## Eden Central School

### FROM THE SUPERINTENDENT

October 2014

Dear Eden Families,

When you walk outdoors lately in WNY, it is difficult to miss the fact that autumn is upon us. The colors are spectacular! The weather has been better than June! All of this has contributed to a great start to our 2014-2015 school year. It is great to have the students back at school.

Of course, the change in seasons leads me down the path of winter approaching and SNOW DAYS. Last year, school districts in southern WNY averaged around eight emergency closing days- some due to blizzard conditions, but others due to severe cold. Depending on the weather predictions you tend to follow, the forecast looks the same for this winter. Knowing that this is a possibility, we have put a few new protocols into place:

A two-hour delay to the start of school. Generally speaking, the buses would pick up your student two hours later than the typical pickup time. Principals will determine the schedule of classes for the day. Details for PreK and VoTech will need to be addressed given the particular circumstances of that day. We will have school if temperatures are approaching -25 degrees Fahrenheit with winds of less than 10 mph and good visibility. Of course, our buses need to start, as well. National Weather Service guidelines indicate that a person dressed properly for the conditions can withstand these temperatures for up to 30 minutes. Please ensure that your students are dressed properly if they are waiting for a school bus or are driving themselves to school. Research shows that crossing your fingers and your toes in anticipation of better weather works. I hope this is true.

On another note, our Board of Education has adopted the 2014-2015 District Goals. Our initiatives moving forward for Eden CSD are fully aligned to these goals. As always, we appreciate your thoughts and feedback.

- ◆ Increase academic rigor and raise expectations for all Eden students.
- ◆ Effectively implement the common Core State Standards.
- ◆ Strengthen the culture of the district by building greater trust through improved communication among all school-community stakeholders.
- ◆ The Board will review and approve a three-year written plan to guide facility changes/improvements.

Eden CSD is focused on creating an academic environment that allows students an opportunity to grow and reach their highest potential, this includes our actual facilities- Eden Elementary, Transportation Department, GLP and the Junior Senior High School. It has been ten years since Eden CSD embarked on a capital project. That is a very long time. In order to assess our current physical condition, we are in the process of completing a Building Condition Survey (BCS). Do we have leaks? Is our foundation secure? Do we have the electrical capacity to offer exemplary programs for our students? This BCS is one tool which will be utilized by a School-District Capital Project committee to make recommendations to the Board of Education regarding a future capital project (District Goal #4). In addition, we need to assess what else we need in a capital project to ensure that our students are safe, secure, and on the cutting edge of technology and instruction. In other words, what should Eden CSD look like 5 years, 10 years and perhaps 15 years from now? Stay tuned for more information regarding a potential capital project. These are exciting times to be a Raider.

The Eden School Community is a gift. I look forward to working with you toward the same goal - improving learning for all of our children.

Sincerely,

Sandra Anzalone  
Superintendent

## High School Student Selected for Conference All-State

*By Sarah Roberts*

Each spring, thousands of sophomores and juniors from across the state spend tireless hours practicing and perfecting solos to be performed for state certified adjudicators. These students are then recommended by their adjudicators to be one of the few selected for a Conference All-State Ensemble. This is an opportunity of a lifetime, and we at Eden are very proud to announce that we have one student this year selected out of the thousands to perform with students from all across New York State. Junior bassoonist, Lauren Henning, will be attending the conference this December held in Rochester, New York.

Congratulations Lauren on your amazing accomplishment!

## ECIC Sportsmanship Coach of the Year

Mrs. Jennifer Carriero was recognized as the 2013-2014 ECIC Division IV's Sportsmanship Coach of the year.

Congratulations to Mrs. Carriero for this prestigious award!

Try not to become a man of success, but rather to become a man of value.

## Eden Bridging the Gap to the Tune of \$2,000

*By Kelly Zimmerman*

Eden continues to be a community defined by resilience and determination. When faced with significant cuts to the budget for our High School musical this year, Eden students and parents joined together to raise over \$2,000 to help bridge the gap.

On Saturday, September 27th, Eden musical students and parents volunteered baked goods, supplies, and time to work a Chicken BBQ at Zittel's Fall Festival.

Thank you to Zittel's and to everyone who came out to support us! We truly appreciate your help and are looking forward to another great musical this year.

## Art and Music Students Showcased at Open House

*By Denise Uhlman and Amy Witman*

The Eden Elementary Staff would like to thank the Eden PTA for providing refreshments at the Open House on September 18, 2014. Mrs. Amy Witman's beautiful and informative art show represented students in grades 3-6. Fifth grade orchestra students under the direction of Mrs. Denise Uhlman and accompanied by Mr. Mark Vona, performed various musical pieces in the cafeteria.

This display of art and music served as a reminder that the study of the arts promotes skills important in academics and success in life. These skills include creativity, confidence, problem solving, perseverance, focus, non-verbal communication, constructive feedback, collaboration, dedication and accountability. To learn more, read Lisa Phillip's book, "The Artistic Edge: Seven Skills Children Need to Succeed in an Increasingly Right Brain World". This author appeared on the ARTSblog, a program of Americans for the Arts. Other Special Area Teachers were also on hand that evening to explain their programs and interact with parents.

Thank you students, PTA and faculty for an exceptional Eden Elementary Open House!

This truly makes a difference for many, and we are thankful at the GLP for such a wonderful group and community.

## **VETERANS' TAX EXEMPTION VOTE**

Public Hearing Wednesday, November 19, 2014 at 5:45 p.m. — Presentation and Q&A—in the Auditorium in the Jr./Sr. High School.

Public Vote date—Tuesday, December 9, 2014 from 9:00 a.m. to 9:00 p.m. in the Jr./Sr. High School Foyer.

Eden Central School District Board of Education will be holding a non-binding referendum vote on the proposed Veterans' Tax Exemption. Please attend the hearing to learn more about this vote and what it means to you, the veteran and/or taxpayer.

If approved by the Board, eligible veterans would have their applicable exemption(s) applied to their total assessed value, which would result in a tax savings to Veterans. That difference will be added to the tax bills of the rest of the taxpayers. The exemption value and resulting savings will vary depending on the nature of a veteran's military service.

Be advised that this is a non-binding advisory proposition. The Board of Education of the Eden Central School District is not bound by the adoption or rejection of this proposition, and the Board of Education is solely responsible for determining whether, and to what extent, the District may adopt the exemption set forth herein.
