

ACADEMIC PROBATION/ELIGIBILITY

- Students will be placed on the Academic Probation list if they are failing one class, have an incomplete in a class, or if they are borderline (65%-69%) in two or more classes. In addition, students will be placed on the Academic Probation list at the start of a new year if they failed one or more classes the previous school year.
- Students will remain on the Academic Probation list for five weeks.
 - Teachers will report weekly progress for the students on the Academic Probation list on Friday afternoon.
 - Students will be given a report during homeroom every Monday morning informing them of their eligibility status for the upcoming week.
 - Parents/Guardians can view a copy of the report by logging into PowerSchool, on a computer, and clicking academic probation at the top left. If you have any questions about the report you should e-mail the individual teacher.
 - This letter and a report will go home every five weeks that your child remains/is placed on academic probation.
 - The updated list will be in effect from the beginning of the school day on Monday through the end of the day on Sunday.
- It is the responsibility of the student to monitor their own academic progress in order to meet the requirements for participation in school-sponsored events.
- While on the **Academic Probation** list for five weeks, students must meet the requirements on the chart, located on the back of this page, to participate in school-sponsored activities; this includes, but is not limited to: dances, club/organization activities, class trips, the musical, and all athletic events (as a participant or spectator). Music department requirements for class grading purposes are exempt from this policy.
- The Academic Enhancement Program was created to support and hold students academically accountable.
