COVID Guidance for Staff

If you test positive for COVID, let your site administrator or supervisor know immediately

A Health Assistant or Nurse will call you to inquire about the following details: Date of Symptom Onset, Date of Positive Test, Last Day on Campus

The health staff member who calls you will inform you of the isolation guidance

COVID-19 with symptoms

COVID-19 with no symptoms

Required to stay home for a minimum of 24 hours from the day of symptom onset

- You may return to work once 24 hours have passed with no fever, without the use of fever-reducing medications, AND

- Your symptoms are mild and improving

There is no infectious period and **no requirement for isolation** unless symptoms develop

Staff must enter their absence in **Helios**
- Choose Sick Leave>Illness. In the Notes to Administrator section in Helios, indicate COVID quarantine.

Notes:
- *A negative COVID Test is no longer required to end isolation*
- *It is recommended that you wear a mask when you are around other people indoors for the 10 days after you become sick or test positive (if no symptoms).*
