You can also call the Moda 360 Health Navigator team at **866-923-0409**.

Delta Dental Premier plans

Dependents can use any network dentist nationwide. If you're enrolled in Delta Dental Plan 1, 5 or 6, you should seek care from a Premier Network dentist to avoid balance billing for amounts above the maximum plan allowance.

Delta Dental Exclusive PPO plans

Members enrolled in the Delta Dental Exclusive PPO Plan or Delta Dental Exclusive PPO Incentive Plan must use a Delta Dental PPO provider (providers available nationwide) or they will receive no benefit.

To locate a Delta Dental PPO provider, use FindCare. You can also call the Moda 360 Health Navigator team at **866-923-0410**.

Willamette Dental Group

Willamette Dental plan

Dependents living outside of the Willamette Dental Group service area won't have coverage for any dental care with a non-Willamette Dental Group provider, unless they have a dental emergency.

Non-emergency services will only be covered when performed by a Willamette Dental Group provider.

VSP

Members can find VSP Choice providers nationwide. Search for a provider at vsp.com.

Dependent Eligibility Review

OEBB has a legal responsibility to manage health care costs and to ensure that our health plans only cover people who meet the eligibility criteria.

The Oregon state legislature requires OEBB to complete a Dependent Eligibility Verification (DEV) review for each participating entity at least once every five years. The information below is intended to help you plan for these reviews.

OEBB, not your employer, is responsible for conducting the review. Your employer may also opt for an approved third-party vendor, such as American Fidelity, to conduct the review on behalf of OEBB. OEBB aims to be as transparent and efficient as possible. We have found that increased communication between OEBB, employers, and employees ensures a smooth review process and eases employees' concerns. While we are not requesting this information now, we will do so in the future.

If your employer is scheduled to complete a review, you must verify and submit the required documentation by the specified deadline.

OEBB will mail the Certification of Dependent Eligibility Form to you at the beginning of the review process.

You can send copies (not originals) of your required documents and completed Certification of Dependent Eligibility Form to OEBB by mail or secure fax.

- **Mail:** 500 Summer Street, E-88, Salem, OR 97301-1063
- **Secure fax:** 503-378-6875

Please allow seven to ten days for processing. You may check the status of your submitted documents by calling OEBB Dependent Eligibility at **503-378-2954**.

You'll receive an eligibility confirmation email and letter once OEBB completes the review.

Definitions of eligible dependents

- **Spouse** — the person you married under any state or country law.
- **Domestic Partner by Affidavit** — the unmarried person of the same or opposite sex with whom you are in a partnership.
- **Child** — your biological child, adopted child, stepchild, partner's child, or child placed with you by court order (guardianship).
- **Disabled Dependent** — your adult (age 26 or older) disabled child who qualifies when:
 - A medical provider confirms the disability before age 26, AND
 - The dependent has not had a break in coverage, AND
 - One of the following is true:
 - You claim the dependent on your federal tax return, OR
 - You have court-ordered legal guardianship*, OR
 - The disabled dependent files their own tax return. In this case their adjusted gross income cannot exceed 150% of the federal poverty level (FPL)*.

Eligibility verification

When your employer is scheduled to complete their DEV review, you'll be required to provide documents to verify eligibility for each of your dependents. Your dependent eligibility packet will list the documents you need to send, such as:

- A copy of a marriage certificate or license
- Federal 1040 tax form
- Affidavit of Domestic Partnership (this is the form you had notarized and gave to payroll or human resources)
- A copy of a government issued birth certificate

For a complete list of document requirements, go to oregon.gov/oha/OEBB/DEVReview/DEV-Documentation-Requirements.pdf.

Keeping your information private and secure is very important. OEBB will destroy all copies of submitted documents following the review. **Documents aren't retained!** That's why it's important you only provide copies.

If you don't complete the dependent eligibility review by the deadline, you'll need to fill out the appeal form at oregon.gov/oha/OEBB/Forms/Appeal-Form.pdf. Submit it along with your previously requested eligibility documents to add dependents to benefits. You must do this within 60 days of the coverage end date.

