Eden Central School

FROM THE SUPERINTENDENT

Dear Friends and Families of the Eden Central School District:

Back to School!! It does not seem possible that we have been back to school for over a month already. I sincerely hope that everyone had the opportunity to spend some quality time together with friends and family over the summer. I also hope that the start of the school year has been positive for all of our families.

As we begin the new school year, I would again like to thank the community for your continued support. It is this support, along with the work of our dedicated Board of Education, administrators, faculty and staff that allows us to provide so many opportunities for our students to be successful and for the District to continue to be one of the best in Western New York.

I would like to take this opportunity on behalf of the Eden Community to thank Mrs. Debbie Gardner for her service on the Board of

Education for the past eight years. She has had a positive impact on our district and kids.

All three schools have very active schedules planned this year. I encourage all families and community members to attend these events and activities. You are all certainly welcome.

I am pleased and proud to announce that Eden has once again been named a District in "good standing" by the New York State Education Department. Our students, teachers and administrators continue to do a great job. In an effort to provide as much student achievement data as we can to parents and community members, the data presentation given to the Board of Education in September will be posted on the District web-site, under the Curriculum tab, sometime in October. This will give a complete overview of all of our student achievement data. Give it a look!! Our students continue to do very well on all state assessments. If there

are questions, give your school Principal a call.

I look forward to another outstanding year working together with the community, parents, administrators, teachers, staff and students. There will be challenges caused by the financial status of the State and new and different assessment criteria - to name a couple. By working together, we will ensure that our students get the best opportunity for

Eden again named District in Good Standing by NYSED

success.

Don't forget, the PTA and the All Sports Booster Club need everyone's support to be able to continue their efforts helping our students. Please consider joining and supporting their events.

Sincerely,

Ronald K. Buggs
Superintendent

EDEN CENTRAL SCHOOL – EMBRACE, EDUCATE, EMPOWER

MISSION:

In collaboration with the community, the Eden Central School District pursues our tradition of excellence in personal and academic achievement. We provide a positive and respectful learning environment that places students at the heart of all activities. Students are afforded the tools and opportunity to realize their potential within our global society, while cultivating the understanding necessary to fully appreciate their journey.

VISION:

ECSD is a collaborative learning community that embraces the individuality of each student, educating and empowering them to become productive citizens in an ever-changing and diverse society.

NEWS FROM THE ART DEPARTMENT

By Mary Ellen Bossert

In the Art Studio we have been discussing LINE as an element of art. With the combination of a “squiggle” line and imagination, exciting things can occur. I have arranged a collaborative exchange of artful problem solving skills between Mrs. Wess-Rishel’s second grade art class here at the GLP and Ms. Morgan’s Junior High art class.

The Junior High artists will be drawing a line or a “squiggle” on a blank paper and sending them to us at the G.L.P. In the Art Studio we will transform these “squiggles” into unique

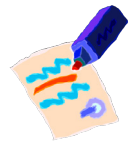

drawings using our problem solving skills as artists. Then our students will return the favor by drawing their own original “squiggle” line on a blank paper, and I will send them all over to the Junior/Senior High School for the Junior High artists to transform into drawings using their imaginations. The exchange will take place over the next few weeks.

This collaboration could be the first of many as I attempt to strengthen and inspire our Art Program. Thank you for all your support and as always KEEP

ART IN YOUR HEART!

Pictured: Jacob Johnston, Derek Mosgeller, and Kaylee King.

They are transforming their "squiggle lines" so they can be sent back to Ms. Morgan's Junior High School artists.

PHYSICAL EXAMS FOR WINTER SPORTS

By Karen Meller

According to NYS Education Law, a Physical Exam is required for 7th and 10th Graders.

Ideally, the family physician should perform the medical examination (forms are available in the school health offices). Each school district is mandated by law

to provide an examination by the school physician of those pupils whose parents do not provide a report from the family physician. Physicals for 7th and 10th Graders must be received by November 4, 2010. All students who don't have a physical by this

date will be scheduled to have one at school by Dr. Ghate, the school physician.

Physicals for Winter Sports will be on November 4th at 1:00 p.m. If you have any questions, please call Karen Meller, Jr./Sr. High Nurse at 992-3615.

