

Keep an eye out  
for your next  
Possip Pulse Check!

## How Possip Works for Your Family:

- Every month, you'll receive a quick, 1-minute Pulse Check survey from Possip via text or email.
  - You can reply in your preferred language.
  - Feel free to share your needs, praise, questions, or suggestions.
- Your name will appear with your responses, allowing school leaders to follow up, if needed.

*"Appreciate the updates from last POSSIP survey addressed in newsletter this week. Teachers did great at open house!"*

*—Olentangy Parent*

## How Possip Supports Your School:

- School and district leaders get a report from Possip that includes your responses.
- They can hear real-time praise and feedback and can track trends over time.
- They can make changes and respond to your needs and ideas!
- Feedback promotes a culture of collaboration and data-informed decision making.

*"Really appreciate your efforts of reaching out and collecting feedbacks from parents through the weekly possip survey! Thank you and enjoy your holiday break!"*

## HOW YOUR VOICE HELPS

You receive a Pulse Check via text or email once a month.

Possip provides your school with a report of family responses.

You respond to the Pulse Check.

Your school gets stronger as it responds to your feedback and shares your praise! Then you get to share your thoughts again next month!
