Management's Responsibility for the Financial Statements

The District's management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting described in Note 1 to the financial statements; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash receipts collected and cash disbursements paid of the Extraclassroom Activity Fund for the year ended June 30, 2018, on the basis of accounting described in Note 1 to the financial statements.

Basis of Accounting

We draw attention to Note 1 of the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Emphasis of Matter

Extraclassroom Activity Fund

As discussed in Note 1 to the financial statements, the financial statement of the Extraclassroom Activity Fund is intended to present the cash receipts collected and cash disbursements paid that are attributable to the Extraclassroom Activity Fund. It does not purport to, and does not, present fairly the financial position of the Eden Central School District, New York, as of June 30, 2018, and the changes in its financial position for the year then ended, in accordance with accounting principles generally accepted in the United States of America.
