From the Superintendent's Office

Dear Families and Friends of the Eden Central School District:

I hope that you were able to have a restful and enjoyable holiday season and a great beginning to 2013.

It is with a heavy heart that I write to you for this last time, as I have retired from public education. It has been a great fifteen-year experience here in Eden. I have had the opportunity to work with and get to know outstanding administrators, faculty, staff, community members and especially students. It is my sincere belief that this is one of the best school districts in Western New York with the best and most capable students. We have offered our students many programs, both curricular and extracurricular that led them to becoming well-rounded and effective members of our community and country in general.

It has been a pleasure to work side by side with such a professional staff, ensuring the stability, growth and improvement of our district for the benefit of kids. The future is certainly going to be a challenge, and tough decisions will have to be made. I encourage each of you to become aware and involved in your school district. It will certainly need not only your support, but also your involvement in the future if success and greatness are to be maintained. I thank you all and wish you all the best in the future.

Sincerely,

Ronald K. Buggs

Note: Don't forget to contact your elected leaders and ask them to support education in Eden as much as this community supports education. Your voice does count in Albany.

Eden High School Chamber Ensembles Hit The "Big Stage"

By Sarah Roberts

On Sunday, January 20th, the Chamber Orchestra/Fiddle Club and Wind Ensemble from the Jr./Sr. High School participated in the Buffalo Philharmonic Orchestra's Community Spotlight. Formerly known as Community Nights, this program features school and community groups in pre-concert performances before BPO concerts throughout the year. Performances occur in the Mary Seaton Room at Kleinhans, 45 minutes before the BPO concert. Each student performer receives a free ticket to the concert that follows. Family, friends and community members receive discount ticket prices to

attend as well.

This program began in 1995 as a partnership between the Buffalo Philharmonic Orchestra and the Erie County Music Educators Association.

A group of fifty-three of the Jr./Sr. High School's best musicians accompanied by Mrs. Martella and Mrs. Roberts braved the windy weather and arrived in Buffalo to perform for family, friends, community members, and regular patrons of the Buffalo Philharmonic Orchestra. Each group performed two pieces on a joint concert before packing up our equipment and heading into the main performing

hall. Many family members joined us as we watched the BPO perform their "Cheers to Mozart" concert consisting of an Overture, a Symphony and a fantastic double piano concerto played by two twenty-five year old twins.

Mrs. Martella and Mrs. Roberts would like to thank all of the family and friends of our students who transported students and equipment to Kleinhans and also to those who attended the performance. They would also like to congratulate their students on a fantastic performance. You made Eden shine brightly.

Howie Attends Presidential Inauguration

Kristin Howie, a senior at Eden Jr./Sr. High School, attended the 57th inauguration of the United States President. Kristin, an alumni of the National Youth Leadership Forum on Law and CSI, was invited to attend the High School Presidential Inaugural Conference. She traveled to Washington, DC to be part of this historic event January 9th – 23rd, 2013. There she met up with high school students from across the country.

While in Washington, DC, Kristin heard from two compelling speakers, Alex Shriver, National Chairman of the College Republican National Committee and Tori Taylor, National President of the College Democrats of America. Both provided insight into their election campaign strategies and invaluable information on how to be a leader.

Each day, the group participated in Presidential Group Meetings. They discovered the many critical roles filled by the President, including Chief Executive, Commander in chief, Political

Party Leader and Diplomat. They also explored Presidential Campaigns, roles of staff members and cabinet, as well as strategies that can be used to communicate their platforms.

Keynote speaker, Dr. Condoleezza Rice, former US Secretary of State and National Security Advisor, spoke to the group. She provided an insider's perspective on the American Presidency. Another distinguished keynote speaker, General Wesley Clark (Retired) spoke of exploring leadership on and off the battlefield. Kristin was also able to enjoy a private viewing of All the President's Men, followed by a panel discussion with renowned Washington Post reporter Bob Woodward and veteran journalist, Nick Clooney.

On Inauguration day, Kristin was at the center of the world stage, as the nation welcomed back the 44th President of the United States, Barack Obama. Kristin took part in American history as she witnessed the inauguration firsthand on the Nation's Mall. After the swearing in ceremony, the high

school senior attended a special viewing party of the President and First Lady's travel from the US Capitol down Pennsylvania Avenue to the White House.

The trip also included exciting entertainment. Kristin enjoyed music and political satire performed by The Capitol Steps and a private concert with special guest star, *Allstar Weekend*. All this was topped off with the Gala Inaugural Celebration Ball held at the Smithsonian National Air and Space Museum.

Kristin is the daughter of Larry and Judy Howie of Eden. She plans to attend Nazareth College in the fall to study Political Science.

The Greek Gods came down from Mount Olympus and visited Amber Costanzo's class at the Eden High School.

The students were to dress like a God/Goddess for a powerpoint presentation that included music, food, and objects worthy of the myths they have been studying. Pictured in the center is the Queen Goddess Mrs. Costanzo with her mythology students.

New York's wilderness is beautiful—enjoy it safely! This 20-hour course is for those who work, live or play in remote areas—away from the usual EMS service. Basic first aid skills are covered, making this course appropriate for anyone regardless of experience level. In addition, you'll learn the skills needed to prevent, recognize, and provide basic care for breathing emergencies and cardiac arrest. The course follows the latest science for emergency cardiovascular care/2010 CPR guidelines. No prerequisites are required. The Wilderness and Remote First Aid certification is valid for two (2) years. Minimum age of 15 is recommended for participants due to the serious nature of the courses and scenarios. Words are introduced weekly in a multisensory approach with games and song to engrain the vocabulary into memory. Each 6-week session introduces/reinforces vocabulary from previous New York State standardized tests. New vocabulary and activities are introduced with each 6-week session allowing returning students to continue expanding their vocabulary base and new students to begin building their vocabulary base - classes are never a repeat! Classes will begin again in April. Information will be sent home with your student. Classes meet after school from 3:15 - 3:55 p.m. Students in grades 4-6 can take the late bus home from Spanish class. The class fee is \$65 per student for the 6-week session. Class size is limited! VISION:

ECSD is a collaborative learning community that embraces the individuality of each student, educating and empowering them to become productive citizens in an ever-changing and diverse society.
