

ACADEMIC PROBATION / ELIGIBILITY

A student's first responsibility is to their academic achievement before all other activities. Participation in our comprehensive student activity program and interscholastic athletic program is a privilege that comes along with being academically successful. In order to ensure that students place a priority on a well-rounded education, the following Academic Probation policy has been developed by the building-level Shared Decision Making Team.

1. Students will be placed on the Academic Probation list if they are failing one class or if they are borderline (65%-69%) in two or more classes. In addition, students will be placed on the Academic Probation list at the start of a new school year if they failed one or more classes the previous school year.
2. Students will remain on the Academic Probation list for five weeks. Teachers will report weekly progress for the students on the Academic Probation list each Friday afternoon. The report will be posted on the Parent Portal and a copy will be given to the students during homeroom on Monday morning informing them of their eligibility status for the upcoming week. The updated list will be in effect from the beginning of the school day on Monday through the end of the day on Sunday.
3. Students who do not meet the requirements to be removed from the Academic Probation list each week will be unable to participate in any school sponsored activities; this includes, but is not limited to: dances, club/organization activities, class trips, the musical, and all athletic events (either as a team member or spectator). Music department requirements for class grading purposes are exempt from this policy.
4. It is the responsibility of all faculty advisors/coaches to enforce the Academic Probation list and to prohibit the participation of students whose names appear on the list in all school extra-curricular activities.
5. It is the responsibility of the student to monitor their own academic progress in order to meet the requirements for participation in school-sponsored events.
6. While on the Academic Probation list for five weeks, students will need to do the following:

Academic Performance	Eligibility/Participation	Requirements
