

District Newsletter

February 2017

From the Superintendent

Dear Eden Families,

Thank you, again, for supporting our upcoming capital improvement project. The State Education Department is reviewing our construction plans, and we are on schedule to put shovels in the ground early this summer. At some point between June 2017 and December 2018, every building will see some renovation. This is a huge project, and we are really excited to get started! For more detail, see our website at www.edencsd.org → About Us → Capital Project. Of course, a big project comes with a complex schedule. Thank you to our architects, Young & Wright, and our construction management group, Campus CMG, for overseeing this endeavor and making sure that everything runs smoothly.

First, you will see our three staging areas erected. One will be located at the Jr./Sr. High School on the grounds close to where we have put the bonfire in the past. The second staging area will be next to the Transportation parking lot, and the third staging area will be in the GLP parking lot near the woods. These staging areas will be office spaces for our contractors and will be clearly marked. They are restricted areas and off-limits to the students and public.

The highlight of our project will be a new state-of-the art technology infrastructure. This will require a rewiring of the entire district. Consequently, many ceiling tiles will be removed in order to do the work. It will definitely look like we are under construction, but it will be well worth the work. Our students and staff will reap the benefits of an infrastructure that will allow us to move toward 1:1 devices.

At the Elementary School, scaffolding will frame the front of the building, so that we can repair the masonry. The Elementary School playground will be fenced off and closed for the summer. There are renovations happening inside the building, as well, so teachers will begin packing up their classrooms this spring in anticipation of the building being closed for the summer. Inside, the contractors will be working on renovations to the main entrance, auditorium, cafeteria, toilet rooms, new district offices and other academic spaces. While 3rd grade will remain in their current wing, 4th grade will move to the first floor.

At the Jr./Sr. High School, work will begin at the back of the building. The Athletic Entrance will be closed off, as well as the tennis courts, so that improvements can be made to the All Sports Stadium, concession stand and drainage. Fencing will limit access in this area over the summer for your safety. The baseball diamonds will be accessible from the Jennings Road parking lot only. Inside the building, throughout the next 18 months, we will be working on a new secure entrance complete with a signature arch and handicapped accessible parking, modifications to academic spaces including the music, art, P.E. and technology spaces and a new School-Community Fitness Center. This new fitness center will be used by our Physical Education students during the day and open to the public before and after school.

At GLP, we will begin working on a new entrance, and renovation to Kindergarten classrooms, the cafeteria and other academic spaces. GLP's new entrance will be located in the area of the current Kindergarten classrooms and will feature a separate door for visitors, a secure waiting area in the main office, and the ability to screen visitors prior to access to the student academic areas.

As in any construction project, there will be trucks and other heavy equipment moving around. Please help us ensure your safety and that of your children by having a family conversation about obeying the No Trespassing signs for all of the fenced-off areas.

This is an exciting time for Eden CSD. With all renovations come some challenges, disruptions and dust. We appreciate your patience as we focus on making Eden CSD the very best education institution it can be.

Sincerely,

Sandra Anzalone
Superintendent

Reading Roadshow

Photos contributed by Mrs. Doctor

On December 21, 2016, Mrs. Doctor's reading students visited Mrs. Stumpf's Kindergarten class to read a variety of holiday stories. The students enjoyed the stories, pictures, and the company of the junior and senior high students. The two classes are planning another visit in the Spring.

Eden CSD has set its school calendar for next year. See our website at <http://www.edencsd.org/page/60> on or after February 17th

DELAY OF SCHOOL

NYS Attendance Regulations allow districts a "delayed start" to the school day. A delayed start of 1-2 hours, in some cases, would allow a storm to pass over before students are picked up in the morning.

In an effort to get our students to school, Eden CSD will utilize a delayed start of 1-2 hours, if appropriate to the circumstances.

The Eden PTA will be sponsoring a Spring Book Fair on March 21st, 22nd and 23rd at GLP in Room 29.

Information will be coming home with students prior to the start of the sale.

What?

Learn the legal and human issues of school board leadership, and the election process, from school attorneys, hear from a superintendent about how to make – or break – a board/superintendent relationship, and hear current school board members who will share what it's like to go through a campaign and serve as a school board member.

Gather valuable information and answers to your questions.

