Public Information Program	

"Public Information" means information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

1. By a board;
2. For a board and the board:
  - a. Owns the information;
  - b. Has a right of access to the information; or
  - c. Spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
3. By an individual officer or employee of a district in the officer's or employee's official capacity and the information pertains to official business of the district.

"Official business" means any matter over which a district has any authority, administrative duties, or advisory duties.

Information is "in connection with the transaction of official business" if the information is created by, transmitted to, received by, or maintained by an officer or employee of the district in the officer's or employee's official capacity, or a person or entity performing official business or a governmental function on behalf of a district, and pertains to official business of the district.

The definition of "public information" above applies to and includes any electronic communication created, transmitted, received, or maintained on any device if the communication is in connection with the transaction of official business.

## Forms of Public Communication

The general forms in which the media containing public information exist include a book, paper, letter, document, email, internet posting, text message, instant message, other electronic communication, printout, photograph, film, tape, microfiche, microfilm, photostat, sound recording, map, and drawing and a voice, data, or video representation held in computer memory.

The media on which public information is recorded include:

1. Paper;
2. Film;
3. A magnetic, optical, solid state, or other device that can store an electronic signal;
4. Tape;
5. Mylar; and
