NO. 2

Dear Friends of the Eden Central School District,

Back to school! Few words pack a more positive punch, except for perhaps "graduation day".

Another summer has passed, and a new school year has begun. I sincerely hope that everyone had the opportunity to spend some quality time together with friends and family.

As we begin this new school year, I would again like to thank the community for the continued support. It is this support, along with the work of our dedicated administrators, faculty and staff that allows us to provide abundant opportunities for our students to be successful and for the District to be one of the best in Western New York.

The schools have very active schedules planned for this school year. I would encourage all families and community members to attend these events and activities.

I am proud to announce that the N.Y.S. Education Department recently released the "School Report Card" for the 07-08 school year. Again, our students and teachers did an outstanding job. The 91% graduation rate placed Eden in the top five school districts in Western New York. Each Building Principal presented their Report Card to the Board of Education in August. In addition, the Business First rankings are out for the 2006-07 school year. The District continues to do well. We remained in the top 20% of school districts in Western New York. Our High School ranked 9th among Western New York Public High Schools. The Jr. High and Elementary schools both improved their rankings. Copies of these reports are available from your child's Principal.

We also received our 2008 Advanced Placement results for United States History and Calculus. The results are outstanding! In US History 96% of our students scored a three or better, while globally only 48% scored at that level. (Students need a three or better to receive college credit). In Calculus the results were very similar, as 100% of our students scored a three or better, while globally only 61% scored that high.

I look forward to another outstanding school year working together with the community, parents, teachers, administrators and staff.

Don't forget, the PTA needs your support to be able to support the students. Please consider joining soon.

Sincerely,

Ronald K. Buggs
Superintendent of Schools

SALLY SCHAEFER - TOP SOPRANO

Sally Schaefer has been accepted to the New York State School Music Association Conference Choir as a soprano. This event takes place December 4-7th in Rochester, New York.

This conference brings together the most talented musicians from the entire state who all auditioned in voice or their instrument on a solo in May last year. The musical groups performing in this festival are orchestra, band, mixed choir, and women's choir. Sally was accepted into the mixed choir as the top soprano from our county. She competed against hundreds of other sopranos for this spot.

Congratulations Sally!

WHY JOIN THE PTA?

The Parent-Teacher Association is a group that has open membership for all parents and teachers. They are an important partner in the success of our students. They help by providing volunteer and financial support, as well as leadership and guidance. It is through this group's hard work and dedication that we can provide field trip opportunities, student recognition, assemblies and, of course, refreshments for so many events. In addition, they volunteer to work in the classrooms and at numerous events throughout the year.

I would encourage all parents and teachers to join the PTA. They need your support, as they help our kids. Contact your school office or any PTA member for membership information.

ROCHESTER SCHOLARS STUDENT SPOTLIGHT: EDEN JUNIOR/SENIOR HIGH SCHOOL STUDENT ATTENDS UNIVERSITY OF ROCHESTER OVER SUMMER VACATION

One Eden Junior/Senior High School student opted to get a taste of college at the University of Rochester during her summer vacation. Emily Falstewart, 10th grade, joined local students representing over 100 schools in attending Rochester Scholars, the University's prestigious pre-college academic program.

"I enjoyed it very much," said Mariko Tamate, Instructor for *As Easy as Saying Sushi: Intro to Japanese*, "I couldn't believe how much information they could take in."

For the past nineteen years, Rochester Scholars has given middle school and high school students the opportunity to experience college first-hand by participating in a variety of mini-courses. Around 400 students in grades 6-12 attended the program's one, two and three week 2008 Summer Sessions. These young scholars studied a variety of topics, including medicine, physics, engineering, communications, business, art, economics, philosophy, psychology, foreign languages, writing, journalism, astronomy, biology, and others. With no tests and little to no homework, students enjoyed a fun-filled curriculum consisting of hands-on activities, guest lecturers, and fieldtrips. Classes are taught by select UR faculty, graduate students, and top local educators and are held on the University's River Campus or in the Medical Center.

In addition to attending classes, students had the opportunity to participate in on-campus activities before and after class, such as lounging in Rush Rhees Library, browsing the University bookstore, or visiting one of many art collections. Students could also choose to attend an admissions and financial aid workshop with counselors from the University's Admissions Office and tour the campus.

Emily participated in Careers in Communications and Japanese.

In addition to Rochester Scholars, the University of Rochester's Office of Special Programs offers many credit and non-credit courses and programs, including pre-college youth, adults, senior citizens, and educators. For more information, call the Office of Special Programs at 585-275-2344 or visit www.rochester.edu/osp.

