Transportation

Please review the transportation schedule carefully so that you may properly prepare your children for the bus route and time schedule that they will follow.

The transportation of students is essential to the operation of the education program. Safety is the foundation of all school transportation systems and requires the cooperation and active support of all segments of the school community.

The potential for accidents is greatly increased when students fail to follow the general bus rules that are distributed to every bus-riding pupil in the Eden Central School District. We ask that parents make the effort to discuss these rules with their children and help us provide an atmosphere on all buses that will allow bus drivers to do their jobs with concentration and courtesy.

From Our Superintendent

Dear Eden Families,

I believe that the shortest, wettest and coolest summer is soon drawing to a close. While I cannot turn back the clock to recapture those summer days, I can open the doors of our “schoolhouse” to welcome all of our new and returning students to an amazing 2014-2015 school year. Whether this is your 1st or 13th year with us at Eden CSD, one thing is for sure- we have *many* amazing opportunities for students and families to get involved! Thank you for being a part of our school community. Eden CSD is better because you are here.

Last year in my opening letter, I spoke about the essential skills for today’s graduates- “confident learners, resourceful, strong communicators, passionate about their point of view... able to react powerfully to what they read, have an opinion, be able to support it, and problem solve.” After spending this last year with my 85 year old step-father, I need to amend that statement. From Kindergarten to Really-Retired, we all need to possess these essential skills, not just our graduates. Our world is changing so fast- these are skills that we should be practicing throughout our lives, in everything we do.

Just the other day I had an incredible opportunity to visit with a mission priest from the city of Kitui in Kenya. While he is only 39 years old, the wisdom that he expressed regarding his experiences as a child in Kenya and his understanding of our world after three years in the United States, caused me to hang on his every word. His resilience, his passion and his confidence were refreshing! His eyes and his voice “lit up” when he spoke. He has what we would consider a “growth mindset”. He will most certainly go back home to Kitui this coming week and spread his enthusiasm.

So, just exactly what is a growth mindset (as opposed to a fixed mindset)? Toddlers have it- they fall, get up, fall again, and eventually they walk. They work hard at learning how to talk and communicate. They are not fearful about trying something new- because everything is new! They just do it! The author of *Mindset*, Carol Dweck, believes that we can all grow our mindset and confidently face new and larger dragons along the way- but, it takes effort and resilience. It takes- being a learner.

I am excited that the world is demanding each of us to be *learners*. I am also excited that the world is demanding changes in education. These changes require us all to have a growth mindset, to not be fearful of challenges and to not give up when things get tough. Join us, at Eden CSD, as we learn to embrace and celebrate our challenges and our success!

Enjoy the rest of your summer. I look forward to meeting you. As always, please feel free to contact your child’s teacher, building administrator or me with any questions or concerns.

Don't let yesterday use up too much of today.

Will Rogers

Sincerely,

Sandra Anzalone
Superintendent Eden CSD

Notification of Opt Out Provisions

Health Education is required by the New York State Education Department. Eden Central School's Health curriculum fulfills the NYS Education requirements according to the Commissioner's Regulations, Substitute-Chapter C. Part 135.

Section 135.3b(2) and C(2) states: "No pupil shall be required to receive instruction concerning the methods of prevention of AIDS if the parent or legal guardian of such pupil has filed with the Principal of the school which the pupil attends, a written request that the pupil not participate in such instruction, with an assurance that the pupil will receive such instruction at home."

Age appropriate material is presented in all grades, K-12. Inquiries arise more frequently about the elementary curriculum, which is briefly outlined below:

- ◆ Grades K-3: Body fluids, such as saliva, tears and perspiration, blood related injuries (nosebleeds) and good hygiene.
- ◆ Grades 4-6: Transmission of blood-borne diseases, including fights, ear piercing, injuries, etc.

The District shall make instructional materials available for inspection by parents/guardians if those materials will be used in connection with a DOE-funded survey, analysis, or evaluation in which their children participate.

Questions are always welcomed regarding these issues. Please notify your Principal if electing the opt-out provision.

