After school care will not be available during school vacations, teacher in-service, or early dismissal days. After school care will be available between the hours of 3:15 and 5:30 p.m., Monday through Friday on regular school days. Every effort will be made to accommodate and coordinate resources to meet the diverse needs of all district students.

A.L.I.C.E.

A.L.I.C.E. is a set of proactive, research based, strategies that move beyond lockdown and increases the chance of survival during a violent intruder event. ALICE stands for: Alert, Lockdown, Inform, Counter, Evacuate. ALICE is supported by more than 700 law enforcement agencies around the country and complies with the new standard of care developed by the Federal Department of Education, the Federal Bureau of Investigation (FBI), Department of Homeland Security (DHS), and the Federal Emergency Management Agency (FEMA).

ANIMALS

No animals (pets) are allowed on school grounds without prior permission from the principal.

ATTENDANCE POLICY

Under the Kansas Compulsory Attendance Law, regular school attendance is required of all students enrolled in elementary and secondary schools. Parents or guardians must assume responsibility for ensuring that students comply with attendance policies. The Kansas Compulsory Attendance Law also requires that students must be reported truant to the district attorney for failure to attend school.

ABSENCES

Without a note or phone call from the parent or guardian, the office will record the absence as non-verified. However the call or note does not automatically excuse the student. The following are reasons that may be considered excused absences: (1) personal illness, (2) illness of a family member, (3) funeral, (4) obligatory religious observances, (5) participation in a school approved student activity, and (6) family vacations and/or business trips with which the school administration has advance notification (assignments collected prior to absences will be due upon return). Such trips should be limited as much as possible.

Any absence for reasons other than those listed above, and/or without parent knowledge and arrangement with school officials, will be considered **non-verified**. After **three (3) consecutive** non-verified; or **five (5) non-verified in a semester**; or **seven (7) non-verified absences per school year**, the **student's name may be submitted to the county attorney which can result in charges of truancy against the parent/guardian**.

After **10 absences, for any reason**, the student's name may be submitted to the county attorney, which can result in charges of truancy against the parent/guardian. Any absence, verified or non-verified, becomes part of the student's attendance record.

TARDIES

For attendance purposes **tardy** means 90 minutes or less of being absent from school during the school day. This may occur if a student checks in after 8:00 a.m. and before 9:30 a.m. or by leaving after 1:45 p.m. and before 3:15 p.m. Students may also be counted as tardy if they leave for 90 minutes or less any time during the day.

A full day of school is 435 minutes. Tardy is between 346 to 435 minutes; half day absent is 345 minutes or less. If a student is at school less than 90 minutes during the day, he or she is considered absent all day.

Tardy warning letters are mailed to parents after the student acquires **seven (7) tardy days**. When the limit of **fifteen (15) tardy days in the first semester** or **(21) tardy days per year** has been reached, the student and parent/guardians will be reported to the county attorney for truancy violation. A note from the doctor will be considered as medical and not recorded as tardy.

The following codes are used to record attendance:

N	Non-verified: parent/guardian did not notify the school of the absence.
PV	Parent-verified: parent/guardian did notify the school by phone call or note.
Med	Medical verification: Student turned in a doctor's note verifying illness or doctor appointment for entire day.
MP	Medical partial present: Student turned in doctor's note verifying appointment or illness for part of the day.
EO	Early out: Student was checked out between 1:45p.m. and 3:15p.m.
T	Tardy: Student arrived between 8:00a.m. - 9:30a.m. or was gone 90 minutes or less during the school day.
S	Suspended: Student was suspended for discipline purposes.
A/P	Absent/Present: Student was in school less than 345 minutes that day.

BEFORE AND AFTER SCHOOL

Students are urged not to arrive at school prior to 7:30 a.m. as this is when direct supervision of students begins. If for some reason it is necessary for a student to come to school before 7:30a.m., please call the office and discuss it with the principal. Children are not allowed to play on the playground before or after school. The school is not responsible for the supervision and safety of students on the playground outside of school hours (7:30a.m.-3:30pm). Please pick your child up immediately after school. Please see **Dismissal Procedures**.

