

DISTRICT NEWSLETTER

Eden Central School District

Volume 50 — Issue 6

June 2013

From the Superintendent

Dear Eden Families,

Each year as I write a closing message, I can't help but reflect on how quickly the school year goes by. I am certain that those of you with sons and daughters graduating or moving up to a new building feel the same way. Congratulations to all of you!

I have only been here a short time, but it is very clear to me why Eden is such a special place. The support and encouragement that this community shares with its children through our schools is overwhelming. "Eden will always be your home", the message to the Class of 2013 given by High School Principal, Marc Graff, at graduation is so very true. It is true because of you.

On behalf of the Board of Education, administrators, faculty, staff and students of Eden Schools, I thank you for once again supporting our school budget. The voices of the community were heard and the interests of each student were considered. The budget, approved with a 1.99% tax levy increase, maintains all academic programs, including those in music and the arts.

This summer, our administrators and Board of Education will be busy revisiting our District Goals and setting a direction for next year. With all the changes in NYS education, I anticipate an exciting year. We now know so much more about the teaching and learning process. The Common Core Learning Standards have taken this into account and hold much promise. They require us as educators to teach more deeply and with new purpose. As with all change, it can prove to be a challenge at times. Please know that we, along with all schools, are "Under Construction" and that we will arrive at a place far better than in the past. While we may not have all the answers right away, feel free to call your son/daughters' teachers when you do have questions.

As you read through this newsletter, you can't help but notice all the talent, creativity and self-expression of our students. Their work and generosity has helped improve the lives of many people in Western New York. We will miss them over the summer and look forward to seeing them on Opening Day for Students, Wednesday, September 4.

And finally, these opportunities would not be possible without the dedication of our teachers, staff and administrators. I'd like to take this opportunity to wish them all a safe, healthy and joyful summer. Thank you for all you do.

Tree of All Seasons

By Mary Ellen Bossert

Mrs. Bossert and the first grade artists from the G.L.P. have been hard at work creating a 30 foot mural for the back drop of the cafeteria stage. The mural depicts a tree in day and night with winter, spring, summer and fall represented for all to enjoy!

Art is powerful! Special thanks to the PTA for making this project possible. Thank you to the GLP SDMT membership for your vision that is helping to make our building an even brighter star!

Tree of all Seasons! The unveiling—A 30 foot mural painted on canvas was hung on the back stage wall of the GLP cafeteria! It was created by first grade artists under the guidance of art teacher, Mrs. Bossert.

Veteran's Golden Age Games

By Lynn Morgan

Students in Eden's art classes made art embellished bison as souvenirs welcoming U.S. armed services veterans to Buffalo from across the nation. The veterans participated in the national Veteran's Golden Age Games geared for those aged 55 and over in Buffalo May 30 - June 4. Over 700 veterans participated in the event.

Students created a work of art on a bison, and added messages thanking them for serving our country, welcoming them to Buffalo, and wishing them luck in the games. The bison they created will be given to seniors who are competing in Billiards as part of the games. "We wanted to give each person a keepsake souvenir for the games, while thanking them for their service. We began the lesson talking about what "veterans" means, and the types of sacrifices they made. It made a great discussion right before the Memorial Day holiday," said art teacher, Lynn Morgan. Pictured are Junior High students from Ms. Morgan's 1B class, each holding one of the bison they created.

GLP Artists

By Mary Ellen Bossert

Eden G.L.P. Kindergarten Flower Paintings inspired by the work of artist, Georgia O’Keeffe are on display at Henry’s Gardens located at 7950 Sisson Highway, Route 75.

Art Teacher, Mrs. Mary Ellen Bossert, selected paintings by Skyler F., Abby L., Mitchell P., Grace C., Trinity C., Daniel S. and Brady M. Evenhouse Printing generously made copies of the paintings so they could be displayed among the beautiful surroundings in the new establishment of Martin and

Barb Henry of Eden.

Come take a look and enjoy the bounty of the season!

Congratulations to Mrs. Stumpf’s artists: Skyler Fox, Abigail LaVerdi, Mitchell Preischel; and Mrs. Castiglia’s artists: Grace Canfield, Trinity Chatwood, Daniel Schunk, Brady Mason. (Brady Mason’s painting pictured at right.)

Congratulations Lexie DePan, second grade Superintendent Art Collection winner from the GLP! Her art work titled, *Action Jackson Word Art* (pictured below) is on exhibit at the Albright Knox at the moment, but when it comes back to Eden, it will be framed and exhibited in the halls at the GLP to inspire other artists in generations to come.