In accordance with the Board of Education Policy 7570, Student Privacy, Parental Access to Information, and Administration of Certain Physical Examinations to Minors, the District shall obtain prior written consent before minor students are required to participate in a DOE-funded survey, analysis, or evaluation that reveals information concerning:

- a) Political affiliations or beliefs of the student or the student's parent/guardian;
- b) Mental or psychological problems of the student or the student's family;
- c) Sex behavior or attitudes;
- d) Illegal, anti-social, self-incriminating or demeaning behavior;
- e) Critical appraisals of other individuals with whom respondents have close family relationships;

- f) Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- g) Religious practices, affiliations, or beliefs of the student or student's parent/guardian; or
- h) Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.)

Additionally, the District shall offer an opportunity for parents/guardians to opt their child out of participation in the following activities:

- a) Activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).
- b) The administration of any survey containing one or more of the eight items of information listed above in the subheadings referencing DOE-funded surveys, as well as non-DOE funded surveys.
- c) Any non-emergency, invasive physical examination or screening that is required as a condition of attendance; administered by the school and scheduled by the school in advance; and not necessary to protect the immediate health and safety of the student, or of other students. The term "invasive physical examination" means any medical examination that involves the exposure of private body parts, or any act during such examination that includes incision, insertion, or injection into the body, but does not include a hearing, vision or scoliosis screening.
- d) Use of student pictures and names for publication and/or display - i.e. school displays, website, contests, newsletters, newspapers, or other media outlets, etc.

A letter **stating specifically** what you would like to opt your child out of should be sent to the Building Principal prior to October 1st each year. Opt out is for a period of one (1) year and must be renewed annually.

Authorized Changes in Student Transportation:

Each student shall be allowed a primary pickup and drop off point and one alternate pick up and drop off point. The School Principal and Transportation Department should be notified in writing regarding these pick-up/drop-off locations prior to August 15th each year. Parents must renew their requests every year.

Limited additional changes in student transportation may be made on a daily basis. The School Principal may, upon written request of a parent or guardian, permit a student to disembark at a bus stop other than his or her primary stop provided there is no change in the bus route. Such written request must be received by the school office no later than 9 a.m. of the morning of the request. **All requests must be in writing, no phone calls will be accepted.**

Emergency situations should be directed to the Building Principal only. Written requests relieve the Eden Central School District of all further responsibility for transportation of the student for that day.

Pick up points will be established based on safety, efficiency and in accordance with New York State law and District policy.

The majority of the GLP and Elementary School students will be coming home on the same bus as they go to school on in the morning. However, for purposes of safety and logistics, some students will ride a different bus in the afternoon. Buses will load students from the Elementary School first and then proceed to the GLP Primary School to pick up those students.

Walkers and students being dropped off by their parents at the Elementary School should not be on the school grounds before 8:25 AM. Walking students are to use the Main Street entrance to enter the building. Parental drop-offs should be done at the south door, on the Main Street side of the parking lot. Do not drop students off at the clinic door. Walkers and students being dropped off by their parents at the GLP School should not be on the school grounds before 8:30 AM. Drop-offs should be at the Kindergarten entrance at the far right by the playground as you face the building.

Procedure for all Pre-K-Grade 4 Students

For safety reasons, if a driver knows there is no one home when a younger child is to be dropped off, the driver will notify the Transportation Supervisor. The Supervisor will make every effort to reach the parents. If the parents cannot be reached, the student will be brought back to school.

Passing Stopped School Buses is Illegal

The law substitutes the term "Public Highway" for "Highway" and effectively defines, by statute, the meaning of the term "Public Highway" as it applies to section 1174. Under the revised statute, the requirements for the overtaking and passing of a stopped school bus are applicable to driveways and parking areas of the school facilities, in addition to what is considered to be a "Public Highway" as defined by Section 134 of the Vehicle and Traffic Law.

