LEGEND	
College CORE COURSE	42 college credit hours - UTSA requires the 4 hour lab classes for Geology 1301 and Physics 1305, TAMUSA does not.
College AAT - Additional Requirement courses	18 college credit hours, MATH 1350/1351 are 8 week flex courses taken together in the same college term
College Science CORE	Student will choose one if BIOL 1308 prerequisite grade of C not met
High School Note	Individual crosswalks may vary slightly due to student performance and four year plan. Student must be TSI College Ready in the spring of the 9th grade year.
# indicates a prerequisite grade of C is needed to advance to the next course	

Total of 20 dual credit courses		
See your high school counselor for course eligibility	Version update	12/13/2021