PLOETZ SELECTED FOR ALL-STATE MUSIC FESTIVAL

By Jen Tylock

Senior Abby Ploetz has been selected to attend this year's New York State All-State Music Festival and to perform with the All-State Mixed Choir. This festival takes place in December in Rochester and is attended by the

best high school musicians from across New York. Auditions were held last June at which each student auditioning had to perform a level 6 solo and each also had to sight-read a short musical selection. Abby

scored a perfect 100 and was chosen as the best Alto 2 from Erie County out of hundreds of applicants. This is truly an incredible accomplishment and we are all very proud of Abby's achievement.

WELCOME TO OUR A.F.S. STUDENTS

This year, we welcome three AFS students to Eden.

Salma Hussein is from Cairo, Egypt. Her father, Hussein Hussein is an engineer. Her mother, Shadia Hussein is an Arabic teacher. Salma is staying with the Richard and Cindy Villar family.

Salma's favorite subjects in school are Science and English. She enjoys sports and Tae Kwon Do in her free time. Salma would like to be an engineer. While she is in America, Salma would like to visit Disney World and perhaps try skiing or snowboarding.

Salma Hussein

Selen Kazan is from Iserlohn, Germany, where her father, Mehmet, works in the fabric industry, and her mother, Fatma, works in an office.

Selen's favorite subject in school is Psychology. She enjoys playing tennis, reading and writing in her free time. In the future, Selen would like to go to Brazil to do volunteer work, and study psychology or politics. While she is in America, Selen would like to take a psychology class, be on the tennis team, go to prom and New York City.

Selen is staying with the Norm and Desiree Eckhardt family.

Selen Kazan

Benjamin Reemtohsen is from Stun, Thailand. His father, Weera, and his mother, Anong, are restaurant owners. Benjamin's favorite subject in school is English. His hobbies are music, studying forms of English music, and skateboarding.

Future plans for Benjamin include becoming a diplomat. While in the U.S., Benjamin would like to experience and learn about American culture. He wants to see snow and try snowboarding or skiing. He would also like to go to New York City.

Benjamin is also staying with the Norm and Desiree Eckhardt family.

EDEN'S HEATHER FELDMAN CHOSEN AS A 2011 COMMENDED SCHOLAR

Marc P. Graff, Principal of Eden Junior/Senior High School, announced today that Heather B. Feldman, a member of Eden's Class of 2011, has been named a Commended Scholar in the 2011 National Merit Scholarship Program. Heather was presented with a Letter of Commendation and certificate from the National Merit Scholarship Corporation, which runs the program.

About 34,000 Commended

Scholars throughout the nation are being recognized for their exceptional academic promise. These students placed among the top five percent of the more than 1.5 million students who took the 2009 Preliminary SAT/National Merit Scholarship Qualifying Test.

"Recognizing high-achieving students is essential to advancing educational excellence," commented Graff. "Students receiving the Commended Scholar

designation represent some of the most academically talented students in our country and we are excited that Heather has achieved this honor."

Parent Portal Update

By Lucinda Karstedt Director IT/CIO

NEW this fall is the Grades and Attendance module in the Parent Portal.

Students in grades four through twelve will have their mid-quarter progress reports, report cards, report cards from the previous year, and course grades posted in the Parent Portal. To access the Portal you can go directly to the website: <http://ps.edencsd.wnyric.org>. You can also access the Parent Portal by

going to the Eden Central School District website at <http://www.edencsd.org> and then click the Parent Portal link in the center of the homepage. Once on the Parent Portal section, click on the blue Parent Portal button. You will need your account login information mailed to you in August to login to the Portal.

If you have Internet access at home or at work, you can view the information on your student

at anytime. If you do not have Internet access, you can contact the main office for Eden Elementary students or the Jr/Sr High School Guidance office to receive your student's mid-quarter progress reports and/or report cards.

If, after receiving your account information letter, you have any problems using the Portal, please contact your student's school.

DENSITY DAY

By Lorry Malkowski

On September 27th and 28th, students in 6th grade science participated in "Density Day." They rotated to four stations which reinforced the concept of density. They worked with five liquids with varying densities - creating density

Ben

layers in test tubes. Another station had them using triple beam scales to measure the mass and density of nine different materials. Students built boats and measured the mass they could contain before they sank. Finally, they worked in small groups to calculate answers to density

problems.

