AM Pre-K		8:35 a.m. – 11:05 a.m.
PM Pre-K		12:30 p.m. – 3:00 p.m.

### Transportation

Please review the transportation schedule carefully so that you may properly prepare your children for the bus route and time schedule that they will follow.

The transportation of students is essential to the operation of the education program. Safety is the foundation of all school transportation systems and requires the cooperation and active support of all segments of the school community.

The potential for accidents is greatly increased when students fail to follow the general bus rules that are distributed to every bus-riding pupil in the Eden Central School District. We ask that parents make the effort to discuss these rules with their children and help us provide an atmosphere on all buses that will allow bus drivers to do their jobs with concentration and courtesy.

## From the Superintendent

Dear Community Members and Families of Our Students:

The summer has gone by quickly and is nearing its end. Hopefully, you all have had the opportunity to spend some quality time with your families, as well as participate in Bicentennial, Alumni and/or town activities this summer.

I would like to take this opportunity, as we begin another new year, to again say thank you for your continued support of the Eden Central School District – one of the best in Western New York.

The coming year will continue to be a challenging one with regard to the State financial situation, as well as the many changes coming in the area of curriculum, testing, and evaluation. The new New York State reform agenda will create many changes for all of us. We ask that you be patient as all schools across the State, including Eden, work to implement these changes. If you have questions, do not hesitate to contact your building Principal and/or the District Office. We will continue our work together to ensure that all of our students have every opportunity to succeed and to graduate as well rounded individuals.

Don't forget our District Newsletter is now on-line. You can request to receive it in the mail by calling the District Office.

Parents in K-12 – don't forget that you can now view your student's attendance and progress on the Parent Portal. This is also the place to ensure that all of your student's personal and emergency contact information is up to date. If you lost or forgot the directions for access or the password, please contact your school office.

We all have a great deal to be proud of. Please continue to support your sons/daughters and grandchildren. They appreciate all that you do, even though they may not say it often. Our board members, administrators, faculty and staff join them in this appreciation. We can only continue to be the best if we all work as a team in school, at home and in the community.

I encourage everyone, administrators, faculty, staff, parents and community members to join the PTA and the All Sports Booster Club. Both organizations do a great deal to support our students. They need our support and involvement. Have a great school year.

Sincerely,

Ronald K. Buggs  
Superintendent

## Notification of Opt Out Provisions

Health Education is required by the New York State Education Department. Eden Central School's Health curriculum fulfills the NYS Education requirements according to the Commissioners Regulations, Substitute-Chapter C. Part 135.

Section 135.3b(2) and C(2) states: "No pupil shall be required to receive instruction concerning the methods of prevention of AIDS if the parent or legal guardian of such pupil has filed with the Principal of the school which the pupil attends, a written request that the pupil not participate in such instruction, with an assurance that the pupil will receive such instruction at home."

Age appropriate material is presented in all grades, K-12. Inquiries arise more frequently about the elementary curriculum, which is briefly outlined below:

- ◆ Grades K-3: Body fluids, such as saliva, tears and perspiration, blood related injuries (nosebleeds) and good hygiene.
- ◆ Grades 4-6: Transmission of blood-borne diseases, including fights, ear piercing, injuries, etc.

The District shall make instructional materials available for inspection by parents/guardians if those materials will be used in connection with a DOE-funded survey, analysis, or evaluation in which their children participate.

Questions are always welcomed regarding these issues. Please notify your Principal if electing the opt-out provision.

In accordance with the Board of Education Policy 7570, Student Privacy, Parental Access to Information, and Administration of Certain Physical Examinations to Minors, the District shall obtain prior written consent before minor students are required to participate in a DOE-funded survey, analysis, or evaluation that reveals information concerning:

- a) Political affiliations or beliefs of the student or the student's parent/guardian;
- b) Mental or psychological problems of the student or the student's family;
- c) Sex behavior or attitudes;
- d) Illegal, anti-social, self-incriminating or demeaning behavior;
- e) Critical appraisals of other individuals with whom respondents have close family relationships;

- f) Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- g) Religious practices, affiliations, or beliefs of the student or student's parent/guardian; or
- h) Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.)

