Transportation

Please review the transportation schedule carefully so that you may properly prepare your children for the bus route and time schedule that they will follow.

The transportation of students is essential to the operation of the education program. Safety is the foundation of all school transportation systems and requires the cooperation and active support of all segments of the school community.

The potential for accidents is greatly increased when students fail to follow the general bus rules that are distributed to every bus-riding pupil in the Eden Central School District. We ask that parents make the effort to discuss these rules with their children and help us provide an atmosphere on all buses that will allow bus drivers to do their jobs with concentration and courtesy.

From the Superintendent

Dear Community Members and Families of Our Students:

The summer is quickly coming to an end. Hopefully, you all have had the opportunity to spend some time with your families.

I would like to take this opportunity, as we begin a new year, to say thank you for your continued support of the Eden Central School District—one of the best in Western New York.

The 2009-2010 school year was successful for our students. We hope to continue to build on those successes in the future. As you are aware, the state's economy and legislative process are not functioning as positively as we would hope. It is late summer, and we still have no state budget, which means we have no idea about aid for the state. At the same time, the New York State Education Department has changed the passing score for last year's 3-8 assessments prior to any updating of the state curriculum; therefore, many more students across the state will not meet the proficiency level.

The upcoming year will be a challenging one with regard to the state financial situation and curriculum changes to meet the demands of the state assessments. We will continue our work together, even though these are changing and difficult times, to ensure all of our students have every opportunity to succeed and to graduate as well rounded individuals with an excellent academic background.

We continue to advance our use of technology. Parents will now be able to view their son's/daughter's report card and grades on-line. Don't forget that the District Newsletter is now on-line. Please look for it!!

We all have a great deal to be proud of. Please continue to support your sons/daughters and grandchildren. They appreciate all that you do, even though they may not say it often. Our board members, administrators, faculty and staff join them in this appreciation. We can only continue to be the best if we all work as a team in school, at home and in the community.

I encourage everyone, administrators, faculty, staff, parents and community members to join the PTA and the All Sports Booster Club. Both organizations do a great deal to support our students. They need your (our) support and involvement. Have a great school year.

P.S. Parents—stop by and have coffee with your Principal and Superintendent again this year. The dates are October 6th - 8:45 a.m. at the GLP; October 13th - 8:45 a.m. at the Elementary School; and October 20th - 7:45 a.m. at the Jr./Sr. High School. Look for more information in each school's newsletter.

Sincerely,

Ronald K. Buggs

From the Board President

To the students, staff, taxpayers and residents of the Eden Central Schools - on behalf of the school board, I want to welcome you back for the 2010-2011 school year. Every year presents new challenges and opportunities for our community. This year, we find ourselves in rough waters as the economy of the country and the globe tries to get back on track. We appreciate the passage of the state budget, because it gives us an assurance of our financial ability for the coming year.

When I was a high school student, things seemed a lot easier because our region was a thriving

industrial economy, and people had many different choices for employment. What a difference a generation or so can make.

My hope for the coming year is that we work together to provide the educational resources for our students, so they can be prepared to be part of what appears to be an ever increasing information and service economy. Helping them prepare for opportunities that probably don't even exist right now is our biggest challenge. In my years as a member of the community and on the board, the district has always found a way to provide the best for kids. The financial challenges of the coming

years will at times, I am sure, test our patience but will also enforce our resolve to provide for the future of our children and our community.

I thank you for your continued support of the district and hope that the coming year will be prosperous for you and your loved ones.

Thomas J. Gannon Sr.
President,
School Board

From the Pupil Personnel Department

Dear Parent/Guardian:

As part of a required school health examination, a student is weighed and his/her height is measured. These numbers are used to figure out the student's body mass index or "BMI." The BMI helps the doctor or nurse know if the student's weight is in a healthy range or is too high or too low. Recent changes in New York State Education Law require that BMI and weight status group be included as part of the student's school health examination. A sample of school districts will be selected to take part in a survey by the New York State Department of Health. If our school is selected to be part of the survey, we will be reporting to the New York State

Department of Health information about our students' weight status groups. Only summary information is sent. No names and no information about individual students are sent. However, you may choose to have your child's information excluded from this survey report.

The information sent to the New York State Department of Health will help health officials develop programs that make it easier for children to be healthier.

