SECTION I: GENERAL INFORMATION

SCOPE OF JURISDICTION AND FIRST WARNING

This code of conduct is in effect while students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs. In addition, this Code of Conduct includes: 1) misconduct by a student that occurs off school district property but is connected to activities of incidents that have occurred on school district property; and 2) misconduct by a student that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee. **Student possession of these rules constitutes a first warning. No further warnings will be given.**

EQUAL EDUCATIONAL OPPORTUNITY

The Board of Education will not discriminate nor tolerate harassment in its educational programs or activities for any reason, including on the basis of religion, race, color, national origin, sex, disability or age. The Board is committed to providing an equal opportunity for all children to achieve their maximum potential through the curriculum offered in the District regardless of race, color, creed, disability, religion, gender, ancestry, age, national origin, place of residence, or social or economic background.

Any person who believes that the school or any staff member has discriminated against them has the right to file a complaint with Canal Winchester's compliance officer.

Max Lallathin- Director of Student Services
100 Washington Street

Canal Winchester, OH 43110

Phone: 614-837-4533

Complaints will be investigated and a response provided to the person filing the complaint. Under no circumstances will the District threaten or retaliate against anyone who raises a complaint.

For more information, please reference Board Policies [2260](#), [5517](#), [5517.01](#).

ENROLLMENT

Students are expected to enroll in the school district in which they live. All enrollments are done at the Education Center, located at 100 Washington Street, Canal Winchester, OH. More information, including details on the pre-registration process can be found on the district website or via the link here; [Student Registration](#)

Students who are new to Canal Winchester High School are required to enroll with their parents or legal guardians. When enrolling, the parents will need to bring:

- A birth certificate
- Social Security Card with Child's Number on It
- Court papers allocating parental rights and responsibilities, or custody (if appropriate)
- Proof of residency
- Proof of immunizations
 - If the student enrolling is a foster child, then BOTH of the following forms are required prior to attending school:

*Magistrate's Order

*Enrollment Transfer Letter from Placement Agency (Children's Services)

In some cases, temporary enrollment may be permitted. If that is done, the parents will be told what records are needed to make the enrollment complete.

Students enrolling from another accredited school must have an official transcript from the sending school in order to receive credit from that school. The School Counseling Office will assist in obtaining the transcript, if not presented at the time of enrollment.

A student who has been suspended or expelled by another public school in Ohio may be temporarily denied admission to the District's schools during the period of suspension or expulsion even if that student would otherwise be entitled to attend school in the district. Likewise, a student who has been expelled or otherwise removed for disciplinary purposes from another state and the period of expulsion or removal has not expired, may be temporarily denied admission to the District's schools during the period of expulsion or removal. Prior to denying admission, however, the Superintendent shall offer the student an opportunity for a hearing to review the circumstances of the suspension or expulsion and any other factors the Superintendent determines to be relevant.

Adult students (18 years of age or older) must abide by all of the above rules. The principal reserves the right to grant an 18 year-old student to enroll him/herself if the student can verify written proof that he/she is living outside the parents' home.

WITHDRAWAL/TRANSFER

No student under the age of 18 will be allowed to withdraw from school without the written consent of his/her parents and in compliance with State law. Additionally, the Superintendent must authorize withdrawal from school for the purpose of obtaining a GED. Students under the age of 18 who withdraw from school may be reported to the Bureau of Motor Vehicles for suspension of their driver's license.

Students who plan to transfer to another school must have their parents/guardians notify the principal. School records will be transferred upon the student meeting all school obligations.

HOMELESS STUDENTS and STUDENTS IN FOSTER CARE

Homeless students and students who meet the Federal definition of “in foster care”, including those who are awaiting foster care placement, will be provided with free and appropriate public education (FAPE) in the same manner as other students served by the District. Homeless students are eligible to receive transportation services, participate in education programs for students with disabilities or limited English proficiency, participate in gifted and talented programs, and receive meals under school nutrition programs. Homeless students will not be denied enrollment based on a lack of proof of residency. For additional information contact the liaison for Homeless and Foster Care Students

INDIVIDUALS WITH DISABILITIES

The Americans with Disabilities Act (A.D.A) and Section 504 of the Rehabilitation Act provides that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the District’s programs and facilities.

Special Education services are obtained through specific evaluation and placement procedures. Parent involvement in this procedure is required. More importantly, the School wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact the Special Education Director at 614-837-4533. Also, parents who believe their student has a disability that substantially limits major life activities should contact the Special Education Director.

EMERGENCY CLOSINGS AND DELAYS

If school must be closed or the opening delayed because of inclement weather or other conditions, district officials will notify the following television stations:

WCMH CHANNEL 4, WSYX CHANNEL 6, WBNS CHANNEL 10, FOX 28 WTTE, ONN

Parents and students are responsible for knowing about emergency closings and delays.

Early Dismissal (PM)

In the event that school must dismiss early, high school students will be dismissed according to District determined time.

Early dismissal for inclement weather will call for the automatic cancellation of all post-school activities. Only varsity and reserve level contests may be played depending on a radical weather reversal judged safe by the high school principal at a later time following early dismissal.

Cancellation of School Day

When school is canceled, all school activities and meetings will also be canceled with one possible exception: practices for varsity level sports may be held only if optional and voluntary.

AUTOMATED PARENT NOTIFICATION SYSTEM STATEMENT

This program allows the immediate notification to all households and parents, by telephone, of any critical or unplanned event that will cause school cancellation, delay or an early dismissal. The school will continue to use television to broadcast school closings and delays due to weather. The system will also be used for general announcement calls, for example a reminder of parent/teacher conferences

or other important school information.

STUDENT RECORDS

Each year, the District will provide public notice to students and their parents of its intent to make available, upon request, certain information known as “**directory information**.” The Board designates student “directory information” as: a student’s name; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards received; or any other information which would not generally be considered harmful or an invasion of privacy, if disclosed. Directory information shall not be provided to any organization for profit-making purposes.

Each student’s record will be kept in a confidential file at Canal Winchester High School. ***Information in a student’s record will be available for review only by the parent or legal guardian, adult students (18 years of age or older), and those designated by federal law or district regulations.***

A parent, guardian, or adult student has the right to request a change or addition to a student’s record and to obtain either a hearing with district officials or file a complaint with the U.S. Office of Education if not satisfied with record accuracy or the district’s compliance with Federal Education Rights and Privacy Act.

STUDENT FINES

Failure to pay fines or charges will result in the withholding of grades and participation in commencement exercises.

STUDENT FEES

For the 2024-2025 school year, course fees have been waived by the Canal Winchester Board of Education. However, CWHHS students may be charged the following fees, when applicable: Parking Permit - \$20, PSAT (10th & 11th grade) - \$20, AP Exam- \$94

STUDENT COURSE FEE WAIVER

Fee waiver forms are available in the district office.

STUDENT VALUABLES

Students are encouraged not to bring items of value to school. Items such as jewelry, expensive clothing, and electronic equipment including cell phones, air pods, etc., are targets for theft. The school is not responsible for such items’ safekeeping and the school is not liable for any loss or damage to personal valuables.

DIRECTORY INFORMATION NOTICE

The Family Education Rights and Privacy Act (FERPA), a federal law, requires that Canal Winchester Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your student’s education records. Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories—names, addresses and telephone listings—unless

parent(s) have advised the LEA that they do not want their student's information disclosed without their prior written consent. If you do not want Canal Winchester Schools to disclose directory information from your student's education records without your prior written consent, you must notify the District in writing.

Canal Winchester Schools has designated the following information as directory information:

- Student's Name
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors and awards received
- Date of graduation
- Major field of study
- Dates of attendance
- Grade level
- The most recent educational agency or institution attended

The primary purpose of directory information is to allow the district to include this type of information in certain publications such as; a playbill, showing your student's role in drama or musical productions, yearbook, honor roll or other recognition list, and graduation programs.

Photography / Publication Disclaimer:

During the course of the school year, pictures, videos, etc., containing your student's image may be used in newspaper articles, television stories, newsletters, brochures, school web pages, yearbooks, promotional products and other similar publications. If you DO NOT want your student's image published in the manner described above, please notify the school office in writing as soon as possible and then verify with us that we have received your request. You must submit such a written notice to the office at the beginning of EACH school year.

STUDENT RIGHTS AND RESPONSIBILITIES

The school's rules and procedures are designed to allow students to be educated in a safe and orderly environment. Students, including adult students 18 years and older, are expected to follow staff members' directions and obey all school rules.

The staff expect students to arrive on time and be prepared to participate in the educational program.

In order to keep parents informed of their student's educational progress, parents will be provided information on a regular basis and as concerns arise. At times, it will be the responsibility of the

student to deliver the information. The school may use the mail or hand delivery to ensure contact. Parents are encouraged to communicate with their student's teachers and support staff.

Search and Seizure

Search of a student and his/her possessions, may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable suspicion that the student is in violation of the law or school rules. (Policy 5771) A search may also be conducted to protect the safety of others. All searches may be conducted with or without a student's consent. Students are provided desks and other equipment including computers and network access in which to store materials. It should be clearly understood that this equipment is the property of the school district and may be searched at any time if there is reasonable suspicion that a student has violated the law or school rules. Locks are to prevent theft, not to prevent searches. Anything that is found in the course of the search that may be evidence of a violation of school rules or the law may be taken and held or turned over to the police. The school reserves the right not to return items that have been confiscated.

Positive Behavior Interventions and Support (PBIS)

NOTICE OF POSITIVE BEHAVIOR INTERVENTION AND SUPPORT AND LIMITED USE OF RESTRAINT AND SECLUSION POLICY

The Board of Education is committed to the implementation of the Positive Behavior Intervention and Supports (PBIS) framework on a District-wide basis and the establishment of a school environment focused on the care, safety, and welfare of all students and staff members. Staff are directed to work to prevent the use of physical restraint and/or seclusion. The PBIS framework shall serve as the foundation for the creation of a learning environment that promotes the use of evidence-based academic and behavioral practices aimed at enhancing academic, social, and behavioral outcomes for all students. An emphasis shall be placed on promoting positive interventions and solutions to potential crises. If a student's behavior, however, presents a threat of immediate physical harm to the student or others, staff may, as a last resort, and in accordance with the terms of the district's policy, use approved physical restraint or seclusion to maintain a safe environment.