Baggage Restrictions on Buses

In order to provide safe, efficient transportation, and in accordance with state laws, it is important to limit baggage on school buses. All items must fit safely in the student's lap in an area approximately 13 inches wide. Some items that cannot be transported are lacrosse sticks, hockey sticks, baseball bats, umbrellas, skate boards, and anything that is glass or breakable. Even when placed in a bag, these items pose a safety risk due to size and intrusion into the crash impact area. The District will provide a secure storage area at school for the equipment, as needed. Students may not eat or drink on any regular route, as this presents a choking hazard.

Your adherence to these rules will help us to continue to maintain the best possible transportation.

Seventh Graders Participate in Fredonia Science Fair

By Michelle Berne

Two Junior High School students, Nick Pietro and Luke Stockdale, competed in the Fredonia Science Fair on May 10th held at SUNY Fredonia. Students came up with a question and designed an experiment to test their hypothesis. After completing their test at home, they then created a poster displaying their findings. At the Science Fair, students had to explain their projects to college professors, college students, science teachers, parents, and other students.

Nick Pietro presented his project, "Determining the Best Media for Crystal Growth", and Luke Stockdale investigated possible solutions to "Pot Hole Problems".

Luke and Nick are science students of Sara Rockwood-Klute and were supervised by Larry Millson and Michelle Berne.

- ◆ Eden Jr./Sr. High School Coordinator is Patricia Menkiena, Assistant Principal.
- ◆ Eden Elementary School Coordinator is Tammy Orcutt, Counselor.
- ◆ GLP Primary School Coordinator is Loran Carter, Principal.

Continuing Education

If you wish to instruct a continuing education class for the 2014-2015 school year, please contact the District Office at 992-3629. You do not need to be a certified teacher to instruct a class. We are open to new ideas.

Check the Web-site for Continuing Education Program Information

www.edencsd.org (Go to Community Tab, then to Continuing Education)

Programs are posted in October and February.

High School Attendance Policy

Students who are absent from any of their classes or school at least 10% of the school days will be in danger of losing academic credit for that class or classes. Students who exceed twenty (20) absences in a full-credit course or ten (10) absences in a half-credit course will remain in the course without receiving credit. By law, all absences, excused or unexcused, will be counted.

Students taking additional vacation days while school is in session will be charged with one absence for each school day missed.

Parents will be notified when a student accumulates five (5) absences in a half-credit course and/or ten (10) absences in a full-credit course. Notification will also be given when the limit is exceeded.

Students who violate the attendance regulations and believe special consideration should be given in their situation, may appeal in writing or in person to the building Principal. This must be done within five (5) school days from the date of notification. The Principal or Assistant Principal will convene an appeal panel comprised of faculty members to decide on the appeal. (Stage 1)

Subsequent appeals may be made in writing to the Principal, or his or her designee, five (5) school days after notification of the Stage 1 decision. (Stage 2)

Special Note on Appeals: It will be the student's responsibility to see that all the data is filled in and that the attendance record is attached at all stages. Any supporting data is to be obtained by the student and presented with the appeal.

The Eden Central School District provides family support to all families of Eden students on Wednesday evenings throughout the school year. The Family Support Team offers short-term counseling for families, links with community resources, and a chance for families to focus on common goals by identifying strengths and resources. For more information, please contact the Pupil Personnel Services Office at 992-3645.

Student Attendance

All absences, tardies or early departures are considered unexcused until a written note is received by a parent/guardian. Based upon our District's education and community needs, values and priorities, the School District has determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards:

Excused: An absence, tardiness or early departure may be excused if due to personal illness, illness or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinics, medical appointments, (including, but not limited to: appointments with Doctors, Dentists, Orthodontists, Ophthalmologists, etc.), approved college visits, approved cooperative work programs, military obligations or other such reasons as may be approved by the Board of Education.

Unexcused: An absence, tardiness or early departure is considered unexcused if the reason for the lack of attendance does not fall into the above categories (e.g., family vacation, hunting, babysitting, hair cut, obtaining learner's permit, road test, oversleeping, etc.).

