Land Acknowledgement

We acknowledge that Santa Clara County and our schools occupy the unceded territory of the Muwekma Ohlone Nation, the sovereign nation and original people of the skies, land, and waters where we work and learn. The Muwekma Ohlone people are the stewards of these lands and of the teaching and learning that comes from and responds to the needs of the land and people who share it. May our daily lives and work - research, teaching, and community engagement - support the evolving vision of the Muwekma Ohlone for their community and these lands.