WELCOME TO OUR AFS STUDENTS

By Barbara Thomasulo

This year, Eden welcomes four exchange students. These students will be living with host families through June 2009.

Ainhoa Arrazola is from San Sebastian, Donostia, Spain. Her mother, Jaione Barandiaran is a teacher, and her father, Inaki Arrazola is an engineer.

Ainhoa's favorite subject in school is Science. She enjoys basketball and going out with friends. While in Eden, she would like to play varsity soccer and, hopefully, basketball. Ainhoa commented that "everything is different" here compared to her home.

She is undecided about what she would like to do in the future, but she is leaning toward the sciences.

Ainhoa is staying with the Howie family.

Cleo Christensen is from Copenhagen, Denmark, where her mother, Gitte is an illustrator, and her father, Niels is a maritime lawyer.

Cleo's favorite subject is Art. She loves dancing, shopping and theater. While in Eden, Cleo would like to participate in cheerleading. She would also like to visit Niagara Falls.

Her future plans include going into education.

Cleo is staying with the Popple family.

Faridah Rasnah M. Sali is from Isabel City in the Phillipines. Both her mother, Ummicalsum, and her father, Farouk, are government employees.

Faridah favorite subject in school is Chemistry. She enjoys playing music and just playing. While here, Faridah would like to participate in the musical, go skiing, play tennis and try different foods. School here is very different from her home. Faridah's hopes to some day become a doctor.

Faridah is staying with the Cole family.

Fellip Alves is from Santos, Brazil. His mother Deborah is a Director of Technology, and his father, Carlos Eduardo is a Director of Commerce.

Fellip loves Math, History and Geography. He enjoys weight training and hanging out with friends. While in Eden, he would like to hone his English skills, travel to New York City, Miami, Washington, DC and Canada.

Fellip's future plans include going to a university to study possibly economics or business. He is undecided at this point. Fellip is staying with the Roistacher family.

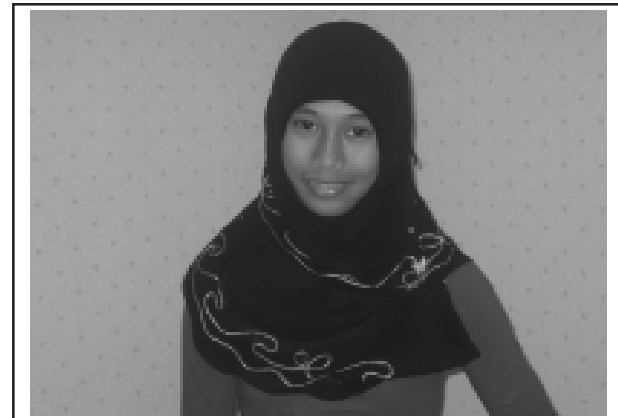

We wish all the exchange students a very positive and productive year in Eden, and we hope that they enjoy their stay.

EDEN JR/SR HIGH SELECTS SEPTEMBER ATHLETES OF THE MONTH

The following athletes have been chosen by their coaches as athlete of the month: Heather Henry (Volleyball), Tiffany Anderson (Cheerleading), Ainhoa Arrazola (Girls' Soccer), Kevin Rood (Cross Country), J.J. Senozetnik (Volleyball), Douglas Steen (Golf), Molly Koester (Field Hockey), Alex Shea (Football) and Maggie Riedel (Tennis).

Heather Henry was selected because of her hard work in practice and her flawless performance in game play while under pressure.

Tiffany is said to be a very dedicated cheerleader who comes to practice on time, with a positive attitude. She is always willing to help the girls on the team learn new skills.

Ainhoa Arrazola is a hard working soccer player who listens and applies what she learns. Her coach is impressed with her smart play and comments that she is well liked by her teammates.

Kevin Rood is an extremely hard worker, with incredible tenacity. He always goes the "extra mile" and even trains on Sundays. In his first major invitational at East Aurora, Kevin ran a 16:51 over the three mile course.

On the volleyball court, JJ Senozetnik has demonstrated a tremendous amount of leadership, both in games and in practice. He is willing to show the younger more inexperienced athletes the proper techniques and has been very positive in his manner with them.

Douglas Steen is a junior on the golf team and has been on the team since 7th grade. Doug is the team captain and leads by example. He shot an impressive 3 under par 33 this month against Springville.

Molly Koester has been on the Varsity Field Hockey team for three years. She is co-captain of this year's team. She is a dedicated athlete with a positive attitude. Molly enjoys playing and it shows.

Alex Shea has been a team leader in tackles, interceptions, had a touchdown reception on Friday, the 19th, with 4 receptions for 66 yards and 2 carries for 46 yards. Unfortunately, he fractured his ankle at the end of the game and will be out for the rest of the season.

