TEA MONITOR REMARKS/REPORT

Dr. Abe Saavedra, TEA Monitor, stated: I hate to disappoint, but I do have remarks. But actually, these are good remarks. I want to inform the Board that I made a correction in my April report on something that I had reported in February. And that something was in reference to some teacher contracts that had not been issued and in my February report I stated that due to the Board not meeting, for lack of a quorum during that time, the Board was responsible for that. Well I learned last week, before I turned in my April report, that although DC Legal the Board Policy, does place it on the Board, it also gives the Board the authority to pass it on to the Superintendent. And in this case, DC Local for South San, gives the Superintendent the authority to issue all contracts except administrators. And quite frankly, this responsibility is not necessarily on this Interim Superintendent, it's on your former Superintendent, because those people were all hired during that time and they were not issued contracts. But I simply want to alert the Board that I made that correction and I apologize that I put it on you so, but it's been corrected.