For more information, including the complaint process outlined within this policy, please reference Board Policy 5630.01 <http://go.boarddocs.com/oh/cwls/Board.nsf/goto?open&id=CBHN3C5CDC67>

FIRST AMENDMENT RIGHTS

In accordance with Board policies [5722](#) and [9700](#), students have the right, protected by the First Amendment to the U.S. Constitution, to exercise freedom of speech. This includes the right to distribute or display, at reasonable times and places, unsponsored written material, petitions, buttons, badges, or other insignia, **except expressions which:**

- Is obscene, libelous, pervasively indecent or vulgar;

- Constitutes insulting or fighting words, the very expression of which injures or harasses other people (e.g., threats of violence, defamation of character or of a person's race, religion, or ethnic origin);
- Presents a clear and present likelihood that, either because of its content or the manner of distribution or display, it will cause a material and substantial disruption of school or school activities, a violation of school regulations, or the commission of an unlawful act.

Material may not be displayed or distributed during or between class periods. Permission may be granted for display or distribution during lunch periods and after school in designated locations, provided exits are not blocked and proper access and egress to the building are maintained.

RIGHTS OF ADULT STUDENTS

Parents or guardians of adult students may not be advised of school grades or other school records if

the adult student and his/her parent signed the **Status of Eighteen-Year-Old Students Form**.

SECTION 2 – BUILDING INFORMATION

VISITORS

To avoid interruption of the educational process, students may not bring visitors to school during the regular school day.

Visitors, particularly parents, are welcome at the School. State law requires that any person visiting the school must report directly to the office and secure a visitor's pass. Parents who wish to observe learning activities taking place in their student's classroom are to confer, in advance, with the principal and the teacher. Meetings that are not previously scheduled cannot be accommodated.

Parents are encouraged to meet with the teacher during non-instructional hours to discuss the observation and to obtain answers to their questions. Teachers have a regularly assigned period of time for this type of conferencing. If a parent has a concern about what may be transpiring in his/her student's classroom, s/he should follow Board policy 9130 which states that the parent is to address the matter first with the teacher, and then, if not rectified, to the principal.

DISABLED VISITOR

If a disabled person visits the school and requests accommodation s/he may submit in advance of the visit, what accommodations they will need.

Requests to Use School Facilities to Provide Private Services

Except in unique circumstances or an isolated instance, schools will not make facilities available for private-service providers, such as doctors, psychologists and therapists, to provide services to students at school – either in person or remotely. Parents may remove their children from school to receive private services off campus. However, parents are encouraged to schedule private services at a time that does not conflict with the student's school day.

STUDENT SALES

No student is permitted to sell any item or service in school without the approval of a building administrator. Violation of this rule may lead to disciplinary action.

TELEPHONE USE

Phones are available for student use in the office. Students are to have permission from office staff prior to using the phone. Cell phones are not permitted for use during instructional/class time unless given permission by the teacher. Violation of this rule may lead to disciplinary action.

ADVERTISING OUTSIDE ACTIVITIES

No announcements or posting of outside activities will be permitted without the approval of the Principal. A minimum of twenty-four hours' notice is required to ensure that the Principal has the opportunity to review the announcement or posting.

DRIVING POLICY

Driving onto school property is a privilege that can be revoked at any time. Students and their

parents assume full responsibility for transportation to and from school. Students must register their vehicles in the high school office and must purchase a parking pass. The price for a parking pass will be \$20 this year. Students will drive in a responsible manner in the parking lot and will enter and exit the lot as directed. ***The speed limit is 10 MPH. Violators will be subject to discipline by the administration.*** Discipline will be based on the severity of the offense and may include suspension from school and/or revocation of parking privileges on school grounds. Students shall complete the [Student Vehicle Form](#) and provide:

- Driver's license;
- Insurance certificate;
- Registration.

Student Parking Permits allow for parking in the West & East Lots. Student Permits do not allow students to park in Visitor or Handicap Parking Spaces. (Students with legally issued handicapped placards may use such designated spots.) Failure to abide by parking permit rules may result in office disciplinary action (Office Detention, ESA, and/or possible parking permit revocation).

LOST AND FOUND

The lost and found area is located in the high school office. If you have lost an item(s), please come to the office and describe that item for identification. Please bring items found to the office so that others may have an opportunity to reclaim them. Unclaimed items will be donated to charity during winter and summer break. Please check the lost and found area prior to break if you are missing an item.

SECTION 3 - STUDENT HEALTH AND WELL BEING

ANONYMOUS REPORTING SYSTEM

Student safety is a responsibility of the staff. All staff members are familiar with emergency procedures such as fire, tornado, and safety drills and accident reporting procedures. Should a student be aware of any dangerous situation or accident, he/she must notify any staff person immediately. Schools in the Canal Winchester School District, have Threat Assessment Teams which meet the requirements of the S.A.V.E. Students Act. Team members have completed threat assessment training that has been approved by the Ohio Department of Education [and Workforce](#) and the Office of the Attorney General. In addition, the District has an anonymous reporting system (Stay Safe, Speak Up!) that can be accessed from the District's web site, www.cwschools.org or you can use this link: [Stay Safe. Speak Up! Student Safety Reporting System](#). If you, or someone you know, is being bullied, harassed, considering suicide, bringing a weapon to school, or has any other safety concern, you can easily submit a report in one of three ways:

1. Mobile: Download the Stay Safe. Speak Up! mobile app and enter our unique District Code to submit reports directly from your smartphone. DISTRICT CODE: CANAL
2. Phone: Call 1-866-547-8362 to leave a voice message or speak with a trained, live attendant. Attendants can initiate contact with various national crisis hotlines if a student needs help in dealing with a personal emergency.
3. Online: Go to the district's website and click on the Stay Safe. Speak Up! button at the bottom of the home page to access the online form from a desktop computer or laptop.

Your voice matters, and we are counting on you to help us make Canal Winchester Local Schools a positive environment for all students. We appreciate your support.

STUDENT WELL BEING

Injuries

Injuries occurring during school should be reported to a teacher, school health staff or the office staff. If minor, the student will be treated and may return to class. If medical attention beyond the school health staff is required, the school emergency procedures will be followed. For any injury, in or out of school, procedure or surgery which causes functional changes, documentation is needed for any activity restriction (i.e. stair climbing, limitations, physical education or sport restrictions). To ensure safety and proper accommodations, a note from the student's care provider is required if the student needs to use the elevator, any assistive devices such as wheelchair, or crutches during school. Additional follow up from the care provider is required releasing the student to return to regular activity once fully recovered.

Illness

If a student becomes ill during the school day, they will be sent to the school clinic. The school health staff or the office staff will determine whether or not the student should return to class or be sent home. If it is deemed necessary for a student to leave school, a parent/guardian or an individual listed as an emergency contact will be contacted to pick up the student or requested to make arrangements for pick up. Upon arrival at the school for student pick up, after providing proper identification the parent/guardian or emergency contact will sign the student out in the school office. High school students with their own transportation who have been assessed in the school clinic, are deemed safe to drive and have parent/guardian permission, may then drive themselves home. Students are not permitted to stay in the school clinic during the school day. Any student that is ill and required to leave school should be picked up or arrangements made for pick up within a reasonable amount of time. Students are required to be fever-free for 24 hours without the use of fever-reducing medication and 24 hours symptom-free of diarrhea or vomiting prior to returning to school.

Immunizations

Students in grades K-12 are required to have proof of immunization against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hepatitis B, chicken pox, meningitis, tuberculosis testing if enrolling from a foreign country, and any other immunizations required by Ohio law and board policy. Those students not providing proof of required immunizations within fourteen (14) calendar days of school attendance will be subject to exclusion. Any questions about exemptions or immunizations should be directed to the school health staff. In addition to the immunizations listed above, preschool students are required to have proof of immunization against influenza, Haemophilus influenza type b, pneumococcal disease, hepatitis A, and rotavirus.

Physical Examinations

Students entering preschool, kindergarten and first grade students new to the district must have a physical exam within twelve (12) months prior to attending school. The healthcare provider is to complete the Child Medical Statement (preschool) or Physical Exam Report (kindergarten/first grade) and this form is stored in the student's medical file in the school health office. Students who have not submitted these forms may be excluded from school if not submitted within the first thirty (30) days of school. Preschool students must have a physical exam and submit a new Child Medical Statement every thirteen (13) months thereafter, as long as they are enrolled in preschool.

First grade students new to our district and all students in preschool and kindergarten must have a physical exam within twelve (12) months prior to attending school. The healthcare provider is to complete the Child Medical Statement (preschool) or Physical Exam Report (kindergarten/first grade) and this form is kept in the student's medical file in the school health office. Preschool students must have a physical exam and submit a new Child Medical Statement every thirteen (13) months thereafter, as long as they are enrolled in preschool.

Wellness Policy

As required by law, the Canal Winchester Board of Education has established a Wellness Policy for the Canal Winchester Local School District. The board of education recognizes that good nutrition and

regular physical activity affect the health and well-being of the district's students and staff. Each building has developed goals to establish good health and nutrition habits through nutrition education, physical activity and other school-based activities.

Emergency Medical Authorization Forms

All students are required to have a Student Health History and a Student information Form, which includes Emergency Medical Authorization, completed and updated annually. These forms are accessed online in PowerSchool on the school website and are to be completed by the third day of school. Parents/guardians are requested to update PowerSchool forms when health information, medications, allergies, telephone numbers, addresses and/or contacts have been added or changed during the school year. No student will be released from school without parental permission unless a serious or life-threatening condition warrants transportation to an emergency room. A reasonable attempt to contact the parent/guardian prior to transport will be made.

