Media Advisory

CCSD's McKinney-Vento program hosting second annual event

Office of Communications

Anita Huggins, M.Ed.

Acting Superintendent of Schools

Vanessa L. Denney, M.Ed.

Interim Executive Director of Communications

Who: Media outlets are welcome and encouraged to attend.

What: For the second year in a row, staff members from Charleston County School District's (CCSD) McKinney-Vento Program in the Department of Federal Programs are partnering with district departments, multiple organizations, and community partners for Serving the Unhoused and Underserved. Throughout the day, families will receive information, services, and support related to education, employment, food, physical and mental health, housing, and transportation.

The community event will feature an employment fair, grocery giveaways for families, utility/rental assistance, and activities for children.

Free CARTA bus passes will be provided if needed. Email McKinney-Vento@charleston.k12.sc.us to request one.

When: Saturday, July 27, 2024, from 11:00 a.m. to 2:00 p.m.

Where: District 4 Regional Stadium, 3659 West Montague Avenue, North Charleston, SC 29418

For more information, contact the Office of Communications at (843) 937-6583 or the district's McKinney-Vento team at mckinney-vento@charleston.k12.sc.us.

About the Charleston County School District

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all of its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 50,000 students in 88 schools and specialized programs.

CCSD offers a diverse, portfolio of educational options and specialized programs delivered to the students of CCSD through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools and programs. Rich educational opportunities for students include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; and military; dual credit; and many more.