Varsity Tennis Team captain, Maggie Riedel, has been on the tennis team for two years. Throughout the two seasons, she has played in a number of different varsity spots including second and third singles and second doubles. This season, she is on a strong winning streak at third singles, making her one of the top players on the team. Maggie is a great leader and role model for all the players, both new and seasoned.

Congratulations to all our Athletes of the Month!

Pictured Row 1: JJ Senozetnik, Heather Henry, Tiffany Anderson. Row 2: Alex Shea, Douglas Steen, Kevin Rood, Ainhoa Arrazola, Maggie Riedel, Molly Koester.

Wanted: Substitutes in all areas: Nurses, Monitors, Cleaners, Laborers, Bus Drivers, Clerk Typists, Teacher Aides and Teachers. Please send letter of interest to Eden Central School, District Office, 3150 Schoolview Road, Eden, NY 14057.

Success is simple. Do what's right, the right way, at the right time.

EDEN CENTRAL SCHOOLS PLEASSED WITH DISTRICT PERFORMANCE

By Debbie Biastre

The Business First definition sums it up, "find districts that achieve educational excellence despite spending a relatively low amount of money". That is exactly what the Eden Central School District has prided itself on for years. This year coming in at a ranking of 6th out of 97 area school districts in the cost-effectiveness category, Eden truly provides their students and taxpayers with the "biggest bang for their buck" in terms of educational quality and achievement.

The Eden Senior High School, ranked 18th out of 128 public and private high schools, and 9th out of public schools only, "boasts the best score among all high schools in Southern Erie, the territory sandwiched between the Southtowns and the Southern Tier". In addition, the Senior High School was awarded a special subject award in the area of science, which received a five star rating. Principal Marc Graff had the following to say, "When you look at these rankings, I believe it only strengthens the fact that we are one of the outstanding districts in Western New York and that we are truly giving our students an outstanding educational experience here in Eden. To be recognized as a top 10 public high school and having the best score among all high schools in Southern Erie county, is a testament to the hard work and dedication of our students, faculty, staff and parents. While there is always room to improve, I believe we should be extremely proud of our schools."

The Eden Junior High School, which is part of the Junior-Senior High School Complex, ranked 55 out of 211 public and private schools, and 24th among public schools only. This is a 13 slot improvement over last year's ranking.

The Eden Elementary School was selected as a Top 10 school in the Southern Erie area. Coming in at an overall ranking of 145 out of 289 public and private schools, the school ranked 103 out of public schools alone. Additionally, the school has continued to demonstrate growth by moving up in the rankings 6 places this year. Principal Rich Schaefer is quoted as saying, "The Eden Elementary School is continuously making incremental academic improvements as we align our curriculum with the New York State Standards. We are proud of the commitment of the faculty and staff of this building and the accomplishments of our students".

Unfortunately, at both the middle and elementary level, the only student achievement data that is considered for the Business First rankings is the ELA and Mathematics Assessments. The students of the Eden Central School District far exceed the New York State Performance Indicators set each year in each of the four core content areas for which assessments are given.

EDEN ELEMENTARY ROLLS OUT WITH SUMMER READING

By Vanessa Zoll

Teachers and students at Eden Elementary got together Friday, September 19 to chat about their summer reading books. Teachers hosted a book group and led a discussion with students of all ages. While some book groups were small and personal, others were over 35 students. Popular books with students were *Marley and Me* and *The Lemonade War*.

Prizes and homework passes were handed out to students who completed a book assessment. From "WANTED" posters to T-shirt designs, nearly all the students had created something based on their summer reading book. An MP3 Player was the grand prize that was raffled off, and 5th grader, Tyler Hoffman, was the winner.

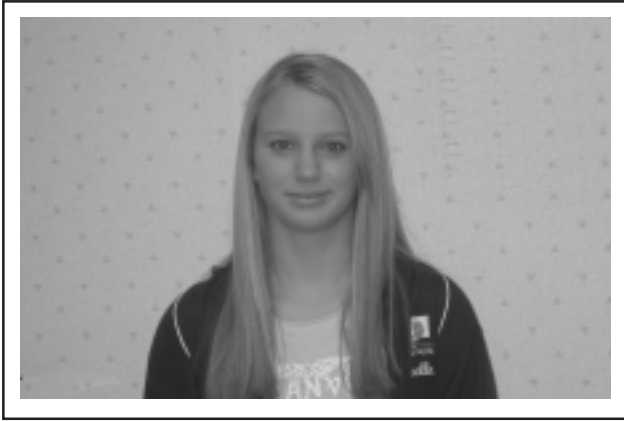

Mrs. DeGroat leads a discussion on the book, *Sand Dollar*.