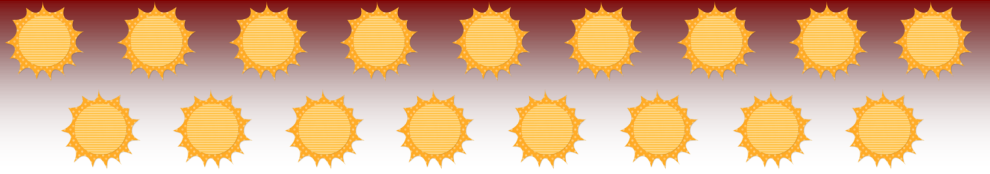

Mrs. Bossert's Art News: Mrs. Engle's and Ms. Preischel's second grade classes have created Japanese inspired paper crane bowls and Mrs. Stumpf, Mrs. Rapp, and Mrs. Castiglia's kindergarten artists created clay bowls that were painted by residents at the Eden Heights Assisted Living Center. Pictured right at the Burchfield-Penney Art Gallery are Mrs. Bossert, Jocelyn Pond (K), Ryan Pontonio (2), Pat Crosier (Eden Heights Activity Director), and Mrs. Karen Pontonio.

Congratulations to the 2013 Superintendent Art Collection Winners

These artists will have a piece of their artwork displayed in their school building: Alexandria DePan, Grade 2, Savannah Battleson, Grade 5, Nicole Mroz, Grade 7, Kelly Doherty, Grade 12.

Career Day Extravaganza at Eden Elementary

By Mrs. Schnaufer and Mrs. Orcutt

Sixth grade students were recently given the opportunity to explore a wide variety of careers available to them in their community, as well as around the world. They were able to explore their interests, values, abilities and skills.

While in their computer lab class, students completed an interest inventory and were able to assess their likes and dislikes of a variety of activities and interests. Students chose from a variety of careers online and explored them at mappingyourfuture.org/planyourcareer/careership/.

Students were also given the opportunity to do a virtual job shadow online. They were able to view a person in their chosen career choice perform daily duties at www.careeronestop.org/ExploreCareers/ExploreCareers.aspx.

On May 10th, the sixth graders were treated to a half day “Career Day Fair” where Eden parents, community

members, and friends and spouses of Eden Elementary teachers spoke to the students about their own career paths. Each student attended three 25-minute sessions with presenters they chose during computer lab, and students and faculty alike, enjoyed each presentation. Presenters included Jeff Meredith, Hockey Coach - SUNY Fredonia; Steve Malkowski, Buffalo Police Officer; Ann Sawyer, Court Reporter; Tracey Fest, Pediatric Dental Hygienist; Tim Schnaufer, Architect and Professor - ECC; Chuck Laedke, Mason; Michael Breeden, Chief Information Officer - Erie County; Don Johnson, Plumber; Joe Steger, Professional Tennis Coach; Kevin Karstedt, Informational Writer; Jody Bialaszewski, Occupational Therapist. We were thrilled to have so many presenters donate their time to help at our annual Career Day at Eden Elementary

be such a success!

Richard Brechtel Honored

Members of the Eden Boys Varsity Tennis team (and one alumnus) honored their coach, Richard Brechtel, at their final home match of the season.

Mr. Brechtel is retiring from Eden Junior/Senior High after teaching and coaching for 33 years.

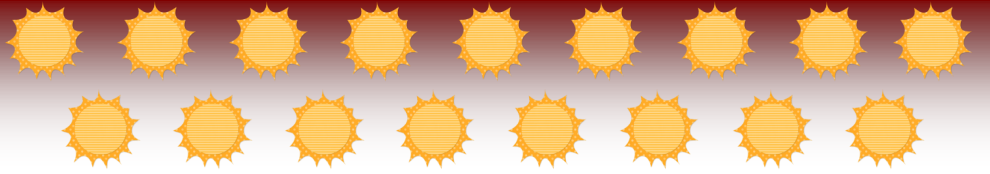

2013 Scholastic Achievement Students Honored at Dinner

Congratulations to Eden's 2013 top three seniors, Jacob Sessanna, Lindsay Robinson, and Jenelle Nyitrai who were recognized at the annual Scholastic

