

CFISD World Cultures HORIZONS

Scope and Sequence 2024-2025

Course Description: Sixth-grade students will explore people, cultures, and places of the contemporary world. HORIZONS students follow a similar scope and sequence and focus on the same units of study as on-level students; however, the curriculum is compressed and accelerated within each grading period giving students an opportunity to experience culminating activities. These activities allow students to investigate subject matter at a deeper and more complex level and include special topics related to the current unit of study and usually focus on contemporary world issues.

The purpose of the flexibility is meant to allow teachers the opportunity to plan for the needs of their students and to accommodate re-teaching or review when necessary. If pre-assessment indicates student mastery could be obtained in a fewer number of days, the additional time could be used for extension or carried into the next unit.