You must submit your eligibility documents to OEBB even if you already gave them to payroll or human resources. Please provide documents to OEBB during your review so your dependents have coverage.

Go to oregon.gov/oha/OEBB/Pages/DEV-Audit-Info.aspx for detailed information on the OEBB dependent eligibility review including definitions and eligibility rules.

Questions?

Contact the OEBB Dependent Eligibility team:

- **Phone:** 503-378-2954
- **Email:** OEBB.dependenteligibility@odhsoha.oregon.gov

Additional Information

The Oregon state legislature requires a surcharge on OEGB/PEGB double-coverage.

- Only pertains to OEGB/OEGB, PEGB/PEGB and OEGB/PEGB subscriber double medical coverage
- Only charged to active employees (no Early Retirees or COBRA)
- Only charged to full-time employees (not part-time)
- One \$5 surcharge per month (even if double-covering more than one dependent)
- Mainly affects spouse/partners double covered
- Children are not included unless they're also an OEGB or PEGB subscriber (if their job makes them eligible for OEGB/PEGB benefits)

Coordinated care

With Moda Health, you'll need to make two choices:

Disability Insurance

Short-Term Disability (STD)

Disability insurance can replace a portion of your paycheck if you can't work because of an illness, injury, or pregnancy. By enrolling in an OEGB disability plan, you can help further protect yourself and your lifestyle if you become disabled.

Important!

Disability benefits and availability vary by employer. Please reach out to your employer for your available options.

If you become disabled and can't work for a short time, STD pays you a portion of your salary. STD is for non-job-related disabilities, including illnesses, accidents, and injuries. You can also use STD benefits to recover from surgery or childbirth.

STD benefit details

- Pays up to \$1,500/week.
- Lasts up to 90 days.
- STD benefits are reduced by benefits received from Paid Leave Oregon (or an equivalent employer plan).
- STD benefit amount will be the difference between what you receive or are eligible to receive from Paid Leave Oregon (or an equivalent employer plan) and the maximum benefit amount of your STD plan.

What is deductible income?

Deductible income means any other income you're eligible to receive because of your disability.

Spotlight on Paid Leave Oregon (or Equivalent Employer Plan)

Paid Leave Oregon is a state-sponsored benefit that allows you to take paid time off to care for yourself or loved ones during life's important moments. (Your employer may offer an equivalent plan instead of Paid Leave Oregon.)

If you enroll in an OEGB STD plan, your STD benefit will be reduced by benefits you receive or are eligible to receive from Paid Leave Oregon (or your employer's equivalent plan).

Questions About Paid Leave Oregon?

Contact Paid Leave Oregon directly for more information.

Phone: 833-854-0166

Email: paidleave@oregon.gov

Online: paidleave.oregon.gov

Do you need more disability coverage on top of what Paid Leave Oregon (or an equivalent employer plan) provides?

Use the Needs Estimator at standard.com/individuals-families/workplace-benefits/disability/estimate-disability-insurance-needs to determine if you need more STD coverage.

Do you already have both Paid Leave Oregon (or equivalent employer plan) and a Short-Term Disability (STD) plan?

If you do it's important to know how the plans work together.

- Your total benefit for both plans is based on your income.
- Paid Leave Oregon (or an equivalent employer plan):
 - You're not required to apply for benefits.
- Short-Term Disability (STD):
 - Standard will reduce your STD benefit by the amount you're **eligible** to receive under Paid Leave Oregon (or an equivalent employer plan).
 - Standard will pay your full STD benefit if you're **not eligible** for Paid Leave Oregon (or an equivalent employer plan).

For more information about The Standard's disability plans

Call **866-756-8115**
or visit [sites.
standard.com/
mybenefits/oebb2](https://sites.standard.com/mybenefits/oebb2)

If you apply for Paid Leave Oregon (or an equivalent employer plan) and are denied, The Standard may still reduce your STD benefit depending on the reason for denial.