Conditions Requiring Exclusion from School

The Ohio Department of Health has provided strict guidelines for preventing the spread of highly contagious infections in the school environment. These guidelines are meant to protect your child and others from unnecessary exposure to infectious or communicable organisms. If these conditions are found or suspected by the school health staff or office staff, a parent/guardian will be contacted to take the student home. A student should not be in school if any of the following conditions are present:

- Any contagious bacterial or fungal infection until treated with antibiotics for at least 24 hours including, but not limited to; strep throat, conjunctivitis, ringworm, skin infections and scarlet fever
- Fever of 100 degrees F. or higher within 24 hours
- Vomiting or diarrhea within 24 hours
- Undiagnosed redness and secretions from the eye/s
- Scabies, until 24 hours following initial treatment of an effective scabicide
- Impetigo, until 24 hours after starting an effective antibiotic, all lesions are dry or can be covered by clean dry bandages at all times
- Chicken pox, until the 6th day after onset of rash or until lesions are dry, (students with shingles do not need to be excluded as long as sores are covered with clothing or bandages until sores have crusted)
- Undiagnosed rash – as per the guidelines submitted by the Ohio Department of Health, Division of Infectious Diseases, “all children sent to school with suspicious rashes must be excluded from school until the rash has been diagnosed by a physician”

Control of Casual Contact Communicable Diseases

Because schools have a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease. Specific diseases include, but not limited to; diphtheria, scarlet fever, strep infections, pertussis (whooping cough), mumps, measles, rubella, head lice and other conditions indicated by the local and state health departments. Any removal will be for the contagious period as specified in the school's

administrative guidelines and per the department of health requirements.

Use of Medications

The Canal Winchester Board of Education shall not be responsible for the diagnosis and treatment of student illnesses. The administration of prescribed medication and/or medically prescribed treatments to a student during school hours and school sponsored functions will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication or treatment were not made available during school hours or if the child is disabled and requires medication to benefit from his/her educational program. **For the safety of our students, the transportation of prescription medications to and from school is the responsibility of the parent/guardian.** For the purposes of this policy, “prescribed medication” shall include all medicines prescribed by a physician or licensed prescriber. Non-prescription medications shall include all age and/or weight appropriate over-the-counter drugs, preparations, and/or remedies. “Treatment” refers both to the manner in which a medication is administered and to health-care procedures that require special training, such as catheterization.

Prescription Medications

Before any prescription medication or treatment may be administered to any student during school hours or school sponsored functions, the Canal Winchester Board of Education requires the student’s physician/licensed prescriber and parent/guardian to complete a Medication Authorization Form. **The authorization form is required to be renewed each school year.** This document shall be kept on file in the school health clinic. Prescription medication must be in the original container, labeled with the date, student’s name, prescriber’s name and exact dosage. The Medication Authorization Form is required to be completed by a licensed prescriber and the parent/guardian for daily use or greater of any supplement, herbal, homeopathic or non-FDA regulated medication. Staff designated by the superintendent may administer prescription medication or treatment as authorized in writing on the authorization form by a physician/licensed prescriber and parent/guardian. **All prescription medications must be stored and locked in the school health clinic.**

Non-Prescription/Over-the-Counter Medications

Students in grades K-12 may have over-the-counter medication if the required Non-Prescription Medication Authorization section of the Student Health History has been completed in PowerSchool. **All medications must be provided by the parent/guardian** to be stored only in the school health clinic and *administered by authorized school personnel, the child’s parent/guardian, or authorized caregiver only.* Students in **grades 6-12** may carry and self-administer over-the-counter medications only when indicated by the parent/guardian on the Non-Prescription Medication Authorization section of the Health History in PowerSchool. **Canal Winchester School District does not supply medications.** Non-prescription medications must be in **the original container** with the student’s name, expiration date, dosing guidelines to validate appropriate dose for age and/or weight. Examples of non-prescription medications are: Tylenol, Motrin, Advil, Benadryl, Tums, Maalox, cough drops, and lactase products. Parents/guardians can revise the authorized medication list at any time in PowerSchool within the Health History Form.

Students in preschool who need over-the-counter medication during school hours are required to have a Medication Authorization Form completed by the licensed prescriber. See the Preschool Parent Handbook for more information.

Any medication or medication equipment remaining at the end of the school year will be discarded one week after the last day of school.

Health Screening Programs

The Canal Winchester Local School District is continually concerned about the welfare and progress of children in the school. In an effort to consider your child's educational needs, the school conducts a variety of health screenings under the supervision of the school health staff and the speech/language pathologist to provide important information about each student. You will be notified if any of the screenings indicate problems or if there is a need for further medical advice. If you do not wish your child to participate in any of these screening programs, please contact the school immediately.

The evaluations that may pertain to your child (age and/or need appropriate) are listed below:

- Hearing screening
- Height and weight screening
- Speech/language screening
- Vision Screening

In addition to these screenings, the nurse, school health staff and speech/language pathologist cooperate with students, teachers, parents, administrators, guidance counselors, community agencies, physicians and other pertinent professionals as deemed necessary.

FIRE, TORNADO, AND SAFETY DRILLS

The School complies with all fire, tornado, and safety laws in accordance with State law. Students are provided specific instructions on how to proceed by their teachers or staff members who are responsible for the safe, prompt, and orderly evacuation of the building. Students are expected to become familiar with each drill, observe the procedures developed, and comply with teacher/administrator expectations and directions before, during and after the implementation of the drill.

The tornado alarm system differs from the fire alarm system as it consists of continuous alert tones.

NETWORK AND INTERNET GUIDELINES

Internet access is available to High School students. Students are required to obtain a network user account and password from the technology instructor in order to gain access to the network. Rules and guidelines for the proper use of the network are set forth in the district's Acceptable Use Policy. Violation of this policy will result in disciplinary action as deemed appropriate in the student code of conduct. The use of the District's network and technology resources by students is a privilege, not a right. Students and their parents agree to the adopted [Acceptable Use Policy](#) and Rules set forth in the Student/Parent Handbook. Students are permitted the use of personal devices on the school network as part of the AUP; however, students MUST have their school-issued Chromebook daily for classroom use.

HALLWAY PROCEDURE

Any student who is outside the classroom after the tardy bell has rung must have a pass signed or a note from a staff member. It is the student's responsibility to obtain a pass prior to leaving the classroom. Students may not leave the room without a pass.

ASSEMBLIES

Assemblies will be presented periodically for the purpose of recognizing special achievements, presenting speakers, and encouraging school spirit. Students are required to attend assemblies or report to study hall.

At all times, student conduct should be appropriate. An indication of the cultural level of the school is the conduct of its student body at an assembly. Unacceptable conduct includes, but is not limited to: whistling, lying on the floor, uncalled-for clapping, inappropriate language, boisterousness, and talking

during a program. Students who misbehave may be disciplined.

FOOD/DRINK IN BUILDING

All food and drink will be at the discretion of the administration.

Use of vending machines on school property is at the risk of the consumer. Refunds must be acquired through the vending machine company. Contact information is cited on the machines.

Students are not permitted to have food delivered to the school during school hours from businesses/parents/friends/other students. Businesses (Doordash, Uber Eats, etc.) who arrive with student-ordered food will not be permitted entry to the building. If students are found to be allowing these deliveries from businesses or parents through unauthorized entry points of the school, the student(s) will receive consequences in the form of school discipline.

SECTION 4: ACADEMICS

Use of Artificial Intelligence

Students are expected to rely on their own knowledge, skills, and resources when completing school assignments. To maintain the integrity of the educational process and ensure equal opportunities for all students, the use of Artificial Intelligence (AI) tools (collectively referred to as “AI tools”) is strictly prohibited for completing coursework, except as outlined below. Unauthorized use of AI tools undermines the development of essential learning and problem-solving skills necessary for academic success. Instead, students are encouraged to engage actively with course material and seek assistance from teachers when needed so that they can cultivate their own understanding. Any student found using AI tools without proper permission or in violation of guidelines will be subject to disciplinary action in accordance with the Student Code of Conduct.

Notwithstanding the preceding, students can use AI tools in the school setting if they receive prior permission/consent from their teacher, so long as they use the AI tools in an ethical and responsible manner. Teachers have the discretion to authorize students to use AI tools and to define the parameters of its use. Examples where AI tools might be allowed by a teacher would include (but this is not an all-encompassing list):

- A. Research assistance: AI tools can be used to help students quickly and efficiently search for and find relevant information for their school projects and assignments.
- B. Data Analysis: AI tools can be used to help students to analyze, understand, and interpret large amounts of data, such as text documents or social media posts. This can be particularly useful for research projects or data analysis assignments – e.g., scientific experiments and marketing research.
- C. Language translation: AI tools can be used to translate texts or documents into different languages, which can be helpful for students who are learning a new language or for students who are studying texts written in a different language.
- D. Writing assistance: AI tools can provide grammar and spelling corrections, as well as suggest alternative word choices and sentence structure, to help students improve their writing skills.
- E. Accessibility: AI tools can be used to help students with disabilities access and understand written materials. For example, text-to-speech software can help students with specific learning disabilities or visual impairments to read texts and AI-powered translation tools can help students with hearing impairments understand spoken language.

As outlined above, under appropriate circumstances, AI tools can be effectively used as a supplement to and not a replacement for traditional learning methods. Consequently, with prior teacher permission/consent, students can use such resources to help them better understand and analyze information and/or access course materials. If a student has any questions about whether they are permitted to use AI tools for a specific class assignment, they should ask their teacher.

Users who disregard this policy and its accompanying guidelines may have their use privileges suspended or revoked, and disciplinary action taken against them. Users are personally responsible and liable, both civilly and criminally, for uses of District Information & Technology Resources that are not authorized by this policy

and its accompanying guidelines.

FIELD TRIPS

Field trips are academic activities held off school grounds. There are also other trips that are part of the school's co-curricular and extracurricular programs. No student may participate in any school-sponsored trip without parental consent and Parent OneView forms completed online.

GRADES

Canal Winchester High School has a standard grading procedure, as well as additional notations that may indicate work in progress or incomplete work. The purpose of a grade is to indicate the extent to which the student has acquired learning. ***In general, students are assigned grades based upon test results, homework, projects and classroom participation.*** If a student is not sure how grades will be determined, s/he should ask the teacher.