Additionally, the District shall offer an opportunity for parents/guardians to opt their child out of participation in the following activities:

- a) Activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).
- b) The administration of any survey containing one or more of the eight items of information listed above in the subheadings referencing DOE-funded surveys, as well as non-DOE funded surveys.
- c) Any non-emergency, invasive physical examination or screening that is required as a condition of attendance; administered by the school and scheduled by the school in advance; and not necessary to protect the immediate health and safety of the student, or of other students. The term "invasive physical examination: means any medical examination that involves the exposure of private body parts, or any act during such examination that includes incision, insertion, or injection into the body, but does not include a hearing, vision or scoliosis screening.
- d) Use of student pictures and names for publication and/or display - i.e. school displays, website, contests, newsletters, newspapers, or other media outlets, etc.

A letter **stating specifically** what you would like to opt your child out of should be sent to the Building Principal prior to October 1st each year. Opt out is for a period of one (1) year and must be renewed annually.

## DASA Building Coordinators

The Dignity for All Students Act (DASA) requires that all school building have a coordinator.

- ◆ Eden Jr./Sr. High School Coordinator is Patricia Menkiena, Assistant Principal.
- ◆ Eden Elementary School Coordinator is Richard Schaefer, Principal.
- ◆ GLP Primary School Coordinator is Loran Carter, Principal.

## Continuing Education

If you wish to instruct a continuing education class for the 2012-2013 school year, please contact the District Office at 992-3629. You do not need to be a certified teacher to instruct a class. We are open to new ideas.

## GLP Welcomes Mrs. Carter Back

Due to the resignation of GLP Principal, Mrs. Grimm, Mrs. Carter will once again be the primary school Principal. In addition to her duties as Principal, she will continue to be responsible for the duties of Director of Curriculum and Instruction.

Mrs. Carter may be reached at 992-3638.

## Check the Web-site for Continuing Education Program Information

Programs are posted in October and February.

### **Authorized Changes in Student Transportation:**

Each student shall be allowed a primary pickup and drop off point and one alternate pick up and drop off point. The School Principal and Transportation Department should be notified in writing regarding these pick-up/drop-off locations prior to August 15th each year. Parents must renew their requests every year.

Limited additional changes in student transportation may be made on a daily basis. The School Principal may, upon written request of a parent or guardian, permit a student to disembark at a bus stop other than his or her primary stop provided there is no change in the bus route. Such written request must be received by the school office no later than 9 a.m. of the morning of the request. **All requests must be in writing, no phone calls will be accepted.**

Emergency situations should be directed to the Building Principal only. Written requests relieve the Eden Central School District of all further responsibility for transportation of the student for that day.

Pick up points will be established based on safety, efficiency and in accordance with New York State law and District policy.

The majority of the GLP and Elementary School students will be coming home on the same bus as they go to school on in the morning. However, for purposes of safety and logistics, some students will ride a different bus in the afternoon. Buses will load students from the Elementary School first and then proceed to the GLP Primary School to pick up those students.

Walkers and students being dropped off by their parents at the Elementary School should not be on the school grounds before 8:25 AM. Walking students are to use the Main Street entrance to enter the building. Parental drop-offs should be done at the south door, on the Main Street side of the parking lot. Do not drop students off at the clinic door. Walkers and students being dropped off by their parents at the GLP School should not be on the school grounds before 8:30 AM. Drop-offs should be at the Kindergarten entrance at the far right by the playground as you face the building.

### **Procedure for all Pre-K-Grade 4 Students**

For safety reasons, if a driver knows there is no one home when a younger child is to be dropped off, the driver will notify the Transportation Supervisor. The Supervisor will make every effort to reach the parents. If the parents cannot be reached, the student will be brought back to school.

### **Passing Stopped School Buses is Illegal**

The law substitutes the term “Public Highway” for “Highway” and effectively defines, by statute, the meaning of the term “Public Highway” as it applies to section 1174. Under the revised statute, the requirements for the overtaking and passing of a stopped school bus are applicable to driveways and parking areas of the school facilities, in addition to what is considered to be a “Public Highway” as defined by Section 134 of the Vehicle and Traffic Law.