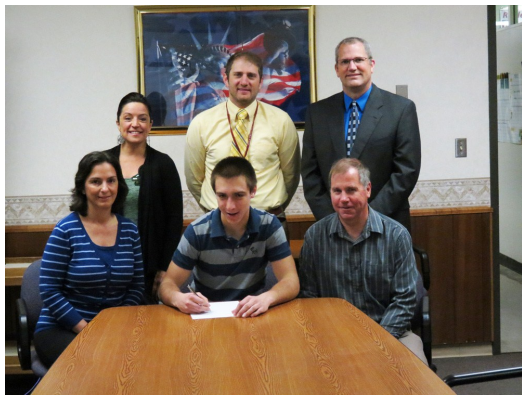

Achievement Recognition Dinner sponsored by the Erie Niagara School Superintendents' Association on May 23, 2013 at Salvatore's Italian Restaurant.

Seniors Sign Letters of Intent

After a three year starting career on Eden Varsity Lacrosse, Brady Bermingham (right) signed his letter of intent to play at Division II Roberts Wesleyan. Brady is a two time lacrosse captain, and ranks among the top ten all-time scorers in Eden Lacrosse history. Brady has twice been honored by E.C.I.C. coaches as one of the best players in the league, and is a participant in the 34th annual WNY Senior All-Star game. Brady will pursue an engineering degree at Roberts Wesleyan. (Seated) Mrs. Bermingham, Brady, Mr. Bermingham. (Standing) Mrs. Banks, Mr. Archabald, Mr. Graff.

A two year starter and captain in his senior year, John Arnold (left) signed a letter of intent to play at Division II Walsh. In his senior year, John led the defense in groundballs and takeaways. John is a second team E.C.I.C. long stick middle. John's athleticism and hard work on the field and in the classroom have led to his success. (Seated) Mrs. Arnold, John, Mr. Arnold. (Standing) Mrs. Banks, Mr. Archabald, Mr. Graff.

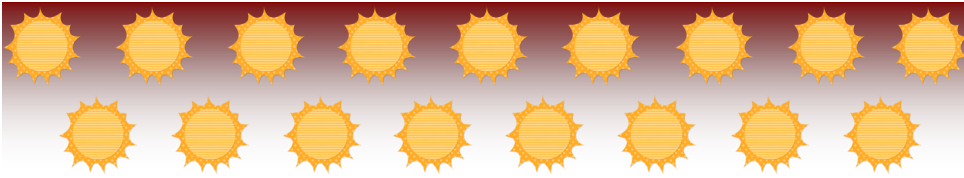

Chandler Kraska (right) recently signed with Allegheny College to play golf. Chandler has been on the Varsity golf team for the last 5 years and

was an integral part with the team winning the division 3 out of the last 4 years. With each passing year, his leadership skills continued to develop, and Chandler has emerged as the team leader on and off the course. He has been the team MVP for the last 3 years and competed in the ECIC Championship, as well as the Sectional Qualifier. His play on the course will be missed. However, the loss of his character and leadership are irreplaceable. We wish you all the best in your future endeavors. (Seated) Mr. Kraska, Chandler, Mrs. Kraska. (Standing) Mrs. Anzalone, Ms. Fallacaro, Mr. Crombie, Mrs. Banks, Mr. Graff.

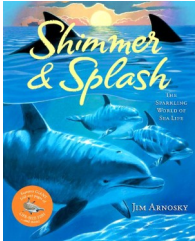

Cassidy Genco and Nicole Fazzolari have decided to continue their field hockey careers in college. Cassidy has chosen to attend Elmira College where she will major in Nursing; while Nicole Fazzolari will attend SUNY Brockport where she will also major in Nursing. Nicole and Cassidy were co-captains of this year's field hockey team. Their strong play and leadership skills led the lady raiders to a successful season. Their individual efforts earned both athletes Most Valuable Senior Awards; in addition to being recognized by the league as they earned ECIC all-star awards. Best wishes to both as they pursue their academic and athletic goals. (Seated) Mrs. Fazzolari, Nicole Fazzolari, Cassidy Genco, Mrs. Genco. (Standing) Mrs. Carriero, Mrs. Banks, Mr. Fazzolari, Mr. Graff, Mr. Genco, Ms. Fallacaro, Mrs. Anzalone.

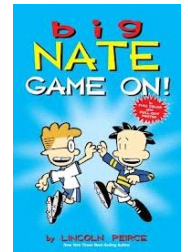

What's On Your Summer Reading List? Try these!