BEHAVIOR INTERVENTION SUPPORT TEAM (B.I.S.T.)

What is B.I.S.T.? Pittsburg Community Elementary Schools utilize a school-wide discipline plan called B.I.S.T. (Behavior Intervention Support Team). The purpose of the B.I.S.T strategy is to help bring about lasting changes in student's attitudes towards themselves and others around them so that they can be productive students in the classroom, in control of their own behavior, and find acceptable solutions to their problems. BIST is designed to teach and protect students, via GRACE and ACCOUNTABILITY so that students can demonstrate the **Goals for Life** and make good choices.

Goals for My Life

- I CAN be productive and follow directions even if I am mad.
- I CAN be productive and follow directions even if others are not okay.
- I CAN be productive and follow directions even if I don't want to.

BIST Core Beliefs: Our goal is that the B.I.S.T. plan will continue to keep our schools well-organized where values, communication, and structure help promote a safe environment for all. The staff, in our elementary schools, believe that we can help children accept responsibility for their behavior by making them aware of what THEY can change:

- Attitude
- Behavior
- Empathy for others
- Sense of Responsibility
- Work Habits
- Beliefs

- Peer Groups

- Desire to Change

BIST Concepts:

- **Safe Seat**:-A seat in the classroom away from other students
- **Buddy Room**-A seat in another teacher's classroom to help a student regroup so they may return to the safe seat.
- **Recovery/Focus Room**-A place where students can go to stop acting out, calm down, prepare an apology and create a plan to be successful.
- **Think Sheet**-A tool that the student completes to help him/her take ownership of the problem and create a plan to be successful.
- **Processing**-Questions that the adult asks the student so he/she may take ownership, practice skills and make a plan to be successful.
- **Target Behavior Sheet**-A daily visual of goals the student is working on to make life changes.
- **Triage**-Daily "check in" with an adult to assess emotions, establish focus about what it means to have a good day and formulate solutions if problems occur.

Parent Support for BIST: When a teacher calls to discuss a student's plan, it is simply to inform the parent. We ask that you encourage your child to be accountable and to follow the plan that he or she made to be more successful at school.

BICYCLE RULES

Rules for all children and adults riding bicycles to school:

- Follow safety rules of the road including wearing a safety helmet.
- When on school sidewalks, bike riders are to walk their bikes.
- Bikes will be parked on the school grounds in the provided racks during the school day.
- Motorized bikes and/or scooters are prohibited on school grounds.
- The school is not responsible for bicycles; locks are encouraged.

BULLYING

As a school community we do not tolerate bullying. We agree to recognize it, stop it, and stamp it out! Bullying is a conscious, willful, and deliberate hostile activity intended to harm, induce fear through the threat of further aggression, and create terror. Bullying can be any intentional gesture or any intentional written, verbal or physical act or threat that is sufficiently severe, persistent or pervasive. Bullying creates an intimidating, threatening, or abusive educational environment for a student or staff member that a reasonable person, under the circumstances, knows or should know will have the effect of:

- Harming a student or staff member, whether physical, non-verbal, verbal, social, or emotional;
- Threatening to or damaging a student's or staff member's property;
- Harming someone's group acceptance;
- Threatening or harming a student or staff member through cyber bullying.

CELL PHONES and ELECTRONIC DEVICES

Students must keep cell phones and other electronic devices turned off during the school day including during free periods such as lunch, recess and passing periods. In the event of a family emergency that a student needs to be contacted, parents must arrange a plan for communication with the principal. This will allow the school to support the student and family appropriately. Each school has the option of developing more stringent guidelines.

CHANGE OF ADDRESS, PHONE, EMPLOYMENT, ETC.

It is the parents/guardian's responsibility to keep the school office updated about any changes in address, home phone number, daytime phone number, e-mail address, parent employment status and emergency contacts. The school encourages parents/guardians to teach their children new addresses and phone numbers.