### **Baggage Restrictions on Buses**

In order to provide safe, efficient transportation, and in accordance with state laws, it is important to limit baggage on school buses. All items must fit safely in the student’s lap in an area approximately 13 inches wide. Some items that cannot be transported are lacrosse sticks, hockey sticks, baseball bats, umbrellas, skate boards, and anything that is glass or breakable. Even when placed in a bag, these items pose a safety risk due to size and intrusion into the crash impact area. The District will provide a secure storage area at school for the equipment, as needed. Students may not eat or drink on any regular route, as this presents a choking hazard.

## High School Attendance Policy

Students who are absent from any of their classes or school at least 10% of the school days will be in danger of losing academic credit for that class or classes. Students who exceed ten (10) absences in a full-credit course or five (5) absences in a half-credit course will remain in the course without receiving credit. In accordance with Board Policy, all absences, excused or unexcused, will be counted.

Students taking additional vacation days while school is in session will be charged with one absence for each school day missed.

Parents will be notified when a student accumulates three (3) absences in a half-credit course and/or seven (7) absences in a full-credit course. Notification will also be given when the limit is exceeded.

Students who violate the attendance regulations and believe special consideration should be given in their situation, may appeal in writing or in person to the building Principal. This must be done within five (5) school days from the date of notification. The Principal or Assistant Principal will convene an appeal panel comprised of faculty members to decide on the appeal. (Stage 1)

Subsequent appeals may be made in writing to the Principal, or his or her designee, five (5) school days after notification of the Stage 1 decision. (Stage 2)

**Special Note on Appeals:** It will be the student's responsibility to see that all the data is filled in and that the attendance record is attached at all stages. Any supporting data is to be obtained by the student and presented with the appeal.

The Eden Central School District provides family support to all families of Eden students on Wednesday evenings throughout the school year. The Family Support Team offers short-term counseling for families, links with community resources, and a chance for families to focus on common goals by identifying strengths and resources. For more information, please contact the Pupil Personnel Services Office at 992-3645.

## Student Attendance

All absences, tardies or early departures are considered unexcused until a written note is received by a parent/guardian. Based upon our District's education and community needs, values and priorities, the School District has determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards:

**Excused:** An absence, tardiness or early departure may be excused if due to personal illness, illness or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinics, medical appointments, (including, but not limited to: appointments with Doctors, Dentists, Orthodontists, Ophthalmologists, etc.), approved college visits, approved cooperative work programs, military obligations or other such reasons as may be approved by the Board of Education.

**Unexcused:** An absence, tardiness or early departure is considered unexcused if the reason for the lack of attendance does not fall into the above categories (e.g., family vacation, hunting, babysitting, hair cut, obtaining learner's permit, road test, oversleeping, etc.).

## New Families in District

New families in our school district that have children of pre-school age are encouraged to contact the District Attendance Office. We would like to obtain information on all pre-schoolers for our database for future Kindergarten Round-Up. Call Mrs. Brown in the Attendance Office at 992-3605.

## Release of Children From School

It is the responsibility of the parent or guardian to identify in advance any restrictions related to the release of minors to individuals other than the parent. The school will maintain a list of those individuals approved by parents and will not release students to anyone other than those on the list.

## New York State Immunization Requirements for School Entrance/Attendance<sup>1</sup>

Vaccines	Pre-kindergarten (Day Care, Nursery, Head Start, or Pre-K) <sup>2</sup>	School (k-12)
Diphtheria Toxoid-Containing Vaccine	3 doses (New York City Schools – 4 doses) <sup>3</sup>	3 doses (New York City schools – 4 doses – required for kindergarten only)
Tetanus Toxoid-Containing Vaccine and Pertussis Vaccine (DTaP, DTP) <sup>4</sup>	3 doses if born on or after 1/1/2005	3 doses if born on or after 1/1/2005
Tetanus, Diphtheria, and Pertussis Booster (Tdap)	Not applicable	Born on or after 1/1/1994 and enrolling in grades 6 through 11 for the 2012-2013 school year <sup>5</sup> 1 dose
Polio (IPV or OPV)	3 doses <sup>3</sup>	3 doses
Measles, Mumps and Rubella (MMR) <sup>6</sup>	1 dose	2 doses of measles-containing vaccine and 1 dose each of mumps and rubella (preferably as MMR)
Hepatitis B	3 doses	3 doses <sup>7</sup>
Haemophilus influenzae type b (Hib)	3 doses if less than 15 months of age or 1 dose administered on or after 15 months of age <sup>8</sup>	Not applicable
Pneumococcal Conjugate Vaccine (PCV)	Born on or after 1/1/2008 4 doses by 15 months of age, given at age-appropriate times and intervals <sup>9</sup>	Not applicable
Varicella (Chickenpox) <sup>6</sup>	Born on or after 1/1/2000 1 dose	Born on or after 1/1/1998 or born on or after 1/1/1994 and enrolling in grades 6 through 12 for the 2012-2013 school year <sup>10</sup> 1 dose

