Education Code 37.006(d)–(e)

Bullying and Cyberbullying

The Texas Education Code defines bullying as a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct and that

- has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property;
- is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
- materially and substantially disrupts the educational process or the orderly operation of a classroom or school, or infringes on the rights of the victim at school.

Cyberbullying is bullying that involves the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool. A student may be removed from class and placed in a DAEP if the student:

1. Engages in bullying that encourages a student to commit or attempt to commit suicide;
2. Incites violence against a student through group bullying; or
3. Releases or threatens to release intimate visual material of a minor or student who is 18 years of age or older without the student's consent.

Intimate Visual Materials

Nothing in this provision exempts a school from reporting a finding of intimate visual material of a minor.

One Year After Conduct

Administrative Regulations

South San Antonio Independent School District

A principal or other appropriate administrator may, but is not required to, remove a student to a DAEP for off-campus conduct, for which removal would otherwise be required, if the principal or other appropriate administrator did not have knowledge of the conduct before the first anniversary of the date the conduct occurred. *Education Code 37.006(n)*

Certain Organization and Gang Membership Solicitation or Hazing

A Board or an educator shall recommend placing in DAEP any student who commits the misdemeanor offenses described in Education Code 37.121(a) and (c), regarding membership in or solicitation to join a public school fraternity, sorority, secret society, or gang [see FNCC]. *Education Code 37.121(b)*. In addition, any act of hazing is prohibited.

Older Students

A person who is 21 years of age or older and is admitted by a district for the purpose of completing the requirements for a diploma is not eligible for placement in a DAEP if the person engages in conduct that would require or authorize such placement for a student under the age of 21. If the student engages in such conduct, the district shall revoke the student's admission. *Education Code 25.001(b-1)*

Placement of Younger Students

A student who is younger than ten shall be removed from class and placed in a DAEP if the student engages in conduct for which expulsion would be required by Section 37.007. *Education Code 37.006(f), .007(e)* [See FOD]

Notwithstanding any other provision of the Education Code, a student who is younger than six years of age may not be removed from class and placed in a DAEP, except that a student younger than six years of age who has been expelled pursuant to the Gun Free Schools Act [see FOD] shall be provided educational services in a DAEP. *Education Code 37.006(l), .007(e)(2)*

Process for Removal

Not later than the third-class day after a student is removed by a teacher or by the school principal or other appropriate administrator, the campus behavior coordinator (CBC) or other appropriate administrator shall schedule a conference among the CBC or other appropriate administrator, the student's parent or guardian, the teacher removing the student from class, if any, and the student. At the conference, the student is entitled to written or oral notice of the reasons for the removal, an explanation of the basis for

Administrative Regulations

South San Antonio Independent School District

the removal, and an opportunity to respond to the reasons for the removal. The student may not be returned to the regular class pending the conference.

Mitigating Factors

Before ordering removal to a DAEP, the CBC must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, regardless of whether the decision of the behavior coordinator concerns a mandatory or discretionary action.

Following the conference, and whether or not each requested person is in attendance after valid attempts to require the person's attendance, the CBC, after considering any mitigating factors under Education Code 37.001(a)(4) [see FO], shall order the placement of the student for a period consistent with the Student Code of Conduct.

If district policy allows a student to appeal to the board or the board's designee a decision of the CBC or other appropriate administrator, the decision of the board or the board's designee is final and may not be appealed.

Term of Removal

The period of the placement after removal may not exceed one year unless, after a review, a district determines that the student is a threat to the safety of other students or to district employees. *Education Code 37.009(a)*

A board or designee shall set a term for a student's placement in a DAEP. If the period of placement is inconsistent with the guidelines in the Student Code of Conduct, the order must give notice of the inconsistency. The period of placement in a DAEP may not exceed one year unless, after a review, a district determines that the student is a threat to the safety of other students or to district employees or extended placement is in the best interest of the student. *Education Code 37.009(d)*

If placement in a DAEP is to extend beyond 60 days or the end of the next grading period, whichever is earlier, the student's parent or guardian is entitled to notice of and an opportunity to participate in a proceeding before a board or designee.

Any decision of a board or designee concerning placement beyond 60 days or the end of the next grading period is final and cannot be appealed.

Education Code 37.009(b)

Administrative Regulations

South San Antonio Independent School District

Before a student may be placed in a DAEP for a period that extends beyond the end of the school year, a board or designee must determine that:

1. The student's presence in the regular classroom program or at the student's regular campus presents a danger of physical harm to the student or another individual; or
2. The student has engaged in serious or persistent misbehavior that violates the Student Code of Conduct.

Education Code 37.009(c)

A board or designee shall deliver to the student and the student's parent or guardian a copy of the order placing the student in a DAEP. *Education Code 37.009(g)*

Not later than the second business day after the date of the removal conference, a board or designee shall deliver a copy of the order placing the student in a DAEP and any information required under Family Code 52.04 to the authorized officer of the juvenile court in the county in which the juvenile resides. *Education Code 37.010(a)*

Activities

The terms of a placement under Education Code 37.006 must prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.006(g)*

In addition to any notice required under Code of Criminal Procedure 15.27 [see GRAA], a principal or designee shall inform each educator who has responsibility for, or is under the direction and supervision of an educator who has responsibility for, the instruction of a student who has engaged in conduct for which DAEP placement must or may be ordered.

Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law. An educator's certificate may be suspended or revoked for intentional failure to keep such information confidential.

Education Code 37.006(o)

Completion of Proceedings Upon Withdrawal

If a student withdraws from a district before an order for placement in a DAEP is entered, the principal or board, as appropriate, may complete the proceedings and enter an order. If the student re-enrolls in the district the same or subsequent school year, the district may enforce the order at that time except for any period of the placement that has been served by the student in another district that honored the order. If

Administrative Regulations

South San Antonio Independent School District

the principal or board fails to enter an order after the student withdraws, the next district in which the student enrolls may complete the proceedings and enter an order. *Education Code 37.009(i)*

Enrollment in Another District

If a student placed in a DAEP enrolls in another district before the expiration of the placement, a board shall provide to the district in which the student enrolls a copy of the placement order at the same time it provides other records. The district in which the student enrolls shall inform each educator who will have responsibility for or will be under the direction and supervision of an educator who will have responsibility for, the instruction of the student of the contents of the placement order. Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law.

The district in which the student enrolls may continue the placement or allow the student to attend regular classes without completing the period of placement. [See FO] The district in which the student enrolls may take any of these actions if:

1. The student was placed in a DAEP by an open-enrollment charter school and the charter school provides the district a copy of the placement order; or
2. The student was placed in a DAEP by a district in another state and:
 - a. The out-of-state district provides a copy of the placement order; and
 - b. The grounds for placement are the same as grounds for placement in the enrolling district.

Education Code 37.008(j)

Reporting

A district may include the number of students removed to a DAEP in its annual performance report. *Education Code 39.306(e)(5)* [See AIB]

Out-of-State Placement

If a student was placed in a DAEP in another state for more than one year and the enrolling district continues the placement under Education Code 37.008(j), the enrolling district shall reduce the period of placement so that the aggregate period does not exceed one year unless the enrolling district determines that:

1. The student is a threat to the safety of other students or to district employees; or
2. Extended placement is in the best interest of the student.

Education Code 37.008(j-1)

Court Ordered Placement

Unless a board and the juvenile board for the county in which a district's central administrative office is located have entered into a memorandum of understanding concerning the juvenile probation department's role in supervising and providing other support services for students in DAEP programs:

1. A court may not order a student expelled under Section 37.007 to attend a school district DAEP as a condition of probation;
2. A court may not order a student to attend a DAEP without a district's consent, until the student has successfully completed any sentencing requirements, if the court has ordered the student to attend a DAEP as a condition of probation once during a school year and the student is referred to juvenile court again during that school year.

Education Code 37.010(c)-(d)

Any court placement in a DAEP must prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.010(e)*

After the student has successfully completed any court disposition requirements, including conditions of deferred prosecution or conditions required by the prosecutor or probation department, a district may not refuse to admit the student if the student meets the requirements for admission into the public schools. A district may place the student in the DAEP.

Notwithstanding Education Code 37.002(d) [see FOA], the student may not be returned to the classroom of the teacher under whose supervision the offense occurred without that teacher's consent. The teacher may not be coerced to consent.

Education Code 37.010(f)

The office of the prosecuting attorney or the office or official designated by the juvenile board shall, within two working days, notify the school district that removed a student to a DAEP under Education Code 37.006 if:

1. Prosecution of a student was refused for lack of prosecutorial merit or insufficient evidence, and no formal proceedings, deferred adjudication, or deferred prosecution will be initiated; or
2. A court or jury found the student not guilty or made a finding the child did not engage in delinquent conduct or conduct indicating a need for supervision and the case was dismissed with prejudice.

On receipt of the notice, the superintendent or designee shall review the student's placement in the DAEP. The student may not be returned to the regular classroom pending the review. The superintendent or designee shall schedule a review of the student's placement with the student's parent or guardian not later

Administrative Regulations

South San Antonio Independent School District

than the third class day after the superintendent or designee receives notice from the office or official designated by the court.

After reviewing the notice and receiving information from the student's parent or guardian, the superintendent or designee may continue the student's placement in the DAEP if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent or guardian may appeal a superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. A board shall, at the next scheduled meeting, review the notice provided by the office of the prosecuting attorney or the office or official designated by the juvenile board; receive information from the student, the student's parent or guardian, and the superintendent or designee; and confirm or reverse the superintendent's decision. The board shall make a record of the proceedings.

If a board confirms the decision, the board shall inform the student and the student's parent or guardian of the right to appeal to the commissioner of education. The student may not be returned to the regular classroom pending the appeal to the commissioner.

A student placed in a DAEP shall be provided a review of the student's status, including a review of the student's academic status, by a board's designee at intervals not to exceed 120 days. In the case of a high school student, the board's designee, with the student's parent or guardian, shall review the student's progress toward meeting high school graduation requirements and shall establish a specific graduation plan for the student. The district is not required to provide a course in the DAEP, except as required by Education Code 37.008(l). [See FOCA] At the review, the student or the student's parent or guardian must be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of the teacher who removed the student without that teacher's consent. The teacher may not be coerced to consent. *Education Code 37.009(e)*

If, during the term of placement, a student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted and the principal or board, as appropriate, may enter an additional order. *Education Code 37.009(j)*

A district may include the number of students removed to a DAEP in its annual performance report. *Education Code 39.306(e)(5)* [See AIB]