If you do not wish to have your child's weight status group information included as part of the Health Department's survey for the 2010-11 school year, please send a letter to the name below, including the student's name, grade, and parent/guardian signature. Letters

must be received no later than September 15, 2010.

Authorized Changes in Student Transportation:

Each student shall be allowed a primary pickup and drop off point and one alternate pick up and drop off point. The School Principal and Transportation Department should be notified in writing regarding these pick-up/drop-off locations prior to August 15th each year. Parents must renew their requests every year.

Limited additional changes in student transportation may be made on a daily basis. The School Principal may, upon written request of a parent or guardian, permit a student to disembark at a bus stop other than his or her primary stop provided there is no change in the bus route. Such written request must be received by the school office no later than 9 a.m. of the morning of the request. **All requests must be in writing, no phone calls will be accepted.**

Emergency situations should be directed to the Building Principal only. Written requests relieve the Eden Central School District of all further responsibility for transportation of the student for that day.

Pick up points will be established based on safety, efficiency and in accordance with New York State law and District policy.

The majority of the GLP and Elementary School students will be coming home on the same bus as they go to school on in the morning. However, for purposes of safety and logistics, some students will ride a different bus in the afternoon. Buses will load students from the Elementary School first and then proceed to the GLP Primary School to pick up those students.

Walkers and students being dropped off by their parents at the Elementary School should not be on the school grounds before 8:25 AM. Walking students are to use the Main Street entrance to enter the building. Parental drop-offs should be done at the north door - Legion Drive. Do not drop students off at the clinic door or the south entrance in the parking lot. Walkers and students being dropped off by their parents at the GLP School should not be on the school grounds before 8:30 AM. Drop-offs should be at the Kindergarten entrance at the far right by the playground as you face the building.

Procedure for all Pre-K-2 Students

If it appears that no one is home at the time of drop off, the bus driver will radio the transportation office. The supervisor will call the GLP School and parent. If the parent cannot be reached, the student will be brought back to the GLP School.

Passing Stopped School Buses is Illegal

The law substitutes the term "Public Highway" for "Highway" and effectively defines, by statute, the meaning of the term "Public Highway" as it applies to section 1174. Under the revised statute, the requirements for the overtaking and passing of a stopped school bus are applicable to driveways and parking areas of the school facilities, in addition to what is considered to be a "Public Highway" as defined by Section 134 of the Vehicle and Traffic Law.

Baggage Restrictions on Buses

In order to provide safe, efficient transportation, and in accordance with state laws, it is important to limit baggage on school buses. All items must fit safely in the student's lap in an area approximately 13 inches wide. Some items that cannot be transported are lacrosse sticks, hockey sticks, baseball bats, umbrellas, skate boards, and anything that is glass or breakable. Even when placed in a bag, these items pose a safety risk due to size and intrusion into the crash impact area. The District will provide a secure storage area at school for the equipment, as needed. Students may not eat or drink on any regular route, as this presents a choking hazard.

High School Attendance Policy

Students who are absent from any of their classes or school at least 10% of the school days will be in danger of losing academic credit for that class or classes. Students who exceed ten (10) absences in a 20-week course or five (5) absences in a ten-week course will remain in the course without receiving credit. In accordance with Board Policy, all absences, excused or unexcused, will be counted.

Students taking additional vacation days while school is in session will be charged with one absence for each school day missed.

Parents will be notified when a student accumulates three (3) absences in a ten-week course and/or seven (7) absences in a 20-week course. Notification will also be given when the limit is exceeded.

Students who violate the attendance regulations and believe special consideration should be given in their situation, may appeal in writing or in person to the building Principal. This must be done within five (5) school days from the date of notification. The Principal or Assistant Principal will convene an appeal panel comprised of faculty members to decide on the appeal. (Stage 1)

Subsequent appeals may be made in writing to the Principal, or his or her designee, five (5) school days after notification of the Stage 1 decision. (Stage 2)

Special Note on Appeals: It will be the student's responsibility to see that all the data is filled in and that the attendance record is attached at all stages. Any supporting data is to be obtained by the student and presented with the appeal.

The Eden Central School District provides family support to all families of Eden students on Wednesday evenings throughout the school year. The Family Support Team offers short-term counseling for families, links with community resources, and a chance for families to focus on common goals by identifying strengths and resources. For more information, please contact the Pupil Personnel Services Office at 992-3645.