Revised 2/12

- <sup>1</sup> Demonstrated serologic evidence of either measles, mumps, rubella, hepatitis B or varicella antibodies is acceptable proof of immunity to these diseases. Diagnosis by a physician, physician assistant or nurse practitioner that a child/student has had measles, mumps, or varicella diseases is acceptable proof of immunity to those diseases.
- <sup>2</sup> Children in a Pre-kindergarten setting should be age appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP).
- <sup>3</sup> Please note at this time that New York State requires 3 doses of diphtheria toxoid-containing vaccine (New York City requires 4 doses for pre-kindergarten and kindergarten only) and three doses of polio vaccine for entry into kindergarten and for any student entering a school in New York State for the first time. However, ACIP recommends 4 doses of diphtheria toxoid-containing vaccine by age 18 months and 5 doses by age 4-6 years of age. Children 4-6 years of age should receive 4 doses of polio vaccine unless the 3rd dose is given after 4 years of age.
- <sup>4</sup> DTaP is the vaccine currently recommended for diphtheria, tetanus and pertussis.
- <sup>5</sup> Students enrolling in grades 6 through 11 includes students who are entering, repeating or transferring into grades 6 through 11 and students who are enrolling in gradeless classes and are the age equivalent of grades 6 through 11. Children ages 7-10 who have not been adequately vaccinated with DTP/DTaP, and for whom no contraindications exist, should receive a single dose of Tdap.
- <sup>6</sup> The New York State Department of Health Immunization Program concurs with the ACIP which recommends that vaccine doses administered up to 4 days before the minimum interval or 12 months of age for measles, mumps, rubella and varicella be counted as valid.
- <sup>7</sup> Hepatitis B – For students in grades 7-12, 3 doses of Recombivax HB or Engerix-B are required, except for those students who received 2 doses of adult hepatitis B vaccine (Recombivax) which are recommended for children 11-15 years old.
- <sup>8</sup> Four doses of Haemophilus influenzae type b (Hib) are recommended by 15 months or more of age, however only 3 doses are required for day-care entry. If a child enters a day care on or after 15 months of age, and has not received 3 doses of Hib vaccine, only one dose on or after 15 months of age is required.
- <sup>9</sup> Unvaccinated children 7-11 months of age should receive 2 doses, at least 4 weeks apart, followed by a 3rd dose at age 12-15 months. Unvaccinated children 12-23 months of age should receive 2 doses of vaccine at least 8 weeks apart. Previously unvaccinated children 24-59 months of age should receive only 1 dose. PCV13 is the preferred vaccine for use in healthy unvaccinated/partially vaccinated children 2-71 months of age. A single supplemental dose of PCV13 is recommended for children 14-59 months who have already completed the age appropriate series of PCV7.
- <sup>10</sup> Students enrolling in grades 6 through 12 includes students who are entering, repeating or transferring into grades 6 through 12 and students who are enrolling in gradeless classes and are the age equivalent of grades 6 through 12. Two (2) doses of varicella vaccine are recommended for all students, but not required for school entry.

## Free and Reduced Price Meal Application Fact Sheet

When filling out the application form, please pay careful attention to these helpful hints.

**Food Stamp/TANF/FDPIR case number:** This must be the complete case number supplied to you by the agency including all numbers and letters, for example, E 123456, or whatever combination is used in your county. Refer to a letter you received from your local Department of Social Services for your case number or contact them for your number. All children with the same case number may be listed on the same application. If anyone in your household received food stamps, all children living in your household are eligible to receive free meals at school.

**Direct Certification:** If you receive food stamps or TANF, send in the Direct Certification Letter from the NYS Office of Temporary and Disability Assistance instead of completing the application. Make a copy for your records.