Reminder: Community Involvement Awards nominations are due November 14th. Applications are available in all school offices and at the Eden Public Library and Town Hall.

**NATIONAL MERIT SCHOLARSHIP
SEMIFINALIST**

By Amy Banks

Eden Jr./Sr. High School is proud to announce that senior, Joelle Crabtree, has been named a National Merit Scholarship Semifinalist. In each annual National Merit Scholarship Program, about 50,000 academically talented high school students are honored, but only about 16,000 of them are named Semifinalists. Students who qualify as Semifinalists based on their performance on the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) are the only program participants who have the opportunity to advance to the Finalist level and compete for National Merit Scholarships. About 8,200 of the outstanding Finalists will be chosen as Merit Scholarship winners in the 2009 competition.

The 2007 PSAT/NMSQT served as an initial screen of more than one million entrants to the 2009 National Merit Scholarship Program. Semifinalists are the highest scorers in each of the 50 states and represent less than one percent of each state's high school seniors. Although Semifinalist qualifying scores vary from one state to another, the scores of all Semifinalists are extremely high. The National Merit Finalists will be considered for several scholarship opportunities that range from one time \$2,500 - \$5,000 stipends, several corporate-sponsored Merit Scholarships awards, and college-sponsored Merit Scholarships.

Being honored as a National Merit Scholarship Semifinalist is a major accomplishment. Joelle Crabtree is an outstanding student, accomplished athlete, and all around gifted individual who deserves recognition for her achievements. Congratulations, Joelle!

A successful man is one who can lay a firm foundation with the bricks others have thrown at him.

**EDEN JR./SR. HIGH SCHOOL PARTNERS
WITH UNIVERSITY AT BUFFALO
GRADUATE SCHOOL OF EDUCATION**

By Marc Graff

Eden Jr./Sr. High School is proud to announce that the school has formed a partnership with the University at Buffalo Graduate School of Education, that will allow graduate students from the university to accumulate field experience and student teaching hours in our building. As a liaison school to the university, our teaching staff will work extensively with the graduate students to ensure that they receive training that will adequately prepare them for a career in education.

As an overview, the program will begin in the fall with the seven graduate students and their University at Buffalo Teacher Education Associate, Elizabeth Waller, spending time in the building doing observations in all areas of the school setting. They will also begin to build a relationship with their cooperating teacher and the student body as they prepare to student teach in the spring semester. This model allows the graduate students to gain a thorough understanding of the school community, have extensive interactions with students, faculty and staff and ultimately allows them to have a smooth transition into their student teaching experience that promotes optimal learning for all students.

A big thank you goes out to all the faculty and staff for embracing this opportunity to serve as teachers and mentors to the next generation of educators. This is a feather in the cap of the entire Eden community and serves as another example of how highly regarded our program is in Western New York...for that, everyone in the community should be proud.

**EDEN ELEMENTARY ANNOUNCES

**LET'S GET FIT, BE HEALTHY
AND STAY ACTIVE!**

By Marisa Fallacaro

Independent Health Foundation is kicking off an eight-month fitness initiative in hopes to change health habits in 250,000 youth, and Eden Elementary and the GLP are taking part. The Fitness for Kids Challenge encourages children age 14 and under residing in the eight counties of WNY to complete health and fitness activities for the entire school year. The initiative includes education, promotion, rewards, incentives and school competitions, and two community-wide events.

The Independent Health Foundation's Fitness for Kids Challenge is an eight-month initiative - Sept. 22, 2008 to May 22, 2009 - which is meant to combat the increase in obesity and Type 2 Diabetes in our youth. Eden Elementary and the GLP are 2 of more than 150 schools and nearly 60,000 young people in WNY who have already pledged to take the challenge.

Studies show obesity and Type 2 Diabetes are health issues that can be improved, controlled or prevented with healthy diets and exercise. Nearly 24 percent of New Yorkers are obese, according to a new report by the Robert Wood Johnson Foundation, *F as in Fat: How Obesity Policies are Failing in America 2008*. The study shows obesity rates increased in 37 states in the last year and did not decline in any. "Experts estimate that if we keep on the current course, 75 percent of Americans will be obese by 2015," the report concluded.

Each week new weekly challenges will be posted at school and on fitnessforkidschallenge.com for you to complete. You can complete as many activities as you want. When you complete 12 activities, you can turn in your activity log to be entered into the monthly drawings, and the grand prize drawings at First Night® Buffalo and Kids Run. The more activity logs completed and submitted, the better chance to win great prizes including Limited Edition New Era™ 59FIFTY caps, tee-shirts, and grand prizes of Wii Fit™ gaming systems and Fisher-Price® Smart Cycles™.

