MESSAGE FROM THE SUPERINTENDENT

Eden School Board receives another positive report from the auditor. In November, External Auditor, Drescher & Malecki, LLP, reported that the District was in a positive financial situation, tax dollars were being used wisely and the Fund Balance was just under the state limit of 3%.

The state also has mandated that each school district employ the services of an internal auditor. The firm of Bahgat and Laurito-Bahgat, CPA has been working in the District since early Fall. Their initial report was accepted by the Board of Education in November. The Audit Committee of the Board of Education asked the auditors to focus in phase two on cash disbursements, which the auditors had recommended. Bahgat and Laurito-Bahgat determined, "The results of our testing indicate the internal controls of the District are strong with a few exceptions." They also took a sample of unusual transactions. Of this sample, they found no exceptions or issues with any. They examined the twelve-month statements for the four District credit cards. There again, no exceptions or issues were found.

"The District has an adequate internal control system." The only recommendations that they did make were to the claims auditor and purchasing procedure. The auditor suggested that the claims auditor not approve incomplete vendor packets, but rather wait until the packet is complete. With regard to purchasing, they suggested that the District revise its procedure regarding the verbal/written quotes requirement for purchases over \$500 relating to the Building & Grounds and Transportation Departments. The District will review the procedure to ensure it reflects exactly what is being done. The lack of quotes on occasion in both of these departments are due to emergency purchases only. They also suggested that these emergency procedures require the approval from the Director of Finance. This is done by approving the purchase order.

This was another excellent report. The District has addressed all of the recommendations set forth by the internal auditor. The Board of Education accepted this report at their February meeting. In addition, the Board of Education Audit Committee recommended for the next round of internal audits (which is required on an annual basis by the State of New York), focus on our Co-generation facility to ensure that this facility is continuing to save District taxpayers the money it was to save when it was built several years ago.

Finally, I would like to take this opportunity to address the soap issues that were brought forth by a Board member. The school district has completed a thorough investigation of the soap being used in our district. There was no evidence found during this investigation, nor has any evidence been turned over to the district that demonstrates that the district is using inappropriate, unsafe, or contaminated soap. The soap that is being used has been determined to be safe and appropriate. It should be used on a regular basis by our students and staff in hand washing. Hand washing is recommended by the New York State Health Department as an important way to prevent the spread of infectious diseases and bacteria.

The media has given a great deal of attention to MRSA (Methicillin-Resistant Staphylococcus Aureus) in schools over the past several months. In an effort to support our faculty, staff, students and parents, the district will sponsor a MRSA Information Night on Monday, March 3, 2008 at 6:30 p.m. in the Elementary Auditorium. Dr. Joseph Mylotte, Professor of Medicine at UB will be our guest speaker.

Sincerely,

Ronald K. Buggs

BOARD OF EDUCATION

*By Thomas J. Gannon, Sr.
President, Board of Education*

This is the first article by the Board to be included in the school newsletter. I thought the first article would describe the function of the Board of Education (BOE) and our primary responsibilities. The BOE is comprised of seven trustees elected by the eligible voting residents of the towns that make up the Eden Central School District. Each Trustee is elected for a term of 3 years, and terms are staggered so that with each election cycle a certain number of the seven seats are on the ballot along with the school budget.

The primary responsibilities of the BOE are:

1) We are the policy making component of the school system and put in place the directives that guide the Superintendent and Administrators of the schools to formulate the day to day operation of the District and allow them to efficiently deliver the educational services needed by the students. This may sound very complex, but much of the policy we put in place is governed by Federal and State laws. In addition, the Board operates in conjunction with the State Education Department and is subject also to the rules and regulations promulgated by the Commissioner of Education, and on top of all that, we are subject to the decisions of the Federal and State Courts.

2) The BOE is responsible for hiring the Chief Officer of the District a/k/a the Superintendent. The Board looks for an individual who has both the regulatory qualifications and a strong educational background. The Chief Officer needs strong leadership skills to both implement policy and keep the District running efficiently on a daily basis. The Superintendent needs to have a good understanding of how districts operate on all levels, financially and educationally.

3) The BOE is also responsible for presenting to the public once a year a budget for adoption that effectively provides the District the means to provide the best education to the youth of our community.

The goal of the BOE is to work collaboratively with the Superintendent and the Administration to provide the best educational resources for our children, so they have the tools to succeed in the complex world that they will be part of in the future. There is a continuous give and take between the Board and the Administration that is based on needs of our children and the resources that the system receives from both the community and the taxpayers of the State.

THANKS TO THE DAVIS FAMILY

By Paul Furlong

I was surprised to have received a holiday card with a \$300.00 donation to the Wind Ensemble from three siblings who attended Eden and were significant students in the music program in the 80's.