New Families in District

New families in our school district that have children of pre-school age are encouraged to contact the District Registration Office. We would like to obtain information on all pre-schoolers for our database for future Kindergarten Round-Up. Call Mrs. Wiczerzynski in the Registration Office at 992-3616.

Release of Children From School

It is the responsibility of the parent or guardian to identify in advance any restrictions related to the release of minors to individuals other than the parent. The school will maintain a list of those individuals approved by parents and will not release students to anyone other than those on the list. Those approved should be prepared to show identification.

2014-15 School Year New York State Immunization Requirements for School Entrance/Attendance¹

NOTES: Children in a prekindergarten setting should be age-appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee for Immunization Practices (ACIP). This schedule reflects the minimum doses that are required for grades kindergarten through 12. Intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for persons 0 through 18 years of age. See footnotes for specific information for each vaccine.

Dose requirements MUST be read with the footnotes of this schedule.

Vaccines	Prekindergarten (Day Care, Head Start, Nursery or Pre-k)	Kindergarten	Grades 1 through 5	Grade 6	Grades 7 through 12
Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine (DTaP/DTP/Tdap) ²	4 doses	4 to 5 doses (See footnote 2b)	4 to 5 doses (See footnote 2b-e)	3 doses (See footnote 2c-e)	3 doses (See footnote 2d-e)

Pneumococcal Conjugate vaccine (PCV) ⁹	1 to 4 doses (See footnote 9a-f)	Not applicable	Not applicable	Not applicable	Not applicable

Children who are enrolling in grade-less classes should meet the immunization requirements of the grades for which they are age equivalent.