**Foster Child:** A child who is living with a family but who is under the legal care of the welfare agency or court may be listed on your family application. List the child's "personal use" income. This includes only those funds provided by the agency, which are identified for the personal use of the child, such as personal spending allowances, money received by his/her family, or from a job. Funds provided for housing, food and care, medical, and therapeutic needs are not considered income to the foster child. Write "0" if the child has no personal use income.

**Household:** A group of related or non-related people who are living in one house and share income and expenses.

**Adult Family Members:** All related and non-related people who are 21 years of age and older living in your house.

**Financially Independent:** A person is financially independent and a separate economic unit/household when his or her earnings and expenses are not shared by the family/household.

**Gross Income:** Is money earned or received by each member of your household before deductions. Examples of deductions are Federal tax, State tax, and Social Security deductions.

Examples of gross income are:

- \*Wages, salaries, tips, commissions, or income from self-employment
- \*Net farm income—gross sales minus expenses only—not losses
- \*Pensions, annuities, or other retirement income including Social Security retirement benefits
- \*Unemployment compensation
- \*Welfare payments (does not include value of food stamps)
- \*Public Assistance payments
- \*Adoption assistance
- \*Strike benefits
- \*Supplemental Security Income (SSI) or Social Security Survivor's Benefits
- \*Alimony or child support payments
- \*Disability benefits, including workman's compensation
- \*Veteran's subsistence benefits
- \*Interest or dividend income

\*Cash withdrawn from savings, investments, trusts, and other resources which would be available to pay for a child's meals

- \*Other cash income

If you have more than one job, you must list the income from all jobs.

If you receive income from more than one source (wage, alimony, child support, etc.), you must list the income from all sources.

**Current Income:** Your income at the present time before deductions. Only farmers, self-employed workers, migrant workers, and other seasonal employees may use their income for the past 12 months reported from their 1040 Tax Forms.

**Income Exclusions:** The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

If you have any questions or need help in filling out the application form, please contact:

Mrs. Shawn Johnson

Director of Pupil Personnel Services

4. **Can homeless, runaway, and migrant children get free meals?** Yes, children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you haven't been told your children will get free meals, please call or e-mail Mrs. Shawn Johnson, Eden Central School District, 3150 Schoolview Road, Eden, NY 14057 (716) 992-3645, [sjohnson@edencsd.wnyric.org](mailto:sjohnson@edencsd.wnyric.org) to see if they qualify.
5. **Who can get reduced price meals?** Your children can get low cost meals if your household income is within the reduced price limits on the Federal Eligibility Income Chart, shown on this application.
6. **Should I fill out an application if I received a letter this school year saying my children are approved for free meals?** Please read the letter you got carefully and follow the instructions. Call the school at (716) 992-3645 if you have questions.
7. **My child's application was approved last year. Do I need to fill out another one?** Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.
8. **I get WIC. Can my child(ren) get free meals?** Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out a free/reduced price meal application.
9. **Will the information I give be checked?** Yes, and we may also ask you to send written proof.
10. **If I don't qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.
11. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing to: Lisa Almasi, Director of Finance, Eden Central School District, 3150 Schoolview Road, Eden, NY 14057, (716) 992-3613, [lalmasi@edencsd.wnyric.org](mailto:lalmasi@edencsd.wnyric.org).
12. **May I apply if someone in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.
13. **Who should I include as members of my household?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.
14. **What if my income is not always the same?** List the amount that you normally receive. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, put down that you made \$1,000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
15. **We are in the military. Do we include our housing allowance as income?** If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
16. **My spouse is deployed to a combat zone. Is her combat pay counted as income?** No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.
17. **My family needs more help. Are there other programs we might apply for?** To find out how to apply for food stamps or other assistance benefits, contact your local assistance office or call 1-800-342-3009.

**How to Apply:** To get free or reduced price meals for your children, you may submit a Direct Certification letter received from the NYS Office of Temporary and Disability Assistance, OR carefully complete one application for your household and return it to the designated office. If you now receive food stamps, Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children's names, the household food stamp, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a food stamp, TANF or FDPIR case number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income of each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult's social security number, or check the box if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your food stamp or TANF case number or complete the income portion of the application.

**Reporting Changes:** The benefits that you are approved for at the time of application are effective for the entire school year. You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive food stamps.