The grading scale is as follows:

Percent	Letter Grade	GPA Scale
93-100	A	4.0
90-92	A-	3.7
87-89	B+	3.3
83-86	B	3.0
80-82	B-	2.7
77-79	C+	2.3
73-76	C	2.0
70-72	C-	1.7
67-69	D+	1.3
63-66	D	1.0
60-62	D-	0.7
0-59	F	0.0

Students who earn a C or higher in an Advanced Placement course and complete the corresponding AP Test (one taken at Canal Winchester High School that has been approved through the College Board Course Audit review process), will have .025 points added (per class) onto their cumulative GPA at the conclusion of the school year.

For the graduating class, a straight numeric rank will be used for end of the year honors. Senior recognition will be based on grades, grade point average, ACT/SAT scores at the end of the seventh semester

Percentages are averaged to obtain a final percentage grade. **It is imperative for students to understand that an incomplete assignment or an assignment not turned in will result in a "0%". This 0% will bring a high average down drastically.** For example: 96%, 93%, 90%, 87% and a 0% (two As, two Bs, and a 0) will average out to a 73% (C) because of the 0%.

Semester grade for each course is determined by each quarter grade combined with the Semester Exam. Semester Exams comprise 20% of the Semester Average for the corresponding course.

Each individual teacher will determine if they allow extra credit, class participation credit, or any other form of credit in determining a student's grade.

GRADING PERIODS

Students shall receive an online report card at the end of each 9-week period indicating grades for each academic class in PowerSchool. Interim report cards will NOT be issued.

When a student appears to be at risk of failure, notification will be provided to the parents so they can talk with the teacher about what actions can be taken to improve poor grades.

GRADUATION PLANS

In accordance with Ohio law, each student, beginning in grade 9 and continuing on through high school graduation, is required to develop and maintain a graduation plan.

The graduation plan:

- must be developed by the student and a representative of the district or school and updated each school year in which the student is enrolled in the district or school until the student qualifies for the high school diploma. The district or school must invite the student's parent, guardian or custodian to assist in the development and updating of the graduation plan.
- must address the student's academic pathway to meet the curriculum requirements specified by the district or school and satisfy graduation conditions.
- documents the student's progress and/or deficiency in meeting the terms of a graduation plan.
- must be used as both a criterion and a procedure for identifying at-risk students in the district or school's policy on identifying students at-risk of not qualifying for a high school diploma (outlined below).
- supplements and enhances a school district's policy on Career Advising.
- may be a student's individualized education program (IEP) in lieu of a separate graduation plan under the above criteria, if the individualized education program contains academic goals substantively similar to a graduation plan.

EARLY GRADUATION

To request early graduation, the student must have met O.D.E. requirements for testing (see Promotion, Placement & Retention Section above).

Early graduates with fifteen (15) credits will be considered as full members of the senior class. Early graduates with less than fifteen (15) credits will be considered as full members of the junior class, thus being eligible for all offices and honors of the junior class.

One Year Early Graduation:

Students interested in graduating one year early should meet with their School Counselor by May 15 (of their Sophomore year) in order to determine their early graduation eligibility and to make arrangements for any needed summer coursework. Parent and Administrative approval is required.

FLEX CREDIT

Credit flexibility is an opportunity for students to expand their learning in a non-traditional setting. Further information regarding credit flexibility is available in the School Counseling Office. Students wanting to participate in credit flexibility must obtain and complete an application from the School Counseling Office. It is imperative that students follow and meet all outlined deadlines for approval and completion of flex credit. All final documentation must be submitted and evaluated before credit can be awarded.

HONOR ROLL QUALIFICATIONS

Honor Roll Lists will be processed at the end of each semester. The following are the levels for

C.W.H.S. Honor Roll:

High Honor Roll: 3.80 and above

Honor Roll: 3.50 - 3.79

Merit Roll: 3.00 - 3.49

VALEDICTORIAN AND SALUTATORIAN

Valedictorian and Salutatorian will be determined by the final weighted grade point average at the end of the seventh semester during the senior year. The student with the highest weighted grade point average for four years will be the Valedictorian, and the student with the second highest average will be the Salutatorian. Percentage grades will be used to determine the Valedictorian and Salutatorian.

COMMENCEMENT

It is a privilege, not a right, to participate in commencement exercises. Seniors must meet all local and state requirements in order to participate in the commencement exercise. Additionally, seniors must have paid all fees, fines, and charges, and served all disciplinary assignments before s/he can participate in the commencement exercise.

COLLEGE CREDIT PLUS

Any student in 9th through 12th grade may enroll in a post-secondary program providing s/he meets the requirements established by law and by the District. Any interested student should contact the School Counseling Office to obtain the necessary information, before March 15th. A student who is expelled will be denied high school credit for college courses taken while serving his/her expulsion.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with State standards and District policy.

Make-up dates are scheduled, but unnecessary absences are discouraged.

Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests are used to help the staff determine instructional needs.

Classroom tests are used to assess student progress and assign grades. These are selected or prepared by teachers to assess the achievement of specific objectives.

Vocational and interest surveys may be given to identify particular areas of student interest or talent. The School Counseling staff often administers these surveys.

If necessary, intelligence tests, speech and language evaluations, individually administered achievement tests and other special testing services are available to students needing such services. College entrance testing information can be obtained from the School Counseling Office.

Depending on the type of testing, specific information and/or parent consent may be required. Canal Winchester High School will not violate the rights of consent and privacy of a student participating in any form of evaluation.

HOMEWORK

The assignment of homework should be expected. Student grades will reflect the completion of all work, including homework assignments. A student may receive an incomplete from his/her teacher for work not completed. In this situation, a student **may not receive credit** for the academic class in which s/he receives an incomplete. Homework is also part of the student's preparation for graduation. Each teacher may count homework for a different percentage of a student's grade. Further, each teacher may have a percentage of homework that must be completed in order to pass each nine weeks grading period or a percentage that must be completed to get credit for the class.

SCHEDULING AND ASSIGNMENT

Schedules are provided to each student at the beginning of the school year or upon enrolling. The schedule is based on student needs and available class space. It is important to note that some courses may be denied because of available space or the need to take prerequisites. Students must follow their schedules. Any variation must be approved with a pass or schedule change obtained from the School Counseling Office. Course offerings are subject to change.

CAMPUS PASS FOR JUNIORS AND SENIORS

Canal Winchester High School will be allowing APPROVED JUNIOR and SENIOR students to have campus pass privileges. This opportunity has been created to provide greater flexibility for students and families during this school year. This campus pass will allow students to earn the privilege to leave campus during their lunch period. In addition, if a student has a study hall directly before or after lunch periods, approval of this application will result in the study hall becoming remote. Students will be expected to leave campus during remote study hall and/or lunch IF approval is granted for a campus pass. See more information regarding qualifications for [Campus Pass Applications](#) in the Parent Portal of PowerSchool.

GUIDELINES FOR SCHEDULE CHANGES

Any changes in a student's schedule must be handled through the **School Counseling Office**. During the spring, a series of scheduling activities take place to assist each student in selecting appropriate courses for the next year. Considerable time is spent developing course planning information, advisement information, and in individual counseling by teachers and counselors. The final step of the scheduling process verifies the student's selections and offers an opportunity to correct or change selections.

Schedule changes for **2024-2025** school year will NOT be made after June 1, **2024**. This date has been communicated by the **School Counseling Office** throughout the scheduling process. However, students finding themselves in special circumstances, and academically need their course selection changed must see their **school** counselor. A one-week window at the start of each semester is the time frame for such special circumstance schedule changes.

Schedule Changes

Course requests play a crucial role in building the master schedule. As such, unnecessary schedule changes are not possible, and schedule change requests will only be considered for the following reasons.

1. **You have a hole in your schedule** - if you have a period in which no class is scheduled, the counseling department will accommodate you to add a class to fill the gap.

2. **You have an insufficient number of classes** - it's important to make sure you have enough courses to meet academic requirements. Students are expected to be enrolled in **SIX** courses each semester, with exceptions for seniors who may require only **FIVE** courses to fulfill graduation criteria. It is recommended that all senior student athletes be enrolled in at least **SIX** courses each semester to maintain athletic eligibility.
3. **You need a course for graduation** - if adding a course is necessary to meet graduation requirements or fulfill academic goals, the counseling department will assist you with this.
4. **You need more time for College Credit Plus (CCP)** - students participating in CCP may require schedule adjustments to accommodate college-level courses.
5. **You would like to eliminate a study hall** - if you wish to replace a study hall with a course to maximize your learning opportunities, the counseling department encourages and supports this decision. However, availability is limited for certain courses.

PLEASE NOTE: Unnecessary requests, such as preferences for specific teachers, the desire to have friends in the same class, moving around classes to arrive late/leave early, the desire to change your lunch period, etc. will **NOT** be accommodated.

NATIONAL HONOR SOCIETY

National Honor Society membership is an honor awarded to students in a highly competitive process that evaluates the following criteria:

- Scholarship - Students must have a cumulative GPA of 3.600 on a 4.0 scale
- Service - This involves voluntary contributions made by a student to the school or community, done without compensation.
- Leadership - Student leaders are those who are resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others.
- Character - The student of good character is cooperative; demonstrates high standards of honesty and reliability; shows courtesy, concern, and respect for others; and generally maintains a clean disciplinary record.

The selection process is as follows:

1. A student must have a minimum cumulative GPA of 3.60 to be eligible for NHS. Cumulative GPA includes any high school credit courses taken as a middle school student.
2. A packet that includes NHS membership expectations, application requirements, and application paperwork will be distributed to eligible students.
3. All required forms must be completed and returned to the NHS advisor by the given deadline. All deadlines are firm and failure to meet a deadline will result in automatic ineligibility.
4. A completed application must include:

An intent for consideration form, personal statement, academic résumé, three (3) recommendations from non-familial high school teachers or coaches, and a completed service hours form.