New York State Immunization Requirements for School Entrance/Attendance 2014-15

1. Demonstrated serologic evidence of measles, mumps, rubella, hepatitis B, varicella or polio (for all three serotypes) antibodies is acceptable proof of immunity to these diseases. Diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.
2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at ages 2, 4, 6, 15 through 18 months, and 4 through 6 years. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose.
 - b. If the fourth dose of DTaP was administered at age 4 years or older, the fifth (booster) dose of DTaP vaccine is not necessary.
 - c. For children born prior to 1/1/2005, doses of DT and Td meet the immunization requirement for diphtheria toxoid-containing vaccine.
 - d. Children ages 7 through 10 years who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, use Td vaccine. For these children, the required 6th grade adolescent Tdap vaccine should not also be given.
 - e. For previously unvaccinated children 7 years of age and older, the immunization requirement is 3 doses. Tdap should be given for the first dose, followed by 2 doses of Td in accordance with the ACIP-recommended immunization schedule for persons 0-18 years of age.
3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) vaccine. (Minimum age: 7 years)
 - a. Tdap can be received regardless of the interval since the last tetanus and diphtheria toxoid-containing vaccine.
 - b. For children enrolling in grades 6 through 12 who received a dose of Tdap at 7 years of age or older, the booster dose of Tdap is not required.
4. Inactivated poliovirus vaccine (IPV). (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a series of IPV at ages 2, 4, 6 through 18 months, with a booster at age 4 through 6 years. The final dose in the series should be received on or after the fourth birthday and at least 6 months after the previous dose.
 - b. If 4 or more doses were administered before age 4 years, an additional dose should be received on or after age 4 years.
 - c. If both OPV and IPV were administered as part of a series, a total of 4 doses should be received, regardless of the child's current age.
 - d. For children 4 years of age or older who have previously received less than 3 doses, a total of 3 doses are required if the third dose is administered at age 4 years or older and at least 6 months after the previous dose.
5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months for routine vaccination)
 - a. The first dose of MMR vaccine should be received at age 12 through 15 months, and the second dose at age 4 through 6 years. The second dose may be received before age 4 years, provided at least 4 weeks have elapsed since the first dose.
 - b. Students 7 years of age and older must have 2 doses of measles-containing vaccine, 2 doses of mumps-containing vaccine and at least 1 dose of rubella-containing vaccine.
6. Hepatitis B vaccine
 - a. For children in grades 7 through 12, either 3 doses of pediatric hepatitis B vaccine or 2 doses of adult hepatitis B vaccine (Recombivax), administered at least 4 months apart are required (applies only to children 11 through 15 years old).
 - b. Administration of a total of 4 doses of hepatitis B vaccine may be necessary when a combination vaccine containing hepatitis B is administered after the birth dose resulting in an inadequate interval between doses.
7. Varicella (chickenpox) vaccine. (Minimum age: 12 months)
 - a. The ACIP routinely recommends that the first dose of varicella vaccine should be received at age 12 through 15 months and the second dose at age 4 through 6 years. The second dose may be received before age 4 years, provided at least 3 months have elapsed since the first dose. NYS requires 2 doses of varicella vaccine for kindergarten entry.
 - b. If the second dose was administered at least 4 weeks after the first dose, it can be accepted as valid.
8. Haemophilus influenzae type b (Hib) conjugate vaccine. (Minimum age: 6 weeks)
 - a. Children who start the series on time should receive a Hib vaccine primary series and a booster dose to all infants. The primary series doses should be received at 2, 4, and 6 months of age. One booster dose should be received at age 12 through 15 months.
 - b. If the first dose was administered at ages 7 through 11 months, a second dose should be received at least 4 weeks later and a final dose at 12 through 15 months of age.
 - c. If 2 doses of vaccine were administered at 11 months of age or younger, a third and final dose should be received at 12 through 15 months of age and at least 8 weeks after the second dose.
 - d. If dose 1 was administered at ages 12 through 14 months, a final dose should be received at least 8 weeks after dose 1.
 - e. For children who received 1 dose of vaccine at 15 months of age or older, no further doses are necessary.
 - f. For unvaccinated children 15 months of age or older, 1 dose of vaccine is required.
 - g. Hib vaccine is not routinely required for children 5 years of age or older.
9. Pneumococcal conjugate vaccine (PCV). (Minimum age: 6 weeks)
 - a. Children starting the series on time should receive a series of PCV13 vaccine at ages 2, 4, 6 months with a booster at age 12 through 15 months.
 - b. Unvaccinated children 7 through 11 months of age should receive 2 doses, at least 4 weeks apart, followed by a 3rd dose at age 12 through 15 months.
 - c. Unvaccinated children 12 through 23 months of age should receive 2 doses of vaccine at least 8 weeks apart.
 - d. Previously unvaccinated children 24 through 59 months of age should receive only 1 dose.
 - e. PCV13 is the preferred vaccine for use in healthy unvaccinated/partially vaccinated children 2 through 59 months of age. A single supplemental dose of PCV13 is recommended for children 14 through 59 months who have already completed the age appropriate series of PCV7. (Note: PCV13 has been licensed and recommended for children in the U.S. since 2/2010. PCV13 replaced the previous version of Prevnar, known as PCV7, which included 7 pneumococcal serotypes.)
 - f. For further information, refer to the PCV chart available at <http://www.health.ny.gov/prevention/immunization/schools/>.

BOARD POLICY ON DIRECTORY INFORMATION

Under the Freedom of Information Law, directory information may be released without the consent of the parents or students. Directory information includes the following: the student's name, address, telephone listing, date and place of birth, major field of study, grade level, participation in sports and activities, weight and height of members of athletic teams, dates of attendance, honors, degrees and awards received, e-mail address, photograph and the name of the educational agency or institution most recently previously attended by the student. Directory information does not include social security number or student's identification number, except in certain circumstances.

A public notice of the categories of information to be included in the directory information will be published in the Newsletter each year.

Parents who do not wish to have directory information pertaining to their student released, must notify the building Principal in writing no later than October 1st of each school year.

Free and Reduced Price Meal Application Fact Sheet

When filling out the application form, please pay careful attention to these helpful hints.

SNAP/TANF/FDPIR case number: This must be the complete case number supplied to you by the agency including all numbers and letters, for example, E123456, or whatever combination is used in your county. Refer to a letter you received from your local Department of Social Services for your case number or contact them for your number. All children with the same case number may be listed on the same application. If anyone in your household receives SNAP, all children living in your household are eligible to receive free meals at school.

