

Dear Live Oaks Families:

Welcome to the 2024-2025 school year! We are so excited to start the year with the building construction and renovations completed. Our beautiful state-of-the-art building helps foster the professional culture we strive to create for - and with - our students. Students spend half their day in their lab and half in their academic classes. Uniforms are selected by their instructor. They are typical of the chosen industry and students are expected to wear them all day, every day. Attendance is also important to our professional culture. Students missing even one day of school will miss 2 1/4 hours of lab including missing activities that can only occur in their lab. We expect students to show up on time, every day, dressed for their job. When students work to meet or exceed the professional skills of their program, our lab instructors have an exemplary job or college placement record, and our academic instructors help ensure every student meets their home school requirements for graduation.

We are looking forward to another amazing school year at Live Oaks! Go Squirrels!

Sincerely,

Dr. Amy Crouse
Dean of Instruction

EARLY DISMISSAL

Follow the same procedures as reporting an absence if your student needs to leave before 2:18 PM. Only parents/guardians listed on the emergency medical form can dismiss students. Student-athletes with early dismissal for an affiliated school sport must have a sports early release form signed by the coach, parent, and teacher.

LATE ARRIVAL & JOB PLACEMENT SCHEDULES

Students with approved late arrival or job placement schedules must sign in/out at the reception desk to avoid being marked absent.

INCLEMENT WEATHER

Follow your affiliated high school's closure or delay decisions in case of bad weather. Even if your affiliated school closes, Live Oaks may remain open. If that's the case, contact your instructors to stay on top of assignments. We'll keep you updated on weather-related schedule changes at Live Oaks via calls, emails, and our website www.greatoaks.com.

SCHOOL PARKING

To ensure a safe and smooth experience for everyone, here are some key reminders for student drivers: Park in designated student spots only after 7:30 AM, and head straight to class after parking. Be courteous by following traffic rules, driving safely, and minimizing noise. Display the Live Oaks parking permit in the vehicle. School officials may search vehicles on suspicion of drugs or weapons. There's no access to the parking lot during the day, so plan accordingly.

COLLEGE CREDIT PLUS

College Credit Plus allows students in grades 7-12 to earn both college and high school credit at the same time. To learn more about eligibility, costs, and other important information, please click [HERE](#) or contact your counselor at Live Oaks.

TRANSCRIPTS & DIPLOMAS

While Live Oaks operates as a separate entity, the affiliated school will still be responsible for student's official academic records, including transcripts and diplomas. All credits a student earns at Live Oaks will be automatically transferred to their affiliated school's system, ensuring a complete and accurate record of their achievements.