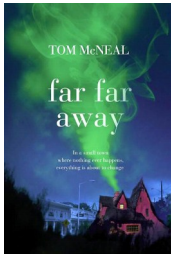

By Vanessa Zoll, Elementary School Librarian

The Moon and More by Sarah Dessen
During her last summer at home before leaving for college, Emaline begins a whirlwind romance with Theo, an assistant documentary filmmaker who is in town to make a movie.

Retirees

The end of the 2012-2013 school year brings six retirements with it. Retiring this year are Elementary Teacher, Rose Nowak; Jr./Sr. High School Librarian, George Kibler; High School Technology Teachers, Ronald Uhlman and Richard Brechtel; Jr./Sr. High School Secretary, Dottie Bauer; and Eden Elementary Principal, Richard Schaefer.

Rosemary Nowak started teaching in Eden in 1990. She grew up and attended college in Ohio, taught a year in San Antonio, Texas, then moved to Western New York with her husband, where she taught in various Catholic Schools until being hired to teach in Eden. She was originally hired to teach Sixth Grade Science. In 1990, the student population was increasing, so there was a need for an additional sixth grade teacher who had an interest in teaching Science. She was hired to fill that position and started out teaching five sections of Science. A couple of years later, she was asked to teach a section of ELA, along with the Science, and in subsequent years as class sizes have changed, she has also taught Social Studies and Math.

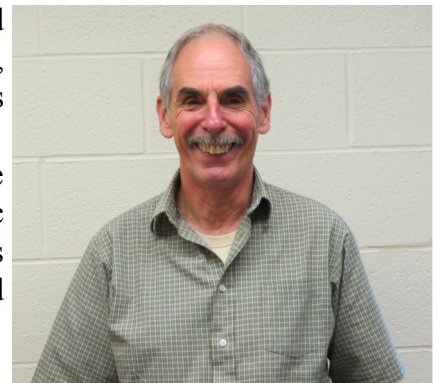

Mrs. Nowak received two Teacher Appreciation Awards from the ETA; One in the mid-nineties, and another last year for her participation as the Eden Representative for the Teacher Center.

Her fondest memories from her time at Eden include the many wonderful friends she has made, and the great students she has had who taught her how to laugh with them and laugh at herself. The kids kept her young at heart!... Hatching dozens of chickens and launching thousands of rockets, chaperoning class trips to places like the Whale Watch at Plymouth, Massachusetts, live theater in Toronto to see The Lion King, getting soaking wet on the Hurricane Deck during the Niagara Falls Experience, the end of the year Faculty Parties at Judy Maynard's House. Those parties signaled the official beginning of summer vacation. In addition, she has really loved serving as Eden's Representative on The Teacher Center Policy Board for the last 13 years.

Mrs. Nowak and her husband have lots of plans to travel, both in the states and abroad. She also plans to spend lots of time with her grandchildren! Mostly she just wants to enjoy life! She will fondly remember the kindness and support of the staff, faculty, and principal at Eden Elementary, especially when she was dealing with tough health issues. The folks in the Elementary Building have been like family to her. She will always remember her daily drive into the rural setting of Eden from her home in Lancaster, especially the breathtaking view when she crossed the Eden Valley Bridge in the fall when the leaves were changing color, and in the springtime when all the trees starting budding and the farms came back to life!

George Kibler has served as the Jr./Sr. High School Librarian for the past 18 years. After a short career in the U.S. Army as an Air Traffic Controller, and twenty plus years as an engineer in the medical electronics and industrial process control fields, he completed graduate school and started his career at Eden as a School Media Specialist in 1995.

(continued on page 10)

Retirees (continued from page 9)

There have been many changes in his position over the years. Most involved the integration of computers into both the business and education functions of the Library. Records were digitized and an automated cataloging system was implemented to replace the traditional card catalog. Computers found their way into budgeting, ordering and processing materials. The most valuable were the changes on the education side – typing tutors, word processing, reading, spelling, and math software, the Internet, iDevices, and electronic books.

Mr. Kibler is a member of Phi Beta Mu, an honorary library society. Some of his most memorable moments involved the seventh graders – new school, new teachers. As he grew weary of putting a “Library Closed for Lunch” sign up, he made a new one that said “Library Closed - Gone Fishing”, which prompted a seventh grader to go to the office and ask Miss Menkiena, “Can he do that?”