Direct Certification: If you receive SNAP or TANF, send in the Eligibility Letter from the NYS Education Department instead of completing the application. Make a copy for your records.

Foster Child: A child who is living with a family but who is under the legal care of the welfare agency or court may be listed on your family application. List the child's "personal use" income. This includes only those funds provided by the agency, which are identified for the personal use of the child, such as personal spending allowances, money received by his/her family, or from a job. Funds provided for housing, food and care, medical, and therapeutic needs are not considered income to the foster child. Write "0" if the child has no personal use income.

Household: A group of related or non-related people who are living in one house and share income and expenses.

Adult Family Members: All related and non-related people who are 21 years of age and older living in your house.

Financially Independent: A person is financially independent and a separate economic unit/household when his or her earnings and expenses are not shared by the family/household.

Gross Income: Is money earned or received by each member of your household before deductions. Examples of deductions are federal tax, State tax, and Social Security deductions.

Examples of gross income are:

- ◆ Wages, salaries, tips, commissions, or income from self-employment
- ◆ Net farm income – gross sales minus expenses only – not losses
- ◆ Pensions, annuities, or other retirement income including Social Security retirement benefits
- ◆ Unemployment compensation
- ◆ Welfare payments (does not include value of SNAP)
- ◆ Public Assistance payments
- ◆ Adoption assistance
- ◆ Strike benefits
- ◆ Supplemental Security Income (SSI) or Social Security Survivor's Benefits
- ◆ Alimony or child support payments
- ◆ Disability benefits, including workman's compensation
- ◆ Veteran's subsistence benefits
- ◆ Interest or dividend income
- ◆ Cash withdrawn from savings, investments, trusts, and other resources which would be available to pay for a child's meals
- ◆ Other cash income

If you have more than one job, you must list the income from all jobs.

If you receive income from more than one source (wage, alimony, child support, etc.), you must list the income from all sources.

Current Income: Your income at the present time **before deductions**. Only farmers, self-employed workers, migrant workers, and other seasonal employees may use their income for the past 12 months reported from their 1040 Tax Forms.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

How to Apply: To get free or reduced price meals for your children, you may submit an Eligibility Letter for Free Meals received from the NYS Education Department, OR carefully complete one application for your household and return it to the designated office. If you now receive SNAP, Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children's names, the household food stamp, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a food stamp, TANF or FDPIR case number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income of each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult's social security number, or check the box if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your food stamp or TANF case number or complete the income portion of the application.

Reporting Changes: The benefits that you are approved for at the time of application are effective for the entire school year. You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive SNAP.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly.

The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (PDF), found online at http://www.ascr.usda.gov/complaint_filing_cust.html, or at any USDA office, or call (866) 632-9992 to request the form. You may also write a letter containing all of the information requested in the form. Send your completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, by fax (202) 690-7442 or email at program_intake@usda.gov.

Individuals who are deaf, hard of hearing or have speech disabilities who wish to file either an EEO or program complaint please contact USDA through the Federal Relay Service at (800) 877-8339 or (800) 845-6136 (in Spanish).

Persons with disabilities who wish to file a program complaint, please see information above on how to contact us by mail directly or by email. If you require alternative means of communication for program information (e.g., Braille, large print, audiotape, etc.), please contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

Meal Service to Children With Disabilities: Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

Confidentiality: The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

Reapplication: You may apply for benefits any time during the school year. Also, if you are not eligible now, but during the school year become unemployed, have a decrease in household income, or an increase in family size, you may request and complete an application at that time.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.