5. All high school staff will then have the opportunity to evaluate the service, leadership, and character of applicants with whom they have had professional interaction (class, athletics, clubs, activities, etc.).
6. A five-member Faculty Council, who is appointed by the High School administration and remains anonymous, will then review, with names redacted, all applications, high school staff evaluations, attendance reports, and discipline records to determine selection into NHS.
7. The Faculty Council's decision is final. Council members' identities and all applicant information are kept confidential, before, during and after the process.
8. Non-selected applicants will receive a letter in the mail.
9. Selected applicants will be tapped during school hours. The induction ceremony shall occur approximately one (1) week after tapping.

SECTION 5: STUDENT ACTIVITIES

Canal Winchester High School provides students the opportunity to broaden their learning through curricular related activities. A curricular related activity may be for credit, required for a course, and/or contain subject matter.

The school has many student groups that are authorized by the Canal Winchester Local School District. It is the district's policy that authorized groups are those groups approved by the Board of Education and sponsored by a staff member. Examples of authorized groups include: Choirs, Bands, and Family Consumer Science Association.

Extra-curricular activities do not reflect the school curriculum, but are made available to students to allow them to pursue additional worthwhile activities such as recreational sports, drama, and the like. Examples of extracurricular activities include: Cheerleading, Football, Golf, Soccer, Volleyball, Cross Country, Basketball, Baseball/Softball, Track, and Marching Band.

All students are permitted to participate in the activities of their choosing, as long as they meet the eligibility requirements. In accordance with Board Policy [5610.05](#) participation in such activities is a privilege and not a right, and authorized school personnel without further notice, hearing and/or appeal rights may prohibit students from all or part of their participation.

Non-school sponsored clubs are organized for religious, political or philosophical reasons. These groups meet during non-instructional hours. The application for permission to meet at the school can be obtained from the principal. This application must verify the following: the activity is being initiated by students, attendance is voluntary, that no school staff person is actively involved in the event, that the event will not interfere with school activities and that non-school persons do not play a regular role in the event. School rules still apply regarding behavior and equal opportunity to participate.

Membership in any fraternity, sorority, or other secret society as prescribed by law is not permitted. All groups must comply with school rules and must provide equal opportunity to participate.

No non-district-sponsored organization may use the name of the school or school mascot. Examples of such groups include: Leo Club and Fellowship of Christian Students.

EXTRA-CURRICULAR FEES

Pay to participate fees for the **2024-2025** school year are \$150.00. CWHS does not use a payment plan for the pay to participate activities.

The participation fee for athletics and activities must be paid before an athlete can compete. The fee is non-refundable except in cases where the student athlete becomes physically unfit to perform as determined by a physician. Refunds will be prorated.

Additionally, paying the activity fee does not guarantee: playing time nor does it result in control over any conditions of the team or activity. It does not alter policies of the Canal Winchester High School, Canal Winchester Board of Education, or the Ohio High School Athletic Association, and does not alter the district's extra-curricular code of conduct or the individual team/activity rules. Questions regarding the policy should be directed to the Athletic Director at 833-2155.

ELIGIBILITY STANDARDS FOR PARTICIPATION

Eligibility for each grading period is determined by grades received the preceding grading period.

In order to be eligible, a student in grades 9- 12 must be currently enrolled and must have been enrolled in school the grading period (nine weeks) immediately preceding and must have received a grade point average of **1.65 or higher** in that preceding grading period. A student may receive an "F" and still participate as long as his/her GPA is a 1.65 or above. Additionally, the Ohio High School

Athletic Association requires the following. In order to be eligible, a student in grades 9-12 must be currently enrolled, must have been enrolled in school the grading period immediately preceding (nine-weeks), and **must be receiving passing grades during that grading period in subjects that earn a minimum of 5.0 credits per year toward graduation.** (OHSAA)

STUDENTS MUST BE PASSING FIVE (5) CLASSES/GRADING PERIOD AND PER SEMESTER WITH A CREDIT VALUE OF .5 OR HIGHER.

MIDTERM GRADE CHECKS

Eligibility is checked at midterm each grading period. Students must be enrolled in and passing at least five (5) classes with a credit value of .50 or above.

Penalty: If a student is found ineligible at the midterm check, s/he will be ineligible for the following week and will be checked weekly thereafter until eligibility is regained.

DANCE GUIDELINES

- C.W.H.S. Administration must approve all dances.
- No school dances will be scheduled for an evening preceding a school day
- Advisors and chaperones are responsible for the building. Sponsors of dances must clean all areas and remove materials
- The Fall Homecoming dance will end at 10:30pm, and Prom will end at 11pm.

Attending any after-school dance is a privilege. For the safety and security of CWHS students the following guidelines are in place. In order to attend school sponsored dances, students must be in good standing with CWHS. Students who are truant or have been suspended Out of School will have their privilege of attending the Homecoming Dance and/or Prom revoked. Homecoming is only for CWHS students in grades 9-12. Only students in grades 11-12 and their invited dates may attend Prom. If a CW student wants to bring a date that does not attend CWHS, s/he must turn in a request form by the stated due date. All guests must be approved by the administration. Dates may not be 8th grade students or younger, and may not be over the age of 19.

- Any abusive or vulgar chants or dancing deemed inappropriate will cause students to be asked to leave, or the dance to be terminated.
- Chaperones have the authority to dismiss students from the dance at any time.
- All school rules apply at dances and proper dress attire is required. The fall dance is formal. Failure to follow school policy and rules may result in consequences according to this code of conduct.
- Once a student leaves the dance, he/she may not return unless authorized by a chaperone.

The **Fall Homecoming Dance** will be on **Saturday, September 14th, 2024**

Prom will be held **Friday, April 25th, 2025 at the Columbus Athenaeum.** Students must attend school on this date in order to attend prom. **CWHS students attending the prom will be allowed an early dismissal on this day if they have a prom ticket, are on time to school, and are in attendance through 3rd period unless the school is notified by a parent/guardian that a student does not have permission to leave.**

SECTION 6: ATTENDANCE

ATTENDANCE PHILOSOPHY

The Canal Winchester Local School District is committed to providing a formal quality education to its students. Student attendance is covered by board policies 5200, 5200.03 and 5400.04 along with the applicable Ohio Revised Code and Ohio Administrative Code sections listed in those policies.

To achieve this goal, students must attend school in a consistent manner. Students must attend

school regularly if they are to derive benefits from such educationally sound activities such as:

- Class discussion and group activities
- Dialogue between students and teachers
- Lectures
- Lab Experiences
- Quizzes and tests
- Films and guest speakers
- Special instruction and individual help

Continuity in the learning process is seriously disrupted by excessive absences. Make-up work cannot substitute adequately for classroom interaction.

[Ohio Revised Code 3321.04](#), Compulsory Attendance Law states in part: ***Every parent of any child (under the age of 18) ... “must send such child to a school or a special education program that conforms to the minimum standards prescribed by the State Board of Education. The child must attend the full time the school or program is in session. “***

The primary responsibility for school attendance rests with the student and then with the parents/guardians. The parent/guardian is responsible for permitting only excusable absences as identified by the Ohio Department of Education and Workforce, along with the Canal Winchester School District.

There are absences that are considered legitimate. These are noted in the Ohio Administrative Code.

The Board of Education considers the following as reasons for an excused absence from school:

1. Illness (a doctor's excuse can be required)
2. Illness in the immediate family that necessitates the presence of the child
3. Death of a relative
4. Observation of religious holidays consistent with his/her religious beliefs (notification confirmation must be submitted at least one day prior to the absence)
5. Medical or dental appointment (normally a partial day and an excuse from that office will be required)
6. Quarantine for contagious disease (as verified by a medical professional)
7. College visitation
8. Emergency circumstances (e.g. court appearance, required meeting with social services agency, student required to travel with parent)
9. Absences due to a student's placement in foster care or changes in foster care placement or any court proceedings related to their foster care status
10. Absences due to circumstances impacted by homelessness

Canal Winchester Schools also recognize the following as legitimate absences:

- Polling location volunteer
- Prearranged family vacations (See guidelines)
- Special administrative permission (not to exceed more than two times/year)
- Special circumstances due to the absence of parents or guardians
- Court appointment
- Pre-arranged and approved “Take a Child to Work” (treated as Family Vacation)
- Hunting may be excused if it is a prearranged family vacation. Students absent from school due to vacation may not participate or attend extracurricular activities on days they are absent.
- **Fairfield County Fair** [Off Site Curricular Activity] - Student’s name must be included on the list sent from the Fair Commission or 4 H Advisor
- **Athletic OHSAA or State Sponsored Tournaments** [Field Trip] - If attending with a coach. Excused Absence if attending independently with an approved note the day before and approval from an administrator.
- **Career Development Events** [Off Site Curricular Activity]
- Students participating in District approved out-of-state travel (up to a maximum of twenty-four (24) consecutive instructional hours) may participate in a District-approved enrichment program or be required to complete extra activities.

Attendance need not always be within the school facilities. A student can be considered to be in attendance if present at any place where school is in session by authority of the Board.

The Board shall consider each student assigned to a program of other guided learning experiences to be in regular attendance for the program provided that s/he reports to such staff member s/he is assigned for guidance at the place in which s/he is conducting study, and regularly demonstrates progress toward the objectives of the course of study.

VACATION PROCEDURES

These absences will count towards total parent/guardian excused call-in absences from school for a semester or for the year. Administration will only approve up to five total vacation days for the school year per student. A student going with parents on vacation during school time must **COMPLETE A VACATION FORM (ALSO OBTAINED IN THE OFFICE OR ON THE DISTRICT WEBSITE) AND RETURN IT TO THE OFFICE AT LEAST ONE (1) WEEK PRIOR TO VACATION.** Please refer to make-up work procedure for homework guidelines.

- Projects, special assignments due during vacation, must be turned in prior to leaving for vacation unless previously agreed upon by the student and teacher.
- Students absent from school due to a vacation may not participate in or attend any extracurricular activities.

