February 2015

## From the Superintendent

Dear Eden Families,

This is an exciting time for Eden Schools! On January 7<sup>th</sup>, we officially kicked off our proposed capital project- *Eden CSD 2020*, with a planning session. Approximately 120 people, representing various constituencies, were invited to participate in this planning phase. Campus Construction Management Group and Young & Wright Architects have been contracted to work with us throughout the entire project. The District is excited to be working with them. Their experience, expertise and problem solving skills are just what we need in order to recommend the right project for our students.

In order to meet our goal of bringing you a Referendum in December of 2015, three subcommittees were formed. These committees will explore ideas and issues within the areas of Health, Safety, Security, Infrastructure, Technology, Building Condition, Site Work, Academic Organization and Athletics/Physical Education. They will then present their findings to the Facility Advisory Committee and Board of Education.

Two of the first findings, which were presented to the Board of Education, are (1) whether to keep GLP or sell/lease it; and (2) whether to create a Middle School with grades 6-8. The Academic Organization Committee presented their findings at the February 11 Board of Education meeting. This was also the night that the other two sub-committees met for the first time.

I encourage you to let us hear your voice regarding this project. We want to know your thoughts! Feel free to join us at any of the upcoming Board meetings and committee meetings. You can also find our updates on our website, [www.edencsd.org](http://www.edencsd.org) → About Us → Capital Project. Enjoy the weather!

Sincerely,

Sandra Anzalone  
Superintendent

# Eden Model UN Team Competes in Chicago

By Linda Pace

Over the weekend of December 11<sup>th</sup> through the 14<sup>th</sup>, the Eden Jr./Sr. High School Model United Nations Team traveled to Chicago to compete in the Chicago International High School Model United Nations conference or CIMUN. At this conference, students represented delegations from countries around the world in various United Nations committees.

Before the conference, the team researched their assigned country's history, current issues, policies and leaders. They then used this research to write papers stating their country's position on topics that have been assigned for debate during the conference.

During the conference, the delegations were challenged to solve some of the world's most pressing issues while practicing diplomacy, cooperation and consensus building. The students were judged on these categories and on their knowledge of their country's policies, their ability to give dynamic speeches and their knowledge and use of committee rules and motions.

Finally, the students cooperatively wrote resolutions, or solutions, to the issues they were challenged with. These resolutions required a number of sponsors who wrote the resolutions, as well as obtained signatories and delegates, to support the resolutions. After achieving a hearing before the

committee, the sponsors gave speeches to convince the rest of the delegations to vote for and pass their resolution.

Eden's team this year was a young team of freshmen led by their senior president, R.J. Inserra. They represented the countries of Angola and Cambodia, as well as delegates in the small cabinet committees of the European Union, Association of South East Asian Nations and the Cabinet of the People's Republic of China. Eden's novice team did well with a number of delegates getting resolutions written and passed and giving speeches before their committees.

The high point of the CIMUN conference for this team was when freshman, Eleanor Hale, received the Best Delegate award for the Cabinet of the People's Republic of China. This was a surprise win for this freshman, as she was competing with practiced juniors and seniors from other schools.

The team looks forward to participating in other competitions during the season and hopes to return to Chicago as a more experienced squad in 2015 to bring home another Best Delegate and perhaps a Best Delegation Team Award!

## Water for Sudan

By Olivia Doctor

On Tuesday, December 2, 2014, Mrs. Doctor's seventh grade English students presented two-voice poems at the Eden Central School District Board of Education Meeting. They also raised \$232.87 to donate to Water for Sudan, which provides access to clean, safe water.

Front row: Abbilynn Puckhaber, Haley Cavarello. Middle row: Mrs. Doctor, Teacher; Alaina James, Samantha Ruckdaschel, Allyson Woltz, Braedon Sidor. Back row: Mr. Byrnes, Board President; Mrs. Anzalone, Superintendent.

## EDEN CHAMBER ENSEMBLES PERFORMED AT KLEINHANS

As part of the Buffalo Philharmonic Orchestra's 2014-2015 Community Spotlight program, Eden Chamber Ensembles performed prior to the Orchestra's BPO Pops Concert performance entitled *Ben Vereen*. Eden Chamber Ensembles took the stage at 7:15 pm in the Mary Seaton Room of Kleinhans Music Hall.

## Mystery Skype

By Amy Steger and Morgan Theophilus

On January 16th, Mrs. Steger and Mrs. Theophilus' fifth grade class participated in their first ever Mystery Skype!

Mystery Skype is a student-driven, educational "game" where students attempt to guess the location of another classroom by asking yes or no questions via Skype. Students compiled research using Google Earth, Google Docs and atlas' while also looking up information on the Internet with laptops and iPads. In addition to being researchers, students had individual jobs, such as data enterers, questioners, responders, videographers, and photographers.

This was an authentic and exciting way for students to practice their skills in Geography, Technology, speaking and listening. Students were encouraged to collaborate with one another and think critically while they led this challenge! The other class was a fourth grade class in Council Bluffs, Iowa.

## Planting Seeds, Growing Minds

By Kelly Fronczak

Kelly Fronczak, teacher at Eden Elementary School, was recently awarded a \$500 grant for her proposal on youth gardening.

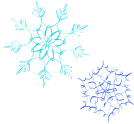

The grant was selected from twenty-three applications and presented by the Western Zone New York State Retired Teachers Association. In her proposal, she detailed the many academic, physical, and social benefits of a school garden. The students, who have already begun their research on plants, will be leading most aspects of the project. With hard work,

sunshine, and a little luck, the class hopes to enjoy the fruits of their labor this summer.

# B.E.A.R.!

By Katherine LaVerdi

Students at the GLP recently celebrated **Be Excited About Reading** day! Students brought in a bear and a book from home and enjoyed a special reading time in their classroom.