Sincerely,

Shawn Johnson
Director of Pupil Personnel Services

Special Education Services for Parentally Placed Nonpublic School Children

By Shawn Johnson

I am writing to inform you of new Federal and State requirements regarding Special Education services for parentally placed nonpublic school children. These changes may affect how your child receives special education services. The most important change is that the school district where the nonpublic school is located will now be responsible for individual evaluations and development of individualized education programs (IEPs) for students with disabilities, including conducting the Committee on Special Education (CSE) meetings, and for providing special education services to students with disabilities who are parentally placed in nonpublic schools. The following information is important for you to know:

* Beginning with the 2007-08 school year, if you have placed your child in a nonpublic school and, while the child is enrolled in that school, you suspect that the student has a disability, you must contact the school district where the nonpublic school is located to request an evaluation to determine your child's eligibility for special education services.

* We must have your written consent in order for us to provide information (such as your child's IEP) to the school district where the nonpublic school is located.

* If you place your child in a nonpublic school and wish your child to receive special education services while enrolled in that school, you must request those services in writing no later than June 1 before the school year in which services are to be provided. This year you should request services from us and with your written consent, we will forward that request to the school district responsible to provide the special education services to your child. (We will not require you to have requested services by June 1 if your child is first identified as needing special education services or if you moved into the district between June 1 of this year and April 1 of next year.)

* If the nonpublic school where you place your child is located within the geographic boundaries of another public school district, the public school district in which the non public school is located will arrange for and provide the recommended services for your child. The personnel and locations for the delivery of those services will be determined by that school district. Federal and State law require this.

* If the nonpublic school where you place your child is located in another state, your child may not be entitled to all of his/her IEP services.

* Transportation requests from your child's home to the nonpublic school should continue to be submitted to the school district where your child legally resides by April 1 of the school year before transportation is to be provided.

Bookworms Summer Book Club

By Jill Rapp

Have you read a good book lately? Mrs. Rapp's kindergarten class read several this summer! The "Bookworms Summer Book Club" chose four titles to read at home during the summer. On alternate Wednesday evenings, they could be found gathered at a classmate's home discussing one of the selections, working on a book related craft and enjoying a delicious snack.

Students gathered for their first meeting in Mrs. Rapp's backyard to discuss author, Kate DiCamillo's book, *Mercy Watson to the Rescue*.

NYS Health Insurance Available for Eligible Children and Families

Shawn Johnson, Director of Pupil Personnel Services

Do you know of anyone who is currently without health insurance?

Without health insurance, children and adults are left to rely on a patchwork system for necessary medical care. Children who are uninsured are more likely to go without essential health services, miss school because of untreated illness, and end up in the

emergency room for preventable conditions.

To close the insurance gap, New York State is expanding eligibility for children and families by making it easier to sign up for and keep their health insurance coverage. I am excited to announce that the Eden Central School District now has a Facilitated Enroller who will assist

our Eden families in filling out and filing the necessary paperwork needed to access free or low-cost health insurance.

What do you need to do? Contact Shawn Johnson, Pupil Personnel Services at 992-3645.

I am looking forward to hearing from you.

Annual Notice/Child Find - Special Education Services for Children Ages 3-21

The Eden Central School District is participating in an ongoing local and state effort to identify, locate, and evaluate children ages 3 through 21 who may have a physical, mental, communicative, learning and/or emotional disability.

The Eden Central School District Pupil Personnel Services Office implements child

identification, location, and evaluation of children 3-21 who have disabilities regardless of the severity of their disability, and who are in need of special education and/or related services. At no cost to the parents, these services are provided in compliance with state and federal laws in the least restricted environment.

Parents may obtain additional information regarding special education services and programs and parental rights by contacting Shawn Johnson, Director of Pupil Personnel Services at 716-992-3645.

Visitors to District Schools

If you are visiting the schools, e.g., teacher conference, observing a class performance, helping with centers, lunch with your child, etc., you will need to sign in and wear a "visitor" badge. At the Elementary Building, these may be found at the table in front of Mrs. Steinmetz's desk in the main office. At the GLP Primary School, you will need to sign in and wear a "visitor" badge found in the Main Office. If you don't find a badge with your name, there will be blank badges available for

your use. The bottom line is all visitors or volunteers to the Elementary Building or the GLP Primary School will be required to sign-in for every visit! Please wear the badge identifying who you are every time you are in the building. If you have any questions, please call the Elementary Building main office at 992-3610 or the GLP Primary main office at 992-3638.