Important!

Even if you don't apply for Paid Leave Oregon (or an employer's equivalent plan), The Standard will reduce your STD benefit by the amount you're eligible to receive.

Long-Term Disability (LTD)

If a disability prevents you from working for 90 days or longer, LTD pays a portion of your monthly pay. LTD can be used for a serious illness, injury, or accident, as well as mental health issues. You could receive LTD benefit payments for months or years.

LTD benefit details

- Pays up to \$8,000/month based on the plan selected by your employer.
- Benefits could last until age 65 if you remain disabled.

Long-Term Care Insurance

Long-term care (LTC) insurance helps pay for the care you may need if you can't independently perform at least two basic activities of daily living (ADLs). ADLs are:

- Dressing
- Bathing
- Toileting
- Transferring
- Eating
- Continence

The plan can help pay for living assistance and facilities. Covered facilities include nursing homes, assisted living, hospice, rehabilitation, and Alzheimer's and residential care.

You're eligible for a monthly benefit after you meet these conditions:

1. You become disabled;
2. You have met your elimination period; and
3. Your provider certifies that you're unable to perform two or more ADLs for a period of at least 90 days.

Your provider will have to certify your eligibility every 12 months.

The amount of your monthly benefit will be based on the coverage options you chose, and the place of residence used for long-term care.

Need more information?

Go to unuminfo.com/OEBB to learn more.

Important!

LTC benefits and availability vary by employer. Please reach out to your employer for your options and costs.

Early Retiree Information

An early retiree is person who retires before the age of 65. To be eligible for early retiree benefits, you:

- Must not be eligible for Medicare due to age or disability, and
- Must be eligible to receive retirement benefits through PERS or an employer-offered plan

Making benefit changes

During Open Enrollment, early retirees can:

- Continue or change (as allowed per the Qualified Status Change Matrix) your medical, dental, and/ or vision enrollment: oregon.gov/oha/OEBB/pages/QSC-matrix.aspx
- Continue or decrease any optional coverages enrolled in, such as life or AD&D
- Drop eligible dependents from any or all coverages
- Waive, decline, or cancel any coverages

Reminder:

- Any coverage waived, declined, or canceled can't be added back unless you're doing so because of gaining other OEBB coverage.
- Any eligible dependent removed from coverage can't be added back unless the dependent experiences a QSC event that would allow the enrollment in coverage.
- Contact your benefits administrator within 31 days of the qualifying event.

Becoming Medicare-eligible

If you or an eligible enrolled dependent becomes eligible for Medicare, OEGB coverage will end the last day of the month prior to the Medicare eligibility effective date.

- If an early retiree gains Medicare eligibility, any eligible dependents currently enrolled (who aren't Medicare eligible) may continue OEGB coverage until they no longer meet eligibility or become eligible for Medicare.
- The only exception to this rule is: if the early retiree or eligible dependent gains Medicare eligibility due to End Stage Renal Disease (ESRD), OEGB coverage can be continued for up to 30 months beyond Medicare eligibility.

Medicare enrollment resources

- You or your dependent can enroll in Medicare up to three months in advance. The Senior Health Insurance Benefits Assistance (SHIBA) Program was created to assist with Medicare and Medicare plan selection questions.
- The SHIBA website (shiba.oregon.gov) is full of helpful Medicare information. Certified counselors are available by phone at **800-722-4134**.

early retiree
resources*

Visit: oregon.gov/oha/OEGB/Pages/Retiree-Guide.aspx.

If you become eligible for Medicare before age 65 due to a disability, it is your responsibility to notify your employer. The OEGB system will automatically end your coverage when you turn 65. If you don't report your early Medicare eligibility, your medical claims may be denied.

Definitions

Additional Cost Tier (ACT): Services in this tier require an additional copay of \$100 or \$500. These copays don't apply toward the deductible or the annual medical out-of-pocket maximum. They're in addition to any other applicable copay or coinsurance you must pay under your specific medical plan benefits.