The card said that it was "in thanks for all the great memories, made possible largely by the hard work & dedication of the staff who taught us over the years from 1981-1989."

The card was from Sarah Davis (1989), now in Sudbury, Massachusetts, on behalf of her and her brothers, John Davis (1988) and Matthew Davis (1985).

The Music Department and the District wish to thank Sarah, John and Matthew for their generosity to our program!

To keep the heart unwrinkled, to be hopeful, kindly, cheerful, reverent that is to triumph over old age.

**HOST FAMILIES NEEDED
FOR A.F.S. STUDENTS**

We are currently looking for families interested in hosting a foreign exchange student for the 2008-2009 school year. This is an incredible opportunity to open your home and share your life with an individual from another culture. Our students are usually affiliated with AFS (American Field Service), and we hope to have at least two students here next year.

We need your help! If you have ever wanted to host a student, please contact us immediately. Since it is early enough, we still have the ability to try to match your requests for a student from a specific country; however, we need your input now in order to make that match.

If interested, please contact Mrs. Nicole Janowsky, Foreign Student Coordinator -- 992-3600.

SEVENTH GRADERS AT THE ALBRIGHT-KNOX ART GALLERY

Our 7th grade students recently had the opportunity to visit the Albright-Knox Art Gallery. The admission for both the students and chaperones was paid for (in full) through a program sponsored by Blue Cross & Blue Shield of Western New York designed to strengthen local students education and interest in art while supporting our community's art gallery. The program also reimbursed the district for bus transportation.

Attending the field trip were almost 80 of Ms. Morgan's 7th grade art students. (7th graders who will have art in the spring are scheduled to go in May.) In addition to works from the regular collection, our students were able to see the The Panza Collection: An Experience of Color and Light, featured from mid-November through the end of February.

We wish to thank BC&BS for their support and all of our chaperones for their assistance in making this field trip a success.

EDEN COMMUNITY FOUNDATION AWARDS GRANT TO FFA

The Eden Community Foundation, Inc. recently awarded a grant of \$2200 to the FFA to be used for new planters and plant material as part of a town-wide beautification program. Club members and advisors are pictured here with a check from the Foundation during a field trip to Zittel's greenhouses on Bley Road. The planters will be in addition to the hanging baskets which have been displayed in previous years. FFA members will help with both the propagation of seedlings, as well as the actual planting of the urns in the spring. Other community groups that received grants in the fall included the Eden Library, Eden Historical Society and Eden Sports Park.

EDEN FBLA ATTENDS THE NATIONAL FALL LEADERSHIP CONFERENCE AT THE HYATT HOTEL AND THE BUFFALO CONVENTION CENTER

By Max Malayny, Reporter-Eden FBLA

Our chapter went to the National Fall Leadership Conference and the New York State Fall Leadership Workshop on Thursday, Friday, and Saturday, November 15, 16, 17. These events took place at the Hyatt Hotel and Buffalo Convention Center in Buffalo, New York. Overall, it was a fun and educational experience.

The New York State Fall Leadership Workshop started at 7:00 pm with dinner. It was followed by an opening general session. On Friday at 8:00 am there was a closing session with the Battle of the Chapters following it. There were six workshops for students to attend, while the advisors had two workshops. After the workshops we had to apply for the National Fall Leadership Conference. Some clubs that attended came from as far away as Texas and the Virgin Islands.

On the second half of Friday there were 13 workshops to choose from in three sessions from 1:00 pm to 3:45 pm. At 9:00 pm we went to listen to the keynote speaker: Matt Bellace at the opening general session. Matt's message was "When you do more, you get more." This will apply to everything you will do in life. On Saturday the Battle of the States took place at 8:00 am and New York beat New Jersey 5 to 1. During the times of 9:00 am and 11:45 am there were three workshop sessions, with 21 workshops to choose from. Next, at 1:00 pm., there were two more workshop sessions with 11 different workshops. The National Fall Leadership Conference ended with a closing general session. The closing general session was at 5:00 pm and featured keynote speaker, Carmine Gallo.

Workshops topics included such themes as: Career Success - How to Get a Job; Etiquette Training Seminar; Take Charge to Create Your Own Luck; Today's FBI; Tips for Becoming a Better Leader; Business Ethics and many more!

Eden FBLA members that attended the conference included: Jaimy Sessanna, John Malayny, Max Malayny, Tyler Arendt, Mallory Diefenbach, Jewel Kwilos, plus advisors Mary Nowicki and Ed Bugenhagen. In conclusion, the New York State Fall Leadership Workshop, and the National Fall Leadership Conference were really fun and also a valuable educational experience.

