

**CHARTER REVISION COMMISSION 2024
REPORT TO THE ELLINGTON BOARD OF SELECTMEN. FINAL DRAFT 8-7-24**

Commission Members: Thomas Modzelewski, Warren McGrath, Cynthia Soto, Jamison Boucher, Peter Hany Jr., Joseph Burns, Thomas Palshaw (Chair)

A. INTRODUCTION

CGS 7-188 permits municipalities to organize their government by Charter. There is also a requirement in Charter, Chapter 1308, to periodically review that charter. This Commission was convened to meet that requirement.

There have been significant changes in the last 5 years. The Town Administrator's position was created and filled in accordance with the provisions Sections 1001, 801, 1203 of the existing charter. Missing however is how that position fits within the structure, and processes of the town. That is just one example, as there are other sections of the charter in need of updating and clarification.

Due to the large number of suggested changes, and the relatively short period of time available to have all the amendments properly considered, this commission may recommend only the most important amendments at this time, and to further recommend the town convene another commission to continue the process next year. See Appendix A

Items marked with an asterisk (*) are considered core questions. If one (*) question is included on the ballot then all (*) questions should be included as they are interrelated.

Recommended changes are printed in **BOLD**.