MYNUTRIKIDS.COM

By Debbie Dole

With this being only the second year we are using the NutriKids prepayment service, I thought I would recap what it is and how to use it. Eden Central School District's Food Service Department is excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents the ability to view your child's account balance through a web site called MyNutrikids.com. By having money in each child's account prior to entering the cafeteria, we find the lunch lines move along much faster, so your child has more time to eat and be with friends. Parents will have the ability to print out a copy of their child's eating history report. This history report will show you all dates and times that your child has purchased a breakfast and or lunch within the past thirty days.

To access these services:

1. Simply go to the district web site at www.edencsd.org
2. Click on the Food Services link.
3. Click on the MyNutrikids.com link. From this site you will create your account and add money to your child's school meal account. All you need is your child's name; <FNAME> <LNAME>, student ID <STUDENT ID#> number and school ZIP code: 14057. If you don't know your child's ID #, you can call your child's school or my office at 992-3623.

Things to know:

- * If you have more than one child in the District, you can handle all online prepayments from the same online account.
 - * Payments may be made through an existing PayPal account or with a major credit or debit card.
 - * In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$1.75 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$1.75 fee once per deposit transaction. Eden Central School District will not profit from the use of this site. To offset the cost of this convenience fee, the District Food Service Department will provide one FREE meal for your son or daughter for every 20 lunches purchased.
 - * Automatic low balance e-mail notifications. Parents will be able to establish school meal balance amounts so that if your child's account balance falls below the established amount, you will receive an email alerting you to the low balance. We believe this feature will provide more convenience to you by proactively notifying you of your child's balance status. The low balance amount will be set by you for each child, which will provide you with the flexibility to set a different balance notification amount per child.
 - * Students at the Jr./Sr. High School do not have any limits on how they spend their pre-pay funds, although parents may customize their children's account by contacting the Food Service office at 992-3623.
 - * If your child has qualified for free or reduced price lunches or breakfasts, this information is securely contained within the system and the meal will be processed just as it is for all other students. There is no need to be concerned for a potentially uncomfortable situation for the student.
- We are very excited to offer these services and are confident this system will benefit you, your child and our District. However, if you choose not to take advantage of the online prepayment service, you may continue to make advance payments via check, which should be made payable to the Eden Central School District. Please write your child's full name and ID number: <Student ID #> on the check.
- If you have any questions about these services, please feel free to contact my office at 992-3623.

.....

The following are step-by-step instructions to use NutriKids:

Registering for MyNutrikids.com

- You will first need your child's student ID number; you may get this number by contacting your child's school or contacting my office.
- Go to the district website at www.edencsd.org, then click on Food Services, click on the link to MyNutrikids.com OR go to www.MyNutrikids.com.

- Click Sign Up and enter the required information.
- Click Finish to complete the initial registration process.

Add Students to Your Family Account

- When you log in, you will be taken to the homepage.
- Click MyKids from the main menu OR from the blue navigation bar above.
- This is a listing of the students in your account. It will be empty on your first visit to the site.
- Click Add Child and enter the required information.
- Click Add (next to your child's name) to continue.

- Click Add Child to repeat the process for additional children.

- NOTE: Your child's transaction history report will not display information during the initial account set up process.

How to Make a Deposit

- Click Deposit Money located next to Add Student.
- Enter an amount in the Deposit column next to your child's name.
- If you have more than one child, enter the amount you wish to deposit into the column next to each child's name. DO NOT deposit money for your entire family into ONE child's account.
- Click Calculate.
- Click Make Deposit.
- You will be directed to the PayPal web site to enter your payment information.
- You have the option to use your existing PayPal account or a major credit card to make your payment.
- If you are using your PayPal account, enter your email address and PayPal password to continue.
- If you are using a credit card, enter the required information. For your protection, MyNutrikids.com will not store your financial information.
- Click Pay Now when finished.
- Click Pay once again to finish the process.

UNITY

I dreamed I stood in a studio
And watched two sculptors there.
The clay they used was a young child's mind
And they fashioned it with care.

One was a teacher; the tools he used
Were books and music and art;
One was a parent with a guiding hand
And a gentle, loving heart.

And when at last their work was done
They were proud of what they had wrought.
For the things they had molded into the child
Could never be sold or bought.

And each agreed he would have failed
If he had worked alone.
For behind the parent stood the school,
And behind the teacher, stood the home.