COLLEGE VISITATION PROCEDURES

To participate in a college visitation, a student must submit a parental permission slip approved by the guidance counselor. This permission slip must be provided to the Attendance Office at least **two days in advance of the visit** Students are responsible for all missed work and **must be passing all classes at the time of the visit.** Juniors are permitted **one (1) visit** during the school year and seniors are permitted **three (3) visits** during the year. Students will be required to submit proof of attendance upon their return to school.

EARLY DISMISSALS

No student may sign out without the permission of the high school principal or his/her designee. Failure to do so will result in being considered truant from school. Eighteen-year-old students are included in this rule.

If a student needs to be dismissed from school before the end of the school day, he/she must have a written request from his/her parent/guardian stating the reason for the early dismissal. All notes for early dismissal must be turned in to the high school office before 8:00 AM.

The following are the only reasons for an excused early dismissal from school:

- Doctor/dentist appointment
- Going out of town (vacation)
- Court/court related matter
- Emergency circumstances

When leaving school for an early dismissal, the student must **sign out** on the sheet or device provided in the high school office.

A note from the student's appointment, doctor/dentist/court must be turned in to the high school office secretary upon returning to school. Failure to bring a note back from the appointment may result in an **unexcused** dismissal.

Early dismissals will be excused absences, according to the regulations, but excessive dismissals may require a medical excuse for further absences.

UNEXCUSED ABSENCE EXAMPLES

The following excuses are examples of, but not an exhaustive list of reasons for unexcused absences.

- Truancy
- Tardy
- Visiting
- Shopping
- Oversleeping
- Personal Issues
- Missing the school bus or ride to school
- Hair appointment, tanning appointment, senior pictures
- Working/working at home (discretion of the principal)
- Baby-sitting
- Job interviews
- Appointments other than doctor, dentist, college visitation, or family vacation
- Driver's test or in-car appointments
- Car trouble

Students who are absent from school may not participate in after school activities or attend unless approval is granted by an administrator.

REPORTING AN ABSENCE

When a student is ill the parent or guardian must call the school at 614-833-2157 by 7:55 AM or email the attendance secretary at cwhs@cwls.usto to report the absence. If a parent does not report a student's absence, the attendance secretary must attempt to call during the morning of the absence to verify your student's whereabouts. As a service to parents, Canal Winchester Schools will call a phone number you choose, via an automated system whenever your child is absent without notice. It is possible for a proper response to this system to count as proper notification of your child's absence.

In the event the school and parent/guardian do not make contact, the parent/guardian should send a written explanation on the student's first day back to school. Students will be notified upon their return if the absence is excused. **Students have one day (24 hrs.) to bring a note regarding an absence.**

Unexcused absences result in a zero for the time the student was absent.

ADDITIONAL CONSEQUENCES FOR UNEXCUSED ABSENCES

TRUANCY

Truant from school is defined as: **When a student is missing from school and the parents/guardians are not aware of his/her absence; or when a student is missing from school and the parents/guardians are aware of the student's absence but the absence is unexcused; or when a student is absent and there is no contact from any parent/guardian to the school about the absence.**

Ohio Revised Code, 2151.011 also defines truant, as a child of compulsory school age who is absent from school without legitimate excuse (see above) for the following number of hours of school:

- 30 or more consecutive hours or
- 42 or more hours in one school month or
- 72 or more hours in school year

Students who reach these levels will be referred to The District's Truancy Officer and an attendance intervention team. These individuals will work on preventative strategies to address a child's attendance issues. A student cannot be suspended or expelled for violation of this policy.

The following procedures have been developed to address a student's attendance when there is a concern for truancy:

1. At thirty (30) hours of unexcused or excused absences, a letter will be sent home to the parent reviewing the attendance policy.
2. Between thirty (30) and seventy-two (72) hours of unexcused or excused absences, the school will utilize interventions to assist with improving school attendance.
3. At thirty (30) or more consecutive hours, forty-two (42) or more in one school month, or seventy-two (72) hours of unexcused absences in one school year, the school must refer the student to an Absence Intervention Team to create an individualized intervention plan within 7 days of the triggering event. Within fourteen (14) school days after the assignment, the team must develop an intervention plan for the student in an effort to reduce or eliminate further absences. This plan will be monitored by the team and modified as needed.
4. The school is required to make three (3) attempts, in good faith, to engage the parent in the development and participation of the attendance intervention plan. If the parent fails to respond to the district's attempts to include them in the development of the plan, the district may report the parent to Child Protective Services.
5. If a student/family does not participate in the development of the plan, a copy will be mailed to the parent/guardian and the plan will be implemented
6. Within seven (7) days after the development of the plan, the school district or school shall make reasonable efforts to provide the student's parent, guardian, custodian, guardian ad litem, or temporary custodian with written notice of the plan.
7. If the student reaches thirty (30) consecutive hours or forty-two (42) hours in 30 days of absences after the implementation of the absence intervention plan, the attendance officer will conduct an informal hearing.
8. If the student does not adhere to the plan or the plan is not successful and s/he continues to exhibit poor attendance, the district will formally refer the case to the county prosecutor and with Child Protective Services
9. Note: A student cannot be suspended or expelled for violation of the attendance policy.

ABSENCE DUE TO SUSPENSION

A student suspended out of school is allowed to complete school work and will receive full credit.

Students have the window of days of their Out of School Suspension to complete assignments. No extra days upon return to school are given (exception: quizzes or tests which a student must take in class).

Suspensions occur only during days when students are in attendance. Calamity or snow days will not count towards days of suspension.

MAKE UP WORK

Excused Absences: It is the student's responsibility to secure assignments and to complete work on time. All work missed during a period of excused absence may be made up. Upon returning to school, a student shall have a period of school days equal to the number of school days absent in which to make up any outstanding class work. Any rescheduled due dates for quizzes, tests, projects and papers must be reasonable and will be mutually agreed upon between teachers and students. Students should access missed homework from that day's lesson on your online program or email your instructor to discuss and agree upon any new deadlines. Work that is not handed in on time could result in a zero for the assignment.

Extended time out of school due to illness: Please get verification of all extended absence reasons to the attendance officer and notify your teachers as well to establish expectations for work that will be missed. Confirmed excused absences will follow the rules set above.

Classroom Absences Due to Suspension or ABIP: Students who are suspended from school will have the opportunity to receive credit for missed assignments, tests, projects or class work. Assignments missed due to out-of-school suspension may be completed for credit during the window of days that matches their Out of School Suspension. The student is responsible for contacting instructors and making arrangements to receive all assignments. Completed assignments are due upon return to school. Students who are assigned ABIP have the ability to access and complete all school work during that day with the exception of quizzes or tests that need to be taken in the classroom. For those assignments, the student is responsible for contacting instructors and scheduling a make-up date.

TARDIES TO SCHOOL

Any student late to school must report to the high school office and sign in.

Continual tardiness to school will result in disciplinary action. This is based on per nine weeks. Additionally, students will not be permitted to make up work for any unexcused tardy.

1st Tardy - Free (No Discipline)

2nd Tardy - Free (No Discipline)

3rd - Lunch Detention(s) – Parent Contact and CC's Student

6th-After School Detention (s)

9th -Extended School Assignment(s)

12th- Extended School Assignment(s)

15th or more - ABIP or Extended School Assignment(s)

- Consequences for tardies may be one or multiple to reflect amount of time missed

TARDIES TO CLASS

A student is **tardy** to class if s/he arrives within the first **five** minutes of the tardy bell for Periods 2-10. Unexcused tardiness of 5 minutes or more may result in a class cut.

1st Tardy – verbal warning

2nd Tardy – verbal warning, parent contact

3rd Tardy – assign detention, parent contact

4th Tardy – ESA and Parent Contact

5th + Tardy – ABIP and Parent Contact

These tardies are based on a nine-week interim. Class tardiness will reset at the nine-week benchmarks.

CLASS CUTS/OUT OF AREA

Class cuts are cumulative for the school year. If a student is unexcused from any assigned period, the following discipline progression may occur:

- #1: 1 Extended School Assignment (ESA)
- #2: 2 Days (ESA)
- #3: 3 Days (ESA)

Students will be given one “calamity” per semester if they arrive after the end of first period without a valid excuse. Any instances beyond that will be considered a class cut and will be given the appropriate consequence.

Also included in this category is being out of the scheduled area in the building (for example, being in the cafeteria when not scheduled, or being in the hallway or elsewhere when assigned to be in the cafeteria).

Section 7 – Transportation

Bus Conduct

Students are not permitted to ride any bus other than their assigned bus.

Trained Service Animals are the only animals allowed on the bus. No other animals are permitted.

A student who has a behavior problem on the bus shall be disciplined in accordance with the Student Discipline Code and **may be deprived of the privilege of riding the bus.** The Board of Education has authorized the installation of video cameras on school buses for purposes of monitoring student behavior. If a student misbehaves on a bus and his/her actions are recorded on videotape, the tape will be submitted to the principal and may be used as evidence of the misbehavior. Since these tapes are considered part of a student’s record, they can be viewed only in accordance with the Federal law. Bus drivers will be communicating with students and families regarding offenses. A seat change is also a potential consequence prior to the misconduct being reported to the building administration.

Misconduct will be reported in writing by the driver to the principal for Level 1 and 2 offenses. Violations of the rules will generally result in the following consequences per the discretion of the high school administration:

1st office referral:	1 day removal from the bus
2nd office referral:	3 days removal from the bus
3rd office referral:	5 days removal from the bus
4th office referral:	10 days removal from the bus
5th office referral:	removal from the bus for a grading period, semester, or remainder of school year

EXPECTED BUS BEHAVIOR

Prior to loading on the road and at school

Each student shall:

- Be on time at the designated loading zone
- Stay off the road at all times while walking to and waiting for the bus;
- Line up single file off the roadway to enter;
- Wait until the bus is completely stopped before moving forward to enter;
- Refrain from crossing a highway until the bus driver signals it is safe;
- Go immediately to a seat and be seated.
- It is the parents’ responsibility to inform the bus driver when their child will not be boarding the bus. The bus will not wait.