COUNSELING SERVICES

Counseling services are provided at all district schools. Open communication between families and the school counselor is positive for students and their educational and social development. Parents are invited to visit with their child's counselor at any time.

Counseling services may be provided to students through classroom presentations, small group meetings, or individual sessions. Every attempt is made to provide counseling services at opportune times of the day which are the least intrusive to the student's school day.

The content of individual counseling sessions are, at the student's request, confidential, unless it is believed that the student may harm him/herself or others; or, the counselor deems it in the best interest to release the information. In this situation, disclosure is required to prevent clear and imminent danger to the student or others.

CUSTODY

Parents are advised to notify the school office about court orders and legal separation agreements pertaining to the custody of their children. School personnel will not knowingly release a child to a non-custodial parent without the consent and knowledge of the custodial parent. The school requires that custodial parents furnish copies of court documents. In the absence of court documents joint custody will be assumed.

DELIVERIES

Deliveries to students will be prohibited. This includes but not limited to flowers, candy, and balloons. Parents are still welcome to send lunch from home to school with their child. If their child forgets their lunch, parents are welcome to bring lunch from home. Parents, guardians, or parent approved contacts listed in PowerSchool may deliver food to their child. Deliveries from outside businesses are prohibited (ex. Doordash, pizza delivery, fast food delivery service, etc.).

Student Code of Conduct

The first priority of USD 250 - Pittsburg Community Schools is to provide a safe and conducive learning environment for students, staff, families, and community members. In addition to these policies, USD 250 - Pittsburg Community Schools promotes positive expectations and provides positive supports for students through school experiences that promote kindness, compassion, and leadership. Our Student Guiding Principles of respect, honesty, responsibility, safety, and trustworthiness guide the day-to-day expectations for student interaction. We strive to create an atmosphere where all students, regardless of individual differences, are respected, accepted, and safe.

We know our students and families make every effort to support our efforts to keep schools safe and support positive emotional wellness for our students. Our community expects each school to be "A Safe School for All."

DISMISSAL PROCEDURES

Students will be dismissed at 3:15p.m. Parents must call the office by 2:30 PM for after school transportation changes.

Drop Off

For the safety of students and adults, from 7:30 am-8:00 am and 3:00 pm -3:30 pm, adults need to remain in your vehicle while in the drop off and pick up lane. If your student needs assistance in getting in and out of the vehicle, you need to park in a designated parking spot.

Procedures for students not picked up after school

The Elementary Schools do not provide supervision of students after 3:30 p.m. Students not picked up by 3:30 p.m. will be placed under the supervision of the After School Program, and parents/guardian will be charged the daily fee. (This action can only occur when the student has a completed application on file.) Continual abuse of not picking up the child on time will result in the school filing a Child in Need of Care Report to DCF.

The After School Program is available to families that are not able to pick students up at dismissal time (3:15 p.m.) This program allows your child to be in a supervised location with supervised activities. If your time schedule is tight, it is recommended that you complete an application for the After School Program should this situation occur. Additional information about the After School Program is available in the school office.

The secondary function of the program is to encourage students to become more proficient in their primary home language. The overall goal is to have the student graduate from the program as a bilingual student who uses both the English language and their native language effectively.

A payment plan form is available for anyone unable to pay the entire amount for fees. Contact the board of education office for details at (620) 235-3100.

FOOD SERVICE

Breakfast Program: All students are served a free breakfast through a federal breakfast in the classroom program. Students make choices for their food items the day or week prior to the food being served.

Lunch Program: Lunch will be served each school day, and will contain the necessary foods for a well-balanced meal. Students may bring lunch from home and eat it in the lunchroom. Students need to bring their home lunch to school each morning. If a student forgets their home lunch, parents may bring it to the office prior to 9:00 AM. We operate a closed lunch period in USD 250. If you have questions about breakfast or lunch, please contact the kitchen manager at your school. Parents will be notified about the status of student lunch accounts. An alternate lunch will be served when a lunch account has a negative

balance. Applications are available for free or reduced lunches after July 1 each year. Lunch prices will be provided at the beginning of each school year.