Student Attendance

All absences, tardies or early departures are considered unexcused until a written note is received by a parent/guardian. Based upon our District's education and community needs, values and priorities, the School District has determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards:

Excused: An absence, tardiness or early departure may be excused if due to personal illness, illness or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinics, medical appointments, (including, but not limited to: appointments with Doctors, Dentists, Orthodontists, Ophthalmologists, etc.), approved college visits, approved cooperative work programs, military obligations or other such reasons as may be approved by the Board of Education.

Unexcused: An absence, tardiness or early departure is considered unexcused if the reason for the lack of attendance does not fall into the above categories (e.g., family vacation, hunting, babysitting, hair cut, obtaining learner's permit, road test, oversleeping, etc.).

New Families in District

New families in our school district that have children of pre-school age are encouraged to contact the District Attendance Office. We would like to obtain information on all pre-schoolers for our database for future Kindergarten Round-Up. Call Mrs. Brown in the Attendance Office at 992-3605.

Release of Children From School

It is the responsibility of the parent or guardian to identify in advance any restrictions related to the release of minors to individuals other than the parent. The school will maintain a list of those individuals approved by parents and will not release students to anyone other than those on the list.

New York State Immunization Requirements for School Entrance/Attendance¹

Vaccines	Pre-kindergarten (Day Care, Nursery, Head Start, or Pre-K) ²	School (k-12)
Diphtheria Toxoid-Containing Vaccine	3 doses (New York City Schools – 4 doses) ³	3 doses (New York City schools – 4 doses – required for kindergarten only)
Tetanus Toxoid-Containing Vaccine and Pertussis Vaccine (DTaP, DTP) ⁴	3 doses if born on or after 1/1/2005	3 doses if born on or after 1/1/2005
Tetanus, Diphtheria, and Pertussis Booster (Tdap)	Not applicable	Born on or after 1/1/94 and enrolling in grades 6 through 9 for the 2010-2011 school year ⁵ 1 dose
Polio (IPV or OPV)	3 doses	3 doses
Measles, Mumps and Rubella (MMR) ⁶	1 dose	2 doses of measles-containing vaccine and 1 dose each of mumps and rubella (preferably as MMR)
Hepatitis B	3 doses	3 doses ⁷
Haemophilus influenzae type b (Hib)	3 doses if less than 15 months of age or 1 dose administered on or after 15 months of age ⁸	Not applicable
Pneumococcal Conjugate Vaccine (PCV)	Born on or after 1/1/08 4 doses by 15 months of age, given at age-appropriate times and intervals ⁹	Not applicable
Varicella (Chickenpox) ¹⁰	Born on or after 1/1/2000	Born on or after 1/1/98 or born on or after 1/1/94 and enrolling in grades 6 through 11 for the 2010-2011 school year ⁵ 1 dose

- ¹ Demonstrated serologic evidence of either measles, mumps, rubella, hepatitis B or varicella antibodies is acceptable proof of immunity to these diseases. Diagnosis by a physician, physician assistant or nurse practitioner that a child/student has had measles, mumps, or varicella diseases is acceptable proof of immunity to those diseases.
- ² Children in a Pre-kindergarten setting should be age appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP).
- ³ Please note at this time that New York State requires 3 doses of diphtheria toxoid-containing vaccine (New York City requires 4 doses for pre-kindergarten and kindergarten only) and three doses of polio vaccine for entry into kindergarten and for any student entering a school in New York State for the first time. However, ACIP recommends 4 doses of diphtheria toxoid-containing vaccine by age 18 months and 5 doses by age 4-6 years of age. Children 4-6 years of age should receive 4 doses of polio vaccine unless the 3rd dose is given after 4 years of age.
- ⁴ DTaP is the vaccine currently recommended for diphtheria, tetanus and pertussis.
- ⁵ Students enrolling in grades 6 through 9 includes students who are entering, repeating or transferring into grades 6 through 9 and students who are enrolling in gradeless classes and are the age equivalent of grades 6 through 9. Ten-year-olds entering grades 6 through 9 do not need to have a Tdap vaccine. They will need to receive a Tdap once they turn 11. Students who receive a Td vaccine within 2 years prior to entering grades 6 through 9 should not receive (with rare exceptions) the booster dose of Tdap until 2 years has elapsed. It is required that those students who are not eligible on this basis be flagged, tracked, and immunized at the appropriate time.
- ⁶ The New York State Department of Health Immunization Program concurs with the ACIP which recommends that vaccine doses administered up to 4 days before the minimum interval or 12 months of age for measles, mumps, rubella and varicella be counted as valid.
- ⁷ Hepatitis B – For students in grades 7-12, 3 doses of Recombivax HB or Engerix-B is required, except for those students who received 2 doses of adult hepatitis B vaccine (Recombivax) which is recommended for children 11-15 years old.
- ⁸ Four doses of Haemophilus influenzae type b (Hib) is recommended by 15 months or more of age, however only 3 doses are required for day-care entry. If a child enters a day care on or after 15 months of age, and has not received 3 doses of Hib vaccine, only one dose on or after 15 months of age is required.
- ⁹ Unvaccinated children 7-11 months of age should receive 2 doses, at least 4 weeks apart, followed by a 3rd dose at age 12-15 months. Unvaccinated children 12-23 months of age should receive 2 doses of vaccine at least 8 weeks apart. Previously unvaccinated children 24-59 months of age should receive only 1 dose.
- ¹⁰ Students enrolling in grades 6 through 11 includes students who are entering, repeating or transferring into grades 6 through 11 and students who are enrolling in gradeless classes and are the age equivalent of grades 6 through 11. Two (2) doses of varicella vaccine are recommended for all students, but not required for school entry.

