Take 6.1 and 7.5 out of order

Motion by Mrs. Spaulding, seconded by Mrs. Leclerc, to approve the agenda with amendments, motion passed unanimously.

4. Comments for Items Not on the Agenda

4.1 Public Comment

- Mr. Malone shared concerns about OML from December 20th. Law states if you have an OML violation that's been cited the Board Chair has 10 days in which to make a remedy.

- Mrs. Van Vliet shared a huge thank you to BT PTO for some really fun events to all grade levels. Bouncy house, obstacle course, emergency vehicles, and Ben & Jerry's. Really well received and appreciated. Field days are coming up. Thank you to our band and chorus teachers. Concerts, Art Show, so many great things going on. Thank you to everyone who put in the time and work for that.
- Ms. Rose appreciates all the hard work everybody does, she knows everyone is doing their absolute best and that means a lot. Giant shoe at Lenny's, by the door, 4ft long. She observed two young adults excited about the shoe and taking pictures and it was going to be a present for Mr. McCracken, SEA Administrator, suggesting he fills big shoes. She has plans to visit Ms. Hebert's class at BT and will be attending Field Days at Barre City.
- Mr. Boutin addressed Mr. Malone's comment. It's 10 days to address the original complaint. There's no time limit on actually remedying it.

4.2 Student Voice

Mr. Priddy, SHS student, would like to invite the Board, at the start of next year, to have a meeting in conjunction with the student council and as much of the student body who wants to show up at the auditorium. For the first time he's heard students actually talking about the school board and the budget and things going on. It'd be a great time to close the gap with the student body and the Board. Mr. Boutin congratulated Mr. Priddy on the scholarship he received.

4.3 Administrator Meet and Greet

Mr. Hennessey welcomed the new members of the administration team. New Administrators were called up and shared a couple things about themselves. He expressed how grateful we should be to the existing team for the incredible amount of work it took into bringing this outstanding new team into the district. Specifically, Carol Marold and her crew, Tina Gilbert his Executive Assistant, all the folks on hiring committees, our principals and other directors. Big effort from all including himself to aid in a very smooth, positive, and productive transition for everybody including connecting with Ms. Canning. Mrs. Marold followed up by thanking the committees for their tremendous amount of work.

4.4 Budget Information Session

Reminder to the community that our third budget vote is Tuesday, June 18th at the usual voting locations. Very important, everyone exercises their right to vote. Updated presentation shared with some of the new information that is especially pertinent coming from the most recent vote that went down in May. Mr. Hennessey walked through some of the highlights and community members shared questions and comments. Board members were given the opportunity to speak on the budget. There's a wealth of information on buusd.org

5. Consent Agenda

5.1 Regular Meeting Minutes - May 29, 2024

5.2 Warrant Approval: May 30, 2024 and June 6, 2024

5.3 New Hires

Mr. Hennessey reviewed new hires: Andrew Glynn Special Educator at BTMES from Randolph Middle High School Case Manager and longtime Special Education Coordinator at Choice Academy; Megan Rippie Special Educator for BTMES, brand new finished her student teaching in Lamoille North, Cambridge, Hyde park; Sean Dunn Social Studies at SHS recent Champlain College graduate. Student taught at both Burlington and Chester High Schools; Emily Meier Science Teacher for BCEMS currently serving as long-term sub in Science there, has a background in Science. Gillian Thomas is joining SHS as a Spanish teacher, long time teacher for People's Middle School in Morrisville. Abby Villeneuve Physical Education teacher for BCEMS from Tennessee where she's taught PE for the last four years. Welcoming back Kyle Jablonski to fill Health and Nutrition at SHS, many years as a Health Teacher at Lyndon Institute.

5.4 Annual Designation of Truant Officers

5.5 Annual Designation of HHB Report Recipients

5.6 Approval for Board Chair to Sign Healthy SU Program

On a motion by Mrs. Spaulding, seconded by Mrs. Farrell to approve the consent agenda, motion passed unanimously.

Mrs. Farrell requested confirmation that Emily Meier would be licensed by the start of school. Mr. Hennessey confirmed new hires are only sent forward once that's confirmed. Mr. Reil requested to discuss administrators in the packet - Amanda Riggelman, Jesse Schattin, and Melody Frank.