THANKS TO EVENHOUSE PRINTING & PRINTING PREP

On January 23, 2008, Mary Ellen Bossert, Eden GLP's Art Teacher, honored 3 of her 2nd grade artists for their art inspired by Ancient Egypt. The young artists – Ben, Sam and Hannah created their Self-Portraits as Egyptians. Pictured with the artists is Robin Evenhouse, partner at Evenhouse Printing and a GLP Alumnus. Through a joint effort with Printing Prep, Inc. a major prepress and large formatting company in Buffalo, Evenhouse Printing was able to obtain a large amount of useable scrap paper, which the children utilized to create their artwork. The paper was provided free of charge to Eden GLP and other daycare centers. This artwork will be displayed at Evenhouse's new retail center on Route 20 that will be open for business in early March.

EDEN PTA NEEDS YOUR HELP

The Eden PTA finds themselves in an unfamiliar situation and is asking for your support to keep this wonderful organization here for today and the future. Membership in the Eden PTA has declined, and the volunteer support is being provided by a repetitive handful of parents.

We are more than just a membership card - we are an organization here to support you, your child and the teachers who work with them. By getting involved at your child's school, you will be part of the solution, helping make positive change. If your support is not received through volunteerism and membership, the PTA will not be able to survive. Please support the Eden PTA by becoming a member. Your membership card is a great way to start your support, but we also need your time. Volunteers are a vital part of our success. Please let us know how you can help. Some of the support listed below that we provide to parents, teachers and students would stop if the PTA dissolves.

THE AFTER-CHRISTMAS TREE

By Mary Ellen Bossert and Paula Chalifoux

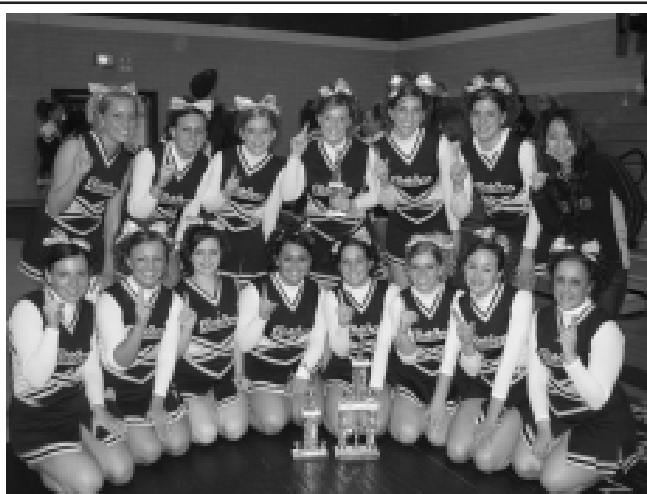

Mrs. Chalifoux's 1st graders read the book, The After-Christmas Tree, by Linda Wagner Tyler in class and brought the story to life right outside their classroom window! The book tells a story of recycling a family's Christmas tree when the holidays are over. The class found a discarded tree, and as a team, pulled it to its new home outside their 1st grade window. Mr. Joe helped the class stake it upright and the class got busy creating treats for the winter animals to hang on the tree. Mrs. Bossert opened up her art studio for the occasion. Each child created a peanut butter covered pinecone and heart shaped piece of bread dipped in bird seed. They all went outside and hung their creations on the After-Christmas tree for all to enjoy! The children were excited to create such an unique bird feeder, and you could hear them say, "It is so beautiful, and the birds and animals will just love it!" as they stood back to appreciate their hard work.

Students in Mrs. Chalifoux's first grade class with their "After-Christmas Tree".

CONGRATULATIONS TO OUR CHEERLEADERS

It was a big weekend for Eden Raiders Cheerleading, January 12th and 13th. On Saturday, the Raiders participated in the Springville Competition. Both the Junior Varsity and Varsity teams placed first in their divisions and received Grand Champion. Gabby Torre and Chelsey Ray were awarded "Most Spirited Cheerleader." On Sunday, the girls traveled to Dunkirk High School for the Extreme Cheer and Dance Competition where both teams again placed first in their divisions. The Junior Varsity team is coached by Amber Costanzo and the Varsity team is coached by Kimberlee Texter.

Saint Lucia (Mrs. Ellen Henning) made a visit to Mrs. Chalifoux's First Grade class. The children were studying about Christmas celebrations around the world and learned that in Sweden Saint Lucia visits with a warm drink and cookies. The children made a wish and then broke their cookie. If it broke it equal parts their wish would come true. The class also celebrated some of the traditions from Mexico and France, as well as Hanukkah and Kwanza.