**Income Exclusions:** The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

**Nondiscrimination Statement:** This explains what to do if you believe you have been treated unfairly. In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write: USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call (202) 720-5964. USDA is an equal opportunity provider and employer.

**Meal Service to Children with Disabilities:** Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment, which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

**Confidentiality:** The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.

Sincerely,

Shawn Johnson  
Director of Pupil Personnel

## Special Education Services for Parentally Placed Nonpublic School Children

*By Shawn Johnson*

I am writing to inform you of new Federal and State requirements regarding Special Education services for parentally placed nonpublic school children. These changes may affect how your child receives special education services. The most important change is that the school district where the nonpublic school is located will now be responsible for individual evaluations and development of individualized education programs (IEPs) for students with disabilities, including conducting the Committee on Special Education (CSE) meetings, and for providing special education services to students with disabilities who are parentally placed in nonpublic schools. The following information is important for you to know:

\* Beginning with the 2007-08 school year, if you have placed your child in a nonpublic school and, while the child is enrolled in that school, you suspect that the student has a disability, you must contact the school district where the nonpublic school is located to request an evaluation to determine your child's eligibility for special education services.

\* We must have your written consent in order for us to provide information (such as your child's IEP) to the school district where the nonpublic school is located.

\* If you place your child in a nonpublic school and wish your child to receive special education services while enrolled in that school, you must request those services in writing no later than June 1 before the school year in which services are to be provided. This year you should request services from us and with your written consent, we will forward that request to the school district responsible to provide the special education services to your child. (We will not require you to have requested services by June 1 if your child is first identified as needing special education services or if you moved into the district between June 1 of this year and April 1 of next year.)

\* If the nonpublic school where you place your child is located within the geographic boundaries of another public school district, the public school district in which the non public school is located will arrange for and provide the recommended services for your child. The personnel and locations for the delivery of those services will be determined by that school district. Federal and State law require this.

\* If the nonpublic school where you place your child is located in another state, your child may not be entitled to all of his/her IEP services.

\* Transportation requests from your child's home to the nonpublic school should continue to be submitted to the school district where your child legally resides by April 1 of the school year before transportation is to be provided.

## GLP Raiders Respond with Art

By Mary Ellen Bossert

Bicentennial Fact: The former East Eden Elementary School is now the home of Eden Heights Adult Care facility. This fact is fitting as the G.L. Priess young artists artwork was just donated to grace its halls, bringing the two communities together again.

Selected work from grades Pre-K through 2 were colored copied

at Evenhouse printing, framed and presented to the facility's director. This was the G.L.P.'s art gift as Eden celebrated Raiders Respond 2011-2012. Artwork pictured:

Butterfly Symmetry painting by Jack, Pre K artist; Georgia O'Keeffe's inspired flower painting by Josiah,

Kindergarten artist; Ferrer's Face Mask Painting by Skylar, 1<sup>st</sup> grade artist; and Tar Beach inspired collage by Sydney, 2<sup>nd</sup> grade artist.

## Annual Author's Tea and Art Show

By Mary Ellen Bossert

G.L. Priess celebrated authors and artists as the 2011-2012 academic year came to a close.

This unique collaboration celebration featured Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> grader's creative and informative stories that were transformed into typed, bound books by the GLP Publishing Company parent volunteers. These books were highlighted as the Annual Author's Tea brought staff and family members together the evening of June 6<sup>th</sup>. The young authors even had the opportunity to read and present their illustrated stories aloud to the eager community, who came out in great numbers to this wonderful event in its 17<sup>th</sup> season.

The evening wouldn't have been complete without a tour of the Annual End of Year GLP Art Show. The halls of the primary school were transformed into its very own art gallery. Proud Pre-K, K, 1<sup>st</sup> and 2<sup>nd</sup> grade art created

all year long was displayed for all to enjoy. Signage and art concept explanations were hung next to the art to inform, enlighten and prompt art conversations. Among the art displayed were copies of the award winning 1<sup>st</sup> grade "Inspired" contest. Mrs. Chatwood and Mrs. Rapp's classes' artwork was exhibited at the Albright Knox Art Gallery for the months of May and June. Their paintings were photographed and displayed at the Art Show here at the GLP to highlight their accomplishments.