Free and Reduced Price Meal Application Fact Sheet

When filling out the application form, please pay careful attention to these helpful hints.

Food Stamp/TANF/FDPIR case number: This must be the complete case number supplied to you by the agency including all numbers and letters, for example, E 123456, or whatever combination is used in your county. Refer to a letter you received from your local Department of Social Services for your case number or contact them for your number. All children with the same case number may be listed on the same application. Separate applications are required for children with different case numbers.

Direct Certification: If you receive food stamps or TANF, send in the Direct Certification Letter from the NYS Office of Temporary and Disability Assistance instead of completing the application. Make a copy for your records.

Foster Child: A child who is living with a family but who is under the legal care of the welfare agency or court. List the child's "personal use" income. This includes only those funds provided by the agency, which are identified for the personal use of the child, such as personal spending allowances, money received by his/her family, or from a job. Funds provided for housing, food and care, medical, and therapeutic needs are not considered income to the foster child. Write "0" if the child has no personal use income.

Household: A group of related or non-related people who are living in one house and share income and expenses.

Adult Family Members: All related and non-related people who are 21 years of age and older living in your house.

Financially Independent: A person is financially independent and a separate economic unit/household when his or her earnings and expenses are not shared by the family/household.

Gross Income: Is money earned or received by each member of your household before deductions. Examples of deductions are Federal tax, State tax, and Social Security deductions.

Examples of gross income are:

- *Wages, salaries, tips, commissions, or income from self-employment
- *Net farm income
- *Pensions, annuities, or other retirement income including Social Security retirement benefits
- *Unemployment compensation
- *Welfare payments (does not include value of food stamps)
- *Public Assistance payments
- *Adoption assistance
- *Strike benefits
- *Supplemental Security Income (SSI) or Social Security Survivor's Benefits
- *Alimony or child support payments
- *Disability benefits, including workman's compensation
- *Veteran's subsistence benefits
- *Interest or dividend income
- *Cash withdrawn from savings, investments, trusts, and other resources which would be available to pay for a child's meals
- *Other cash income

If you have more than one job, you must list the income from all jobs.

If you receive income from more than one source (wage, alimony, child support, etc.), you must list the income from all sources.

Current Income: Your income at the present time before deductions. Only farmers, self-employed workers, migrant workers, and other seasonal employees may use their income for the past 12 months.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

If you have any questions or need help in filling out the application form, please contact:

Mrs. Shawn Johnson

Director of Pupil Personnel Services

716-992-3645

Dear Parent/Guardian:

Children need healthy meals to learn. Eden Central School offers healthy meals every school day. Breakfast costs \$1.60, lunch costs \$ 1.60 at GLP and Eden Elementary and \$1.75 at the Jr./Sr. High School. Children from households that meet federal income guidelines (outlined below) are eligible for free meals or reduced price meals. Reduced price meals cost each eligible student \$.25 for lunch and \$.25 for breakfast. To apply for free or reduced price meals, submit a Direct Certification letter from the NYS Office of Temporary and Disability Assistance OR complete the enclosed application, sign it, and return it to **Mrs. Shawn Johnson** as soon as possible. Please refer to the guidelines contained in this letter when completing the application. We cannot approve an application that is not complete, so be sure to fill out all required information.