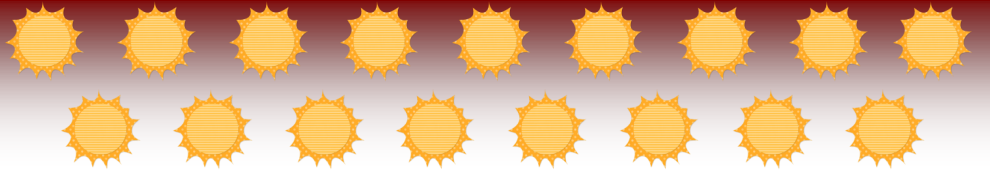

Mr. & Mrs. Kibler are looking forward to traveling throughout the United States, including Alaska and Hawaii, with emphasis on the National Parks, where they plan to do some hiking, kayaking, and photography. They hope to spend more time with their two daughters, sons-in-law and five grandchildren. He also intends to complete restoration of his 1960 Corvette, and he looks forward to having more time to play guitar. Mr. Kibler will most remember the people - faculty, students, and staff - who make Eden the best school district!

Eden Central School has been a large part of Ronald Uhlman’s life since he was a third grader at GLP and a member of the first graduating class from the existing high school. After graduating from Alfred Ag. & Tech., and working in the Syracuse area, Ron enrolled in Buffalo State College to earn a Bachelor’s Degree in Industrial Arts. In the fall of 1980, he returned to Eden to embark on his 33 year teaching career. Mr. Uhlman earned a Master’s Degree in Industrial Arts, as well as certifications in Occupational Math, Driver Education and School District Administration. He is a certified NY and National Boater Safety Instructor and instructs and belongs to the Professional Association of Ski Instructors. Mr. Uhlman has taught more than 18 different technology courses over the years, driver education since 1978, and he belongs to several professional organizations. In addition, he was the Embers Yearbook advisor for many years, the ETA treasurer, building representative, President and Vice President of the Western New York Technology Education Association for nine years and a New York State Teacher’s Retirement System delegate. In 1989, Mr. Uhlman was honored as the NYS Technology Education Teacher of the Year. He has also been honored with a NYSUT Leadership Award.

Retirement will afford him the time to boat, ski, paint, teach driver education, remodel and do yard work. He will enjoy his cottage property, as well as family and friends.

After graduating from college in 1979, Richard Brechtel started his teaching career at Starpoint. When the opportunity arose to teach woodworking in Eden, he applied and was hired in September of 1980. Teaching over 25 technology related courses during his 33 year career, Mr. Brechtel has enjoyed every minute. He has been a vital part of Eden Athletics as the boys and girls tennis coach, and he feels that he has learned a lot from the students, as well as other coaches both on and off the court. Mr. Brechtel was awarded “Teacher of the Year” in 1985 by the Eden Teachers’ Association. (continued on page 11)

Retirees (continued)

Mr. Brechtel feels fortunate to have been a part of the Eden Central School District and credits his colleagues, students, and members of the administration for making his career memorable. He will forever appreciate having the ability to watch his students grow into mature men and women.

Retirement will allow him more time to do the things he loves. He will surf, camp, fish, play golf and tennis and enjoy the company of his wife, Joan and his two daughters.

Dottie Bauer will retire after a 22 year contribution to the District. She spent the first ten years of her career at Bethlehem Steel as a secretary, then she became a teacher aide at the Eden Co-Op Nursery School. In 1991, she started working at Eden High School as a teacher aide in the copy room, making copies for the district, as well as overseeing afternoon detention. In 1996, she became a Senior Clerk Typist in the Special Education Office and then moved to the Jr./Sr. High Main Office where she has spent the remainder of her employment.

As a lifelong resident of Eden, Mrs. Bauer and her husband of 47 years, John, have three children and three grandchildren. Dottie says she is looking forward to spending more time with all of them in her newfound freedom. She will also be making her own hours and calling the shots as she lends a hand to her husband's company as a bookkeeper, but she will still find time for gardening and antiques.

Richard Schaefer is ending his 22 year career as the Eden Elementary School Principal with about two months serving as Acting Superintendent. He was awarded the Western New York Educational Service Council Administrator of the Year Award in 2012. Mr. Schaefer will take many fond memories of his faculty and staff with him as he retires. He has enjoyed all the meetings and the turkey and mashed potato lunches.

In his free time, Mr. Schaefer will have the opportunity to spend more time with his family, play his guitar, kayak, learn Spanish, perhaps be a consultant for Pearson publishing, and last, but not least, he will work on his stand up routine.

We wish all of our retirees a long and happy retirement!