Lunchroom Behavior: Only students who display mannerly behavior will be allowed to eat in the cafeteria. Others may be asked to eat in an alternate setting. Please visit with your child/children concerning the behavior that is expected of them in the school lunchroom.

Lunchroom Rules

Unpaid Meals Charge Policy: A meal account for students paying for full or reduced price meals may be established within the district. Payment for charges to the student's account is the responsibility of the parent or guardian. Students may charge no more than negative \$10 to this account. Once a student's balance reaches negative \$10, notification will be made to the student's parent or guardian via direct phone call. This negative balance shall be considered "Delinquent Debt." If the meal account is at or over the negative \$10 amount at the end of the student's career at UDS 250, the debt will be determined to be "Bad Debt." Administration shall be authorized to submit "Bad Debt" to the district approved collections process. The district will continue to provide adequate nutrition to a student with bad or delinquent debt through alternative meals.

KIDCARE CONNECTION

USD 250 and Community Health Center of Southeast Kansas (CHC/SEK) have partnered to ensure that all children in the Pittsburg Community School District have access to school-based medical, dental and mental health services. These are available regardless of a child's insurance status or income. The schedule for the KidCare Connection can be found at www.usd250.org. Calls can be directed to the clinic at: [620.249.0281](tel:620.249.0281)

LIBRARY MEDIA CENTER

Our school library media center is a vital part of our instructional program. Through regularly scheduled class times and open library time, students are encouraged to explore the many books, research materials, audio/visual materials, and computers/software that our library contains. In order to maintain an adequate collection, pupils, teachers, and parents must cooperate to see that materials are returned in good condition. If materials are not returned or returned damaged, a charge equal to the current replacement price is made.

LOST AND FOUND

We will provide a lost and found service. If your child has lost an item, remind him/her to check in the lost and found area/box. At the end of the school year all remaining items will be given to a community service organization or recycled for student use at school.

MEDICAL SERVICES

A school nurse is available in case of an emergency. If a student is seen in the clinic, becomes ill, or has an accident while at school, a parent will be notified by the school nurse or office. It is important to have an emergency telephone number on file in the school office (i.e., work, relatives or friends).

MEDICATIONS

It is USD 250 district policy that no prescription medication will be administered without a current completed CONSENT FOR MEDICATION FORM on file for each medication to be administered. This form can be obtained in the school office.

All medication is to be brought to school in its original container. The medicine bottle must be clearly marked with the student's name, name of the doctor and the amount and time for the medication to be given.

All medications will be kept in the nurse's clinic and will be administered only by the school nurse or their designated substitute. NO MEDICATION WILL BE KEPT IN THE CLASSROOM or WITH THE STUDENT.

All over-the-counter medication (non-prescription) taken at school will require a written permission note by the parent or legal guardian.

If your child has any medical condition that requires special attention other than normal first aid, please contact the child's teacher and school office as soon as possible.

For more detailed information on administering medication at school, please refer to the following policies in the district policy manual:

JGFGB	Supervision of Medications
JGFGBA	Student Self-Administration of Medications

MEDICATIONS - UNUSED

The school cannot send unused medication home with children. If you prefer, you may stop by the nurse's station and pick it up personally. We will plan to keep leftover medications for thirty (30) days. If it has not been picked up by this time, we will dispose of it.

For medication that is needed both at home and school, please send a portion to school and keep a portion at home. Please be reminded that medications at school need to be in the original container. In most cases, your pharmacy will provide two containers at your request. We will not send it home with children; however, parents may pick it up each day.

These actions are being taken to reduce the chance that prescription meds will be lost or get into hands of persons not authorized to take the medication. The administration of USD 250 believes that this procedure is in the best interest of our school children and hope you understand and support it. If you have specific questions about how to handle this at your child's school, please call the principal or the school nurse.