1. Do I need to fill out an application for each child? No. Complete the application to apply for free or reduced price meals. Do not fill out more than one application for your household.

2. Who can get free meals? Children in households getting Food Stamps or TANF and most foster children can get free meals regardless of your income. Also, your children can get free meals if your household income is within the free limits on the Federal Income Guidelines. Each foster child must be listed on a separate application, with Part 2 completed and include an adult signature.

3. Can homeless, runaway and migrant children get free meals? Please call **Mrs. Johnson** to see if your child(ren) qualify, if you have not been informed that they will get free meals.

4. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, shown on this application.

5. Should I fill out an application if I received a letter this school year saying my children are approved for free or reduced price meals? Please read the letter you received carefully and follow the instructions. Call the school at (716) 992-3645 if you have questions.

6. My child's application was approved last year. Do I need to fill out another one? Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new year.

7. I get WIC, can my child(ren) get free meals? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.

8. Will the information I give be checked? The school may ask you at any time during the school year to verify your eligibility. You will be notified, in writing, if you have been selected for Verification. School officials may ask you to send papers showing that your child should receive free or reduce price meals at the time you applied.

9. If I don't qualify now, may I apply later? Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Stamps, TANF or other benefits. If you lose your job, your children may be able to get free or reduced price meals.

10. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to **Mr. Ronald Buggs, Superintendent**.

11. May I apply if someone in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced price meals.

12. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you.

13. What if my income is not always the same? List the amount that you normally get. For example, if you normally get \$1,000 each month, but you missed some work last month and only got \$900, put down that you get \$1,000 per month. If you normally get overtime, include it, but not if you get it only sometimes.

14. We are in the military. Do we include our housing allowance as income? If you get an off base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

15. My spouse is deployed to a combat zone. Is her combat pay counted as income? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.

16. My family needs more help. Are there other programs we might apply for? To find out how to apply for State SNAP or other assistance benefits, contact your local assistance office or call 800-342-3009.

How to Apply: To get free or reduced price meals for your children, you may submit a Direct Certification letter received from the NYS Office of Temporary and Disability Assistance, OR carefully complete one application for your household and return it to the designated office. If you now receive food stamps, Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children's names, the household food stamp, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a food stamp, TANF or FDPIR case number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and that adult's social security number, or the word "none" if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your food stamp or TANF case number or complete the income portion of the application.

Reporting Changes: The benefits that you are approved for at the time of application are effective for the entire school year. You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive food stamps.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly. In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write: USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 202509410 or call (202) 7205964. USDA is an equal opportunity provider and employer.

Meal Service to Children With Disabilities: Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

Confidentiality: The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of 51 Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. PRIVACY ACT STATEMENT

Section 9 of the National School Lunch Act requires that unless your children's food stamp, TANF or FDPIR case number is provided, you must include the social security number of the adult household member signing the application, or indicate that the household member does not have a social security number. If a social security number is not given or an indication is not made that the signer does not have such a number, the application cannot be approved. The social security number may be used to identify the household member in carrying out efforts to verify the correctness of information stated on the application. These verification efforts may be carried out through program reviews, audits and investigations and may include contacting employers to determine income, contacting a food stamp or welfare office to determine current certification for receipt of food stamps or other benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by household members to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported.

Special Education Services for Parentally Placed Nonpublic School Children

By Shawn Johnson

I am writing to inform you of new Federal and State requirements regarding Special Education services for parentally placed nonpublic school children. These changes may affect how your child receives special education services. The most important change is that the school district where the nonpublic school is located will now be responsible for individual evaluations and development of individualized education programs (IEPs) for students with disabilities, including conducting the Committee on Special Education (CSE) meetings, and for providing special education services to students with disabilities who are parentally placed in nonpublic schools. The following information is important for you to know:

- * Beginning with the 2007-08 school year, if you have placed your child in a nonpublic school and, while the child is enrolled in that school, you suspect that the student has a disability, you must contact the school district where the nonpublic school is located to request an evaluation to determine your child's eligibility for special education services.