A light continental breakfast will be provided.
To register for this **FREE** workshop, please call the Erie County Association of School Boards at **821-7297** or e-mail: snowak@e1b.org

Letting Off Some STEAM

By Johanna Funke

The sixth grade regrouped students in Mrs. Johanna Funke's Math class completed a STEAM project in December.

The students followed the five-step Engineering Process in order to build the tallest tower with marshmallows and toothpicks. The students came up with some very imaginative designs for their towers!

Being Part of History

By Carrie Hamlett

On January 18th 2017, Mrs. Hamlett's AP Government class and three additional faculty members, including Ray Neil, Michael Baronich and Kelly Ray, embarked on a Greyhound bus journey to Washington D.C to see the presidential inauguration.

On Thursday, the class went to the Newseum, U.S. Supreme Court and the National Archives. Students attended the inauguration and parade on Friday and went to Georgetown for dinner. Students who wanted to participate in the Women's March on Saturday were able to and then all went to the new African American Smithsonian.

We were very grateful that Austin Feasley (a senior in the class) was able to contact his Aunt who put the group of

19 up in the Tacoma Park area at various houses on the same block. Fun was had by all! Check out the pictures!

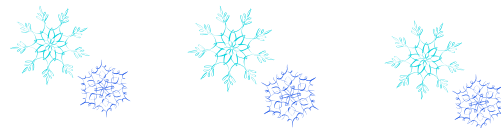

Perseverance is the hard work you do after you get tired of doing the hard work you already did.

Board of Education Presentation

By Sandy Wess-Rishel

Ms. Wess-Rishel's second grade students attended the January 18th Board of Education meeting to share their knowledge about the iPad initiative being piloted in their classroom. Each child talked about a favorite app and why they loved using it. "I love IXL Math because it helps you Master Math facts and you earn medals," Haley told the audience. Gavin explained how Scratch Jr. helps him learn coding. Then each child showed a Board Member how to use some of the apps by talking to them individually, while showing them the programs they have used on their iPads. The children's interest and excitement for all they are learning was evident by the way they spoke with enthusiasm and confidence to each board member. Some of the favorite

apps that were mentioned included: SeeSaw; an individual online portfolio, BookCreator, Nearpod, HMH player, Readworks, Kids A-Z, and Classdojo.

"My students have learned collaboration, problem-solving, communication, and teamwork. They have learned reflection, independence, goal-setting, decision making, how to explain and describe. They have learned how to research topics, and how to make choices in their own individualized learning, sometimes guiding them down a path that I didn't even see coming. They have learned how to teach each other and present to a group what they know, and so much more... Plus, it is fun for all of us!" explained Ms. Wess-Rishel.

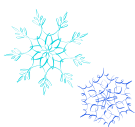

Kudos to Haley, Richie, Morgan, Adeline, Lina, Amelia, Liam, Gavin, and Mattie.

Pictured below are board members, Mr. Sutfin and Mr. Byrnes and Superintendent Anzalone with students.

Eden Elementary School Third Graders Working on Reading Skills

By Marc Graff

This year, grade three students at Eden Elementary School have been using a new Independent Reading Level Assessment (IRLA) tool with their teachers to focus on their individual reading skills. This model allows the teachers to watch their students at work and to provide on-the-spot, targeted feedback. Students then work on applying the teacher's feedback to his/her work. This continuous improvement process goes on each day, with students learning to do their work better through everyday routines under the right conditions and with reading materials they can read independently.

Under the direction of Diara Kwartler, our IRLA Executive Coach, our teachers have been training throughout the year on how to use the diagnostic information that they are gathering on their students to become better teachers of reading, track real time progress and to get to know their students better than ever before. The successes that our students have shown so far, has led to the decision to expand this program to grades four and five next year. For more information on IRLA, please visit www.americanreading.com.

All County Chorus

By Jennifer Tylock

Eden is honored this year to have five vocal students accepted into Senior High All County Chorus. Merrick Allen, Hailey Brenner, Alexis Browning, Kristen Psonak, and Adam Rakecki beat out several hundred students in order to perform with this honor choir. Auditions took place Saturday, January 21st at Buffalo Performing Arts. Each student had to perform in a quartet, five college level pieces of music, as well as sight read.

The best students from Erie County high schools were then chosen to participate in the Erie County All County Music Festival that will take place at the University of Buffalo on Friday, March 24th and Saturday, March 25th.