During that reading time, the school principal, Mrs. Carter, visited the classrooms in a bear costume!

Pictured (upper right) is Mrs. Carter, GLP Principal and Mrs. LaVerdi's class.

Pictured (lower right) are Charlotte Felser, Ciara Clark, and Isabella Schifano with their bears.

## DELAY OF SCHOOL

NYS Attendance Regulations allow districts a "delayed start" to the school day. A delayed start of 1-2 hours, in some cases, would allow a storm to pass over before students are picked up in the morning.

In an effort to get our students to school, Eden CSD will utilize a delayed start of 1-2 hours, if appropriate to the circumstances.

## Spreading Holiday Cheer

Mrs. McTigue's and Ms. Blas's third grade classes spread some holiday cheer by visiting Eden Heights on December 18<sup>th</sup>.

The students sang holiday songs and played bingo with the residents. Everyone involved had a fun time!

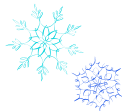

# Happy Valentine's Day!

## Sixth Graders Help Farmers

By Ellen Kindley

The sixth grade students at Eden Elementary wanted to do something to help the area farmers that were affected by the November storm. Many of the farmers who suffered the most damage during that storm are our neighbors, our friends, and our family.

Each sixth grade homeroom decided to have a Christmas-themed door-decorating contest. We asked students in our school to vote for their favorite door by dropping money in a jar representing that door.

We are pleased and surprised that we raised \$530 with this activity.

## Invention Convention Coming to Eden

*By Lynn Morgan*

Calling all young inventors and their families! On April 8th, the district will be hosting an Invention Convention from 6:30-7:30 pm. The event is open to students in grades K-8. The district winners will be eligible to move on to a May 4th regional competition at Medaille College.

Inventors can pick up their local registration packets at their schools. K-6 will learn more

about the competition and get registration materials through their art teachers. Grades 7-8 will get their information through their science teachers. Complete guidelines and various materials can be obtained at [www.wnykidsinvent.org](http://www.wnykidsinvent.org).

Students usually spend about two months developing and preparing their inventions for the final event in May. Locally,

inventors must get their packets by March 2nd, submit their form by March 10th, and submit their entry by March 25th for the April 8th event at Eden Elementary School. Entries will be judged, and up to 15 Eden finalists may be submitted for the regional convention. The event is designed to promote creative thinking and encourage scientific problem solving in K-8<sup>th</sup> grade students.

### REDUCED SPEED LIMIT ON SCHOOLVIEW ROAD

Please be aware that the speed limit on Schoolview Road will soon be lowered to 25 miles per hour between the hours of 7:00 a.m. and 6:00 p.m. on school days. Reduced speed limit signs will be installed by the Eden Highway Department.

# Eden Elementary All-County Students

By Annette Bahun

Twenty-four instrumentalists from Eden Elementary School auditioned for the 2015 Erie County Band and Orchestra.

Many months of hard work go into preparing a solo, scales and sight-reading. We applaud these students for their dedication and commitment and thank them for representing our school so well!

Row 1: Caroline Coleman, Camille Profic. Row 2: Alex Weber, Emily Krawczyk, Allison Banko, Renee Gates,

Caleb Gould, Julia Kuster. Row 3: Mathew Niedermeier, Mary Kate Schmitz, Gabrielle Inserra, Jennifer Kappas, Jessica Zittel, Danielle Gephart, Samantha Crowe, Cecelia Karpinski, Charlie Agle. Row 4: Noah Brosnick, Hannah Bojczuk, Danielle Answeeney, Katie Donovan, Jennifer Grapes, Ashley Blaszczyk. Missing from photo: Cyleigh Schumacher.

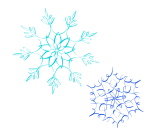

It will be a great honor for these Eden Elementary 5<sup>th</sup> and 6<sup>th</sup> grade musicians to perform in the 2015 All-County Band, Orchestra and Chorus. They will practice with other musicians from all over Erie County and on Saturday, March 7<sup>th</sup> perform a concert at Kleinhans Music Hall. Congratulations!

**The Eden Central School District will be participating in a community service project where all Faculty, Staff, and Students will work together to make a difference in this great community.**

**R**espect and tolerance

**A**ppreciation

**I**ntegrity

**D**etermination

**E**mpathy

**R**esponsibility

**S**elf-control

On Friday, May 15<sup>th</sup>, Eden Central School administrators, faculty, staff and students will participate in the sixth annual district-wide community service program. Each of the schools in the District will sponsor an activity or several activities and events in an effort to support our community.

It is particularly important for secondary students wishing to attend college to get involved with community service projects. More and more colleges look at community service hours when considering admission. We also know this is a great way to teach children of all ages that they can make a difference.

This program was extremely successful in previous years. We would like to see it expand even more. Your input is very valuable. Please submit your ideas on what we can do to provide assistance to the Eden community, while helping students to realize the importance of being a vital part of it. If you have suggestions, please write them in the box below and mail them as soon as possible to:

Eden Central School  
District Shared Decision Making Team

## FUN WITH FUSING

Make beautiful jewelry or decorative items from colorful pieces of glass you cut, arrange, and heat together in a kiln. Create your own design or follow one of our project templates. Choose to make two pendants, a pair of earrings, two refrigerator magnets, one suncatcher, one glass tile, or one night-light. Additional fee for extra projects, multiple firings (if required), and dichroic glass.

You can pick up your project after it's been fused and annealed (heated and cooled gradually to remove thermal stress), or I can mail it to you for an additional fee. If your project requires a bail, earring backs, magnet or night-light assembly, complete it on a Saturday morning, the second or fourth Wednesday evening of the month, or by appointment.