6. New Business

6.1 New Administrator Meet and Greet (Taken out of order under 4.3)

6.3 VSBA Resolution

Mr. Boutin read the Resolution Draft provided in the first addendum. Mr. Reil feels it's a political statement from one perspective. Glad there's acknowledgement about the challenge to raise funds in the community. The Resolution doesn't acknowledge that many Vermonters want affordability and cost containment and reduction in education. It's a fact Vermont has the second highest cost of education in the country. He appreciates members doing this but thinks it should not go to VSBA as from this Board unless supported by everyone. Mr. Boutin mentioned Resolutions can be modified and suggested asking VSBA to also advocate for communities that are struggling financially. Mrs. Spaulding shared if the Resolution passes it goes to the Resolutions Committee at the VSBA and they could reach out with additional questions or clarifying language. This isn't the end result. A resolution needs to be to the committee by the 15th.

Mrs. Spaulding made a motion, seconded by Ms. Reynolds to approve the Resolution Draft as presented, motion failed.

Mr. Grant, Ms. Reynolds, Mrs. Spaulding voted for the motion

Mr. Reil, Mrs. Leclerc, Mrs. Farrell voted against the motion

Mr. Boutin feels it should go with a far more unanimous vote so he's voting against the motion.

Mr. Boutin suggested an amendment that VSBA will also advocate for taxpayers struggling with burden and taxes. Mrs. Spaulding doesn't feel it belongs in this Resolution as there may be Resolutions addressing taxpayers. She's not sure.

Mr. Reil made a motion to call the question, Mrs. Leclerc seconded it, motion passed unanimously, Mr. Boutin requested to mark his opposition to calling the question.

Mrs. Spaulding wanted to be clear she is sending the Resolution to the Central Vermont Representative directly and asking him to present it to the Resolution Committee not on behalf of the BUUSD but to take it up in committee as potentially in a Resolution. If you do see that it comes about it may be based on our work but it's not sponsored by us, just to be clear.

Mr. Boutin agreed she as an individual Board member can certainly do that as long as you're not representing the Board.

7.4 NESDEC/VSBA Board Retreat

Mrs. Farrell made the motion to approve the NESDEC contract and the Chair to sign, motion failed for lack of a second.

Many expressed concerns about not taking time to discuss both contracts and waiting for the new superintendent to make this decision.

Mrs. Farrell made a motion to table this discussion until the 2nd meeting in July, seconded by Mrs. Leclerc, motion passed 4 to 3.

Mr. Reil, Mrs. Leclerc, Mrs. Farrell, and Mr. Grant vote for the motion

Mrs. Spaulding, Ms. Reynolds, and Mr. Boutin voted against the motion

7.5 Budget Information Session (Taken out of order under 4.4)

8. Round Table

- Mrs. Leclerc attended the BCEMS Chorus and Band concert and was thoroughly impressed. Music teacher did an amazing job with all of those students in the program.
- Mr. Grant spoke of the Curriculum Cmt meeting and many teachers who came to speak about improvements in our reading and math scores and in particular talking about a new structured literacy. How that's really improving helping kids catch up in reading, doing better reading Science test questions, and doing better in Math. So much great feedback not just from the teachers but the parents and the students about this program. One quote which stood out for him is "this is the type of thing that literally saves kids lives". Often the individuals will get left behind once they enter adulthood. He's so amazed by all of our staff in the schools and that really left him feeling optimistic. We've had a really difficult past few years as a nation, as a community and feel we can overcome that. Teachers, staff and faculty are doing a great job. So grateful.
- Mrs. Spaulding attended the concert at SHS and it was amazing. They did a fantastic job. After the Special meeting last week she spent time going through the Art Show and there's some really amazing art and wishes she could have been there in time to talk to some of the students because it was really wonderful as always. Reminded people to vote specifically absentee ballot voters in Barre City to be voting with the green ballot. In light of what just happened regarding low spending schools

and the BP Resolution and other things coming out on Front Porch Forum it really feels like some people are trying to defund our schools so please don't let that happen and please vote yes.

