

Meet the Teacher Orientation

Tuesday, August 13

We will have an AM and PM time available.
You will get to decide what time works for you.

All parents and students must attend The Bear Blvd School Meet the teacher to help make the first day of school a smooth and positive experience.

The session is designed to all parents and students an opportunity:

- to meet their teacher and visit classrooms
 - learn about the curriculum
- confirm transportation to and from school
- drop off school supplies and receive your child's name tag
- Become acquainted with general SBISD policies

You will receive a call from your students's teacher a couple of days before to introduce themselves and tell you more about the times for meet the teacher.

This is when you will get to notify them what time works best for you.

School supply list can be found at the bottom of our webpage at