- * We must have your written consent in order for us to provide information (such as your child's IEP) to the school district where the nonpublic school is located.

- * If you place your child in a nonpublic school and wish your child to receive special education services while enrolled in that school, you must request those services in writing no later than June 1 before the school year in which services are to be provided. This year you should request services from us and with your written consent, we will forward that request to the school district responsible to provide the special education services to your child. (We will not require you to have requested services by June 1 if your child is first identified as needing special education services or if you moved into the district between June 1 of this year and April 1 of next year.)

- * If the nonpublic school where you place your child is located within the geographic boundaries of another public school district, the public school district in which the non public school is located will arrange for and provide the recommended services for your child. The personnel and locations for the delivery of those services will be determined by that school district. Federal and State law require this.

- * If the nonpublic school where you place your child is located in another state, your child may not be entitled to all of his/her IEP services.

- * Transportation requests from your child's home to the nonpublic school should continue to be submitted to the school district where your child legally resides by April 1 of the school year before transportation is to be provided.

Model UN Club Donates to Charity Water

Eden Central School's Model U.N. Club spent June 12th and 13th camped out on the front lawn of the Eden Elementary School. They fasted for 24 hours and collected donations along Route 62 for Charity Water, a non-profit organization bringing clean and safe drinking water to people in developing nations. 100% of donations go directly to building wells. Rachel's Challenge Event—Motivate Educate Activate

By Mary Beth Sweeney

The Eden Central School District will be hosting the Rachel's Challenge Character Education program on October 21, 2010. The mission of the program is to reach every student with the message that they have the power to make PERMANENT, POSITIVE, CULTURAL CHANGE in their schools and communities by accepting the challenge of Rachel Scott to start a chain reaction of kindness and compassion. Rachel Scott was the first person killed at Columbine High School on April 20, 1999.

ASSEMBLIES

There will be three emotionally charged multimedia assemblies, one for the High School, one for the Junior High School, and an evening event for the entire community. We invite parents, teachers, and community leaders to attend the evening event and take

part in this exceptional, inspirational program that has reached over 3 million people worldwide.

TRAINING

Capitalizing on the emotion and the desire to make a difference following the assembly, student volunteers are equipped during a 1-hour training session which stresses practical ways in which they can impact their school. We will establish the framework for an on-going program called the Friends of Rachel Club. The training of student volunteers is integral in sustaining the message of kindness and compassion, and affecting true, genuine change in our school.

PROGRAM IMPACT

“Attendance is up, disciplinary referrals are down, and the students feel a sense of community. Students speak out against bullying and intimidation

and inform the administration of other inappropriate behavior. We recommend Rachel's Challenge as a must see for high school and middle school students.”

**-T. Thompson, Principal
Southport High School**

“The best school assembly I have attended in 25 years of teaching...I recommend this program to any school, without reservation.”

**-D. Douglas, Teacher,
East Hampton High School**

“Your message helped me to overcome my sister's death and prevent my own.”

-9th Grader

A very special thank you to The Eden Boy's and Girl's Club, The School Store, and Student Council for making this event possible.

Eden Elementary Continues to Roll with Summer Reading

By Vanessa Zoll

Eden Elementary launched its Roll into Reading summer reading program in June with a Buy One, Get One (BOGO) Book Fair sponsored by the PTA. Students were able to purchase a summer reading title and receive a free book. "This book fair was a huge hit!", says Ms. Vanessa Zoll, librarian. "The students were excited about getting that free book, and they can get started with their summer reading."

The Roll into Reading summer program is in its third year with teachers leading book chats with

the elementary students. Beginning in June in the library, all students are introduced to the summer reading titles and choose one book that they would like to participate in a book chat. Before summer break, students will meet their book groups and book hostess. Books are given away during this time, and everyone is treated to popsicles, courtesy of Eden PTA.

Last year, National Honor Society Juniors participated in Roll into Reading by either leading a book chat or shadowing a teacher led book chat. When students

return to school in the fall, they can earn homework passes by completing a Book Notes form and Reading Log. For participating in the book chats, students win tickets to be entered for random prizes.

All forms and lists can be found online at www.edencsd.org under the Elementary Library page.

NYS Health Insurance Available for Eligible Children and Families

Shawn Johnson, Director of Pupil Personnel Services

Do you know of anyone who is currently without health insurance?