PARENT—TEACHER CONFERENCES

Parents are welcome at any time to call and make an appointment for a parent-teacher conference. There will be scheduled parent-teacher conference days during the school year, in the fall and the spring semester. Please refer to the current school calendar. Appointment schedules and additional information will be sent home prior to these conference dates.

BUILDING SAFETY

Guardian/Guest Check-In Using Remind: To improve school safety and security, school visitors and guardians will be asked to present identification, such as a driver's license, which will pass through a scanner. Parents and other volunteers who visit regularly or participate in field trips only need to do this as needed. Building staff will manually enter the information if a person doesn't have government-issued identification. Within a few seconds, the Raptor system will check a visitor's name and date of birth against a national database of registered sex offenders to ensure that offenders aren't entering a school without our knowledge. No other information from the ID will be gathered or recorded.

TRANSPORTATION RULES AND DISCIPLINE MATRIX

Pittsburg Community Schools is committed to creating a safe, positive learning environment for all our students. To ensure the safety of our students, the Transportation Department along with USD 250 has developed the following guidelines.

RULES AND REGULATIONS FOR STUDENTS RIDING SCHOOL BUSES:

1. The driver is in full charge of the bus and students. The students must obey the driver promptly and willingly.
2. School and district rules/regulations apply to the school buses.
3. Students shall ride their regularly assigned bus at all times unless permission has been granted by the school.
4. Students must not stand or play in the roadway while waiting for the bus.
5. Students should leave home early enough to arrive at the bus stop before the bus is due.
6. Self-discipline should be exercised by students at the bus loading area. Students should refrain from pushing and shoving other students. Students in violation are subject to disciplinary action.
7. Students who have to walk some distance along the highway to the bus loading zone, where practicable, must walk on the left-hand side facing oncoming traffic. This will also apply to students leaving the bus loading zone in the evening.
8. Students shall not sit in the driver's seat, nor shall any student be to the immediate left or right of the driver.
9. Each student may be assigned to a seat if required by the bus driver.
10. Students shall:
 - a. Sit properly in their seats.
 - b. Refrain from throwing objects in/out of the bus.
 - c. Keep their hands to themselves.
 - d. Be courteous to their fellow passengers.
 - e. Use appropriate language.
 - f. Keep the bus clean of refuse.
 - g. Speak in a quiet tone of voice.
11. No student shall use tobacco, electronic cigarette device, or strike a flame on a school bus.
12. No student shall at any time extend their head, hands, or arms out of the window while on the bus.
13. Students must see that they have nothing in their possession that may cause injury to another,

such as sticks, breakable containers, any type of firearms, straps, or pins extending from their clothing. Also, any type of animal, with the exception of a service animal, is not permitted on the bus without the permission of the bus driver.

14. Each student must see that their books and personal belongings are kept out of the aisle. Special permission must be granted by the building administration to transport any large items.
15. The school district will hold the student or parent/guardian responsible for intentional damage to school buses caused by the student. (Restitution)
16. Students may not use radios or stereo equipment while on the school bus unless the device is being used with headphones.
17. Students are to remain seated while the bus is in motion and are not to get on or off the bus until the bus has come to a full stop.
18. Students must leave the bus in an orderly manner. They must not cross the highway until given consent by the school bus driver. When boarding or leaving the bus, the students should be in view of the driver at all times.
19. Students must cross the highway only in front of the school bus and never behind it.
20. Students in grades K-12 may get off at a place other than their own regular stop only with written permission from the office. It is the responsibility of the parent/guardian to inform the school of a change in arrival/dismissal location.
21. Students shall not perform any act which will obstruct the free passage of a school bus along its normal course.
22. In the event of an actual emergency, emergency exit procedures, as established by the emergency exit drills, will be followed.
23. Students' misconduct on a bus will be sufficient reason to discontinue providing bus transportation to those students involved.

To be consistent with all students riding the school bus, USD 250 has developed a discipline matrix. This matrix will be used to assist school administration in dealing with violations on the school bus. Students are expected to follow the guidelines to ensure a safe commute to and from school.