Important Change to Report Cards

By Kelly LaRosa, Director of Curriculum & Instruction

The 2014-2015 school year brings important changes to report cards. GLP Primary students will receive a standards based report card. The intent of the new report card is to accurately communicate a students' progress toward meeting the Common Core Learning Standards.

The elementary report card will be under revision this year. A committee will meet throughout the school year to align the elementary report card with the Common Core Learning Standards.

All students Kindergarten through Grade Six will receive report cards on a trimester basis. This affords teachers more time for instruction, as less time will be spent on assessments for each marking period. Report cards will be issued in November, March, and June.

Detailed information on the GLP Primary report card will be presented during open house on September 2.

Math Teachers for a Day

By Johanna Funke

After many days of careful planning and preparation, these students walked to the GLP to deliver their lesson to some of the first and second grade classrooms. The sixth grade students were given suggested skills to teach and then read the common core standards associated with that skill and developed their own innovative lesson or game to teach. New Digital Sign

By Sandra Anzalone

Once again our Eden Community has helped us meet our goals! Thank you to everyone who played a role in making sure that our new Eden CSD digital sign was installed by graduation. It is a wonderful addition to our campus!

A few years ago, the Eden CSD Shared Decision Making Team conducted a needs survey; improving communication throughout the community was a top recommendation. A new digital sign would be a way for not only the school district but the entire Eden Community to announce their upcoming events. This past winter, a sign committee formed including representatives from the Eden Alumni Association, Eden Chamber of Commerce, Eden Community Foundation and Eden CSD. In March, the Eden Community Foundation started off the fundraising with a \$5,000 grant to the Eden Chamber of Commerce. The Eden Chamber then solicited local organizations, businesses and community members for contributions. This was followed by a generous anonymous donor who gave a matching grant of \$5,000. Thanks to other generous donations by Sharon Baur, Howard Stresing and family, and many others, this sign was installed on June 20th. The entire project was completed in less than three months and the sign has now been donated to the Eden CSD by the Eden Chamber of Commerce.

The digital sign was mounted into the existing brick structure, which was erected and donated to the district in the 1950s. In the words of our Chamber President, Paul Zittel, "All of Eden will benefit from having a highly visible sign, located in the center of town on a well-traveled route."

Any Town of Eden not-for-profit organization can request their message to be displayed at no cost. Messages will change every ten minutes in order to maintain the safety of drivers. Requests for messages to be displayed can be emailed to

EdenDigitalSign@edencsd.wnyric.org. All email requests must include the organization's name, a contact name, phone number, exact message to be displayed and duration.

"Forgiveness is the key to action and freedom."

FACILITIES NEWS AND INFORMATION

By David Martin
Superintendent of Buildings and Grounds

Legal Notices: The Eden Central School District has adopted **Integrated Pesticide Management** as an effective, safe and environmentally sensitive approach to pest management. The program uses common sense practices to control pests by taking advantage of various management options including the judicious use of pesticides. State Education Law requires districts to make notifications to staff and persons of parental relations of pesticide use in the district and on the grounds. This notice is to inform you that during the 2014-15 school year, it may be necessary to use pesticides on school district properties to meet management goals. Our use of pesticides has and will continue to be on an emergency basis to control imminent hazards such as bees, ants and rodents.

The Triennial Asbestos Inspection was completed in June 2013 as required by Education Law and AHERA regulations. The inspection was conducted by an independent certified Asbestos Inspector. No significant changes have been noted since the last inspection. Ongoing surveillance inspections continue throughout the school year.

The Annual Fire and Structural Integrity Inspection of all District owned facilities was conducted in February as required by Education Law. No significant changes or deficiencies were identified, and the facilities were found to be in good condition. Results of the inspections can be reviewed by contacting David Martin - Superintendent of Buildings and Grounds.

If you have any questions regarding any of the above, please contact David Martin - Superintendent of Buildings and Grounds at 716-992-3602.