Keyboarding Application Class Coding Competition Winner

By Joann Ramaekers

Congratulations to Renee Gates as the winner of Mrs. Ramaekers Keyboarding Application class coding competition with a record of coding 3,667 lines.

This year, students from grades K-12 participated in coding activities in the month of December. Mrs. Schnauffer's students participated in the following coding exercises: K-2 classes used iPads for coding using Scratch Jr., students in Grades 3-4 participated in the Hour of Code on Code.org, and students in Grades 5-6 created projects using Scratch. At the high school, students in the Business/Computer Department participated in various activities using platforms from the

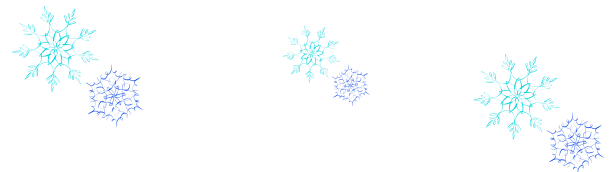

Hour of Code and Scratch.

Coding is what makes it possible to create computer software, apps and websites; therefore, every student should have the opportunity to learn coding. It helps nurture problem-solving skills, logic and creativity. By starting early, students will have a foundation for success in any 21st-century career path.

FBLA Club Visits New York City

By Joann Ramaekers

The Future Business Leaders of America Club (FBLA) started the holiday season off with a trip to Manhattan.

The first stop was a tour at Federal Reserve Bank where students were inches away from billions of dollars in gold. The New York Fed's gold vault is on the basement floor and was built to provide account holders with a secure location to store their monetary gold reserves from all around the world.

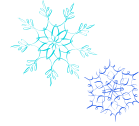

In addition to walking Wall Street, students toured the 911 Museum, Statue of Liberty, and Ellis Island, to name a few. They enjoyed a view of the city from the Top of the Rock and took many photos in front of Rockefeller Center's Christmas tree. We experienced the newest way in accommodations by staying at an Airbnb. For many students, this was their first trip to New York City and even their first flight—an experience they will never forget!

Freshmen Academy

By Amber Costanzo

Students in Amber Costanzo's Freshmen Academy course are working through Sean Covey's, *The 7 Habits for Highly Effective Teens*. January's habit, "Put First Things First", focuses on the day in and day out, moment-by-moment events that shape a teenager. Students discussed time management, as well as purpose, values, roles, and priorities.

In the picture at near right, students in Amber Costanzo's Freshmen Academy participate in a fishbowl activity to discuss values and priorities.

At far right, Freshmen Academy students Alexis, Dezarae, Faith and Samantha discuss risk taking and the difference between the comfort zone and the courage zone.

Eden Students Volunteer at "Give Kids a Smile Day"

By Tracey Fest

Once again... Eden High School volunteers for a full day at the UB Dental School. February 3rd was the annual day of free dentistry for any child under the age of 18. It is called *Give Kids a Smile Day*. It was a pirate theme!

Approximately 700 kids had dental work done that day. The Eden High School students were on the escort team. There were approximately 500 volunteers!

By far, the Eden students were one of the most important pieces of the success of the day. They escorted kids to the area where they were seen. The escort team had kids from East Aurora, Nichols, and Orchard Park High School, as well as Eden. They come every year, and I couldn't be more proud of them. There were plenty of VIPs that came for a press conference as well, including: Mayor Brown, President Satish, Dean Zambon of UB Dental

School, Dean Kane of UB Medical School, and Gail Bernstein of the Erie County Health Department. The students were so respectful and had a lot of fun with the kids too. We saw approximately 75 Amish kids who our students loved interacting with. Students were also bussed in for care from about seven Buffalo High Schools, such as South Park, Lafayette, Riverside, and Bennett. We arrived at approximately 6:30 am and finished around 4:00 pm, then had to clean up and break everything down. It was a long day, and I feel blessed these kids helped out. We need more young people like them!

Thank you to Collin Fest, Mitchell Fest, Maureen Bender, Hannah Cialone, Frank Barnack and Skylar Kennedy. Great group of kids!

I hope you are as proud as I am!

Twelfth grade student, Brianna Schunk was recently accepted to be an intern at the Buffalo Zoo. This is a prestigious honor.

Eden CSD Earns Position on Advanced Placement District Honor Roll

By Sandy Anzalone, Superintendent

Eden Central School District has earned a position on the 7th Annual Advanced Placement District Honor Roll! We are one of only three districts in the Western New York region, and one of 433 districts in the United States and Canada to receive this honor. This is the second time Eden has received this honor (the last time was 2011- the first year the College Board gave out this distinction).