Balance billing: When out-of-network providers bill you for the difference between your maximum plan allowance and their billed charges. In-network providers don't do this.

Core benefits: Medical, dental, vision, and employer-paid life insurance.

COBRA: A federal law that requires an employer to let you continue your group health coverage if you become ineligible. You pay the full amount for COBRA coverage. For details, visit oregon.gov/oha/OEBB/Pages/COBRA.aspx.

Coinsurance: The percentage of health care costs you pay after you meet your annual deductible.

Constant Dental Plan: In contrast to Incentive Dental Plans, benefits remain constant regardless of how often an individual visits the dentist.

Coordinated care: Moda medical plans allow each covered individual the option to participate in coordinated care by choosing and using a PCP 360. Participating individuals receive a lower individual deductible, a lower individual out-of-pocket maximum, and lower costs for office visits, specialist visits, and alternative care visits. (These costs are lower compared to those enrolled in a Moda medical plan who don't choose and use a PCP 360.)

Copay: A fixed dollar amount you pay for certain services.

Deductible: The amount you pay each year before your plan starts to pay for any covered services you use.

Dependent: A person who qualifies for benefits based on their relationship to you. Some examples include:

- Spouse
- Domestic partner
- Child
- Stepchild

Early retiree: A person who retires before the age of 65. To be eligible for early retiree benefits, you:

- Must not be eligible for Medicare due to age or disability, and
- Must be eligible to receive retirement benefits through PERS or an employer-offered plan.

Employer contribution: The amount your employer pays toward your benefits package or health insurance premium. This is sometimes referred to as your “cap.”

Exclusive PPO Dental Plans: These plans have no out-of-network benefit. Under these plans, services performed outside the Delta Dental PPO network aren’t covered except for a dental emergency.

Formulary: A list showing prescription drugs covered by a health insurance plan and which coverage tier they fall under (e.g., generic, preferred, non-preferred).

In-network provider: A provider or facility who has a contract with a health plan to provide services at a discount.

Incentive Dental Plans: (Delta Dental Premier Plans 1 & 5 and Exclusive PPO Incentive Plan) Benefits start at 70% for your first plan year of coverage. Thereafter, benefit payments increase by 10% each plan year (up to a maximum of 100%), provided the individual has visited the dentist at least once during the previous plan year. Failure to do so will cause a 10% reduction in benefit the following plan year, although the benefit will never fall below 70%.

Maximum benefit: The most your health plan will pay for a specific service each year.

Maximum Plan Allowance (MPA): The maximum amount a plan will pay toward the cost of a service.

Medicare eligible: A person who currently qualifies for Medicare benefits by:

- Disability, or
- Age (65 or older)

Non-Coordinated Care: If an individual enrolled in a Moda medical plan doesn't choose and use a PCP 360, they receive the "non-coordinated care" benefit. This includes a higher individual deductible and individual out-of-pocket maximum. It also includes higher costs for office visits, specialist visits, and alternative care visits (compared to those who choose coordinated care).

Out-of-network provider: A provider or facility that doesn't have a contract with your health plan to provide services at a discount.

Out-of-pocket maximum: The maximum amount you'll pay each year before your plan begins paying 100% of eligible expenses.

PCP 360 (applies only to Moda medical plans): A primary care provider who has agreed to be accountable for your health and coordinates with other providers as needed.

Pre-authorization (or prior authorization): Approval needed from your health plan before it will cover certain services.

Preventive care: The care you receive to prevent an illness or disease.

Primary care provider: The medical professional you contact first when you have a health concern. Your primary care provider also delivers continuing care for ongoing medical conditions.

Qualified Status Change (QSC): A life event that allows you to change your plan elections outside the annual open enrollment period. Go to oregon.gov/OHA/OEBB/pages/QSC-matrix.aspx for a full list of QSCs.

Self-Pay Early Retiree (SPER): An early retiree who doesn't receive any contribution from their previous employer and pays their full premium directly to OEBB.