During the trip each student shall:

- Remain seated while the bus is in motion;
- Keep head, hands, arms, and legs inside the bus at all times;
- Not litter in the bus or throw anything from the bus;
- Keep books, packages, coats, and all other objects out of the aisle;
- Be courteous to the driver
- Not eat
- Not tamper with the bus or any of its equipment.

Leaving the bus each student shall:

- Remain seated until the bus has stopped;
- Cross the road, when necessary, at least ten (10) feet in front of the bus, but only after the driver signals that it is safe;
- Be alert to a possible danger signal from the driver.

The driver will not discharge students at places other than their regular stop at home or at school unless s/he has proper authorization from school officials.

SECTION 8: CODE OF CONDUCT

This Code of Conduct applies to when students are on school property, at a school-sponsored activity and/or virtually.

Violations of the Discipline Code at the high school level may result in disciplinary action including, but not limited to, parent conferences, detention, alternative educational placement, extended school assignment, out-of-school suspension, expulsion, loss of privileges, or removal from school.

ESA = Extended School Assignment

ABIP = Alternative Behavior Intervention Placement

OSS = Out of School Suspension

A recommendation for an expulsion hearing may occur at any time for Major Offense Violations.

BOARD OF EDUCATION'S POSITION ON STUDENT CONDUCT

AS PER OHIO REVISED CODE 3313.661 Respect for law and for those persons in authority shall be expected of all students. This includes conformity to school rules as well as general provision of laws affecting students. Respect for the rights of others, consideration of their privileges and cooperative citizenship shall also be expected of all members of the school community.

Respect for real and personal property, pride in one's work achievement within the range of one's ability and display of personal standards of courtesy, decency and honesty shall be maintained in the schools of the district

The Board of Education acknowledges that conduct is closely related to learning. An effective instructional program requires an orderly school environment and the effectiveness of the educational program is, in part, reflected in the behavior of students.

The Board believes that the best discipline is self-imposed and that students should learn to assume responsibility for their own behavior and the consequences of their actions.

The rules and provisions of the Student Code of Conduct shall govern student conduct. The Board shall require each student of this district to adhere to the Code of Conduct developed by the administration and to submit to such disciplinary measures as are appropriately assigned for infractions of those rules. Such rules shall require that students:

- Conform to reasonable standards of socially acceptable behavior
- Respect the person and property
- Preserve the degree of order necessary to the educational program in which they are engaged
- Respect the rights of others
- Obey constituted authority and respond to those who hold that authority

SEARCH AND SEIZURE

School authorities are charged with the responsibility of safeguarding the students in their care. In the discharge of that responsibility, school authorities may search the person or property (including vehicles, purses, knapsacks, gym bags, etc.) of a student, with or without the student's consent, whenever they reasonably suspect that the search is required to discover evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student's age. General housekeeping inspection of school property may be conducted with reasonable notice.

Student lockers are the property of the Canal Winchester Local Schools, and random searches of lockers and their contents may be conducted. Unannounced and random canine searches may also be conducted.

STUDENT CODE OF CONDUCT

CODE OF CONDUCT - PART I

Any violation of the following rules may result in an immediate **ten (10) day** suspension from school. Violators may be referred to civil authorities and may be subject to expulsion of up to one calendar year. ***Any infraction that violates the law or may cause imminent harm to a person or property may result in a police report being filed.***

1. Alcohol, Drugs and/or Paraphernalia

During any hours a student is on school premises, or authorized transportation, or any school sponsored activity held on or off the school premises, students shall not knowingly possess, use, sell, offer to sell, offer to purchase, supply, or transmit; alcohol, non-alcoholic beer, and/or other drugs or drug paraphernalia. Students who possess large sums of money may cause the administration to have reasonable suspicion of drug related activities. The School has a "Drug Free" zone that extends 1000 feet beyond the school boundaries.

Possession—includes, without limitation, retention on the student person, in purses, wallets, lockers, desks, automobiles parked on home school property or at any other school while in attendance of a school function.

Use of/Evidence of Use—is defined as showing signs of chemical misuse such as staggering, reddened eyes, odor of chemicals or alcohol, nervousness, restlessness, memory loss, abusive language, falling asleep in class, or any other behavior not normal for the particular student. Students may be required to submit to a Breathalyzer test when deemed appropriate by the administration. Use also includes consuming any amount of alcohol or drugs prior to attending school or a school related activity through admission or detection.

Drugs/Drug Paraphernalia—includes, without limitations, steroids, poisonous intoxicants, anabolic steroids, or any other body building drugs, look-a-like substances, narcotics, depressants, stimulants, hallucinogens, counterfeit controlled substances, marijuana, and prescription drugs, (unless prescription was authorized by a licensed physician, and drugs are kept in the original container. The original container must contain the student's name and the directions for the proper use of the medication.), or any drug type paraphernalia. All medicine will be kept in the nurse's office.

2. Distributing, Selling, or Offering to sell drugs and/or alcohol

A student shall not have in his/her possession a quantity that can be construed as being possessed for sale or transmittal by that student. **Any student caught distributing, selling, or offering to sell drugs or alcohol on the school grounds or at a school function away from the school will be recommended for expulsion for the 1st offense.**

3. Counterfeit Controlled Substances

A student shall not possess, make, conceal, supply, transmit, sell or offer to sell, give, or deliver a counterfeit controlled substance. “**Possession**” is defined in Section 1 above. A student shall not directly or indirectly represent or describe a “**counterfeit controlled substance**” as a “**controlled substance.**”

- a. Any drug that is identified by a trade name or trademark without authorization of the owner of the trade name or trademark.
- b. Any unmarked or unlabeled substance that is represented to be a controlled substance with a specific trade name or trademark.

4. Possession or Use of Weapons or Dangerous Instruments

A student shall not possess, transmit or conceal a dangerous weapon, dangerous instrument or “look-alike” counterfeit weapon or instrument. Such items include but are not limited to, explosives, mace, firearms, knives, razor blades, brass knuckles, or any object that can reasonably be considered a dangerous instrument. Look-alike weapons could include, but are not limited to, starter pistols, stun guns, or any other object indistinguishable from a weapon, may be considered a weapon or dangerous instrument. In addition, any student who creates panic by making statements about the possibility of a weapon in school may be disciplined per this rule.

Additionally, Section 2923.122 of the ORC makes it a felony for any person to knowingly convey, attempt to convey, or possess any deadly weapon or dangerous ordinance onto or on any property owned by, or controlled by, or to any property actively held under the auspices of a school.

It will make no difference whether or not the weapon belongs to someone else unless the student can provide convincing evidence that the weapon was placed in the student’s possession without his/her knowledge. If it can be confirmed that a weapon was brought on District property by a student other than the one who possessed the weapon, that student shall also be subject to the same disciplinary action.

5. Use of an object as a weapon

Any object that is used to threaten, harm, or harass another may be considered a weapon. This includes but is not limited to padlocks, pens, pencils, laser pointers, jewelry, and so on.

6. Threats of violence or actions of violence

Students are expected to refrain from making threats of violence and/or actions of violence towards the school district or school employee. This involves students who are responsible for making threats of violence or actions of violence on or off school property directed toward the school district or a school employee. In addition, a police report will be filed and criminal charges may be brought against the student(s) involved in the incident.

7. Knowledge of dangerous weapons or threats of violence

Because the Board believes that students, staff members, and visitors are entitled to function in a safe environment, students are required to report knowledge of dangerous weapons or threats of

violence to the principal. Failure to report such knowledge may subject the student to discipline.

8. Disruption of the Educational Process

No student shall by the use of violence, force, noise, coercion, threat, intimidation, fear, active or passive resistance, or any other conduct, cause the disruption or obstruction of any lawful mission, process, or function of the school, or urge other students to engage in such conduct.

The following actions are prohibited:

- a. Occupying any school building, school grounds, or part thereof, to deprive others of its use.
- b. Blocking the entrance or exit of any school building or corridor or room therein, to deprive others of lawful access to or from, or use of, the building, corridor or room.

- f. Starting or attempting to start any fires on school grounds.

9. Inducing Panic

No student shall induce panic, i.e. cause evacuation of any school building or otherwise cause serious public inconvenience or alarm by:

Initiating or circulating a report or warning of an alleged or impending fire, explosion, crime or other catastrophe, knowing that such a report or warning is false. Examples include, but are not limited to making a bomb threat, any threat of violence, social media threats, or making a hit list.

- a. A student shall not initiate a fire alarm or initiate a report warning of a fire without cause, or give false information or falsely report school incidents.

10. Harassing, Threatening, or Physical Abuse of a School Employee, School Employee's Family Member, or a Person Working for the School District in an Official Capacity

No student shall direct to a school employee or employee's family member(s) words or phrases which are considered to be slanderous, degrading in nature, threatening, obscene or profane as defined by the majority of our society. This may also include communication that implies a threat or harassment of another individual.

This rule will apply throughout the **calendar year** for all students as long as they attend Canal Winchester High School. ***The school employee may file charges with the police.***

No student shall take part in any sexual activity while on the school grounds, or in any school vehicle, or at any other school facility.

CODE OF CONDUCT - PART II:

Any violation of the following rules may result in a **five-day** out of school suspension. Repeated offenses may result in a **10-day out of school suspension**. A recommendation for an expulsion may occur at any time for Major Offense Violations.

12. Harassing or Threatening a Student

No student shall direct to another student words or phrases that are considered to be

slanderous, degrading in nature, obscene or profane as defined by the majority of our society. This may also include communication that implies a threat or harassment of another individual or the sharing of any personal property that can be considered degrading in nature.

17. **Acts of Disrespect/Insubordination to a Staff Member or School Employee**

No student shall be disrespectful or insubordinate to any teacher, student teacher, substitute teacher, principal, or authorized personnel. School staff is acting "in loco parentis", which means that the school staff is allowed, by law, to direct a student as a parent would. This applies to all staff, not just teachers assigned to a student.

In the event of a student physical confrontation, any student who **does not fight back will not be subject to suspension for physical abuse**. Those students who are physically abused should report the incident to the high school principal or any other faculty member immediately.

Students are advised to move away from the area of the disturbance, send someone for an adult, and do not get in the way of an administrator or faculty member who is trying to break up the confrontation.