The students did an awesome job completing the different tasks!

AMERICAN RED CROSS BASIC FIRST AID COURSE

Do you know the most effective way to stop the bleeding of a serious cut? Could you help someone with a head or neck injury until medical personnel arrive? Learn the skills needed to prevent, recognize and provide basic care for injuries and sudden illnesses in Standard First Aid. Featuring hands-on practice and real-life scenarios, this course is updated with the latest science for first aid and provides useful take-home materials to retain skills and use as reference tools once training is complete.

Saturday, October 30th 1 Session

RED CROSS WILDERNESS AND REMOTE FIRST AID COURSE

New York's wilderness is beautiful—enjoy it safely! This 16-hour course is for those who work, live or play in remote areas—away from the usual EMS service. Even though the emergency workers near these areas may be trained to search for and rescue those in need, there may be a delay in the notification for assistance, the time required to get to the patient, or in moving the patient to more advanced treatment. This class covers assessment and urgent first aid techniques, but not in-depth CPR. Basic first aid skills are covered, making this course appropriate for anyone regardless of experience level. No prerequisites are required. Certification is valid for three (3) years. The course awards 1.6 CEU's. A minimum age of 15 is recommended for participants due to the serious nature of the course and scenarios. This course is recommended by the Boys Scouts of America, Girl Scouts of America and the American Camping Association to meet accreditation standards.

Tuesdays, January 11th, 18th, 25th and February 1st 4 Sessions

SIX-HOUR INSURANCE/POINT REDUCTION CLASS

This six-hour class is Empire Safety Council's "Accident Prevention Workshop". Upon successful completion, and providing you have not taken the class previously in the last three years, New York State law *requires* your insurance company to give you a discount of 10% on your Liability, Collision and PIP coverage's. If needed, you will also receive a four point overlook on your driving record. This class covers drinking and driving, distractions, driver attitude and behavior, defensive driving techniques and the Vehicle and Traffic Law, etc. There is no final exam, and all who participate will receive credit for completion. You **MUST** attend both sessions.

Monday & Wednesday

RED CROSS BABYSITTING COURSE

The 6½ hour Babysitter's Training course gives 11 to 15 year olds the skills and confidence to safely and responsibly care for children and infants. Through hands-on activities, interactive video and lively discussions, the course teaches young people how to care for children and infants and:

- Be good leaders and role models.
- Make good decisions and solve problems.
- Keep the children they babysit and themselves safe.
- Handle emergencies such as injuries, illnesses and household accidents.
- Write resumes and interview for jobs.

Students receive materials that are useful both during the course and on the job, including a handbook packed with information and full-color skill sheets; a compact emergency reference guide; and an interactive CD-ROM featuring an activity booklet with games songs, recipes and other activities, an electronic babysitting client organizer and much more. **Minimum 11 years old to participate.**

COMPREHENSIVE HEALTH ASSESSMENTS

Do you know your numbers?

The Portable Health Risk Appraisal (HRA) measures your current "real time" baseline data including blood pressure, heart rate, Body Mass Index, body composition, cholesterol ratios, and triglycerides. These scores will be explained to you by a BWI Health Professional in a confidential, one-on-one setting.

The Scorecard features the most comprehensive set of questions available on the market. Areas covered include: tobacco use, nutrition, physical activity, alcohol use, vehicle safety, stress and depression, health history, men's or women's health and Biometric measures collected from the Initial Screening. Upon completion of the HRA, a 12-page summary report is given to the participant with specific recommendations pertaining to ways to improve their personal health and suggestions for healthy living.

**IMPORTANT NOTICE TO PARENTS
OF SENIORS**

The Senior class parent meeting will be held at 6 pm on October 28th — before the Open House. The district calendar incorrectly lists it as a Junior class parent meeting (which is held before the Spring Open House).

**IMPORTANT NOTICE FROM THE
TRANSPORTATION DEPARTMENT**

Parents — Please note that if your children miss the morning bus, the bus will not be rerouted back. For the safety of your children, please do not chase after the bus. They may not be noticed by the driver, and the student could possibly be injured by being too close to the bus.

In the afternoon, if a parent or babysitter is not at the bus stop for the student, the student will be returned to the school and the parent will be notified.