**Authors and Artists: "It takes two wings to fly."** ~Eric Schaub

Thank you G.L.P. student authors and artists, families, volunteers, and staff for encouraging the "flight" in all of us.

## Raider Respond Day Wins "Excellence in Collaboration" Award

*By Susan Wilhelm*

Eden Central School and the Eden Community Foundation were awarded the Hodgson Russ "Excellence in Collaboration" Award for the District's Raider Respond Day from the Erie County Association of School Boards. The program started under the tenure of Ronald Buggs, the School's Superintendent. It encourages all the students to give back to the community.

The program doubled in size from last year with over 75 projects and 800 students working

throughout the Town of Eden. The students painted houses and murals, while others raked, planted flowers, built benches, washed cars, picked up litter from the roads and the creeks and helped two local churches. The students have been so excited about Raider Respond day that at the beginning of the school year they were already claiming spots for the following May.

This year, with a grant from the Eden Community Foundation much needed shovels, rakes, wheelbarrows etc. were purchased

for the projects. Pictured are Lisa Lograsso, logistic coordinator for the last two years; Susan Wilhelm 2012 Facilitator; Ron Buggs, Superintendent of Schools; and Keith Crombie 2011 Facilitator.

## NYS Health Insurance Available for Eligible Children and Families

*Shawn Johnson, Director of Pupil Personnel Services*

Do you know of anyone who is currently without health insurance?

Without health insurance, children and adults are left to rely on a patchwork system for necessary medical care. Children who are uninsured are more likely to go without essential health services, miss school because of untreated illness, and end up in the

emergency room for preventable conditions.

To close the insurance gap, New York State is expanding eligibility for children and families by making it easier to sign up for and keep their health insurance coverage. I am excited to announce that the Eden Central School District now has a Facilitated Enroller who will assist

our Eden families in filling out and filing the necessary paperwork needed to access free or low-cost health insurance.

What do you need to do? Contact Shawn Johnson, Pupil Personnel Services at 992-3645.

I am looking forward to hearing from you.

## Annual Notice/Child Find - Special Education Services for Children Ages 3-21

The Eden Central School District is participating in an ongoing local and state effort to identify, locate, and evaluate children ages 3 through 21 who may have a physical, mental, communicative, learning and/or emotional disability.

The Eden Central School District Pupil Personnel Services Office implements child

identification, location, and evaluation of children 3-21 who have disabilities regardless of the severity of their disability, and who are in need of special education and/or related services. At no cost to the parents, these services are provided in compliance with state and federal laws in the least restricted environment.

Parents may obtain additional information regarding special education services and programs and parental rights by contacting Shawn Johnson, Director of Pupil Personnel Services at 716-992-3645.

## Visitors to District Schools

If you are visiting the schools, e.g., teacher conference, observing a class performance, helping with centers, lunch with your child, etc., you will need to sign in and wear a "visitor" badge. At the Elementary Building, these may be found at the table in front of Mrs. Steinmetz's desk in the main office. At the GLP Primary School, you will need to sign in and wear a "visitors" badge found in the Main Office. If you don't find a badge with your name, there will be blank badges available for

your use. The bottom line is all visitors or volunteers to the Elementary Building or the GLP Primary School will be required to sign-in for every visit! Please wear the badges identifying who you are every time you are in the building. If you have any questions, please call the Elementary Building main office at 992-3610 or the GLP Primary main office at 992-3638.

## Release of Information to Another Educational Institution

The District may disclose any and all educational records, including disciplinary records and records that were created as a result of a student receiving special education services under Part B of IDEA to another school or postsecondary institution at which the student seeks or intends to enroll. Parental consent is not required for transferring education records, however, the school's annual FERPA notification should indicate that such disclosures have been made in the absence of information about disclosures in the annual FERPA notification. School officials must make a reasonable attempt to notify the parent about the disclosure, unless the parent initiated the disclosure. Additionally, upon request, schools must provide a copy of the information disclosed and an opportunity for a hearing.

## Family Educational Rights and Privacy Act of 1974

Any student eighteen (18) years or older and the parents of any student under eighteen (18) years of age have a right to inspect and review any and all official records, files and data directly related to pupils including all material that is incorporated into each student's cumulative record folder and intended for school use or to be available to parties outside the school or school system, and specifically including, but not necessarily limited to, identifying data, academic work completed, level of achievement (grades, standardized achievement scores), attendance data, scores on standardized intelligence, aptitude and psychological tests, interest inventory results, health data, family background information, teacher or counselor ratings and observations and verified reports of serious or recurrent behavior patterns.

