GSWNY SUMMER CAMP

Picture yourself galloping on a trail with the nicest horse ever. Imagine learning how to sail and then competing in a race across Lake Keyser. Think about making the tastiest triple-decker s'more ever.

At Girl Scout camp in Western New York, you can have just about any experience you could want – acting, dancing, horseback riding, swimming, traveling, and so much more!

If you're looking for the kind of summer that'll change your life, you've found it! Girl Scouts look back on their camping experience with laughter and love. Spend a summer with us and you will, too. See you at camp!

Play by Day

For girls who enjoy arts and crafts, drama, hiking, sports, and more, there is plenty of fun to be had at Camp Piperwood in Perinton. Spend time in the Splash Pad or try out the challenging ropes course while you're there! For day campers, before and after care is available for your convenience.

Stay for the Night

Our overnight camps, Camp Seven Hills/Goodyear in Holland and Camp Timbercrest in Randolph, offer tons of exciting programs, such as boating, canoeing, horseback riding, ropes course climbing, swimming, arts and crafts, and off-site trips.

Transportation

Bus transportation is available for all three camp facilities for an additional fee. Staff supervision is provided.

Camp Registration

Girls do not currently have to be registered Girl Scouts to sign up for camp. They can register during the camp application process. Registering as a Girl Scout provides access to financial aid, discounts, and additional program opportunities.

Visit gswny.org/camps or call 1-888-837-6410 for more information. Registration information will be available on gswny.org