Behavior considered extreme by administration or staff will be subject to the jurisdiction of the building administrator.

BUS TRANSPORTATION DISCIPLINE MATRIX

Riding the school bus is a privilege that the district offers families who meet district transportation requirements. To ensure students enjoy a safe and pleasant ride, only those students who follow the USD 250 Bus Behavior Code will be allowed to ride the bus. The bus driver has jurisdiction over behavior on the bus. The building principal will determine consequences for misbehavior.

Reporting Data

District administration shall report ESI data to the state department of education as required. Parent Right to Meeting on ESI Use

After each incident, a parent may request a meeting with the school to discuss and debrief the incident. A parent may request such a meeting verbally, in writing, or by electronic means. A school shall hold a meeting requested under this subsection within 10 school days of the parent's request. The focus of any such meeting shall be to discuss proactive ways to prevent the need for emergency safety interventions and to reduce incidents in the future.

For a student with an IEP or a Section 504 plan, such student's IEP team or Section 504 plan team shall discuss the incident and consider the need to conduct a functional behavioral assessment, develop a behavior intervention plan, or amend the behavior intervention plan if already in existence .

For a student with a section 504 plan, such student's section 504 plan team shall discuss and consider the need for a special education evaluation. For students who have an individualized education program and are placed in a private school by a parent, a meeting called under this subsection shall include the parent and the private school, who shall consider whether the parent should request an individualized education program team meeting. If the parent requests an individualized education program team meeting, the private school shall help facilitate such meeting.

For a student without an IEP or Section 504 plan, the school staff and the parent shall discuss the incident and consider the appropriateness of a referral for a special education evaluation, the need for a functional behavioral assessment, or the need for a behavior intervention plan. Any such meeting shall include the student's parent, a school administrator for the school the student attends, one of the student's teachers, a school employee involved in the incident, and any other school employees designated by the school administrator as appropriate for such meeting.

The student who is the subject of such meetings shall be invited to attend the meeting at the discretion of the parent. The time for calling such a meeting may be extended beyond the 10 - day limit if the parent of the student is unable to attend within that time period. Nothing in this section shall be construed to prohibit the development and implementation of a functional behavior assessment or a behavior intervention plan for any student if such student would benefit from such measures.

Local Dispute Resolution Process

If a parent believes that an emergency safety intervention has been used on the parent's child in violation of state law or board policy, the parent may file a complaint as specified below.

The board of education encourages parents to attempt to resolve issues relating to the use of ESI informally with the building principal and/or the superintendent before filing a formal complaint with the board. Once an informal complaint is received, the administrator handling such complaint shall investigate such matter, as deemed appropriate by the administrator. In the event that the complaint is resolved informally, the administrator must provide a written report of the informal resolution to the superintendent and the parents and retain a copy of the report at the school. The superintendent will share the informal resolution with the board of education and provide a copy to the state department of

education.

If the issues are not resolved informally with the building principal and/or the superintendent, the parents may submit a formal written complaint to the board of education by providing a copy of the complaint to the clerk of the board and the superintendent within thirty (30) days after the parent is informed of the incident.

Upon receipt of a formal written complaint, the board president shall assign an investigator to review the complaint and report findings to the board as a whole. Such investigator may be a board member, a school administrator selected by the board, or a board attorney. Such investigator shall be informed of the obligation to maintain confidentiality of student records and shall report the findings of fact and recommend corrective action, if any, to the board in executive session.

Any such investigation must be completed within thirty (30) days of receipt of the formal written complaint by the board clerk and superintendent.

On or before the 30th day after receipt of the written complaint, the board shall adopt written findings of fact and, if necessary, appropriate corrective action.

A copy of the written findings of fact and any corrective action adopted by the board shall only be provided to the parents, the school, and the state department of education and shall be mailed to the parents and the state department within 30 days of the board's receipt of the formal complaint. If desired, a parent may file a complaint under the state board of education administrative review process within thirty (30) days from the date a final decision is issued pursuant to the local dispute resolution process.