Without health insurance, children and adults are left to rely on a patchwork system for necessary medical care. Children who are uninsured are more likely to go without essential health services, miss school because of untreated illness, and end up in the

emergency room for preventable conditions.

To close the insurance gap, New York State is expanding eligibility for children and families by making it easier to sign up for and keep their health insurance coverage. I am excited to announce that the Eden Central School District now has a Facilitated Enroller who will assist

our Eden families in filling out and filing the necessary paperwork needed to access free or low-cost health insurance.

What do you need to do? Contact Shawn Johnson, Pupil Personnel Services at 992-3645.

I am looking forward to hearing from you.

Annual Notice/Child Find - Special Education Services for Children Ages 3-21

The Eden Central School District is participating in an ongoing local and state effort to identify, locate, and evaluate children ages 3 through 21 who may have a physical, mental, communicative, learning and/or emotional disability.

The Eden Central School District Pupil Personnel Services Office implements child

identification, location, and evaluation of children 3-21 who have disabilities regardless of the severity of their disability, and who are in need of special education and/or related services. At no cost to the parents, these services are provided in compliance with state and federal laws in the least restricted environment.

Parents may obtain additional information regarding special education services and programs and parental rights by contacting Shawn Johnson, Director of Pupil Personnel Services at 716-992-3645.

Visitors to District Schools

If you are visiting the schools, e.g., teacher conference, observing a class performance, helping with centers, lunch with your child, etc., you will need to sign in and wear a "visitor" badge. At the Elementary Building, these may be found at the table in front of Mrs. Steinmetz's desk in the main office. At the GLP Primary School, you will need to sign in and wear a "visitors" badge found in the Main Office. If you don't find a badge with your name, there will be blank badges available for

your use. The bottom line is all visitors or volunteers to the Elementary Building or the GLP Primary School will be required to sign-in for every visit! Please wear the badges identifying who you are every time you are in the building. If you have any questions, please call the Elementary Building main office at 992-3610 or the GLP Primary main office at 992-3638.

To Report Fraud

To report fraud, waste or abuse in the school district, please call the Claims Auditor at 992-3613. Calls can be kept anonymous/confidential.

If you take responsibility for yourself, you will develop a hunger to accomplish your dreams.

Release of Information to Another Educational Institution

The District may disclose any and all educational records, including disciplinary records and records that were created as a result of a student receiving special education services under Part B of IDEA to another school or postsecondary institution at which the student seeks or intends to enroll. Parental consent is not required for transferring education records, however, the school's annual FERPA notification should indicate that such disclosures have been made in the absence of information about disclosures in the annual FERPA notification. School officials must make a reasonable attempt to notify the parent about the disclosure, unless the parent initiated the disclosure. Additionally, upon request, schools must provide a copy of the information disclosed and an opportunity for a hearing.

Family Education Rights and Privacy Act of 1974, 20 United States Code (USC) Section 1232g 34 Code of Federal Regulations (CFR) Part 99.

Note: Refer also to Policy #7643 - Transfer Students with Disabilities.

CHANGES IN RESIDENCY

Please be advised that you must immediately notify your building Principal if your residence changes at any time during the year.

Due to the fact that a change in residence may affect your child's entitlement to attend the District's schools, you should contact the District to discuss any questions that you have.

Family Educational Rights and Privacy Act of 1974

Any student eighteen (18) years or older and the parents of any student under eighteen (18) years of age have a right to inspect and review any and all official records, files and data directly related to pupils including all material that is incorporated into each student's cumulative record folder and intended for school use or to be available to parties outside the school or school system, and specifically including, but not necessarily limited to, identifying data, academic work completed, level of achievement (grades, standardized achievement scores), attendance data, scores on standardized intelligence, aptitude and psychological tests, interest inventory results, health data, family background information, teacher or counselor ratings and observations and verified reports of serious or recurrent behavior patterns.

Such parents and students are also entitled to an opportunity for a hearing to challenge the contents of such records to insure that they are not inaccurate, misleading, or otherwise inappropriate data contained therein. Any questions concerning the procedure to be followed in requesting such a hearing should be directed to the Principal of the school which the pupil is attending or to the Superintendent.

