Earn a Paraprofessional/ Substitute Teacher Certificate Tuition and fees are paid in full!

Are you already working at a Nevada elementary school but don't have a bachelor's degree? Learn about our Paraprofessional/Substitute Teacher Certificate Program starting in Summer 2024!

The Certificate in Science of Reading for Paraprofessionals and Substitute Teachers is offered through the College of Education & Human Development. This certificate provides foundational knowledge and skills in teaching. You will be introduced to the main principles of education and learn how to best serve the diverse student populations in classrooms. Plus, credits can be applied to a bachelor's degree program!