Inclusion for this award is based on AP data for the school years 2014, 2015 and 2016. In order to qualify, Eden CSD had to increase participation to AP exams by at least 6% overall, increase or maintain the percentage of minority students taking exams and scoring 3+ on at least one exam, and improve performance levels when comparing the percentage of students in 2016 scoring a 3+ to those in 2014.

Congratulations to everyone who made this possible over the past four years - faculty, students, the Eden Central School Board of Education, administrators and parents!

Co-gen Plant

It should come as no surprise to many of you that Eden Central School District has outgrown CoGen and is in need of more electrical power. As part of our Capital Improvement Project, Eden Elementary School, the Bus Garage and GLP will be going back on the Grid. The remaining power that we obtain from CoGen will be more than enough to power up the Middle/High School. The plan is for EES to go back on the grid by January of 2018, and for GLP to go back on the grid by November of 2018. Much needs to be completed in the capital project before this happens.

Looking down the road when our elementary buildings are back on the Grid, and knowing about WNY power outages, there is a possibility that one day our GLP and EES students may be enjoying a power outage and getting a bit of a break while our MS/HS students will be basking in the light.

FUN WITH FUSING

Make beautiful jewelry or decorative items from colorful pieces of glass you cut, arrange, and heat together in a kiln. Create your own design or follow one of our project samples. Choose to make two pendants, a pair of earrings, two pins, two refrigerator magnets, one suncatcher, one glass tile, or one night-light. Additional fee for extra projects, multiple firings (if required), and dichroic glass. By successfully completing this class, you are eligible to rent studio time and complete new projects on your own. You can pick up your project after it's been fused and annealed (heated and cooled gradually to remove thermal stress) or the instructor can mail it to you for an additional fee. If your project requires a bail, earring backs, magnet or night-light assembly, the instructor will provide you with the needed materials in the mail or by appointment.

GLASS BEADMAKING—THE FIRST STEPS

Turn hot glass into cool stuff! Join glass artisan Vicki Schneider at her beautiful studio in Woodlawn for an experience you will never forget. Vicki's studio, Expressive Glass, is located at 3333 Lakeshore Road (Route 5) Woodlawn, between the Ford and steel plants. In just three hours, you will make your own beautiful one-of-a-kind glass beads and enter the mystical and ancient world of lampworking. This clinic will introduce you to the art of safely flameworking soft glass. You will learn to melt glass rods, wrap molten glass around thin steel rods (mandrels), and create basic beads. After exploring various surface decorations, you will produce colorful treasures that you can use to create jewelry on your own.

NATURE PRINTS ON GLASS

Paint the backs of leaves and flowers with specially formulated vitreous enamel and use them to print the center section of a beautiful plate, suncatcher, tile, or night light. Add colorful pieces of glass to create a border around your print. You will learn basic cutting techniques and how to mix and use the vitreous enamel. Bring several leaves or ferns (4" or smaller) with pronounced veins and an N100 or P100 dust mask. (Masks can be purchased from a hardware store.) You may also bring small flowers. Petals that are very delicate do not hold up well to the paints. We will heat your design in a kiln until the glass melts and then heat it a second time, as needed, to slump it into a small plate. If you are not making a plate, a second firing will not be necessary. Projects can be picked up after being fused and annealed (heated and cooled gradually to remove thermal stress), or mailed to you for an additional fee of \$7 payable to the instructor.

SPIRITUAL DEVELOPMENT CIRCLE

Looking for greater spiritual connection, healing and inspiration in your life? Then this course is for you!

A development circle is a gathering for spiritual growth where we meditate together, give and receive healing energy and exchange inspired messages from spirit. During the weekly guided meditations, the increased group energy will help you to center and reconnect to the source of healing, peace and wisdom that lies within you. We will then send this energy out to people, places and situations in our lives and world that need healing. You will also receive instruction in how to open to your inner guidance so that you can begin to trust and share the intuitive insights that come. You will be encouraged by the messages shared by your classmates and amazed at the helpfulness of the inspirations received. Whether you're a beginner with little to no experience or a practiced energy worker, this course will help you to further open to and develop your spiritual gifts. All are welcome!