Under the law, there are restrictions which prohibit the release or use of student records or any material contained therein to persons other than parents or students or persons employed by the school district without the written consent of the parents or students. There are a number of exceptions to this rule, such as school district employees and officials and certain state and federal officials who have legitimate educational needs for access to the records. No personally identifiable information contained in the personal school records shall be furnished in any form to any person other than those mentioned above unless:

A. The following directory information may be released without written consent provided the student or parent does not inform the district of their objection to such release within 30 days of the mailing of this notice: the student's name, address, telephone listing, date and place of birth, major field of study, grade level, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, honors, degrees and awards received, photograph and the name of the educational agency or institution most recently previously attended by the student.

B. There is a written consent from the student's parents specifying records to be released, the reasons for such release and to whom and a copy of the records to be released to the student's parents and the student, if desired by the parents.

or

C. Such information is furnished in compliance with judicial order or pursuant to any lawfully issued subpoena, in which event, the parents and the students shall be notified of any such order to subpoena in advance of the compliance therewith by the district.

Eden Artists Featured at Central Terminal

By Lynn Morgan

GLP Art Teacher, Mary Ellen Bossert took photographs of our presence at the Student Celebration of the Visual Arts show at the Central Terminal. There is a dramatic black & white taken of our giant vintage Eden banner dragged up from who knows where by Mr. Graff (he's not telling) against the architecture of the terminal.

The show featured young artists from across WNY - including our own, and its setting was against the haunting backdrop of the central terminal. It ran 11-5 both days.

Eden Artists' work on display in the Central Terminal

First grader, Eve Musielak is pictured with her artwork, Good

Luck Asian Dragon that won the SCVA Award (expressive symmetrical collage mask and printmaking body in primary colors) at the top of the display. This extraordinary young artist won the award at the show for her age category - quite a feat when you consider how many works there were displaying the very best student work from around the region. Her work certainly deserved the recognition. The piece took many class periods to complete and the work incorporated many steps, including

a large print which young Eve meticulously executed - truly exceptional for a first grade artist.

The photo above shows students who were featured at the show in front of the Jr./Sr. high display. Their work was chosen as the best produced throughout the school year in Miss Morgan's classes in terms of originality, design, and craftsmanship. Pictured are Katie O'Reilly, Alyia Carter, Megan Locker, and Ms. Morgan. They are posed by our display and in front of the historic clock at the center of the Central Terminal.

Why Join the PTA?

The Parent-Teacher Association is a group that has open membership for all parents and teachers. They are an important partner in the success of our students. They help by providing volunteer and financial support, as well as leadership and guidance. It is through this group's hard work and dedication that we

can provide field trip opportunities, student recognition, assemblies and, of course, refreshments for so many events. In addition, they volunteer to work in the classrooms and at numerous events throughout the year.

All parents and teachers are encouraged to join the PTA. They need your support, as they help our

kids.

Contact your school office or any PTA member for membership information. Officers for 2010-2011 are Jennifer Davies, President; Jennifer Kane, Secretary; Sara Battleson, Treasurer. Vice President is to be announced.

FACILITIES NEWS AND INFORMATION

By David Martin
Superintendent of Buildings and Grounds

We're on the web!
www.edencsd.org

Welcome
Back!!

Legal Notices: The Eden Central School District has adopted **Integrated Pesticide Management** as an effective, safe and environmentally sensitive approach to pest management. The program uses common sense practices to control pests by taking advantage of various management options including the judicious use of pesticides. State Education Law requires districts to make notifications to staff and persons of parental relations of pesticide use in the district and on the grounds. This notice is to inform you that during the 2010-11 school year, it may be necessary to use pesticides on school district properties to meet management goals. Our use of pesticides has and will continue to be on an emergency basis to control imminent hazards such as bees, ants and rodents.

The Triennial Asbestos Inspection was completed in June 2010 as required by Education Law and AHERA regulations. The inspection was conducted by an independent certified Asbestos Inspector. No significant changes have been noted since the last inspection. Ongoing surveillance inspections continue throughout the school year.

The Annual Fire and Structural Integrity Inspection of all District owned facilities was conducted in July as required by Education Law. No significant changes or deficiencies were identified, and the facilities were found to be in good condition. Results of the inspections can be reviewed by contacting David Martin - Superintendent of Buildings and Grounds.

If you have any questions regarding any of the above, please contact David Martin - Superintendent of Buildings and Grounds at 716-992-3602.