- Mr. Boutin echoed the reminder of voting next week and folks in Barre City realize green ballots are good and white ballots are bad and hopefully support the budget.. Corrected the story about Parker and Coolidge, it was inaccurate and it was disinformation. Apparently he addressed it at one point and said it was inaccurate. Mr. Boutin listed off Scholarship recipients. Super congratulations to all those people! List of recipients attached.
- Mr. Hennessey shared 8th grade step up celebrations at both Barre City and Barre Town happening this week. Spaulding High School graduation on Saturday. Board members are welcome to all the events.

11.4 Confidential Attorney Client Communications 1 VSA § 313 (a) (1)

Mrs. Spaulding made a motion, seconded by Mrs. Farrell, the Board unanimously agreed to find that premature general public knowledge of the items proposed for discussion would clearly place the Barre Unified Union School District at a substantial disadvantage should the discussion be public.

Mrs. Spaulding made a motion to enter into executive session inviting our attorney and the superintendent at 7:43 p.m., seconded by Mr. Grant, motion passed unanimously.

Mrs. Farrell made a motion to exit executive session at 8:50 p.m., seconded by Mrs. Leclerc, motion passed unanimously.

Mr. Cecchinelli arrived at 8:46 p.m.

Mrs. Spaulding made a motion to authorize Lynn, Lynn, Blackman & Manitsky, P.C. to prepare correspondence on behalf of the BUUSD Board in regards to a parent complaint, seconded by Mrs. Leclerc, motion passed unanimously.

Doing what I love, what I am interested in, and what I want to do are important to members of Spaulding High School.

The generosity of *Spaulding High School* alumni, service organizations, members of our community, local businesses, and other friends of *Spaulding* have played a pivotal role in terms of supporting the aspirations of our graduating Seniors who are enrolling in a 2 year or 4 year post secondary institution.

Referencing the In House Scholarship Night where members of the *Class of 2024* were recognized for their academic, athletic, and service efforts, *Interim Principal, Mrs. Mari Goodridge Miller* started the night off by recognizing those Seniors who earned a "Latin Designation."

She informed the community that dependent upon the Senior's gpa, one would be recognized with the distinction of *Summa Cum Laude*, *Magna Cum Laude*, or *Cum Laude*. She praised the following students in their respective Latin Designation: *Summa Cum Laude* **Brady Aldrich, Lily Asselin, Kacie Audet, Avery Bellavance, Isabella Boudreault, Charlotte Kellett, Gracie Martin, Mackenzie Moore, Clara Murray, & Matthew Redmond** *Magna Cum Laude* **Aubrey Cheney, Ruby Harrington, Madelyn Hull, Jack Kelley, Lia Kiniry, Ariyana Little, Kate May, Ashley Morrison, Lydia Murner, Lucy Norris, Caitlin Peacock, & Liam Tremblay** *Cum Laude* **Heidi Abbott, Hallee Allen, Mason Chioldi, Madison Churchill, Paige Dickinson, Gabriel Hoar, Kayla LaPrade, Chloe Lee, Noah Long, Allison Longo, Phillip Maurice, Nathan Morris, James Averill Parker, Ryan Partridge, Brody Rock, Calvin Spaulding, & Deanna Wild**

For the *Scholarship Committee Chair, Mrs. Mya Violette* credited the work of the *Spaulding High School Scholarship Trust* which includes **David LaCroix, Norma Malone, Lynn Guy, Mike Davis, and Susan Poczubot** who manage these funds each year.

In an interview dated from 2021 with Mrs. Violette noted that she is very cognizant of the significance of earning a scholarship and as she noted, "life changing."

As an alum of *Spaulding High School*, she was a recipient of a scholarship that enabled her to attend *Trinity College* in Burlington, Vermont. For without it, she noted, "I might not have been able to attend *Trinity College*; it definitely opened a door and I took it."

In turn, with great joy, Mrs. Violette noted that over \$700,000 were issued to members of the Senior Class and in particular, she wanted to express her appreciation for the **Livendale & Burt Families** who remained until the end of the ceremony in order to present their awards to **Hallee Allen, John Marcellus, & Jalona Mundo**. For these recipients were trekking over the mountain due to having a lacrosse game in Vergennes.

For more information on the *Scholarship Trust*, please feel free to contact Mrs. Violette at mviolshs@buusd.org.