Standing around, standing on tables, standing in aisles so as to hinder school officials, refusal to leave the scene when asked to do, and recording a fight on an electronic device are all considered a violation of the “**no physical abuse**” policy. These conditions constitute the offense “**party to an affray**” and are subject to the same disciplinary action.

Students who are found to have **instigated a fight** but are not actively involved, that is, students who **carry rumors, put others up to fighting, carry information back and forth between other individuals who subsequently fight**, submit themselves to the same penalties as those who are involved in the fight.

In summary, fighting will not be tolerated on school grounds, on any school transportation vehicle, or at any school-sanctioned event. Students who physically attack or assault another student without provocation may be suspended out of school.

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Dress and Grooming

DRESS CODE

Canal Winchester High School expects that all students will dress in a way that is appropriate for the school day or for any school-sponsored event. Student dress choices should respect the district's intent to sustain a community that is inclusive of a diverse population of students. The primary responsibility for all students' attire resides with the student and their parent(s) or guardian(s). The school district is responsible for seeing that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any student or group of students for any reason. Any restrictions to the way a student dresses must be necessary to support the overall educational goals of the school and should be explained within this dress code.

Basic Principle: Certain body parts must be covered for all students at all times.

Clothes must be worn in a way such that students are fully covered with non-see-through fabric.

Students must cover themselves from chest to mid-thigh.

All items listed in the "must wear" and "may wear" categories below must meet this basic principle.

Students must wear, while following the basic principle of Section 1 above:

- A **shirt** with fabric that covers the torso/midriff in the front, back, on the sides, and under the arms,
- **Pants/jeans or the equivalent** (a skirt, sweatpants, leggings, dress, or shorts), **AND**
- **Shoes.** Specific shoes may be required for certain classes for health and safety purposes (PE, science labs, etc.) Slippers are not appropriate.

Students May Wear:

- Hats and Head Coverings - Head coverings must allow the face to be visible to staff and not obscure the face or ears (except for religious, cultural or medical reasons), and not interfere with the line of sight of any student or staff. Teachers may allow hoodies to cover students' heads while they are in the classroom, but hoodies must be down when exiting classes, in the hallways, and all other common areas (restrooms, cafeteria, etc.)
- Fitted pants, including non-see-through fabric leggings, or leggings with see-through panels, yoga pants and "skinny jeans" as long as underwear and buttocks are not exposed.
- Ripped jeans, as long as underwear and buttocks are not exposed.
- Pajama Pants.
- Tank tops, including spaghetti straps; halter tops.
- Athletic attire.
- Waistbands on undergarments or straps on undergarments should not be visible.
- Sunglasses outdoors (unless there is an authorized medical reason to wear them indoors).

Coaches and teachers may impose more stringent dress requirements to accommodate the special needs of certain sports and/or classes to provide adequate safety measures (i.e., safety glasses in Science). Guidelines may also be adjusted to meet student health needs, to accommodate for religious obligations (observances) as well as other special circumstances as authorized by site administration.

Students Cannot Wear:

- Violent language or images, including gang-related attire.
- Images or language depicting drugs or alcohol (or any illegal item or activity).
- Hate speech, profanity, pornography.
- Language or images that create a hostile or intimidating environment or have been used historically to oppress any protected class or consistently marginalized group.
- Any clothing that reveals visible undergarments (Sheer tops or bottoms).
- Strapless tops, strapless dresses or tube tops.
- Swimsuits
- Accessories that could be considered dangerous or could be used as a weapon.
- Any item that obscures the face and ears (except as a religious observance).

**There may be different expectations for certain special school-sponsored events, such as dances or promotions where strapless dresses may be allowed. The details of the dress code for special events will be communicated by each school site.*

Dress Code Enforcement

To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently. Final say on appropriateness rests with school administration. Failure to comply may result in school discipline.

- Students will be asked to put on their own alternative clothing, if already available at school, to be dressed more to code for the remainder of the day.
- If necessary, students' parents/guardians may be called during the school day to bring alternative clothing for the student to wear for the remainder of the day.
- If the student or parent/guardian cannot provide alternative clothing, the school will provide clean clothing items to the student to wear for the remainder of the day.

CONSEQUENCES FOR VARIOUS ACTIONS

Detentions may be served BEFORE or AFTER school and may be no longer than 30 minutes in length. Students must be notified in writing and be given at least twenty-four (24) hours' notice to arrange for their transportation.

EXTENDED SCHOOL ASSIGNMENT (ESA)

An Extended School Assignment is served entirely in the school setting and will be served after school hours. Students receive credit for the work completed in ESA. Additionally, an ESA assignment does not require any notice or hearing and is not subject to appeal.

CONDITIONS OF SUSPENSION/EXPULSION

Expulsion - SENATE BILL 51

This Bill allows the superintendent of a school district to extend or apply, fully, a suspension or expulsion into the following school year. All current due process procedures remain intact and expulsions are not to exceed eighty (80) school days. Any penalty of twenty or more days must

be accompanied with information on social agencies where a student may seek help.

SUSPENSION

1. The superintendent, principal, or assistant principal may suspend a student from school.
2. The superintendent, principal, or assistant principal may give **written notice of intent to suspend** a student, which enumerates the reason(s) for the intended suspension. This notice must be given to the student prior to the suspension. This notice will include the following: the name of the student, date, date of the offense, reason(s) for intended suspension, **duration of the suspension, opportunity for an informal hearing, and the release of notice to the parent/guardian of an eighteen year old student.**
3. The suspension cannot exceed ten (10) days.
4. An informal hearing will be held before the superintendent or the principal or his/her designee. The student may challenge the reason(s) for the intended suspension, and otherwise state his/her position concerning the matter.
5. The superintendent, the principal, or his/her designee shall give notification of the decision to suspend in writing to the parents, guardian, or the custodian of the student, and the treasurer of the Board of Education within 24 hours of the suspension. The notice must include the reason(s) for the suspension and the right of the student or parent to appeal to the superintendent or his/her designee. A copy will be put in the student's file.
6. An appeal to a suspension can be made to the superintendent or the superintendent's designee.
7. The appeal must be in writing and submitted within **48 hours after notification** of suspension. The appeal must contain the challenge to the reason(s) for the suspension and an explanation of the student's action.
8. During the appeal process, the student shall not be allowed to remain in school.
9. A student may be kept from class, school, or extracurricular activity until disposition of the matter.
10. While subject to an out of school suspension a student will be permitted to complete work. Students have the window of days of the suspension to complete work (unless other arrangements have been made directly with the classroom teacher).
11. If a student's presence in school poses a continuing danger to the student or others in the school or property in the school or the student is an ongoing threat to disrupting the academic process in the classroom or elsewhere on the school premises, then the student may be suspended without the notice and hearing requirements of this policy.
12. Suspended students are not to be on school property, or in attendance at a school function, or any athletic contest, home or away, during the period of the suspension. A student who violates the conditions of the suspension will be subject to additional suspension days or may be recommended for expulsion to the superintendent.

Suspensions occur only during days when students are in attendance. Calamity or snow days will not count towards days of suspension.

EMERGENCY REMOVALS

1. The superintendent, the principal, or his/her designee may remove a student from the classroom, extracurricular activity, or the school premises for a period of no longer than 24 hours when the student's presence is considered to be dangerous to the other persons or property or disrupts the academic process.
2. A teacher may remove a student from the classroom or extra-curricular activity, but not from the premises for the reasons stated above. The teacher must submit the reasons for the removal in writing to the principal as soon as it is practical after the removal of the student.
3. A hearing must be held within 72 hours of the removal if the removal could extend for more than

24 hours.

4. Prior to the hearing, the student must be informed **in writing** of the hearing by the school officials. The person who ordered the removal must be present at the hearing. The student has the opportunity to appear and challenge the reason for removal. If the superintendent or the principal remove the student, or other disciplinary action is taken, written notification must be given to the parent, guardian, or custodian of the student within 24 hours of the hearing.

EXPULSION

When a student is being considered for expulsion, the student will receive a formal letter of notification addressed to the student and the parents. This written notice will include the reasons for the intended expulsion, notifications of the opportunity to appear in person before the Superintendent or the Superintendent's designee to challenge the reasons for the expulsion and/or explain the student's action, and notification of the time and place to appear. A formal hearing will be scheduled no earlier than three (3) days nor more than five (5) days after the notice is given. The superintendent or his/her designee may grant an extension of the time when requested by the student or his/her representative. The student may be represented by his/her parents, legal counsel, and/or by a person of his/her choice at the hearing. The student may be kept from school until disposition of the matter.

In accordance with Board Policy 5610, the Superintendent shall initiate expulsion proceedings against a student who has committed an act that warrants expulsion under Board policy even if the student withdraws from school prior to the hearing or decision to impose the expulsion. The expulsion will be imposed for the same duration that it would have been had the student remained enrolled.

If a student is expelled, the student and the student's parents will receive written notice within one (1) school day of the imposed expulsion.

Within fourteen (14) days after the Superintendent notifies the parents of the expulsion, the expulsion may be appealed, in writing, to the Board of Education or its designee. The appeal will also be formal in nature with sworn testimony. If an expulsion extends through the end of a semester, all chances to earn grades or credits cease within that semester. In some cases, it may be possible to award half-credits for first semester work in a year-long course, but such decisions will be made on a case-by-case basis. Additionally, a student who is expelled will be denied high school credit for college courses taken while serving his/her expulsion. Expulsion for some violations may result in the revocation of a student's driver's license. If the expulsion is upheld, the next step in the process is to the Court of Common Pleas.

The superintendent may expel a student from school for a period **not to exceed 80 days** and the expulsion may be applied to the next school year.

As per Board Policy [5611](#), suspensions do not become part of a student's permanent record.

PERMANENT EXCLUSION

When a student, 16 years of age or older, is being considered for permanent exclusion, it is possible that he/she may never be permitted to return to school anywhere in the state of Ohio. A permanent exclusion may be considered if the student is convicted or adjudicated delinquent for committing one or more of the following crimes while on the property of any Ohio school.