PRACTICAL COMPASSION

Each of us is seeking the goodness we want for our lives in the best way that we know how. By understanding our own actions and the actions of others, from this perspective, we realize that the suffering we all experience in life comes not from a desire to hurt, but from a deep, shared desire for goodness. In this five-week course, you will learn to see the challenges of your life with greater clarity and compassion and discover practical ways to better fulfill your best intentions for living. This empowers us to move beyond the judgments and defenses that separate us, and to open our hearts again to ourselves, our relationships, our society and our world. Come learn to see beyond the illusions that separate us and to recognize the common instinct for goodness at work in every relationship and situation in our lives.

PIRATES OF PENZANCE

MUSICAL COMEDY SUNY FREDONIA'S MARVEL THEATER

WED., APR. 5

***\$110.00**

We're traveling to **SUNY FREDONIA'S MARVEL THEATER** for an afternoon matinee **PIRATES OF PENZANCE**. Gilbert and Sullivan's classic musical of mistaken identity, comes swashbuckling to the Marvel Theater staff with all the laughs and songs that made it a long-running Broadway smash! Best of all, SUNY Fredonia is offering the 1980 Broadway version which is NOT an Operetta! Frederic's father asked Ruth, the maid to apprentice Frederic, the lad to a ship's pilot. Ruth, however, is hard of hearing and she thought the father said to apprentice Frederic to a pirate! The apprenticeship was to end on his 21st birthday. The problem Frederic learned he was born on February 29; so technically, he has a birthday only once every leap year. He must remain with the pirates until he is 21, meaning he must serve for another 62 years! In the meantime, he falls in love and his only solace is that Mabel, the love of his life, agrees to wait for him faithfully. There is love, romance, swashbuckling pirates, lots of laughs and beautiful music & song. Don't miss this musical comedy that has won numerous awards on Broadway and film. Don't miss out! Bring your friends! A **SIT DOWN LUNCH** begins this show tour at the **COLONY RESTAURANT**.

SPRINGTIME IN THE GARDENS

STAN HYWET HALL & GARDENS

THURS., MAY 25

\$120.00

We'll meet our **GUIDE** in **AKRON OH** to begin our touring. **LUNCH** is included at **PAPA JOE'S RESTAURANT** The Iacomini Family first opened their doors in 1932, The heart & soul has been "Papa Joe" Iacomini. They have always been considered the first family of fine & traditional dining in the Akron area. Joe's legacy lives on with the fourth generation of restaurateurs. This afternoon, we visit the **STAN HYWET HALL & GARDENS**. Stan Hywet Hall & Gardens is the former American Country Estate of F.A. Seiberling, co-founder of The Goodyear Tire & Rubber Company. The estate features a historic 65-room Tudor Revival Manor House, Gothic Revival Conservatory, and approximately **70 ACRES OF ARTISTICALLY LANDSCAPED GROUNDS AND FORMAL GARDENS**. The Manor House is one of the finest examples of Tudor Revival in architecture in America. Stan Hywet remains as one of the most important historic estates to endure from this bygone era. Each of the **GARDENS AT STAN HYWET** provides its own magic and history for visitors. One of the most beloved is the English Garden, designed by pioneer female landscape architect Ellen Biddle Shipman. A fast food stop (on your own) will be made en route home.

"WICKED" THE MUSICAL - AT SHEA'S

SUN., JUNE 4 **CENTER ORCHESTRA *\$170.00**
SIDE ORCHESTRA *\$150.00

We're off to **SHEA'S PERFORMING ARTS CENTER** for the afternoon **MATINEE** performance of **WICKED, THE MUSICAL** – Back to Buffalo by popular demand – don't miss this cultural phenomenon! Each time it plays at Shea's it breaks box office records and sells out. Winner of 35 major awards, including a Grammy and three Tony Awards, **WICKED** is "Broadway's biggest blockbuster". (*The New York Times*) Long before that girl from Kansas arrives in Munchkinland, two girls meet in the Land of Oz. One – born with emerald green skin – is smart, fiery, and misunderstood. The other is beautiful, ambitious and very popular. How these two grow to become the Wicked Witch of the West and Glinda the Good makes for "the most complete – and completely satisfying – new musical in a long time" (*USA TODAY*). Prior to the show, we will enjoy a delicious **SIT DOWN LUNCH** at the **TEMPLETON LANDING RESTAURANT**