Any questions concerning the procedure to be followed in requesting such a hearing should be directed to the Principal of the school which the pupil is attending or to the Superintendent.

Under the law, there are restrictions which prohibit the release or use of student records or any material contained therein to persons other than parents or students or persons employed by the school district without the written consent of the parents or students. There are a number of exceptions to this rule, such as school district employees and officials and certain state and federal officials who have legitimate educational needs for access to the records. No personally identifiable information contained in the personal school records shall be furnished in any form to any person other than those mentioned above unless:

B. There is a written consent from the student's parents specifying records to be released, the reasons for such release and to whom and a copy of the records to be released to the student's parents and the student, if desired by the parents.

or

C. Such information is furnished in compliance with judicial order or pursuant to any lawfully issued subpoena, in which event, the parents and the students shall be notified of any such order subpoena in advance of the compliance therewith by the district.

## Why Join the PTA?

The Eden Parent-Teacher Association is a group that has open membership for all parents and teachers. They are an important partner in the success of our students. They help by providing volunteer and financial support, as well as leadership and guidance. It is through this group's hard work and dedication

that we can provide field trip opportunities, student recognition, assemblies and, of course, refreshments for so many events. In addition, they volunteer to work in the classrooms and at numerous events throughout the year.

All parents and teachers are encouraged to join the PTA. They need your support, as they help our

kids.

Contact your school office or any PTA member for membership information. Officers for 2012-2013 are Jamie Balone, President; Tiffany Kwas, Vice President; Sara Battleson, Treasurer; Dawn Adamczyk, Secretary; and Shannon Rice, Membership.

## Parent Portal 2012-13

By Lucinda Karstedt, Dir. Of IT/CIO

### Reminder

- All parents have Single Sign-On accounts: The Parent Single Sign-On offers a number of benefits, including access to multiple students with one login, a personalized account for each parent and guardian, and the ability for parent/guardians to retrieve their own login information. Each parent/guardian will receive directions for setting up a multiple student account in their child's school summer electronic or post office mailing. There are no changes from 2011-12, so if you already have a Parent Portal account, the login will be the same.
- All Report Cards in the Parent Portal: Kindergarten through twelfth grade will have their report cards posted in the Parent Portal. If you do not have Internet access, you can contact the main office of your child's school to request your child's report card by mail.

### Updating your contact information

Parents in all grades – Kindergarten through twelfth will need to update their student's contact information by using their parent account, such as: home, cell or work phone numbers, address changes and emergency contacts information. Please note that each student also has an account in the Parent Portal, although student accounts **do not** have access to updating demographic information. Only parent Portal accounts have the ability to change contact information. There will be information sessions for parents at each of the school's Open Houses.

## FACILITIES NEWS AND INFORMATION

By David Martin  
Superintendent of Buildings and Grounds

**Legal Notices:** The Eden Central School District has adopted **Integrated Pesticide Management** as an effective, safe and environmentally sensitive approach to pest management. The program uses common sense practices to control pests by taking advantage of various management options including the judicious use of pesticides. State Education Law requires districts to make notifications to staff and persons of parental relations of pesticide use in the district and on the grounds. This notice is to inform you that during the 2012-13 school year, it may be necessary to use pesticides on school district properties to meet management goals. Our use of pesticides has and will continue to be on an emergency basis to control imminent hazards such as bees, ants and rodents.

**The Triennial Asbestos Inspection** was completed in June 2010 as required by Education Law and AHERA regulations. The inspection was conducted by an independent certified Asbestos Inspector. No significant changes have been noted since the last inspection. Ongoing surveillance inspections continue throughout the school year.

**The Annual Fire and Structural Integrity Inspection** of all District owned facilities was conducted in April as required by Education Law. No significant changes or deficiencies were identified, and the facilities were found to be in good condition. Results of the inspections can be reviewed by contacting David Martin - Superintendent of Buildings and Grounds.

If you have any questions regarding any of the above, please contact David Martin - Superintendent of Buildings and Grounds at 716-992-3602.
